PART III (*EXPLANATORY STATEMENT*) OF THIS DOCUMENT COMPRISES AN EXPLANATORY STATEMENT IN COMPLIANCE WITH SECTION 897 OF THE COMPANIES ACT 2006.

If you are in any doubt as to the action you should take, you should consult your stockbroker, bank manager, attorney, solicitor, accountant or other independent professional adviser who, if you are taking advice in the United Kingdom, is authorised pursuant to the Financial Services and Markets Act 2000 or, if you are in a territory outside the United Kingdom, is an appropriately authorised independent financial adviser.

If you sell, have sold, or otherwise transferred all of your ReNew Shares, please send this document (but not any accompanying personalised documents) at once to the purchaser or transferee, or to the bank, stockbroker or other agent through whom the sale or transfer was effected for delivery to the purchaser or transferee. If you have sold or otherwise transferred part of your holding of ReNew Shares, please consult the bank, stockbroker or other agent through whom the sale or transfer was effected.

The distribution of this document in jurisdictions other than the United Kingdom and United States may be restricted by the laws of those jurisdictions, and therefore persons into whose possession this document and any accompanying documents come should inform themselves about, and observe, any such restrictions. Any failure to comply with those restrictions may constitute a violation of the securities laws of any such jurisdiction.

The accompanying Forms of Proxy are personalised. Recommended acquisition of

to be effected by means of a
scheme of arrangement under Part 26 of
the Companies Act 2006

ReNew Shareholders should read carefully the whole of this document, the accompanying Forms of Proxy and the Combined Form of Election which will be mailed separately to you by Computershare. Your attention is drawn to the letter from the Special Committee of ReNew in Part I (*Letter from the Special Committee of ReNew Energy Global plc*) of this document, which contains the unanimous recommendation of the Special Committee that you vote in favour of the Scheme at the Court Meeting and in favour of the Scheme Resolution to be proposed at the General Meeting. An explanatory statement explaining the Scheme in greater detail is set out in Part III (Explanatory *Statement*) of this document.

Notices of the Court Meeting and the General Meeting, both of which are to be held at on , are set out at the beginning of this document. The Court Meeting will start at (UK time) and the General Meeting will start at (UK time) (or as soon thereafter as the Court Meeting has been concluded or adjourned).

The actions to be taken by ReNew Shareholders in respect of the Court Meeting and General Meeting are set out on pages 32 to 36. Whether or not you intend to be present at the Court Meeting and/or the General Meeting, please complete and sign both Forms of Proxy accompanying this document, one Form of Proxy labelled "Court Meeting Proxy Form" for the Court Meeting and one Form of Proxy labelled "General Meeting Proxy Form" for the General Meeting, in accordance with the instructions set out on pages 225 to 228 of this document (*Notice of Court Meeting*) and pages 229 to 240 of this document (*Notice of General Meeting*), and return them using the return envelope provided to Broadridge, as soon as possible, and in any event so as to be received by Broadridge at 51 Mercedes Way, Edgewood, NY 11717 not later than (UK time) on in the case of the Court Meeting and not later than (UK time) on in the case of the General Meeting or, in the case of any adjournment, not later than 48 hours (excluding any part of a day that is not a Scheme Business Day) before the time fixed for the holding of the adjourned meeting. Alternatively, the Form of Proxy for the Court Meeting (but not the General Meeting) may be handed to the Chairman of the Court Meeting, before the start of that meeting. Forms of Proxy returned by fax will not be accepted. You can also lodge your proxy vote online at www.ProxyVote.com or (from within the United States) by telephone on 1-800-454-8683, so as to be received not later than 48 hours (excluding any part of a day that is not a Scheme Business Day) before the relevant meeting. The return of a completed Form of Proxy, the electronic appointment of a proxy or the appointment of a proxy via telephone will not prevent you from attending the Court Meeting and/or the General Meeting, or any adjournment thereof, and voting in person if you so wish and if you are entitled to do so. Your vote in the Court Meeting and/or the General Meeting will revoke the applicable proxy appointment.

It is important that, for the Court Meeting, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of the opinion of Scheme Shareholders. Therefore, whether or not you plan to attend the Meetings, please complete and sign both the enclosed Forms of Proxy (one labelled "Court Meeting Proxy Form" and one labelled "General Meeting Proxy Form"), or deliver your voting instructions by one of the other methods mentioned in the preceding paragraph, as soon as possible.

If you are eligible and wish to elect for the Rollover in respect of your Scheme Shares, you must also complete Part I (*Rollover Election*) of the Combined Form of Election, which will be mailed separately to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Voluntary Corporate Actions; COY: RNGP, P.O. Box 43011, Providence, RI 02940-3011, or if by express mail, courier or other expedited service, to Computershare at C/O Voluntary Corporate Actions; COY: RNGP, 150 Royall Street, Suite V, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ , in each case by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) ten Business Days prior to the date of the Court Hearing. Scheme Shareholders who do not wish to elect for the Rollover do not need to complete Part I (*Rollover Election*) of the Combined Form of Election.

Only Scheme Shareholders (other than Scheme Shareholders resident in India), which are holders of Scheme Shares in the register of members of the Company, are eligible to make an Election. Any person who becomes a Scheme Shareholder after the Election Return Time will not be eligible to elect for the Rollover and their Scheme Shares will be treated as Cash-Out Shares.

Beneficial owners of Scheme Shares held in uncertificated form within the systems of DTC are NOT eligible to make an Election and will receive the Consideration for all of their Scheme Shares. If you are a beneficial owner of Scheme Shares held in uncertificated form within the systems of DTC and you wish to make an Election, you must first procure the withdrawal of all such Scheme Shares from DTC and be entered as a registered holder (other than as a holder in uncertificated form) in the register of members of the Company. To effect such withdrawal, you must notify your broker, bank or other nominee who holds your Scheme Shares of your intention and follow their instructions including executing any requisite documentation and paying any requisite processing fees.

If you are a holder of Depositary Receipts and you wish to make an Election, you must first procure that the Scheme Shares represented by your Depositary Receipts are registered by reference to a separate designation in the register of members of the Company. To effect such re-registration, you must notify the Company and Computershare of your intention and follow their instructions including executing any requisite documentation and paying any requisite processing fees.

The Company is unable to assure beneficial owners of Scheme Shares or holders of Depositary Receipts how long it will take to complete (i) the withdrawal of Scheme Shares from DTC and re-registration of the beneficial owners as registered holders or (ii) the re-registration of Scheme Shares represented by Depositary Receipts by reference to a separate designation, as this will depend on factors outside the Company's control, including the cooperation of third parties such as the relevant broker, bank or other nominee and DTC. Beneficial owners of Scheme Shares and holders of Depositary Receipts who wish to make an Election are therefore strongly recommended to act as soon as possible and, in any event, sufficiently in advance of the Election Return Time to allow any required withdrawal and/or re-registration to be completed in time. Please note that you will have a minimum of 80 calendar days from the publication of this document to complete the required withdrawal and/or re-registration and, following that, complete and return or submit your Combined Form of Election.

The Rollover involves significant risks and uncertainties and may not be suitable for all Scheme Shareholders. Please refer to the section entitled "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*) for a description of the risks relating to the Rollover. Scheme Shareholders should consider whether the Rollover is a suitable alternative in light of their own personal circumstances and investment objectives and are, therefore, strongly recommended to seek their own independent financial, tax and legal advice before deciding whether to elect for the Rollover.

Scheme Shareholders who hold their Scheme Shares in certificated form (including DTC Withdrawal Scheme Shareholders) must complete Part II (*Letter of Transmittal*) of the Combined Form of Election which will be mailed separately to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Corporate Actions; Attn: Mandatory Corporate Actions, P.O. Box 43014, Providence, RI 02940-3014, or if by express mail, courier or other expedited service, to Computershare at C/O Mandatory Corporate Actions; COY: RNGP, 150 Royall Street, Suite 101, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ . In each case, all share certificates and Depositary Receipts representing such Scheme Shareholders' Scheme Shares must be returned by mail, express mail, courier or other expedited service (as applicable) to the relevant address set out above, either together with the complete Part II (*Letter of Transmittal*), or independently if the complete Part II (*Letter of Transmittal*) is submitted electronically. Both items must be returned or submitted by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) ten Business Days prior to the date of the Court Hearing. The requirement above applies whether or not a Scheme Shareholder has completed Part I (*Rollover Election*) of the Combined Form of Election.

If any such share certificate(s) or Depositary Receipt(s) are found to be missing, the relevant holder must instead deliver an affidavit of lost securities and settle the relevant surety bond premium and any relevant processing fee as required by Computershare. All such returns (or, where applicable, the delivery of the affidavit and settlement of related payments) must be made by no later than the Election Return Time, in order to receive the Consideration to which the relevant holder is entitled under the Scheme.

Cash-Out Shareholders who hold their Cash-Out Shares in certificated form will not receive the Consideration to which they are entitled under the Scheme unless and until they have complied with the requirements set out above.

Each holder of record of one or more uncertificated Cash-Out Shares held within the systems of DTC shall automatically upon the Effective Time be entitled to receive, and the Purchaser shall procure the Paying Agent to pay and deliver to DTC or its nominee as soon as practicable and in any event by no later than 14 days after the Effective Date, in respect of each such uncertificated Cash-Out Share, a cash amount by wire transfer of immediately available funds in U.S. dollars equal to the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law).

Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares should read and make sure they understand the section entitled "*Notice Regarding Certain Indian Taxation Considerations*" and Part V (*Certain Indian Tax Considerations*) and Part XIII (*Indian Tax Self-Declaration*) of this document. If applicable, Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares must complete the Indian Tax Self-Declaration contained in Part XIII (*Indian Tax Self-Declaration*) of this document, in accordance with the instructions set out in Part XIII (*Indian Tax Self-Declaration*) of this document and either (i) return it by post (properly insured) or (ii) submit it via a designated online portal to the Purchaser or an agent designated by the Purchaser, in each case by no later than the Indian Tax Self-Declaration Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) 15 Business Days prior to the date of the Court Hearing.

This document is dated and is first being mailed to ReNew Shareholders on or about .

Capitalised words and phrases used in this document shall have the meanings given to them in Part IX (*Definitions*).

NOTICE REGARDING CERTAIN INDIAN TAXATION CONSIDERATIONS

Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares should note that the transaction contemplated herein may have tax consequences in India. Such Indian tax considerations could potentially have important implications for Cash-Out Shareholders, Beneficial Cash-Out Shareholders and holders of Depositary Receipts in respect of Cash-Out Shares who are not Indian tax resident.

A summary of certain important Indian tax considerations of the implementation of the Scheme for certain Cash-Out Shareholders and Beneficial Cash-Out Shareholders is set out in Part V (*Certain Indian Tax Considerations*) of this document.

Such Indian tax considerations could potentially have important implications for Cash-Out Shareholders and Beneficial Cash-Out Shareholders who are not Indian tax resident, which may include deductions or withholdings on account of Indian tax being made from the Consideration payable to Cash-Out Shareholders and Beneficial Cash-Out Shareholders, as well as for Cash-out Shareholders and beneficial Cash-Out Shareholders who are Indian tax resident.

Accordingly, all Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares are advised to carefully review and consider the summary set out in Part V (*Certain Indian Tax Considerations*) and, where there is any uncertainty, to discuss with an appropriate independent professional adviser immediately.

In particular, Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares who are not tax resident in India shall:

(1) if applicable, complete the Indian Tax Self-Declaration contained in Part XIII (*Indian Tax Self-Declaration*) of this document, in accordance with the instructions set out in Part XIII (*Indian Tax Self-Declaration*) of this document and either (i) return it by post (properly insured) or (ii) submit it via a designated online portal to the Purchaser or an agent designated by the Purchaser, in each case by no later than the Indian Tax Self-Declaration Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) 15 Business Days prior to the date of the Court Hearing; and

(2) notify the Company in writing if any of their Scheme Shares are held through a custodian account in India. Absent such notification, such Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares are deemed to have confirmed that none of their Cash-Out Shares are held through a custodian account in India.

The summary of Indian tax considerations set out in Part V (*Certain Indian Tax Considerations*) does not constitute tax advice and does not purport to be a full analysis of all potential Indian tax consequences of the Acquisition. Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares who are in any doubt about their taxation position, or who are subject to taxation in a jurisdiction outside of India are strongly advised to contact an appropriate independent professional adviser immediately.

These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, the following: (1) the Acquisition is subject to the satisfaction or waiver of certain conditions, including the receipt of requisite approvals by ReNew Shareholders and Scheme Shareholders, the sanction of the Scheme by the Court and the receipt of requisite regulatory approvals and clearances, which conditions may not be satisfied or waived; (2) uncertainties as to the timing of the consummation of the Acquisition and the ability of each party to consummate the Acquisition; (3) the risk that the Acquisition disrupts ReNew's current operations or affects its ability to retain or recruit key employees; (4) the possible diversion of management time on Acquisition-related issues; (5) the risk of shareholder or other litigation relating to the Acquisition; (6) unexpected costs, charges or expenses resulting from the Acquisition; and (7) potential adverse reactions or changes to business relationships resulting from the announcement or completion of the Acquisition. A further list and description of risks, uncertainties, and other matters can be found in ReNew's annual report on Form 20-F for the fiscal year ended 31 March 2026, and in subsequent reports on Form 6-K, in each case including in the sections thereof captioned "Cautionary Note Regarding Forward-Looking Statements" and "Item 3.D. Risk factors".

Should one or more of these risks or uncertainties materialise, or should any of the assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. You are cautioned not to place undue reliance on these forward-looking statements that speak only as of the date hereof. New risks and uncertainties come up from time to time, and it is impossible for us to predict these events or how they may affect us. Neither ReNew, the Purchaser, nor the Consortium will undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. In light of these risks and uncertainties, you should keep in mind that any event described in a forward-looking statement made in this document or elsewhere might not occur. Investors are cautioned that forward-looking statements are not guarantees of future performance.

The forward-looking statements made in this document are made only as of the date hereof or as of the dates indicated in the forward-looking statements and reflect the views stated therein with respect to future events as at such dates, even if they are subsequently made available by ReNew on its website or otherwise. Neither ReNew, the Purchaser nor the Consortium undertake any obligation to update or supplement any forward-looking statements to reflect actual results, new information, future events, changes in its expectations or other circumstances that exist after the date as of which the forward-looking statements were made other than to the extent required by applicable law.

To the extent that any of the periodic reports incorporated by reference in this document contain references to the safe harbour provisions of the Private Securities Litigation Reform Act of 1995 with respect to forward-looking statements, ReNew notes that these safe harbour provisions do not apply to any forward-looking statements ReNew makes in connection with the going-private transaction described in this document.

It is the responsibility of all Overseas Shareholders to satisfy themselves as to their full compliance with the laws of the relevant jurisdiction, including obtaining any governmental, exchange control or other consents which may be required and their compliance with any other necessary formalities which are required to be observed and the payment of any transfer or other taxes due in such jurisdiction. If you are in any doubt regarding such matters, you should consult an independent professional adviser in the relevant jurisdiction without delay.

Copies of this document and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction or any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of the Acquisition.

If the Acquisition is implemented by way of an Offer, the Offer may not (unless otherwise permitted by applicable law and regulation) be made, directly or indirectly, in or into or by use of the mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Acquisition will not be capable of acceptance by any such use, means, instrumentality or facilities or from within any Restricted Jurisdiction.

NOTICE TO UNITED STATES RENEW SHAREHOLDERS

The Acquisition relates to the shares of a UK company and is being made by means of a scheme of arrangement provided for under Part 26 of the Act. The Acquisition is to be implemented by way of a scheme of arrangement.

It may be difficult for U.S. ReNew Shareholders to enforce their rights and any claim arising out of the U.S. federal securities laws, because ReNew is located outside of the U.S., and some of its officers and directors are residents of countries outside of the U.S. ReNew Shareholders may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment.

A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement, which differ from the disclosure requirements of the U.S. tender offer rules and proxy solicitation rules under the Exchange Act. If, in the future, the members of the Consortium (with the prior written consent of ReNew, in accordance with the Transaction Agreement) elect to implement the Acquisition by way of an Offer and determine to extend the Offer into the U.S., the Acquisition will be made in compliance with applicable U.S. laws and regulations, including any applicable exemptions under the Exchange Act.

Certain financial information relating to ReNew that is included in this document has been or will have been prepared in accordance with IFRS and may not therefore be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with GAAP.

U.S. ReNew Shareholders also should be aware that the transaction contemplated herein may have tax consequences in the U.S. A summary of certain United Kingdom and United States taxation consequences of the implementation of the Scheme for certain ReNew Shareholders is set out in paragraph 10 of Part VII (*Additional Information*) of this document. U.S. ReNew Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding this transaction.

U.K. TAKEOVER CODE DOES NOT APPLY

Neither ReNew nor the Acquisition is subject to the requirements of the U.K. Takeover Code or the jurisdiction of the U.K. Panel on Takeovers and Mergers. Therefore, no dealing disclosures are required to be made under Rule 8 of the U.K. Takeover Code by ReNew Shareholders or any member of the Consortium.

SUMMARY

This summary highlights selected information contained in this document, including with respect to the Transaction Agreement, the Scheme and the Acquisition. You are encouraged to, and you should, carefully read this entire document, its annexes and the documents referred to or incorporated by reference, as this summary may not contain all of the information that may be important to you in determining how to vote and whether to elect for the Rollover. You may obtain the information incorporated by reference into this document without charge by following the instructions under the section entitled "Availability of Information" in paragraph 11 of Part II (US Special Factors).

Summary of the Terms of the Acquisition

On 11 August 2026, the Consortium and ReNew entered into the Transaction Agreement. On 28 October 2026, the Consortium and ReNew entered into a side letter to amend the leaver provisions in the Transaction Agreement applicable to certain replacement awards under the New Incentive Plan. A copy of each of the transaction agreement dated 11 August 2026 and the side letter dated 28 October 2026 are attached as Annex A to this document. The Transaction Agreement provides, amongst other things, for the acquisition by the Purchaser of all of the Cash-Out Shares for cash by means of the Scheme. Upon consummation of the Acquisition, the Cash-Out Shares will be transferred to the Purchaser and the Rollover Shares will continue to be held by the Rollover Shareholders.

The Acquisition, which will be on the terms and subject to the conditions described in detail in this document, will be made on the following basis:

For each Cash-Out Share: USD 7.02 in cash (the "Cash Offer")

- the terms of the Acquisition valued the entire issued and to be issued ordinary share capital of ReNew at approximately USD 2.8 billion on a fully diluted basis and implied an enterprise value of approximately USD 10.2 billion.
- The terms of the Acquisition represent a premium of:
  - 12.5% to the closing share price of USD 6.24 per ReNew Share on 28 May 2026 (being the last day of trading prior to the public announcement of the Initial Proposal made by the Consortium);
  - 24.7% to the volume-weighted average price of USD 5.63 per ReNew Share for the one-month period ended 28 May 2026;
  - 32.5% to the volume-weighted average price of USD 5.30 per ReNew Share for the three-month period ended 28 May 2026; and
  - 30.5% to the volume-weighted average price of USD 5.38 per ReNew Share from 15 December 2025 (being the date on which the Former Transaction Announcement was published) to 28 May 2026.

The Rollover

As an alternative to the Cash Offer, eligible Scheme Shareholders may elect to retain all but not some of their Scheme Shares, which will continue to be held by such Scheme Shareholders following the Effective Time, subject to the terms and conditions of the Rollover (detailed in paragraph 5 of Part III (*Explanatory Statement*)).

Eligible Scheme Shareholders will only be able to elect for the Rollover in relation to their entire holding of Scheme Shares and not part only. However, due to the operation of the Cutback and the Maximum U.S. Rollover Percentage, as explained in paragraph 5 of Part III (*Explanatory Statement*) of this document, it is possible that some or all of the Scheme Shares elected by an eligible Scheme Shareholder for the Rollover will become Cash-Out Shares and such Scheme Shareholder will receive the Consideration in respect of such Cash-Out Shares instead.

Further information on the Rollover is contained in the section entitled "*Summary of the terms of the Rollover*" in paragraph 5 of Part III (*Explanatory Statement*) of this document.

The Special Committee does not give any advice to Scheme Shareholders as to whether they should elect for the Rollover.

However, the Special Committee notes that the Rollover involves significant risks and uncertainties and may not be suitable for all Scheme Shareholders. Please refer to the section entitled "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*) for a description of the risks relating to the Rollover.

Scheme Shareholders should consider whether the Rollover is a suitable alternative in light of their own personal circumstances and investment objectives and are, therefore, strongly recommended to seek their own independent financial, tax and legal advice before deciding whether to elect for the Rollover.

It is currently intended that, following the Scheme becoming Effective, ReNew will be subject to a Reorganisation (as defined below) such that such remaining ReNew Shareholders and any further ReNew Shareholders at that time will become direct shareholders of ReNew India, ReNew's direct private subsidiary incorporated in India. As a consequence, Rollover Shareholders will be required to comply with Indian regulatory and administrative requirements in order to hold and deal in shares of an Indian company, which will include, among other things, the requirements to obtain an Indian Permanent Account Number and to open a demat (electronic) account with a custodian to enable the Rollover Shareholders to hold the shares of ReNew India, which may require the Rollover Shareholders to submit apostilled and/or notarised (if applicable) personal documentation. Investment by a Rollover Shareholder having any direct or indirect ownership by a citizen or an entity of a country sharing a land border with India and not requiring prior government approval under the provisions of the Foreign Exchange Management (Non-debt Instruments) Rules, 2019 ("**NDI Rules**"), will be subject to reporting requirements specified by the Reserve Bank of India. Further details of the Reorganisation are set out in the sections entitled "*Plans for ReNew after the Acquisition*" in paragraph 7 of Part II (*US Special Factors*) and "*Proposed Reorganisation*" in paragraph 7 of Part III (*Explanatory Statement*) of this document, as well as the Reorganisation Structure Paper as set out in Annex F to this document and Reorganisation Wrapper Deed, as set out in Annex E to this document.

Recommendation of the Special Committee; Reasons for the Recommendation

For the reasons detailed in this document, the Special Committee believes that it is important that ReNew Shareholders have the opportunity to vote on the Scheme and the Scheme Resolution. The Special Committee considers that the terms of the Cash Offer, including the terms of the Transaction Agreement, are fair and reasonable, and unanimously recommends that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and ReNew Shareholders vote in favour of the Scheme Resolution to be proposed at the General Meeting.

The Special Committee considered various reasons to reach its determination. For example:

- despite the continued growth in ReNew's operating platform and financial performance since its listing on Nasdaq in August 2021, the shares of ReNew have traded persistently below the USD 10 initial listing price, including reaching an all-time low closing price of USD 4.50 per share on 30 March 2026, constraining ReNew's ability to use its public equity as a source of growth capital;
- the impact of the Acquisition on ReNew's business outlook and its ability to compete with domestically listed Indian competitors, in light of the historical constraints on ReNew's ability to use its public equity as a source of growth capital and its significant reliance on debt issuance and asset recycling to fund growth, resulting in increased debt leverage and, in September 2025 the placement of ReNew on negative watch by Moody's;
- the increase from the initial offer price of USD 6.75 per share and the determination by the Special Committee, following extensive negotiations with the Consortium, that USD 7.02 was the highest price per ReNew Share that the Purchaser would agree to pay and that the Acquisition represented the most favourable terms to ReNew Shareholders which could be negotiated with the Consortium;

- the premium over unaffected market price which the Acquisition offers, namely a premium of 12.5% to the unaffected share price of USD 6.24 per share as of 28 May 2026 (being the last day of trading prior to the public announcement of the Initial Proposal made by the Consortium), and premiums of 24.7%, 32.5% and 30.5% to the volume-weighted average price for the one-month period and three-month period ended 28 May 2026 and from 15 December 2025 (being the date on which the Former Transaction Announcement was published) to 28 May 2026, respectively;
- the certainty of value and the liquidity provided by the Consideration and the execution certainty of the Consortium's proposal, taking into account in particular the irrevocable undertakings received by the Consortium from JERA Nex and Platinum Cactus;
- the Best and Final Proposal has received irrevocable commitments from JERA Nex and Platinum Cactus, which collectively own ReNew Shares representing, in aggregate, approximately 51 per cent. of the voting power of the Scheme Shares and 32 per cent. of the voting power of ReNew Shares as at 18 September 2026;
- the extensive exploration of strategic alternatives by the Special Committee both before and after the announcement of the Initial Proposal, including maintaining its independent public company status, potential financing transactions, additional or secondary listing on Indian stock exchanges, including a listing in India of the manufacturing division, raising capital at holding company level of the Company's commercial and industrial business, and a potential sale of the operations and maintenance services business;
- the fact that the Consortium, who beneficially own approximately per cent. of the outstanding ReNew Shares, on a fully diluted basis and control approximately per cent. of the total voting power in ReNew, have stated that it did not, at the time, intend to sell any shares to any third party in any alternative takeover transaction and the implications of that position for the Company's ability to pursue alternative transactions;
- the fact that since the announcement of the initial proposal by the Former Consortium in December 2024, no person other than the Former Consortium or the Consortium has contacted ReNew or the Special Committee with a proposal for an alternative transaction with ReNew;
- the opinion of the Special Committee's financial adviser, Rothschild & Co, delivered to the Special Committee on 11 August 2026, to the effect that, as of such date and on the basis of and subject to the qualifications, limitations and assumptions set forth in the written opinion, the Consideration payable to the holders of Cash-Out Shares in the Acquisition pursuant to the Transaction Agreement was fair, from a financial point of view, to such holders; and
- the Special Committee's determination that sufficient procedural safeguards were and are present to ensure that the Acquisition is procedurally fair to the Scheme Shareholders and to permit the Special Committee to represent effectively the interests of such Scheme Shareholders.

For a more complete description of the reasons considered by the Special Committee in deciding to recommend that ReNew Shareholders vote in favour of the Scheme and the Scheme Resolution, see the section entitled "*Reasons for the Recommendation*" in paragraph 4 of Part II (*US Special Factors*).

The Special Committee has not asked Rothschild & Co to address, and Rothschild & Co's opinion does not address, the Rollover.

The Special Committee cannot form an opinion as to whether or not the terms of the Rollover are fair and reasonable and is not making any recommendation to Scheme Shareholders as to whether or not they should elect for the Rollover.

However, the Special Committee notes that the Rollover involves significant risks and uncertainties which have significant and variable impact on individual Scheme Shareholders including, for instance, the fact that the ReNew Shares will be illiquid following the Scheme becoming Effective and the level of uncertainty in their future value, and may therefore not be suitable for all Scheme Shareholders. Please refer to the section entitled "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*) for a description of the risks relating to the Rollover.

Scheme Shareholders should consider whether the Rollover is a suitable alternative in light of their own personal circumstances and investment objectives and are, therefore, strongly recommended to seek their own independent financial, tax and legal advice before deciding whether to elect for the Rollover.

ReNew evaluated the potential existence of any potential conflict of interest with respect to: (i) Mr. Sinha (in light of Mr. Sinha being the founder, and a shareholder, of ReNew, Mr. Sinha's position as Chief Executive Officer of ReNew and Chairman of the ReNew Board, and Mr. Sinha's position as a member of the Consortium); (ii) William Bowen Shepheard Rogers and Pushkar Kulkarni (in light of Mr. Rogers and Mr. Kulkarni being CPP Investments' nominee directors on the ReNew Board); (iii) Yuzhi Wang (in light of Mr. Wang being Platinum Cactus' nominee director on the ReNew Board); (iv) Mr. Richard Scott (in light of Mr. Scott being the observer appointed by JERA Nex to the ReNew Board) and (v) Ms. Vaishali Nigam Sinha (in light of Ms. Sinha, a co-founder of the Company, being the observer appointed by Mr. Sinha to the ReNew Board), and has implemented appropriate governance measures to enhance and protect the independence of deliberations by the ReNew Board. Such measures included the formation of the Special Committee, which excluded Mr. Sinha, Mr. Rogers, Mr. Kulkarni, Mr. Wang, Mr. Scott and Ms. Sinha, for the purposes of (among other matters) considering, negotiating the terms of and approving the Acquisition.

The Consideration

The consideration payable by the Purchaser pursuant to the Acquisition will be USD 7.02 per Cash-Out Share in cash, without interest, and subject to any applicable withholding taxes.

Opinion of the Special Committee's Financial Adviser

The Special Committee retained Rothschild & Co as its financial adviser in connection with the Acquisition. On 11 August 2026, at a meeting of the Special Committee held to evaluate the Acquisition and the other transactions contemplated by the Transaction Agreement, Rothschild & Co delivered to the Special Committee its oral opinion, which was subsequently confirmed by delivery of a written opinion dated 11 August 2026, to the effect that, as of such date and on the basis of and subject to the qualifications, limitations and assumptions set forth in the written opinion, the Consideration payable to the holders of Cash-Out Shares in the Acquisition pursuant to the Transaction Agreement was fair, from a financial point of view, to such holders.

The full text of Rothschild & Co's written opinion, dated 11 August 2026, which describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, is attached as Annex B to this document and is incorporated herein by reference. The summary of Rothschild & Co's opinion contained herein is qualified in its entirety by reference to the full text of such opinion.

Rothschild & Co's opinion was provided for the benefit of the Special Committee in connection with and for the purpose of its evaluation of the Acquisition and the other transactions contemplated by the Transaction Agreement. Rothschild & Co's opinion should not be construed as creating any fiduciary duty on Rothschild & Co's part to any party. Rothschild & Co's opinion was limited to the fairness, from a financial point of view, to the Cash-Out Shareholders of the Consideration payable to such holders in the Acquisition pursuant to the Transaction Agreement, and Rothschild & Co was not asked to, nor did it, offer any opinion as to the terms, other than the Consideration to the extent expressly set forth in its opinion, of the Acquisition, the Transaction Agreement or any other agreement entered into in connection with the transactions. Rothschild & Co expressed no opinion as to the price at which the Class A Ordinary Shares would trade at any future time. In addition, Rothschild & Co did not express any opinion as to the Company's, the ReNew Board's or the Special Committee's underlying business decisions to engage in the Acquisition or the relative merits of the Acquisition as compared to any alternative transaction. Rothschild & Co's opinion did not constitute a recommendation to the Special Committee as to whether to approve the Acquisition or a recommendation as to whether or not any ReNew Shareholder should vote or otherwise act with respect to the Acquisition or any other matter. In addition, Rothschild & Co was not asked by the Special Committee to address, nor did Rothschild & Co's opinion address, (i) the fairness to, or any other consideration of, the holders of any class of securities (other than the Cash-Out Shareholders and then only to the extent expressly set forth in Rothschild & Co's opinion), including the holders of Class B Ordinary Shares, Class C Ordinary Shares, Class D Ordinary Shares or creditors or other constituencies of the Company, (ii) the fairness to, or any other consideration of, the holders of the Rollover Shares or (iii) the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of Consortium, the Company, or any class of such persons, whether relative to the Consideration pursuant to the Transaction Agreement or otherwise.

Irrevocable Undertakings

The Consortium has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting from JERA Nex and Platinum Cactus in respect of ReNew Shares representing, in aggregate, approximately 51 per cent. of the voting power of the Scheme Shares and 32 per cent. of the voting power of ReNew Shares as at 18 September 2026.

Further details of the irrevocable undertakings, including the circumstances in which they cease to be binding, are set out in paragraph 5 of Part VII (*Additional Information*) of this document. Copies of the irrevocable undertakings have been attached as Exhibits (d)(8) and (d)(9) to the Schedule 13E-3 to which this document is attached.

Conditions to the Scheme and the Acquisition

The implementation of the Scheme and the Acquisition is conditional upon the satisfaction (or waiver, if permissible) of the following:

- the Effective Date not occurring prior to 23 August 2026 (which condition has been satisfied);
- approval of the Scheme by a majority in number of the Scheme Shareholders representing not less than 75 per cent. in value of the Scheme Shares (or the relevant class or classes thereof, if applicable) in each case present, entitled to vote and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting that may be required by the Court or at any adjournment of any such meeting;
- the passing of the Scheme Resolution by ReNew Shareholders representing not less than 75 per cent. of the total voting rights of ReNew Shareholders present, entitled to vote and voting, either in person or by proxy, at the General Meeting or at any adjournment of that meeting;
- the sanction of the Scheme by the Court with or without modification (but subject to any non-de minimis modifications being acceptable to ReNew and CPP Investments, acting reasonably and in good faith) and, following such sanction, the delivery of a copy of the Court Order to the Registrar of Companies;
- anti-trust approval and clearance having been obtained in India and foreign direct investment approvals and clearances having been obtained in Belgium and France; and
- no injunction, restraining order or other order or any other legal or regulatory restraint or prohibition having been issued or made by any Governmental Authority of competent jurisdiction or any other person which prevents the consummation of the Acquisition.

In addition, the Consortium and ReNew have agreed that their obligations to give effect to the Acquisition will be conditional upon the satisfaction (or waiver, if permissible) of the following Conditions:

- The Consortium's obligation to consummate the Acquisition is conditional upon:
  - except as Disclosed (which for this purpose shall not be deemed to be qualified by any facts, matters or circumstances Disclosed in the company supplemental disclosure letter), the accuracy of the warranties made by ReNew in the Transaction Agreement both as at the date of the Transaction Agreement and the date immediately preceding the Court Hearing as though made at that time (except for any such warranties made as at a particular date or period, which warranties must be true and correct only as at that date or period), subject in most cases to either a materiality standard or a Company Material Adverse Effect;

- ReNew not being in material breach of its obligations under the Transaction Agreement that are required to be performed by it at or prior to the date immediately preceding the Court Hearing;
- since the date of the Transaction Agreement, no Effect having occurred that has had, or would be reasonably expected to have, individually or in the aggregate with all other Effects, a Company Material Adverse Effect that is continuing as of the date immediately preceding the Court Hearing;
- the Consortium having received a certificate from an executive officer or director of ReNew as of the date immediately preceding the Court Hearing confirming the satisfaction of the Conditions set forth in the first three bullet points above; and
- ReNew having obtained the written approval of Natixis, Singapore Branch in respect of the Transaction pursuant to the facility letter between the Company and Natixis, Singapore Branch and the general terms and conditions thereunder dated 8 May 2024, with such approval, being unconditional and/or on terms reasonably satisfactory to CPP Investments, or having obtained written confirmation from Natixis, Singapore Branch that their approval is not required in respect of the Transaction (which condition has been satisfied).

- ReNew's obligation to consummate the Acquisition is conditional upon:
  - the accuracy of the warranties made by CPP Investments in the Transaction Agreement both as at the date of the Transaction Agreement and the date immediately preceding the Court Hearing as though made at that time (except for any such warranties made as at a particular date or period, which warranties must be true and correct only as at that date or period), subject to the failure of such warranties to be true and correct not preventing the ability of CPP Investments to consummate the Acquisition;
  - CPP Investments not being in material breach of its obligations under this Agreement that are required to be performed by it at or prior to the date immediately preceding the Court Hearing; and
  - ReNew having received a certificate from an executive officer or director of CPP Investments as of the date immediately preceding the Court Hearing confirming the satisfaction of the Conditions set forth in the two bullet points above.

ReNew Equity Awards

Under the ReNew Share Plans, outstanding Awards (other than those held by Mr. Sumant Sinha) will be treated as follows, conditional on receipt of the Court Order:

- ID Awards, awards held by former employees (including persons who become former employees following the date of the Transaction Agreement) whose Awards have not lapsed upon their departure in accordance with the terms of the ReNew Share Plans and which remain outstanding immediately prior to the Court Order and Non-Resident Awards will immediately vest (to the extent not already vested) and become exercisable upon the Court Order. Any such Award that remains unexercised as of the Scheme Record Time will lapse and terminate on the Effective Date, and the holder will instead receive a cash amount equal to the product of (i) the number of Class A Ordinary Shares underlying such Award multiplied by (ii) the Consideration minus the per share exercise price, less any deductions or withholdings in respect of Tax required by applicable law;

- ITM Awards that have equal to or less than a six-month vesting period remaining as of the Effective Date will immediately vest and, subject to the Exercise Cap and pro rata provisions described in the next bullet, become exercisable upon the Court Order ("**Accelerated ITM Awards**");
- Accelerated ITM Awards and any ITM Awards vested prior to the Court Order (together, the "**Exercisable ITM Awards**") may be exercised prior to the Scheme Record Time, provided that, as a condition of exercise the holder agrees the combined amount of Exercisable ITM Awards and Non-Resident Awards exercised may not exceed the Exercise Cap. If the number of such Awards elected to be exercised prior to the Scheme Record Time exceeds the Exercise Cap, the number of Exercisable ITM Awards exercised by current employees shall be reduced on a pro rata basis, calculated by reference to each holder's total holding of Exercisable ITM Awards as a proportion of the aggregate amount of Exercisable ITM Awards held by all such holders (excluding any Exercisable ITM Awards held by former employees, which shall, to the extent reasonably practicable, include any Awards held by a person who becomes a former employee following the date of the Transaction Agreement);
- any Exercisable ITM Awards that remain unexercised or unsettled as of the Scheme Record Time and any ITM Awards with more than six but less than 12 months of vesting remaining as of the Effective Date, will lapse and terminate on the Effective Date, and the holder will instead be granted, within five Business Days following the Effective Date, replacement awards vesting on the 12-month anniversary of the Effective Date, using the Conversion Ratio under the New Incentive Plan, and, subject to the leaver terms set out below, remaining exercisable until 22 August 2031 (or, if the IPO (as defined in the Shareholders' Agreement) has not taken place by such date, the later of the 12-month anniversary of the IPO and 31 December 2035);
- in each case where a holder is granted a replacement award under the New Incentive Plan (other than a replacement award granted in respect of an Underwater Option), and such holder's employment ends for any reason other than cause within 12 months of the Effective Date, in respect of the portion of the replacement award that would have vested on or before the cessation date under the original award's vesting schedule, the holder may elect to either: (i) retain that portion of the replacement award, with it remaining exercisable until 31 December 2035; or (ii) receive a cash payment (payable through payroll and subject to any deductions or withholdings in respect of Tax required by applicable law) equal to the number of Class A Ordinary Shares underlying that portion of the replacement award multiplied by the Consideration minus the aggregate per share exercise price attributable to the shares, with the remaining portion of the replacement award immediately being forfeited and terminating;
- where a holder is granted a replacement award under the New Incentive Plan in respect of an Exercisable ITM Award or any other ITM Award that has been replaced under the New Incentive Plan pursuant to the arrangements described in this paragraph, and such holder ceases to be employed by the Company or any of its Subsidiaries more than 12 months after the Effective Date (other than cessation for cause, meaning fraud or gross misconduct), the holder shall retain the right to exercise any vested replacement awards until 31 December 2035;
- Underwater Options will be replaced, within five Business Days following the Effective Date, with replacement awards under the New Incentive Plan using the Conversion Ratio. Such replacement awards will vest on a schedule of 75% on the 12-month, 12.5% on the 18-month and 12.5% on the 24-month anniversaries of the Effective Date, in each case subject to the relevant holder's continued employment with the Company or any of its Subsidiaries on the applicable vesting date, and any such vested replacement award will remain exercisable until 31 December 2035 (unless such holder's employment is terminated for cause, meaning fraud or gross misconduct);
- all other Awards will be replaced, within five Business Days following the Effective Date, with replacement awards under the New Incentive Plan on substantially the same vesting terms as the original Award, using the Conversion Ratio, which, to the extent it becomes vested, will remain exercisable until 22 August 2031 (or, if the IPO (as defined in the Shareholders' Agreement) has not taken place by such date, the later of the 12-month anniversary of the IPO and 31 December 2035), subject to the leaver terms set out above and to any applicable law;
- the exercise price per share of each replacement award shall be set using the USD/INR exchange rate on the Effective Date, except that options granted on 23 August 2021 in exchange for prior group stock options will retain their original INR exercise price; and
- the Consortium and ReNew have agreed that Awards exercised or settled between receipt of the Court Order and the Scheme Record Time will be cash-settled (subject to deduction of the exercise price, where applicable) and paid, and cash amounts payable in respect of Awards that lapse and terminate on or before the Effective Date will be paid, through payroll (subject to statutory withholdings). The cost of any such cash amounts will be funded by CPP Investments or the Purchaser paying such amounts directly to the Company in exchange for the issuance by the Company of additional Class A Ordinary Shares at a price per share equal to the Consideration. See the section entitled "*Settlement*" in paragraph 20 of Part III (*Explanatory Statement*).

Mr. Sumant Sinha has agreed that he will not exercise any Awards or his annual liquidity right pursuant to section 6 of the Registration Rights, Coordination and Put Option Agreement dated 23 August 2021, prior to the Effective Date. With effect from the Effective Date, Mr. Sinha's outstanding Awards under the ReNew Share Plans will lapse and be replaced under the New Incentive Plan as follows:

- ITM Awards will be replaced with equivalent awards subject to equivalent terms, save that any vested replacement awards remain exercisable until 2035;
- Underwater Options will be replaced with equivalent options subject to equivalent terms, save that 50% will vest on the Effective Date and the remaining 50% will vest in four equal half-yearly instalments of 12.5% each, and vested replacement awards over Underwater Options remain exercisable until 2037; and
- existing RSUs or PSUs with a nominal exercise price of USD 0.0001 will be replaced with a number of replacement RSUs or PSUs to be determined in accordance with a calculation method prescribed in the New CEO Service Agreement, subject to equivalent terms, and will remain exercisable until 2035.

Shareholders Entitled to Vote; Votes Required

Scheme Shareholders as at the Scheme Voting Record Time are entitled to vote at, the Court Meeting and ReNew Shareholders as at the Scheme Voting Record Time are entitled to vote at the General Meeting. As at the Latest Practicable Date, there were Class A Ordinary Shares issued and outstanding, held directly by shareholders. Each Scheme Share is entitled to one vote at the Court Meeting and each ReNew Share is entitled to one vote at the General Meeting.

Beneficial owners of ReNew Shares whose interests in such ReNew Shares are held in the name of a broker, bank or other nominee within the systems of DTC should follow the voting instructions provided by Broadridge or their broker, bank or nominee to ensure that their ReNew Shares are represented at the Court Meeting and the General Meeting.

Holders of Depositary Receipts will receive instructions from Broadridge on how to give directions about the voting of the underlying ReNew Shares. If you hold Depositary Receipts, you must follow these instructions in order for the ReNew Shares represented by your Depositary Receipts to be voted.

In connection with the General Meeting, a quorum will be present if at least two ReNew Shareholders entitled to vote as at the Scheme Voting Record Time are present, in person or represented by proxy**.** Abstentions and brokers that are present at the General Meeting but do not have authority to vote will still be considered in determining the presence of a quorum at the General Meeting. See section entitled "*Effect of abstentions and broker non-votes*" for more details.

In connection with the Court Meeting, a quorum will be present if at least two Scheme Shareholders entitled to vote as at the Scheme Voting Record Time are present, in person or represented by proxy.

At the Court Meeting, the Scheme will be approved by Scheme Shareholders if both (i) a majority in number of Scheme Shareholders who vote (either in person or by proxy) in favour of the Scheme, and (ii) Scheme Shares representing at least 75 per cent. in value of the total number of Scheme Shares voted at the Court Meeting are voted in favour of the Scheme. At the General Meeting, the Scheme Resolution must be approved by ReNew Shareholders representing at least 75 per cent. of the votes cast, either in person or by proxy.

There must also be a sufficiently large (in the Court's judgment) number of Scheme Shares included in the vote to fairly represent the opinion of Scheme Shareholders. Abstentions and broker non-votes will not be considered votes cast and will therefore not have any effect on the outcome of the vote at the Court Meeting.

The Court Meeting

The Court Meeting will be held at , on at (UK time).

The purpose of the Court Meeting is to allow Scheme Shareholders to vote on the Scheme. At the Court Meeting, you will be asked to approve the Scheme, with or subject to any modification, addition or condition which (a) ReNew and CPP Investments mutually agree and which (if required) the Court approves, or (b) is otherwise imposed by the Court and agreed to by ReNew and CPP Investments. For the Scheme to be approved at the Court Meeting, the Scheme must be approved by a majority in number of the Scheme Shareholders voting at the Court Meeting, representing at least 75 per cent. in value of the Scheme Shares voted, either in person or by proxy.

The General Meeting

The General Meeting will be held at , on at (UK time) or as soon thereafter as the Court Meeting has been concluded or adjourned.

At the General Meeting you will be asked to approve (i) the Scheme Resolution to give the ReNew Directors the authority to take all necessary actions to carry the Scheme into effect, and to amend the Articles, with effect from the passing of the resolution, to ensure that any ReNew Shares issued after the Scheme Record Time (other than to any member of the Consortium and/or any of their nominees) will be subject to the Scheme or otherwise transferred to the Purchaser (or its nominees), and (ii) the Reorganisation Resolution to amend the Articles, with effect from the Effective Date, to ensure that (X) the rights of the Class C Ordinary Shares are varied such that the Class C Ordinary Shares will have the same, or substantially equivalent, rights to the Class A Ordinary Shares; and (Y) any right to appoint, elect, remove or replace (or to vote for the appointment, election, removal or replacement of) the directors of the Company vests in one or more named entities appointed by each of CPP Investments and each other shareholder in the Company having director appointment rights in accordance with the terms of the Shareholders' Agreement. The Scheme Resolution and the Reorganisation Resolution must be approved by ReNew Shareholders representing at least 75 per cent. of the votes cast at the General Meeting, either in person or by proxy.

You will also be asked to approve (i) the Additional Capital Resolution to authorise the issuance of Class A Ordinary Shares up to an aggregate nominal amount of USD in connection with (A) the funding by the Purchaser to the Company of the costs in relation to the cash settlement of Awards exercised or settled between receipt of the Court Order and the Scheme Record Time as set out in further detail in paragraph 14 (*ReNew Equity Awards*) of Part III (*Explanatory Statement*) of this document and (B) the Additional Capital Raise, (ii) the Pre-emption Resolution to disapply pre-emption rights in relation to the issuance of Class A Ordinary Shares pursuant to the Additional Capital Resolution, and (iii) the Re-registration Resolution to re-register the Company as a private limited company under the relevant provisions of the Act, to take effect following the Effective Date and the completion of the delisting of the ReNew Shares from Nasdaq. The Additional Capital Resolution must be approved by ReNew Shareholders representing a majority of the votes cast at the General Meeting, either in person or by proxy. The Pre-emption Resolution and the Re-registration Resolution must each be approved by ReNew Shareholders representing at least 75 per cent. of the votes cast at the General Meeting, either in person or by proxy.

Court Hearing

Under the Act, the Scheme also requires the sanction of the Court. The Court Hearing is currently expected to take place in the first quarter of 2027. The Scheme will become Effective as soon as a copy of the Court Order has been delivered to the Registrar of Companies.

If the Scheme becomes Effective, it will be binding on all Scheme Shareholders, including Scheme Shareholders who did not vote to approve the Scheme or who voted against the Scheme at the Court Meeting and/or who did not vote to approve the Scheme Resolution or who voted against the Scheme Resolution at the General Meeting.

Effect of Completion

Upon the Scheme becoming Effective, all Cash-Out Shares will be transferred to the Purchaser and/or its nominees. With effect from the Effective Time, each certificate representing Cash-Out Shares and each Depositary Receipt representing Cash-Out Shares will cease to be a valid document of title. Rollover Shares will not be transferred to the Purchaser and the Rollover Shareholders will continue to hold their Rollover Shares following the Effective Time.

Scheme Shareholders will be notified by way of announcement of the results of the Court Hearing and the expected last date of dealings in the ReNew Shares on Nasdaq and an announcement of the Effective Date. The expected timetable of principal events is set out on page 7 of this document.

Upon the Scheme becoming Effective, ReNew will apply to Nasdaq for the delisting of the ReNew Shares from Nasdaq and deregister the ReNew Shares under the Exchange Act. Upon completion of the deregistration, ReNew's reporting obligations under the Exchange Act will be terminated. See the section entitled *"Effects of the Acquisition"* in paragraph 5 of Part II (*US Special Factors*).

Settlement

Subject to the Scheme becoming Effective, settlement of the Consideration to which any Cash-Out Shareholder is entitled will be effected in the following manner:

- *Cash-Out Shares in uncertificated form*: Each holder of record of one or more uncertificated Cash-Out Shares held within the systems of DTC shall automatically upon the Effective Time be entitled to receive, and the Purchaser shall procure the Paying Agent to pay and deliver to DTC or its nominee as soon as practicable and in any event by no later than 14 days after the Effective Date, in respect of each such uncertificated Cash-Out Share, a cash amount by wire transfer of immediately available funds in U.S. dollars equal to the Consideration. As from the Scheme Record Time, each holding of Cash-Out Shares credited to any account with DTC will be disabled and all Cash-Out Shares will be removed from DTC in due course.

Cash-Out Shares in certificated form (including Scheme Shares represented by Depositary Receipts): Scheme Shareholders who hold their Scheme Shares in certificated form (including DTC Withdrawal Scheme Shareholders) must complete Part II (*Letter of Transmittal*) of the Combined Form of Election, which will be separately mailed to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Corporate Actions; Attn: Mandatory Corporate Actions, P.O. Box 43014, Providence, RI 02940-3014, or if by express mail, courier or other expedited service, to Computershare at C/O Mandatory Corporate Actions; COY: RNGP, 150 Royall Street, Suite 101, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ . In each case, all share certificates and Depositary Receipts representing such Scheme Shareholders' Scheme Shares must be returned by mail, express mail, courier or other expedited service (as applicable) to the relevant address set out above, either together with the complete Part II (*Letter of Transmittal*), or independently if the complete Part II (*Letter of Transmittal*) is submitted electronically. Both items must be returned or submitted by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) ten Business Days prior to the date of the Court Hearing.

If any such share certificate(s) or Depositary Receipt(s) are found to be missing, the relevant holder must instead deliver an affidavit of lost securities and settle the relevant surety bond premium and any relevant processing fee as required by Computershare. All such returns (or, where applicable, the delivery of the affidavit and settlement of related payments) must be made by no later than the Election Return Time, in order to receive the Consideration to which the relevant holder is entitled under the Scheme.

Cash-Out Shareholders who hold their Cash-Out Shares in certificated form will not receive the Consideration to which they are entitled under the Scheme unless and until they have complied with the requirements set out above.

As soon as practicable and in any event by no later than 14 days after the later of: (i) the Effective Date; and (ii) Computershare having received a completed Part II (*Letter of Transmittal*) of the Combined Form of Election and the share certificate(s) or Depositary Receipt(s) (or, where any of these are missing, the delivery of the affidavit and settlement of related payments), the Purchaser shall procure that payment of a cash amount equal to the Consideration in respect of each certificated Cash-Out Share is made by the Paying Agent to the relevant Cash-Out Shareholder.

Payments shall be made by way of cheque, provided that a Cash-Out Shareholder who has (i) completed and submitted Part II (*Letter of Transmittal*) of the Combined Form of Election electronically through the online portal and (ii) elected to receive the Consideration by way of wire transfer shall instead receive payment by wire transfer of immediately available funds. Payments made by way of wire transfer pursuant to this provision shall be made net of the applicable wire transfer fee, being USD 100 for wire transfers within the United States and USD 200 for wire transfers outside the United States.

Cash-Out Shareholders who are unable to encash the cheque sent to them should notify the Paying Agent at and provide any information required by the Paying Agent. In such cases, payments will be made by the Paying Agent to the relevant Cash-Out Shareholders by way of wire transfer of immediately available funds, net of the applicable wire transfer fee.

All cheques shall be made payable to the relevant Cash-Out Shareholder(s) concerned. In the case of Cash-Out Shareholders who have not encashed cheques sent to them within 12 months after the date of such cheques, the Consideration due to such Cash-Out Shareholders under the Scheme shall be remitted to the Purchaser to be held on behalf of such Cash-Out Shareholders for a period of 12 years from the Effective Date. None of ReNew, the Purchaser, the Consortium, any of their nominee(s) or any of their respective agents shall be responsible for any loss or delay in the transmission of cheques sent in this way, and such cheques shall be sent entirely at the risk of the person entitled thereto.

- *Cash settlement of Awards through payroll:* Awards exercised or settled between receipt of the Court Order and the Scheme Record Time will be cash-settled (subject to deduction of the exercise price, where applicable) and paid, and cash amounts payable in respect of Awards that lapse and terminate on or before the Effective Date will be paid, to the relevant participants through payroll (subject to statutory withholdings). The cost of any such cash amounts will be funded by CPP Investments or the Purchaser paying such amounts directly to the Company in exchange for the issuance by the Company of additional Class A Ordinary Shares at a price per share equal to the Consideration.

- None of the Company, the Purchaser, any other member of the Consortium, the Paying Agent nor any of their respective agents shall have any responsibility or liability for any act or omission of Computershare or Cede & Co. (in their capacity as registrar, nominee or otherwise in connection with the arrangements for the Depositary Receipts and for Cash-Out Shares held within the systems of DTC) in receiving, holding or forwarding any Consideration, or any document relating to Cash-Out Shares represented by Depositary Receipts or held within the systems of DTC, to the relevant holder of Depositary Receipts or Beneficial Cash-Out Shareholder (as applicable), or for any delay in, or failure of, any such receipt, holding or forwarding, save that this shall not affect the Company's obligations, if any, to Computershare under the arrangements governing the Depositary Receipts and the Cash-Out Shares with beneficial owners.
- Payments of the Consideration will be subject to any deductions or withholdings in respect of Tax required by applicable law. Further details in respect of certain deductions or withholdings in respect of Indian taxes that may be required by applicable law are set out in Part V (*Certain Indian Tax Considerations*) of this document.

No Appraisal Rights

If the Scheme becomes Effective, it will be binding on all Scheme Shareholders, including Scheme Shareholders who did not vote to approve the Scheme or who voted against the Scheme at the Court Meeting and/or who did not vote to approve the Scheme Resolution or who voted against the Scheme Resolution at the General Meeting. If Scheme Shareholders approve the Scheme and the Court sanctions the Scheme, no ReNew Shareholder will have "dissenters" or "appraisal" rights or otherwise have any right to seek a court appraisal of the value of ReNew Shares. If the Scheme becomes Effective, all Cash-Out Shareholders will receive the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees) and Rollover Shareholders will continue to hold their Rollover Shares.

Voting Intentions and Interests of ReNew Directors and Executive Officers and the effect of the Scheme on their Interests

It is currently expected that all ReNew Directors and ReNew's executive officers who are Scheme Shareholders and/or ReNew Shareholders (as applicable) and are entitled to vote, will vote their ReNew Shares in favour of the Scheme at the Court Meeting and in favour of the Scheme Resolution at the General Meeting. As a member of the Consortium, Sumant Sinha will not be a Scheme Shareholder and will not be entitled to vote at the Court Meeting but will be a ReNew Shareholder and therefore will be entitled to vote at the General Meeting. Any ReNew Directors who are members of the Special Committee and who hold ReNew Shares will be both Scheme Shareholders and ReNew Shareholders and will therefore be entitled to vote at the Meetings.

In considering the recommendation of the Special Committee with respect to the Scheme and the Scheme Resolution, you should be aware that ReNew Directors and executive officers have interests in the Acquisition that may be different from, or in addition to, the interests of ReNew Shareholders generally. These interests include: (i) the treatment of their outstanding Awards under the ReNew Share Plans (including, in the case of Mr. Sumant Sinha, bespoke replacement award arrangements under the New Incentive Plan), (ii) the post-closing management compensation arrangements agreed between the Consortium and ReNew and applicable to senior members of ReNew's management (other than Mr. Sumant Sinha); (iii) eligibility for certain severance payments and benefits; and (iv) continued indemnification and directors' and officers' liability insurance. For further information, see the sections entitled "*ReNew Equity Awards*" in paragraph 14 of Part III (*Explanatory Statement*) and "*Post-Closing Management Compensation Arrangements*" in paragraph 15 of Part III (*Explanatory Statement*) and "*Interests of ReNew Non-Employee Directors and Executive Officers*" in paragraph 6 of Part VII (*Additional Information*). The Special Committee was aware of the different or additional interests described herein and considered these interests along with other matters in approving the Transaction Agreement.

Receipt of Competing Proposals

Under the terms of the Transaction Agreement, between the date of the Transaction Agreement and the earlier of: (a) the Effective Time and (b) the termination of the Transaction Agreement in accordance with its terms, ReNew shall: (i) promptly (and in any event within 48 hours) notify the Consortium if any Competing Proposal has been received by ReNew or any of its subsidiaries (or to the knowledge of ReNew, any of its or their representatives), including the identity of the third party that makes such Competing Proposal, and the material terms and conditions of any such Competing Proposal; (ii) keep the Consortium reasonably informed of any material developments, discussions or negotiations regarding such Competing Proposal (including any change of terms); and (iii) respond as promptly as reasonably practicable to any reasonable requests for information made by CPP Investments in connection with such Competing Proposal.

If the Special Committee determines, in good faith, after consultation with its financial adviser and outside legal counsel, that such Competing Proposal constitutes or would reasonably be expected to lead to a Superior Proposal and the failure to take such action would be inconsistent with their fiduciary or other directors' duties under the applicable law, then ReNew and its representatives may:

- furnish, pursuant to an acceptable confidentiality agreement, information (including non-public information) with respect to ReNew to the person who has made such Competing Proposal, provided that ReNew shall, substantially concurrently, provide to CPP Investments any non-public information concerning ReNew that is provided to any such person which was not previously provided to CPP Investments or its representatives; and
- engage in or otherwise participate in discussions or negotiations with the person making such Competing Proposal.

Changes in Special Committee Recommendation

The Special Committee has unanimously recommended that Scheme Shareholders vote in favour of the Scheme and the ReNew Shareholders vote in favour of the Scheme Resolution. The Transaction Agreement permits the Special Committee to change its recommendation only in certain limited circumstances, as described below.

At any time prior to the sanction of the Scheme by the Court, if ReNew:

- receives a *bona fide* Competing Proposal;
- has complied with the obligations specified below; and
- after consultation with its financial advisers and outside legal counsel, the Special Committee determines in good faith that such Competing Proposal constitutes a Superior Proposal and that a failure to take action in response to such Superior Proposal would likely be inconsistent with its fiduciary or other directors' duties under applicable laws,

the Special Committee may: (i) change its recommendation and/or (ii) may terminate the Transaction Agreement in order to implement such Superior Proposal, provided that ReNew reimburses CPP Investments for certain of its expenses as set out in further detail in the section entitled "*Expense Reimbursement*" below.

The Special Committee may change its recommendation and/or terminate the Transaction Agreement for a Superior Proposal if: (a) ReNew gives the Consortium at least ten Business Days' prior written notice of its intention to consider changing its recommendation or terminating the Transaction Agreement; (b) ReNew and its representatives negotiate in good faith with the Consortium during such ten Business Day notice period, to the extent that the Consortium seek to negotiate, to enable the Consortium to propose revisions to the terms of the Transaction Agreement and the Scheme that would cause a Competing Proposal to no longer constitute a Superior Proposal; (c) during such ten Business Day notice period, the Special Committee considers in good faith any revisions to the terms of the Transaction Agreement and the Scheme in a binding written proposal by the Consortium; and (d) the Special Committee shall have determined, in good faith, that such Competing Proposal would nevertheless constitute a Superior Proposal and the failure by the Special Committee to change its recommendation or terminate the Transaction Agreement, as applicable, would likely be inconsistent with the fiduciary or other directors' duties of the Special Committee under applicable law.

In the event of any material amendment to any Superior Proposal, ReNew must satisfy the notice requirements described above with a new written notice to the Consortium (but any such subsequent notice period will only be five Business Days).

The Special Committee may also change its recommendation if an Intervening Event has occurred at any time prior to the sanction of the Scheme by the Court, provided that: (a) ReNew gives the Consortium ten Business Days' prior written notice describing the Intervening Event and of its intention to consider changing its recommendation; (b) ReNew and its representatives negotiate in good faith with the Consortium and their respective representatives during such ten Business Day notice period, to the extent that the Consortium seeks to negotiate, to enable the Consortium to propose revisions to the terms of the Transaction Agreement and the Scheme that would cause the Special Committee to no longer make a change to its recommendation; (c) ReNew and its representatives provide to the Consortium and their respective representatives all applicable information with respect to such Intervening Event reasonably requested by the Consortium to allow it to propose revisions to the terms of the Transaction Agreement; (d) the Special Committee shall consider in good faith any revisions to the terms of the Transaction Agreement in a binding written proposal by the Consortium; and (e) after consultation with its financial adviser and outside legal counsel, the Special Committee shall have determined, in good faith, that failure to take such action in response to such Intervening Event would likely continue to be inconsistent with its fiduciary or other directors' duties under applicable law notwithstanding the revisions proposed by the Consortium. However, if the Special Committee changes its recommendation for an Intervening Event, under certain circumstances, the Company will be required to reimburse CPP Investments for certain of its expenses as set out in further detail in the section entitled "*Expense Reimbursement*" below.

Termination

The Transaction Agreement may be terminated at any time prior to the Effective Time in the following circumstances:

- by mutual written agreement of ReNew and CPP Investments;
- by either ReNew or CPP Investments if, and provided that the person entitled to the termination right was not in breach of any representation, warranty, covenant or obligation set out in the Transaction Agreement that caused the relevant event or circumstance giving rise to the termination right:
  - the Effective Date has not occurred by the Long Stop Date;
  - an injunction, restraining order or other order or any other legal or regulatory restraint or prohibition has been issued or made by any Governmental Authority of competent jurisdiction which permanently prevents the consummation of the Acquisition and such permanent prohibition shall have become final and non-appealable;
  - the Court Meeting or the General Meeting (including, in each case, any postponements or adjournments thereof) have been held and any of the shareholder approvals at the Court Meeting or the General Meeting have not been obtained; or
  - the Court declines or refuses to sanction the Scheme;
- by ReNew:
  - if any member of the Consortium breaches any of its representations and warranties set out in the Transaction Agreement or fails to perform any covenant or obligation in the Transaction Agreement on the part of such Consortium member that would cause any Condition set out in paragraphs 5 and 6 of Part A of Part IV (*Conditions to and further terms of the scheme and the acquisition*) not to be satisfied and such breach or failure to perform: (i) is incapable of being cured by the Long Stop Date; or (ii) has not been cured by the relevant Consortium member or the Consortium (as applicable) within the earlier of 60 Business Days following written notice to the Consortium from ReNew of such breach or failure to perform and the Long Stop Date (provided that the right to terminate pursuant to this provision is not available to ReNew if ReNew is then in breach of any representation, warranty, covenant or obligation set out in the Transaction Agreement and such breach by ReNew would cause any Condition set out in paragraphs 4 and 6 of Part A of Part IV (*Conditions to and further terms of the scheme and the acquisition*) not to be satisfied;

- if, at any time commencing from the day that is five Business Days prior to the date of the Court Meeting up to and including the date upon which the Court sanctions the Scheme, an Intervening Event has occurred and ReNew makes a Company Adverse Recommendation Change, following which a further Court Meeting is convened by ReNew to enable Scheme Shareholders a further opportunity to vote on the Scheme in light of the Intervening Event, and the Scheme has not been approved by the Scheme Shareholders at such further Court Meeting, provided that ReNew has complied with its obligations, covenants and agreements with respect to such Intervening Event under the Transaction Agreement; or
- in order to enter into a definitive agreement or publicly announce full and binding terms relating to a Superior Proposal subject to ReNew having complied with its obligations, covenants and agreements with respect to such Superior Proposal under the Transaction Agreement; or

- by CPP Investments if:
  - prior to the Court sanctioning the Scheme, (i) a Company Adverse Recommendation Change has occurred; or (ii) the Special Committee has failed to publicly reaffirm its recommendation that Scheme Shareholders and ReNew Shareholders (as applicable) should vote in favour of the Acquisition within five Business Days after CPP Investments' written request following the public announcement of a Competing Proposal;
  - a breach of any representation or warranty (notwithstanding any disclosure in the company supplemental disclosure letter) or failure to perform any covenant or obligation on the part of ReNew set out in the Transaction Agreement has occurred that would cause either Condition set out in paragraphs 4 and 6 of Part A of Part IV (*Conditions to and further terms of the scheme and the acquisition*) not to be satisfied, and such breach or failure to perform: (i) is incapable of being cured by the Long Stop Date; or (ii) has not been cured by ReNew within the earlier of 60 Business Days following written notice to ReNew from the Consortium of such breach or failure to perform and the Long Stop Date (provided that the right to terminate pursuant to this provision is not available to CPP Investments if CPP Investments is then in breach of any representation, warranty, covenant or obligation set out in the Transaction Agreement and such breach would cause any Condition set out in paragraphs 5 and 6 of Part A of Part IV (*Conditions to and further terms of the scheme and the acquisition*) not to be satisfied; or
  - this document is not distributed to the ReNew Shareholders in accordance with the Transaction Agreement, provided: (i) such breach or failure to perform has not been cured by ReNew within 15 Business Days following written notice to ReNew from CPP Investments of such breach or failure to perform; and (ii) the right to terminate the Transaction Agreement pursuant to this provision shall not be available to CPP Investments if CPP Investments' breach of any provision of the Transaction Agreement has been the primary cause of such failure to distribute this document.

If the Transaction Agreement is terminated, under certain circumstances, the Company will be required to reimburse CPP Investments for certain of its expenses as set out in further detail in the section entitled "*Expense Reimbursement*" below.

Expense Reimbursement

Under the Transaction Agreement, ReNew has agreed to reimburse CPP Investments for its reasonable and documented out-of-pocket expenses incurred in connection with the preparation, negotiation and implementation of the Transaction Agreement and the Acquisition, including all reasonable and documented costs and expenses incurred in connection with any claim, action, suit, investigation or proceeding arising out of, or relating to the Acquisition and any other transactions that reasonably relate to and directly facilitate the implementation of the Acquisition, during the period from 1 January 2025 to the effective date of any termination of the Transaction Agreement (other than any expenses of any investment bank or other similar financial adviser), not to exceed USD 10,000,000 (inclusive of any VAT element of such costs and expenses and any VAT on any such reimbursement which is not recoverable by the Company), if the Transaction Agreement is terminated:

- by ReNew in order to accept a Superior Proposal and concurrently enter into binding documentation in respect of, or otherwise publicly announce the Superior Proposal;
- by CPP Investments or ReNew as a result of (i) the Scheme not having become Effective by the Long Stop Date or (ii) the requisite ReNew Shareholder approvals not having been obtained at the Court Meeting or the General Meeting, in each case provided that a Company Adverse Recommendation Change has been made in accordance with the Transaction Agreement; or
- by CPP Investments if, prior to the Court sanctioning the Scheme, (i) a Company Adverse Recommendation Change has been made and/or (ii) the Special Committee has failed to publicly reaffirm its recommendation within five Business Days after CPP Investments' written request following the public announcement of a Competing Proposal,

and in the case of any termination set out in the second and third bullets above, (A) a Competing Proposal has been made to the Company or ReNew Shareholders or otherwise made publicly known, and not withdrawn and (B) at any time within nine months following such termination, ReNew or any of its subsidiaries enters into a binding and definitive written agreement for a Competing Proposal, or a transaction contemplated by a Competing Proposal has otherwise been consummated (with the 20% threshold in the definition of Competing Proposal being deemed to be a reference to 50.1% for the purpose of (B) above).

Material United Kingdom Tax Consequences of the Acquisition

The comments set out below are based on current United Kingdom tax law as applied in England & Wales and HM Revenue & Customs published practice (which may not be binding on HM Revenue & Customs) in each case as at the Latest Practicable Date, both of which are subject to change, possibly with retrospective effect. They are intended as a general guide to certain limited aspects of the UK tax treatment of the Scheme becoming effective and apply only to ReNew shareholders resident for tax purposes in the United Kingdom and, in the case of individuals, only to those shareholders to whom "split year" treatment does not apply, in all cases who hold shares in ReNew as an investment and who are the absolute beneficial owners thereof. (In particular, shareholders holding their shares via a depositary receipt system or a clearance service should note that they may not always be the absolute beneficial owners thereof.) The discussion does not address all possible tax consequences relating to an investment in the shares. Certain categories of shareholders, including those carrying on certain financial activities, those subject to specific tax regimes or benefitting from certain reliefs and exemptions, those connected with the Company or the ReNew Group and those for whom the shares are employment related securities may be subject to special rules and this summary does not apply to such shareholders.

Shareholders or prospective shareholders who are in any doubt about their tax position, or who are resident or otherwise subject to taxation in a jurisdiction outside the UK, should consult their own professional advisers immediately. In particular, shareholders should be aware that the tax legislation of any jurisdiction where a shareholder is resident or otherwise subject to taxation (as well as the United States discussed below) may have an impact on the tax consequences of an investment in the Scheme Shares including in respect of any income received from those securities.

Tax Consequences of Acceptance of Offer

A Cash-Out Shareholder's liability to UK tax on capital gains will depend on their individual circumstances.

On the basis that each Cash-Out Shareholder will receive cash on the Acquisition, each Cash-Out Shareholder will be treated as disposing of their Cash-Out Shares which may, depending on that shareholder's individual circumstances (including the availability of exemptions, reliefs or allowable losses), give rise to a liability to UK tax on capital gains.

*UK Stamp Duty and Stamp Duty Reserve Tax ("**SDRT**")*

No UK stamp duty or SDRT will be payable by Cash-Out Shareholders as a result of the Scheme becoming effective.

Material United States Tax Consequences of the Acquisition

The Acquisition will generally be a taxable transaction for U.S. federal income tax purposes, and each U.S. Holder (as defined in paragraph 10 of Part VII *(Additional Information)*) who receives the Consideration for its Cash-Out Shares will recognise gain or loss with respect to its Cash-Out Shares, measured by the difference between the amount of Consideration paid to such U.S. Holder and such U.S. Holder's adjusted tax basis in its Cash-Out Shares.

ReNew Shareholders should carefully read the section entitled *"United States Taxation"* in paragraph 10 of Part VII (*Additional Information*). Tax matters are complicated and the tax consequences of the Scheme to ReNew Shareholders will depend upon the facts of their respective situations. Accordingly, each ReNew Shareholder is urged to consult with his, her or its own tax adviser to determine the particular U.S. federal, state, local and non-U.S. tax consequences to it of the Scheme.

Certain Indian Tax Considerations in relation to the Acquisition and the Reorganisation

Tax Implications for Non-Resident Investors

Under the indirect transfer provisions of the IT Act, capital gains arising to a Non-Resident Investor that is a Non-Small Shareholder (each as defined in Part V (*Certain Indian Tax Considerations*)) in connection with the transfer of Scheme Shares pursuant to the Acquisition may be subject to taxation in India, subject to applicable exemptions under the IT Act and any beneficial provisions available under an applicable DTAA.

The indirect transfer provisions of the IT Act contain certain exclusions from capital gains income arising to Non-Resident Investors who are not Non-Small Shareholders. Where the indirect transfer provisions apply and no applicable exclusion or exemption is available, gains arising to a Non-Resident Investor from the transfer of Scheme Shares (held as capital assets) may be subject to tax in India.

Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares who are Non-Small Shareholders must complete the Indian Tax Self-Declaration in accordance with the instructions set out on such form by no later than the Indian Tax Self-Declaration Return Time, being 5.30 p.m. (EST) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) 15 Business Days prior to the date of the Court Hearing. Please refer to Part XIII (*Indian Tax Self-Declaration*) for a copy of the Indian Tax Self-Declaration.

The Purchaser, as a payer purchasing Cash-Out Shares from certain Non-Resident Investors who may be Non-Small Shareholders, is required by Indian law to withhold Taxes if any such Beneficial Cash-Out Shareholder is liable to Indian Taxes on the Effective Date. Under the terms of the Scheme, the Purchaser, the Paying Agent and each of their respective agents or nominees are entitled to deduct or withhold from any Consideration payable to or for the account of a Cash-Out Shareholder or Beneficial Cash-Out Shareholder any tax or amount in respect of tax as required by applicable law, and any such deduction or withholding may be made in the maximum amount required by applicable domestic law.

In addition, it should be noted that Scheme Shareholders and beneficial owners of Scheme Shares who are not tax resident in India shall notify the Company in writing if they hold any of their Scheme Shares through a custodian account in India. Absent such notification, such Scheme Shareholders and beneficial owners of Scheme Shares are deemed to have confirmed that they do not hold their Scheme Shares through a custodian account in India.

Tax Implications for Indian Resident Investors

Beneficial Cash-Out Shareholders who are Indian Resident Investors are generally subject to tax in India on their global income, including any gains arising from the transfer of Scheme Shares subject to the provisions of the IT Act.

With respect to any Beneficial Cash-Out Shareholder who is an Indian Resident Investor as per the IT Act, the Purchaser is not required to withhold any Taxes under the IT Act from the Consideration paid or payable to such Indian Resident Investor.

Tax Implications of the Reorganisation

In addition to the implementation to the Scheme, the subsequent Reorganisation contemplated to be implemented may have Indian taxation implications for the Company, Rollover Investors, and ReNew India.

Please see Part V *(Certain Indian Tax Considerations*) of this document for further details of the Indian taxation consequences of the implementation of the Scheme and of the Reorganisation.

The preceding summary of certain Indian tax considerations is intended for general information only and does not constitute tax advice. Holders should consult their tax advisers immediately as to the specific tax considerations applicable to them regarding the disposition of Scheme Shares in accordance with the Scheme in their particular circumstances.

The Court Meeting and the General Meeting will be held at on at (UK time) and (UK time), respectively (or, in the case of the General Meeting, as soon thereafter as the Court Meeting has been concluded or adjourned). Scheme Shareholders as at the Service Record Time have been given notice of the Court Meeting and ReNew Shareholders as at the Service Record Time have been given notice of the General Meeting. In respect of the General Meeting, you are entitled to one vote for each ReNew Share that you hold as at the Scheme Voting Record Time. In respect of the Court Meeting, you are entitled to one vote for each Scheme Share that you hold as at the Scheme Voting Record Time. As at the Latest Practicable Date, there were Class A Ordinary Shares issued and outstanding.

Whether or not you plan to attend the Meetings:

- if you are a Scheme Shareholder, please complete and return the Form of Proxy labelled "Court Meeting Proxy Form" (for the Court Meeting); and
- if you are a ReNew Shareholder, please complete and return the Form of Proxy labelled "General Meeting Proxy Form" (for the General Meeting),

so that they are received no later than (UK time) on (in the case of the Form of Proxy labelled "Court Meeting Proxy Form" for the Court Meeting) or (UK time) on (in the case of the Form of Proxy labelled "General Meeting Proxy Form" for the General Meeting). A return envelope is provided for this purpose in the UK only. Your vote will be cast as specified on the applicable Form of Proxy.

Alternatively, Forms of Proxy labelled "Court Meeting Proxy Form" (but NOT Forms of Proxy labelled "General Meeting Proxy Form") may be handed to the Chairman of the Court Meeting before the start of the Court Meeting. In the case of the General Meeting, unless the Form of Proxy labelled "General Meeting Proxy Form" is returned by the time and date mentioned in the instructions printed thereon, it will be invalid.

The valid completion and return of the Forms of Proxy will not prevent eligible ReNew Shareholders from attending, asking questions and voting (and/or, in the case of the Court Meeting, raising any objections) at the Court Meeting or the General Meeting, or any adjournment thereof, in person, if you are entitled to and wish to do so. Your vote in person at the Court Meeting or the General Meeting will override and invalidate any Form of Proxy that has been validly returned.

ReNew Shareholders who prefer to register the appointment of their proxy electronically via the internet can do so through www.ProxyVote.com. Further details in relation to electronic appointment of proxies are set out on page 39 of this document.

Holders of Depositary Receipts will receive instructions from Broadridge on how to give directions about the voting of the underlying ReNew Shares. If you hold Depositary Receipts, you must follow these instructions in order for your ReNew Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than 11.59 p.m. (EST time) on . Following receipt of the directions, such directions will be passed on by the registered holder of the ReNew Shares underlying the Depositary Receipts to ReNew's agent, which will be deemed to constitute an instruction to vote the applicable ReNew Shares in accordance with the directions of the holders of the Depositary Receipts. Since holders of Depositary Receipts are not Scheme Shareholders or ReNew Shareholders registered in the register of members, holders of Depositary Receipts may not vote at the General Meeting and the Court Meeting, in each case unless you request and obtain a legal appointment as proxy from Computershare. If Broadridge does not receive valid voting directions from a holder of Depositary Receipts by the applicable deadline referred to above, the ReNew Shares underlying that holder's Depositary Receipts will not be voted at the relevant Meeting, and no proxy will be given to vote them on a discretionary basis.

There are certain ReNew Shares that are held within the systems of DTC. Beneficial owners of ReNew Shares whose interests in such ReNew Shares are held in the name of a broker, bank or other nominee within the systems of DTC will receive voting instructions from Broadridge or their broker, bank or nominee for the Court Meeting and/or General Meeting. If you are such a beneficial owner, you must follow these instructions in order for your Scheme Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than (UK time) on (in the case of the Court Meeting) or (UK time) on (in the case of the General Meeting). Any voting direction submitted to ReNew or its agent by such beneficial owner (or on their behalf) in accordance with these instructions will be deemed to constitute an instruction to vote the applicable Scheme Shares and/or ReNew Shares in accordance with the directions of such beneficial owner. Since beneficial owners are not Scheme Shareholders or ReNew Shareholders registered in the register of members, if you are a beneficial owner of Scheme Shares you may not vote at the Court Meeting, and if you are a beneficial owner of ReNew Shares you may not vote at the General Meeting, in each case unless you request and obtain a legal appointment as proxy from your broker, bank or other nominee.

IT IS IMPORTANT THAT, FOR THE COURT MEETING, AS MANY VOTES AS POSSIBLE ARE CAST SO THAT THE COURT MAY BE SATISFIED THAT THERE IS A FAIR REPRESENTATION OF SCHEME SHAREHOLDER OPINION. YOU ARE THEREFORE STRONGLY URGED TO SIGN THE FORMS OF PROXY AND RETURN THEM BY POST USING THE RETURN ENVELOPE PROVIDED, DURING NORMAL BUSINESS HOURS ONLY, TO BROADRIDGE AT 51 MERCEDES WAY, EDGEWOOD, NY11717 (OR TRANSMIT A PROXY APPOINTMENT AND VOTING INSTRUCTION ONLINE VIA BROADRIDGE'S ONLINE FACILITY OR THROUGH THE ELECTRONIC PROXY APPOINTMENT SERVICE), AS SOON AS POSSIBLE AND, IN ANY EVENT, SO AS TO BE RECEIVED BY BROADRIDGE PRIOR TO THE DEADLINES SET OUT ABOVE, OR IN THE CASE OF AN ADJOURNED MEETING, NOT LESS THAN 48 HOURS (EXCLUDING ANY PART OF A DAY THAT IS NOT A SCHEME BUSINESS DAY) PRIOR TO THE TIME AND DATE SET FOR THE ADJOURNED MEETING (AS APPLICABLE).

IF YOU ARE A RENEW SHAREHOLDER, YOUR ATTENTION IS DRAWN TO THE REGIME FOR THE APPOINTMENT OF PROXIES SET OUT IN THE NOTES TO THE FORMS OF PROXY AND THE NOTES SET OUT IN THE NOTICE OF THE GENERAL MEETING AND (IN THE CASE OF A RENEW SHAREHOLDER WHO IS ALSO A SCHEME SHAREHOLDER) THE NOTICE OF THE COURT MEETING, INCLUDING IN RESPECT OF THE APPOINTMENT OF MULTIPLE PROXIES.

This page should be read in conjunction with the section entitled "ACTIONS TO BE TAKEN / GENERAL INFORMATION" on pages 32 to 36 of this document and the section entitled "FORMS OF PROXY FOR VOTING AT THE COURT MEETING AND GENERAL MEETING" on pages 37 to 40 of this document, the rest of this document and the accompanying Forms of Proxy.

Proposals

At the Court Meeting you will be asked to approve the Scheme, with or subject to any modification, addition or condition which ReNew and CPP Investments may agree and which the Court may approve or impose, pursuant to which the Scheme Shares will be acquired by the Purchaser.

At the General Meeting you will be asked to approve (i) the Scheme Resolution to give the ReNew Directors the authority to take all necessary actions to carry the Scheme into effect, and to amend the Articles, with effect from the passing of the resolution, to ensure that any ReNew Shares issued after the Scheme Record Time (other than to any member of the Consortium and/or any of their nominees) will be subject to the Scheme or otherwise transferred to the Purchaser (or its nominees), and (ii) the Reorganisation Resolution to amend the Articles, with effect from the Effective Date, to ensure that (X) the rights of the Class C Ordinary Shares are varied such that the Class C Ordinary Shares will have the same, or substantially equivalent, rights to the Class A Ordinary Shares; and (Y) any right to appoint, elect, remove or replace (or to vote for the appointment, election, removal or replacement of) the directors of the Company vests in one or more named entities appointed by each of CPP Investments and each other shareholder in the Company having director appointment rights in accordance with the terms of the Shareholders' Agreement.

You will also be asked to approve (i) the Additional Capital Resolution to authorise the issuance of Class A Ordinary Shares up to an aggregate nominal amount of USD in connection with (A) the funding by the Purchaser to the Company of the costs in relation to the cash settlement of Awards exercised or settled between receipt of the Court Order and the Scheme Record Time as set out in further detail in paragraph 14 (*ReNew Equity Awards*) of Part III (*Explanatory Statement*) of this document and (B) the Additional Capital Raise, (ii) the Pre-emption Resolution to disapply pre-emption rights in relation to the issuance of Class A Ordinary Shares pursuant to the Additional Capital Resolution, and (iii) the Re-registration Resolution to re-register the Company as a private limited company under the relevant provisions of the Act, to take effect following the Effective Date and the completion of the delisting of the ReNew Shares from Nasdaq.

Recommendation and Voting by the Special Committee

For the reasons set out in this document, the Special Committee, which has consulted with its legal and financial advisers regarding the terms of the Cash Offer, considers the terms of the Cash Offer to be fair and reasonable.

The Special Committee believes that the terms of the Cash Offer, including the terms of the Transaction Agreement, are fair and reasonable, and unanimously recommends that you vote in favour of the Scheme at the Court Meeting and the Scheme Resolution to be proposed at the General Meeting.

For the reasons set out in this document, the Special Committee believes that it is important that ReNew Shareholders have the opportunity to vote on the Scheme and the Scheme Resolution.

ACTIONS TO BE TAKEN / GENERAL INFORMATION

A summary of the principal actions to be taken in connection with the Scheme is set out in the section entitled "*Summary of Actions to be taken"* on pages 48 to 51 of this document. The summary is provided for convenience only and does not replace, and should be read in conjunction with, the detailed instructions set out in this section.

The Scheme requires approval at a meeting of the Scheme Shareholders convened with the permission of the Court (known as the Court Meeting) and at the General Meeting. The Court Meeting and the General Meeting will be held at on at (UK time) and (UK time), respectively (or, in the case of the General Meeting, as soon thereafter as the Court Meeting has been concluded or adjourned).

Please check you have received the following with this document:

- a Form of Proxy labelled "Court Meeting Proxy Form" for use in respect of the Court Meeting on ;
- a Form of Proxy labelled "General Meeting Proxy Form" for use in respect of the General Meeting on ; and
- a return envelope.

If you have not received these documents, please call the ReNew Shareholder helpline at (800) 662-5200 for those within the U.S., and (203) 658-9400 for those outside the U.S. Lines are open Monday to Friday (except public holidays) between 8.30 a.m. and 5.30 p.m. (EST).

Scheme Shareholders who hold their Scheme Shares in certificated form (including DTC Withdrawal Scheme Shareholders) will receive a Combined Form of Election from Computershare separately.

Scheme Shareholders are asked to complete and return the Forms of Proxy (or appoint a proxy electronically or online as referred to in this document) in accordance with the instructions printed thereon as soon as possible, but in any event prior to the applicable deadlines set out in those Forms of Proxy.

Holders of Depositary Receipts will receive instructions from Broadridge on how to give directions about the voting of the underlying ReNew Shares. If you hold Depositary Receipts, you must follow these instructions in order for your ReNew Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than 11.59 p.m. (EST time) on . Following receipt of the directions, such directions will be passed on by the registered holder of the ReNew Shares underlying the Depositary Receipts to ReNew's agent, which will be deemed to constitute an instruction to vote the applicable ReNew Shares in accordance with the directions of the holders of the Depositary Receipts. Since holders of Depositary Receipts are not Scheme Shareholders or ReNew Shareholders registered in the register of members, holders of Depositary Receipts may not vote at the General Meeting and the Court Meeting, in each case unless you request and obtain a legal appointment as proxy from Computershare. If Broadridge does not receive valid voting directions from a holder of Depositary Receipts by the applicable deadline referred to above, the ReNew Shares underlying that holder's Depositary Receipts will not be voted at the relevant Meeting, and no proxy will be given to vote them on a discretionary basis.

There are certain ReNew Shares that are held within the systems of DTC. Beneficial owners of ReNew Shares whose interests in such ReNew Shares are held in the name of a broker, bank or other nominee within the systems of DTC will receive voting instructions from Broadridge or their broker, bank or nominee for the Court Meeting and/or General Meeting. If you are such a beneficial owner, you must follow these instructions in order for your Scheme Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than (UK time) on (in the case of the Court Meeting) or (UK time) on (in the case of the General Meeting). Any voting direction submitted to ReNew or its agent by such beneficial owner (or on their behalf) in accordance with these instructions will be deemed to constitute an instruction to vote the applicable Scheme Shares and/or ReNew Shares in accordance with the directions of such beneficial owner. Since beneficial owners are not Scheme Shareholders or ReNew Shareholders registered in the register of members, if you are a beneficial owner of Scheme Shares you may not vote at the Court Meeting, and if you are a beneficial owner of ReNew Shares you may not vote at the General Meeting, in each case unless you request and obtain a legal appointment as proxy from your broker, bank or other nominee.

Shareholder Proposals

Under English law, except as provided below, there is no general right for a shareholder of a UK public limited company to put items on the agenda of a general meeting (save for the annual general meeting) that has been convened by directors. English law provides that shareholders holding not less than five per cent. of ReNew's paid-up share capital carrying voting rights may requisition the ReNew Board to convene a general meeting and may require resolutions to be put before a general meeting they have convened.

If the Scheme does not become Effective, ReNew Shareholders will be entitled to attend and participate in ReNew's next (and subsequent) annual general meeting. Under the Act, ReNew is required to hold its 2027 annual general meeting by no later than 30 September 2027. If any such annual general meeting is held, shareholder proposals will be eligible for consideration for inclusion in the form of proxy for such annual general meeting in accordance with the Articles.

In addition to the Act, shareholders representing at least five per cent. of the total voting rights of all shareholders who have a right to vote at the 2027 annual general meeting of ReNew can require ReNew to give ReNew Shareholders notice of a resolution which may be and is intended to be moved at the 2027 annual general meeting of ReNew unless (a) the resolution would, if passed, be ineffective (whether by reason of inconsistency with any enactment or ReNew's Articles or otherwise); (b) it is defamatory of any person; or (c) it is frivolous or vexatious. Such a request, made by the requisite number of ReNew Shareholders, must be received by ReNew not later than six weeks before the annual general meeting.

EXERCISE YOUR RIGHT TO VOTE

IF YOU ARE A SCHEME SHAREHOLDER, A RENEW SHAREHOLDER OR A BENEFICIAL OWNER, RENEW STRONGLY ENCOURAGES YOU TO EXERCISE YOUR RIGHT TO VOTE OR GIVE INSTRUCTIONS TO THE RELEVANT REGISTERED OWNER TO VOTE IN PERSON OR BY PROXY AT THE COURT MEETING AND AT THE GENERAL MEETING.

IF YOU ARE A REGISTERED OWNER HOLDING RENEW SHARES ON BEHALF OF BENEFICIAL OWNERS, WE SHOULD BE GRATEFUL IF YOU WOULD INFORM THE RELEVANT BENEFICIAL OWNERS ABOUT THE IMPORTANCE OF EXERCISING THEIR VOTE.

IF YOU ARE IN ANY DOUBT AS TO THE ACTION YOU SHOULD TAKE, YOU SHOULD CONSULT YOUR STOCKBROKER, BANK MANAGER, ATTORNEY, SOLICITOR, ACCOUNTANT OR OTHER INDEPENDENT PROFESSIONAL ADVISER WHO, IF YOU ARE TAKING ADVICE IN THE UNITED KINGDOM, IS AUTHORISED PURSUANT TO THE FINANCIAL SERVICES AND MARKETS ACT 2000 OR, IF YOU ARE IN A TERRITORY OUTSIDE THE UNITED KINGDOM, IS AN APPROPRIATELY AUTHORISED INDEPENDENT FINANCIAL ADVISER.

Part I (*Rollover Election*) of the Combined Form of Election

As explained in more detail in the sections entitled "*Summary – The Rollover"* on pages 9 to 10 and "*Summary of the terms of the Rollover*" in paragraph 5 of Part III (*Explanatory Statement*) of this document, as an alternative to the Cash Offer, eligible Scheme Shareholders may elect for the Rollover, pursuant to which they would continue to hold their Rollover Shares. Eligible Scheme Shareholders will only be able to elect for the Rollover in relation to their entire holding of Scheme Shares and not part only. However, due to the operation of the Cutback and the Maximum U.S. Rollover Percentage, as explained in paragraph 5 of Part III (*Explanatory Statement*) of this document, it is possible that some or all of the Scheme Shares elected by an eligible Scheme Shareholder for the Rollover will become Cash-Out Shares and such Scheme Shareholder will receive the Consideration in respect of such Cash-Out Shares instead.

If you are eligible and wish to elect for the Rollover in respect of your Scheme Shares, you must complete Part I (*Rollover Election*) of the Combined Form of Election, which will be separately mailed to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Voluntary Corporate Actions; COY: RNGP, P.O. Box 43011, Providence, RI 02940-3011, or if by express mail, courier or other expedited service, to Computershare at C/O Voluntary Corporate Actions; COY: RNGP, 150 Royall Street, Suite V, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ , in each case by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) ten Business Days prior to the date of the Court Hearing. The instructions set out in Part I (*Rollover Election*) of the Combined Form of Election constitute part of the terms of the Scheme.

If you do not return or submit a Combined Form of Election with a completed Part I (*Rollover Election*) by the Election Return Time, you will receive Consideration in cash for all the Scheme Shares that you hold at the Scheme Record Time. If you wish to receive cash for all the Scheme Shares that you hold at the Scheme Record Time, you are not required to complete Part I (*Rollover Election*) of the Combined Form of Election.

Only Scheme Shareholders (other than Scheme Shareholders resident in India), who are holders of Scheme Shares in the register of members of the Company, are eligible to make an Election. Any person who becomes a Scheme Shareholder after the Election Return Time will not be eligible to elect for the Rollover and their Scheme Shares will be treated as Cash-Out Shares.

Beneficial owners of Scheme Shares held in uncertificated form within the systems of DTC are NOT eligible to make an Election and will receive the Consideration for all of their Scheme Shares. If you are a beneficial owner of Scheme Shares held in uncertificated form within the systems of DTC and you wish to make an Election, you must first procure the withdrawal of all such Scheme Shares from DTC and be entered as a registered holder (other than as a holder in uncertificated form) in the register of members of the Company. To effect such withdrawal, you must notify your broker, bank or other nominee who holds your Scheme Shares of your intention, and follow their instructions including executing any requisite documentation and paying any requisite processing fees.

If you are a holder of Depositary Receipts and you wish to make an Election, you must first procure that the Scheme Shares represented by your Depositary Receipts are registered by reference to a separate designation in the register of members of the Company. To effect such re-registration, you must notify the Company and Computershare of your intention, and follow their instructions including executing any requisite documentation and paying any requisite processing fees.

The Company is unable to assure beneficial owners of Scheme Shares or holders of Depositary Receipts how long it will take to complete (i) the withdrawal of Scheme Shares from DTC and re-registration of the beneficial owners as registered holders or (ii) the re-registration of Scheme Shares represented by Depositary Receipts by reference to a separate designation, as this will depend on factors outside the Company's control, including the cooperation of third parties such as the relevant broker, bank or other nominee and DTC. Beneficial owners of Scheme Shares and holders of Depositary Receipts who wish to make an Election are therefore strongly recommended to act as soon as possible and, in any event, sufficiently in advance of the Election Return Time to allow any required withdrawal and/or re-registration to be completed in time. Detailed instructions are set out on pages 41 to 44 (*Notes on making an Election*) of this document. Please note that you will have a minimum of 80 calendar days from the publication of this document to complete the required withdrawal and/or re-registration and, following that, complete and return or submit your Combined Form of Election.

The Rollover involves significant risks and uncertainties and may not be suitable for all Scheme Shareholders. Please refer to the section entitled "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*) for a description of the risks relating to the Rollover. Scheme Shareholders should consider whether the Rollover is a suitable alternative in light of their own personal circumstances and investment objectives and are, therefore, strongly recommended to seek their own independent financial, tax and legal advice before deciding whether to elect for the Rollover.

Part II (*Letter of Transmittal*) of the Combined Form of Election

Scheme Shareholders who hold their Scheme Shares in certificated form (including DTC Withdrawal Scheme Shareholders) must complete Part II (*Letter of Transmittal*) of the Combined Form of Election, which will be separately mailed to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Corporate Actions; Attn: Mandatory Corporate Actions, P.O. Box 43014, Providence, RI 02940-3014, or if by express mail, courier or other expedited service, to Computershare at C/O Mandatory Corporate Actions; COY: RNGP, 150 Royall Street, Suite 101, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ . In each case, all share certificates and Depositary Receipts representing such Scheme Shareholders' Scheme Shares must be returned by mail, express mail, courier or other expedited service (as applicable) to the relevant address set out above, either together with the complete Part II (*Letter of Transmittal*), or independently if the complete Part II (*Letter of Transmittal*) is submitted electronically. Both items must be returned or submitted by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document, and (b) ten Business Days prior to the date of the Court Hearing. The requirement above applies whether or not a Scheme Shareholder has completed Part I (*Rollover Election*) of the Combined Form of Election.

If any such share certificate(s) or Depositary Receipt(s) are found to be missing, the relevant holder must instead deliver an affidavit of lost securities and settle the relevant surety bond premium and any relevant processing fee as required by Computershare. All such returns (or, where applicable, the delivery of the affidavit and settlement of related payments) must be made by no later than the Election Return Time, in order to receive the Consideration to which the relevant holder is entitled under the Scheme. The Purchaser will procure the payment by the Paying Agent of the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees) in respect of the Cash-Out Shares in certificated form to the relevant Cash-Out Shareholders as soon as practicable and in any event within 14 days after the later of (i) the Effective Date and (ii) Computershare having received a completed Part II (*Letter of Transmittal*) of the Combined Form of Election and the share certificate(s) or Depositary Receipt(s) (or, where any of these are missing, the delivery of the affidavit and settlement of related payments).

CASH-OUT SHAREHOLDERS WHO HOLD THEIR CASH-OUT SHARES IN CERTIFICATED FORM WILL NOT RECEIVE THE CONSIDERATION TO WHICH THEY ARE ENTITLED UNDER THE SCHEME UNLESS AND UNTIL THEY HAVE COMPLIED WITH THE REQUIREMENTS SET OUT ABOVE.

Scheme Shareholders whose Scheme Shares are held in uncertificated form within the systems of DTC are not required to complete Part II (*Letter of Transmittal*) of the Combined Form of Election. The Purchaser will procure the payment by the Paying Agent of the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees) in respect of such Cash-Out Shares to DTC or its nominee as soon as practicable and in any event by no later than 14 days after the Effective Date.

Detailed instructions are set out on pages 45 to 46 (*Notes on completing Part II (Letter of Transmittal*) of *the Combined Form of Election*) of this document.

If you have any queries relating to this document or the completion and return of the Forms of Proxy or the Combined Form of Election, please call the ReNew Shareholder helpline at (800) 662-5200 for those within the U.S., and (203) 658-9400 for those outside the U.S. Lines are open Monday to Friday (except public holidays) between 8.30 a.m. and 5.30 p.m. (EST).

If Computershare, or your broker, bank or other nominee holds your ReNew Shares, you may also call them for additional information.

INDIAN TAX SELF-DECLARATION

Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares who are Non-Small Shareholders must complete the Indian Tax Self-Declaration contained in Part XIII (*Indian Tax Self-Declaration*) of this document in accordance with the instructions set out in Part XIII (*Indian Tax Self-Declaration*) and either (i) return it by post (properly insured) or (ii) submit it via a designated online portal to the Purchaser or an agent designated by the Purchaser, in each case by no later than the Indian Tax Self-Declaration Return Time, being 5.30 p.m. (EST) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) 15 Business Days prior to the date of the Court Hearing.

Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares who are NOT Non-Small Shareholders are not required to complete the Indian Tax Self-Declaration.

Please refer to Part XIII (*Indian Tax Self-Declaration*) for a copy of the Indian Tax Self-Declaration.

FORMS OF PROXY FOR VOTING AT THE COURT MEETING AND GENERAL MEETING

It is important that, at the Court Meeting, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of the opinion of Scheme Shareholders. Therefore, whether or not you plan to attend the Meetings, please complete and sign both the enclosed Forms of Proxy (one labelled "Court Meeting Proxy Form" and one labelled "General Meeting Proxy Form"), or deliver your voting instructions by one of the other methods mentioned below, as soon as possible. Your vote will be cast as specified on the applicable Form of Proxy.

Sending Forms of Proxy by post

Scheme Shareholders will find enclosed with this document a Form of Proxy labelled "Court Meeting Proxy Form" for use in connection with the Court Meeting, and ReNew Shareholders will find enclosed with this document a Form of Proxy labelled "General Meeting Proxy Form" for use in connection with the General Meeting. Please complete and sign the enclosed Forms of Proxy in accordance with the instructions printed thereon and return them by post using the return envelope provided to Broadridge at 51 Mercedes Way, Edgewood, NY11717, so as to be received as soon as possible and in any event not later than:

- in the case of Forms of Proxy labelled "Court Meeting Proxy Form" for the Court Meeting (UK time) on ; and
- in the case of Forms of Proxy labelled "General Meeting Proxy Form" for the General Meeting (UK time) on ,

or, in the case of either meeting being adjourned, not later than 48 hours (excluding any part of a day that is not a Scheme Business Day) before the time fixed for the holding of the adjourned meeting. A return envelope is provided for this purpose in the UK only, Forms of Proxy returned by fax will not be accepted. This will enable your votes to be counted at the Meetings in the event of your absence.

If the Form of Proxy labelled "Court Meeting Proxy Form" for use at the Court Meeting is not returned by such time, it may be handed to the Chairman of the Court Meeting before the start of that meeting. However, in the case of the General Meeting, the Form of Proxy labelled "General Meeting Proxy Form" must be received by the time mentioned above, or it will be invalid.

Proxy appointment

Scheme Shareholders entitled to attend and vote at the Court Meeting and ReNew Shareholders entitled to attend and vote at the General Meeting may appoint a proxy to attend and to speak and vote in his/her place.

ReNew Shareholders are entitled to appoint a proxy in respect of some or all of their ReNew Shares and may also appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to a different ReNew Share or ReNew Shares held by such ReNew Shareholder. A proxy need not be a member of ReNew.

Please note that the appointment of a proxy or proxies is separate for each of the Court Meeting and the General Meeting.

To be valid, Forms of Proxy must be executed by or on behalf of the ReNew Shareholder or, if you are a corporate entity, under the hand of a duly authorised officer or attorney.

If two or more valid, but differing, appointments of proxy are delivered or received in respect of the same ReNew Share, the one which is last validly delivered or received (regardless of its date or of the date of its execution) shall be treated as replacing and revoking the other or others as regards that ReNew Share. If ReNew is unable to determine which instrument was last validly delivered or received, none of them shall be treated as valid in respect of that ReNew Share.

The completion and return of the Forms of Proxy, or the appointment of a proxy electronically or via telephone (in accordance with the procedures set out below), will not prevent Scheme Shareholders from attending and voting in person at the Court Meeting and ReNew Shareholders from attending and voting in person at the General Meeting, or any adjournment thereof, if you wish and are entitled to do so. Any Scheme Shareholder voting in person at the Court Meeting or the General Meeting will override and invalidate any Form of Proxy that has been validly returned by said Scheme Shareholder.

Beneficial owners who hold their ReNew Shares in the name of a broker, bank or other nominee within the systems of DTC should follow the voting instructions provided by Broadridge or their broker, bank or nominee to ensure that their Scheme Shares or ReNew Shares (as applicable) are represented at the Court Meeting and the General Meeting. Holders of Depositary Receipts should follow the voting instructions provided by Broadridge to ensure that the ReNew Shares or Scheme Shares represented by their Depositary Receipts (as applicable) are represented at the Court Meeting and the General Meeting.

Revocability of proxies

Any person submitting a Form of Proxy pursuant to this solicitation has the power to revoke and change it at any time before it is voted. If you are a ReNew Shareholder of record, you may revoke your proxy at any time before the vote is taken at the Court Meeting or the General Meeting, as applicable, by:

- submitting a new Form of Proxy with a later date, by using the telephone or electronic proxy submission procedures described herein, or by completing, signing, dating and returning a new Form of Proxy by mail to Broadridge at 51 Mercedes Way, Edgewood, NY11717;
- attending the Court Meeting and/or the General Meeting and voting in person; or
- delivering a written notice of revocation by mail to Broadridge at 51 Mercedes Way, Edgewood, NY11717.

Please note, however, that only your last validly delivered or received proxy will count (regardless of its date or of the date of its execution). Attending the Court Meeting or the General Meeting without taking one of the actions described above will not in itself revoke your proxy.

If you hold your ReNew Shares indirectly through a broker, bank or other nominee or hold Depositary Receipts, you will need to follow the instructions provided to you by Broadridge or your broker, bank or nominee in order to revoke or submit new voting instructions.

Effect of abstentions and broker non-votes

An abstention occurs when a shareholder abstains from voting (either in person or by proxy) on one or more of the proposals. Broker non-votes occur when a broker, bank, trust or other nominee returns a proxy but does not have authority to vote on a particular proposal.

In connection with the Court Meeting, abstentions and broker non-votes will not be considered votes cast and will therefore not have any effect on the outcome of the vote at the Court Meeting.

In connection with the General Meeting, shareholders who may validly count towards quorum will be considered in determining the presence of a quorum irrespective of their abstention or broker non-vote. However, abstentions and broker non-votes are not considered votes cast and therefore will not have any effect on the outcome of the vote for the purposes of determining whether the Resolutions have been approved.

Multiple proxy voting instructions

ReNew Shareholders who wish to appoint more than one proxy in respect of their shareholding should photocopy the Form of Proxy. You should also indicate by ticking the box provided if the proxy is one of multiple instructions being given, fill in the name of the proxy and the number of ReNew Shares in respect of which the proxy is appointed and return the multiple forms together (please ensure that all of the multiple Forms of Proxy in respect of one registered holding are sent in the same envelope if possible) by the time and date mentioned above.

Online and telephone appointment of proxies

As an alternative to completing and returning the printed Forms of Proxy, Forms of Proxy may be submitted electronically by logging on to the following website: www.ProxyVote.com and following the instructions there, or via telephone (from within the United States) on 1-800-454-8683. For an electronic or telephone proxy appointment to be valid, the appointment must be made by no later than:

- (UK time) on in the case of the General Meeting; and
- (UK time) on in the case of the Court Meeting,

or, in the case of either meeting being adjourned, no later than 48 hours (excluding any part of a day that is not a Scheme Business Day) before the time fixed for the holding of the adjourned meeting. In order to access the voting system, ReNew Shareholders will need their 16-digit control number found on their Form of Proxy.

In the case of the Court Meeting only, if you have not appointed a proxy electronically or via telephone by such time you may complete the Form of Proxy labelled "Court Meeting Proxy Form" and hand it to the Chairman of the Court Meeting, before the start of that meeting.

Further information about proxies and voting

Further information in relation to the appointment of proxies for and voting at the Meetings is set out in paragraph 27 of Part III (*Explanatory Statement*) of this document, in the notice of Court Meeting set out in this document under the section entitled "*Notice of Court Meeting*", in the notes to the notice of the General Meeting set out in this document under the section entitled *"Notice of General Meeting*", and in the instructions printed on the Forms of Proxy.

Holders of Depositary Receipts will receive instructions from Broadridge on how to give directions about the voting of the underlying ReNew Shares. If you hold Depositary Receipts, you must follow these instructions in order for your ReNew Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than 11.59 p.m. (EST time) on . Following receipt of the directions, such directions will be passed on by the registered holder of the ReNew Shares underlying the Depositary Receipts to ReNew's agent, which will be deemed to constitute an instruction to vote the applicable ReNew Shares in accordance with the directions of the holders of the Depositary Receipts. Since holders of Depositary Receipts are not Scheme Shareholders or ReNew Shareholders registered in the register of members, holders of Depositary Receipts may not vote at the General Meeting and the Court Meeting, in each case unless you request and obtain a legal appointment as proxy from Computershare. If Broadridge does not receive valid voting directions from a holder of Depositary Receipts by the applicable deadline referred to above, the ReNew Shares underlying that holder's Depositary Receipts will not be voted at the relevant Meeting, and no proxy will be given to vote them on a discretionary basis.

There are certain ReNew Shares that are held within the systems of DTC. Beneficial owners of ReNew Shares whose interests in such ReNew Shares are held in the name of a broker, bank or other nominee within the systems of DTC will receive voting instructions from Broadridge or their broker, bank or nominee for the Court Meeting and/or General Meeting. If you are such a beneficial owner, you must follow these instructions in order for your Scheme Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than (UK time) on (in the case of the Court Meeting) or (UK time) on (in the case of the General Meeting). Any voting direction submitted to ReNew or its agent by such beneficial owner (or on their behalf) in accordance with these instructions will be deemed to constitute an instruction to vote the applicable Scheme Shares and/or ReNew Shares in accordance with the directions of such beneficial owner. Since beneficial owners are not Scheme Shareholders or ReNew Shareholders registered in the register of members, if you are a beneficial owner of Scheme Shares you may not vote at the Court Meeting, and if you are a beneficial owner of ReNew Shares you may not vote at the General Meeting, in each case unless you request and obtain a legal appointment as proxy from your broker, bank or other nominee.

If the Scheme becomes Effective, it will be binding on all Scheme Shareholders, including Scheme Shareholders who did not vote to approve the Scheme or who voted against the Scheme at the Court Meeting and/or who did not vote to approve the Scheme Resolution or who voted against the Scheme Resolution at the General Meeting.

No "appraisal" rights

No ReNew Shareholders will have "appraisal" or "dissenters" rights or otherwise have any right to seek an appraisal of the ReNew Shares. Participants should refer to paragraph 21 of Part III (*Explanatory Statement*) of this document for further information.

ReNew Share Plans

Participants in the ReNew Share Plans should refer to paragraph 14 of Part III (*Explanatory Statement*) of this document for information relating to the effect of the Acquisition on their rights under the ReNew Share Plans.

NOTES ON MAKING AN ELECTION

Making an Election

If you are eligible and wish to elect for the Rollover, you must complete Part I (*Rollover Election*) of the Combined Form of Election, which will be separately mailed to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Voluntary Corporate Actions; COY: RNGP, P.O. Box 43011, Providence, RI 02940-3011, or if by express mail, courier or other expedited service, to Computershare at C/O Voluntary Corporate Actions; COY: RNGP, 150 Royall Street, Suite V, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ , in each case by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) ten Business Days prior to the date of the Court Hearing. The instructions set out in Part I (*Rollover Election*) of the Combined Form of Election constitute part of the terms of the Scheme.

Scheme Shareholders who do not wish to elect for the Rollover do not need to complete Part I (*Rollover Election*) of the Combined Form of Election.

Beneficial owners of Scheme Shares held in uncertificated form within the systems of DTC are NOT eligible to make an Election and will receive the Consideration for all of their Scheme Shares. If you are a beneficial owner of Scheme Shares held in uncertificated form within the systems of DTC and you wish to make an Election, you must first procure the withdrawal of all such Scheme Shares from DTC and be entered as a registered holder (other than as a holder in uncertificated form) in the register of members of the Company. To effect such withdrawal, you must notify your broker, bank or other nominee who holds your Scheme Shares of your intention, and follow their instructions including executing any requisite documentation and paying any requisite processing fees.

If you are a holder of Depositary Receipts and you wish to make an Election, you must first procure that the Scheme Shares represented by your Depositary Receipts are registered by reference to a separate designation in the register of members of the Company. To effect such re-registration, you must notify the Company and Computershare of your intention, and follow their instructions including executing any requisite documentation and paying any requisite processing fees.

THE COMPANY IS UNABLE TO ASSURE BENEFICIAL OWNERS OF SCHEME SHARES OR HOLDERS OF DEPOSITARY RECEIPTS HOW LONG IT WILL TAKE TO COMPLETE (I) THE WITHDRAWAL OF SCHEME SHARES FROM DTC AND RE-REGISTRATION OF THE BENEFICIAL OWNERS AS REGISTERED HOLDERS OR (II) THE RE-REGISTRATION OF SCHEME SHARES REPRESENTED BY DEPOSITARY RECEIPTS BY REFERENCE TO A SEPARATE DESIGNATION, AS THIS WILL DEPEND ON FACTORS OUTSIDE THE COMPANY'S CONTROL, INCLUDING THE COOPERATION OF THIRD PARTIES SUCH AS THE RELEVANT BROKER, BANK OR OTHER NOMINEE AND DTC. BENEFICIAL OWNERS OF SCHEME SHARES AND HOLDERS OF DEPOSITARY RECEIPTS WHO WISH TO MAKE AN ELECTION ARE THEREFORE STRONGLY RECOMMENDED TO ACT AS SOON AS POSSIBLE AND, IN ANY EVENT, SUFFICIENTLY IN ADVANCE OF THE ELECTION RETURN TIME TO ALLOW ANY REQUIRED WITHDRAWAL AND/OR RE-REGISTRATION TO BE COMPLETED IN TIME.

PLEASE NOTE THAT YOU WILL HAVE A MINIMUM OF 80 CALENDAR DAYS FROM THE PUBLICATION OF THIS DOCUMENT TO COMPLETE THE REQUIRED WITHDRAWAL AND/OR RE-REGISTRATION AND, FOLLOWING THAT, COMPLETE AND RETURN OR SUBMIT YOUR COMBINED FORM OF ELECTION.

If you wish to receive the Consideration for all the Scheme Shares that you hold at the Scheme Record Time and do not wish to make an Election for the Rollover, do not complete Part I (*Rollover Election*) of the Combined Form of Election.

If you wish to make an Election for the Rollover, you must be an eligible Scheme Shareholder and the Election must be in respect of all of the Scheme Shares held by you as at the Scheme Record Time. You cannot elect for the Rollover in respect of some but not all of your Scheme Shares. However, due to the operation of the Cutback and the Maximum U.S. Rollover Percentage, as explained in paragraph 5 of Part III (*Explanatory Statement*) of this document, it is possible that some or all of the Scheme Shares elected by an eligible Scheme Shareholder for the Rollover will become Cash-Out Shares and such Scheme Shareholder will receive the Consideration in respect of such Cash-Out Shares instead.

Overseas Scheme Shareholders should inform themselves about and observe any applicable legal or regulatory requirements. If you are in any doubt about your position, you should consult your professional adviser in the relevant territory.

The Special Committee does not give any advice to Scheme Shareholders as to whether they should elect for the Rollover.

However, the Special Committee notes that the Rollover involves significant risks and uncertainties and may not be suitable for all Scheme Shareholders. Please refer to the section entitled "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*) for a description of the risks relating to the Rollover.

Scheme Shareholders should consider whether the Rollover is a suitable alternative in light of their own personal circumstances and investment objectives and are, therefore, strongly recommended to seek their own independent financial, tax and legal advice before deciding whether to elect for the Rollover.

If you have not received or need more copies of the Combined Form of Election, or have any queries relating to the completion and return of the Combined Form of Election, please call the ReNew Shareholder helpline at (800) 662-5200 for those within the U.S., and (203) 658-9400 for those outside the U.S. Lines are open Monday to Friday (except public holidays) between 8.30 a.m. and 5.30 p.m. (EST).

The ReNew Shareholder helpline cannot provide advice on the merits of the Rollover nor give any financial, legal or tax advice.

Other provisions relating to the Rollover

For the Rollover, eligible Scheme Shareholders may elect, in respect of all (but not some only) of their Scheme Shares, to retain their Scheme Shares, which will continue to be held by such Scheme Shareholders following the Effective Time, in lieu of such Scheme Shareholders transferring their Scheme Shares to the Purchaser and receiving the Consideration.

Eligible Scheme Shareholders will only be able to elect for the Rollover in relation to their entire holding of Scheme Shares and not part only. However, due to the operation of the Cutback and the Maximum U.S. Rollover Percentage, as explained in paragraph 5 of Part III (*Explanatory Statement*) of this document, it is possible that some or all of the Scheme Shares elected by an eligible Scheme Shareholder for the Rollover will become Cash-Out Shares and such Scheme Shareholder will receive the Consideration in respect of such Cash-Out Shares instead. If a Scheme Shareholder has elected for the Rollover, then the validity of the Election shall not be affected by any alteration in the number of Scheme Shares held by the Scheme Shareholder at any time prior to the Scheme Record Time and, accordingly, the Election shall, subject to the provisions below, apply in respect of all of the Scheme Shares which the Scheme Shareholder holds immediately prior to the Scheme Record Time.

Elections made by Scheme Shareholders for the Rollover shall not affect the entitlements of Scheme Shareholders who do not make any such Election.

The Rollover is subject to the following provisions:

- Scheme Shareholders who are resident in India are not eligible to participate in the Rollover and any Elections from such Scheme Shareholders to participate in the Rollover shall be null and void and the Scheme Shares held by such Scheme Shareholders shall be deemed Cash-Out Shares for the purposes of the Scheme.
- If, following the receipt of valid elections for the Rollover from Scheme Shareholders, the total number of shareholders of the Company (as determined in accordance with the Indian Companies Act 2013) immediately following the Scheme becoming Effective would be expected to exceed 200, then any Scheme Shareholder who (i) has validly delivered an Election for the Rollover and (ii) holds fewer ReNew Shares than the Cutback Threshold, shall be deemed not to have validly elected for the Rollover and all of such Scheme Shareholder's Scheme Shares shall be Cash-Out Shares for the purposes of the Scheme and such Scheme Shareholder shall be a Cash-Out Shareholder for the purposes of the Scheme.
- If, following the Cutback, the aggregate number of Scheme Shares held or beneficially owned (as applicable) by U.S. Rollover Shareholders would be expected to represent more than the Maximum U.S. Rollover Percentage, the number of Scheme Shares held or beneficially owned (as applicable) by each U.S. Rollover Shareholder subject to the Rollover shall be reduced on a pro rata basis (calculated by reference to each U.S. Rollover Shareholder's total holding or beneficial ownership (as applicable) of Scheme Shares as a proportion of the aggregate total of Scheme Shares held or beneficially owned (as applicable) by all U.S. Rollover Shareholders) to the minimum extent necessary to ensure that the aggregate Rollover Shares held or beneficially owned (as applicable) by all U.S. Rollover Shareholders do not exceed the Maximum U.S. Rollover Percentage. All Scheme Shares held or beneficially owned (as applicable) by a U.S. Rollover Shareholder to the extent subject to a reduction as a result of this provision shall cease to be Rollover Shares and shall instead be Cash-Out Shares for the purposes of the Scheme.

None of the Company, the Purchaser and the Consortium shall be liable to any Scheme Shareholder in respect of any adjustment, decision or determination made in connection with the Rollover in accordance with the foregoing provisions.

Please refer to the sections entitled "*Summary – The Rollover*" on pages 9 to 10 and the "*Summary of the terms of the Rollover*" in paragraph 5 of Part III (*Explanatory Statement*) for further details of the Rollover.

General

Eligible Scheme Shareholders that successfully elect for the Rollover will not transfer their Scheme Shares after the Scheme Record Time and will not be entitled to receive Consideration.

No Election for the Rollover will be valid unless a completed Part I (*Rollover Election*) of the Combined Form of Election is received by the Election Return Time. Any person who becomes a Scheme Shareholder after the Election Return Time will not be eligible to elect for the Rollover and their Scheme Shares will be treated as Cash-Out Shares.

If a completed Part I (*Rollover Election*) of the Combined Form of Election is received by Computershare after the Election Return Time, or if a Part I (*Rollover Election*) of the Combined Form of Election is received by Computershare before such time but is not, or is deemed not to be, valid or complete in all respects at such time, then such Election shall be void unless and to the extent that the Company and CPP Investments, in their absolute discretion, elect to treat as valid in whole or in part any such Election.

Upon execution and delivery or, if via the online portal, submission by a Scheme Shareholder of a valid Part I (*Rollover Election*) of the Combined Form of Election, such Scheme Shareholder shall be bound by the terms and provisions contained in Part I (*Rollover Election*) of the Combined Form of Election and by the terms and provisions contained in this section entitled "*Notes on making an Election"* of this document.

A Part I (*Rollover Election*) of the Combined Form of Election duly completed and delivered or, if via the online portal, submitted in accordance with the instructions set out in this document may be withdrawn by notice to Computershare in writing to be received before the Election Return Time.

If a Scheme Shareholder delivers or submits more than one Part I (*Rollover Election*) of the Combined Form of Election in respect of their Scheme Shares, in the case of an inconsistency between such Parts I (*Rollover Election*) of the Combined Forms of Election, the last Part I (*Rollover Election*) of the Combined Form of Election which is delivered by the Election Return Time shall prevail over any earlier Part I (*Rollover Election*) of the Combined Form of Election. The delivery time for a Part I (*Rollover Election*) of the Combined Form of Election shall be determined on the basis of which the relevant Combined Form of Election is last sent or, if Computershare is unable to determine which is last sent, is last received. Combined Forms of Election which are sent in the same envelope shall be treated for these purposes as having been sent and received at the same time, and, in the case of an inconsistency between such Parts I (*Rollover Election*) of the relevant Combined Forms of Election, none of them shall be treated as valid (unless the Company and CPP Investments otherwise determine in their absolute discretion).

Without prejudice to any other provision of this document or the Combined Form of Election, the Company and CPP Investments reserve the right in their absolute discretion to treat as valid in whole or in part any Election for the Rollover which is not entirely in order.

No acknowledgements of receipt of any Combined Form of Election or other documents will be given. All communications, notices, other documents and remittances to be delivered by or to or sent to or from holders of Scheme Shares (or their designated agent(s)) or as otherwise directed will be delivered by or to or sent to or from such holders of Scheme Shares (or their designated agent(s)) at their risk.

The Combined Form of Election and all elections thereunder or pursuant thereto and all contracts made pursuant thereto and actions taken or made or deemed to be taken or made under any of the terms of this section, and the relationship between a Scheme Shareholder, the Company and the Purchaser, shall be governed by and construed in accordance with English law. The courts of England and Wales shall have exclusive jurisdiction to settle any dispute which may arise in relation to all matters arising out of or in connection with the creation, validity, effect, interpretation or performance of the legal relationships established by the Election for the Rollover, or otherwise arising in connection with the Scheme and such Election. For such purposes, each Scheme Shareholder who submits a Combined Form of Election irrevocably submits to the exclusive jurisdiction of the courts of England and Wales.

Neither the Company, the Consortium, nor any of their respective advisers or any person acting on behalf of either of them shall have any liability to any person for any loss or alleged loss arising from any decision as to the treatment of Elections under the Scheme on any of the bases set out in this section or otherwise in connection therewith.

If the Scheme does not become effective in accordance with its terms, any Election made shall cease to be valid.

NOTES ON COMPLETING PART II (*LETTER OF TRANSMITTAL*) OF THE COMBINED FORM OF ELECTION

Completion and Return of Part II (*Letter of Transmittal*) of the Combined Form of Election

Scheme Shareholders who hold their Scheme Shares in certificated form (including DTC Withdrawal Scheme Shareholders) must complete Part II (*Letter of Transmittal*) of the Combined Form of Election, which will be separately mailed to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Corporate Actions; Attn: Mandatory Corporate Actions, P.O. Box 43014, Providence, RI 02940-3014, or if by express mail, courier or other expedited service, to Computershare at C/O Mandatory Corporate Actions; COY: RNGP, 150 Royall Street, Suite 101, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ . In each case, all share certificates and Depositary Receipts representing such Scheme Shareholders' Scheme Shares must be returned by mail, express mail, courier or other expedited service (as applicable) to the relevant address set out above, either together with the complete Part II (*Letter of Transmittal*), or independently if the complete Part II (*Letter of Transmittal*) is submitted electronically. Both items must be returned or submitted by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) ten Business Days prior to the date of the Court Hearing, in order to receive the Consideration.

The requirement above applies whether or not a Scheme Shareholder has completed Part I (*Rollover Election*) of the Combined Form of Election.

If any such share certificate(s) or Depositary Receipt(s) are found to be missing, the relevant holder must instead deliver an affidavit of lost securities and settle the relevant surety bond premium and any relevant processing fee as required by Computershare. All such returns (or, where applicable, the delivery of the affidavit and settlement of related payments) must be made by no later than the Election Return Time, in order to receive the Consideration to which the relevant holder is entitled under the Scheme. The Purchaser will procure the payment by the Paying Agent of the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees) in respect of the Cash-Out Shares in certificated form to the relevant Cash-Out Shareholders as soon as practicable and in any event within 14 days after the later of (i) the Effective Date and (ii) Computershare having received a completed Part II (*Letter of Transmittal*) of the Combined Form of Election and the share certificate(s) or Depositary Receipt(s) (or, where any of these are missing, the delivery of the affidavit and settlement of related payments), as further described in the section entitled "*Settlement*" in paragraph 20 of Part III (*Explanatory Statement*).

CASH-OUT SHAREHOLDERS WHO HOLD THEIR CASH-OUT SHARES IN CERTIFICATED FORM WILL NOT RECEIVE THE CONSIDERATION TO WHICH THEY ARE ENTITLED UNDER THE SCHEME UNLESS AND UNTIL THEY HAVE COMPLIED WITH THE REQUIREMENTS SET OUT ABOVE.

Scheme Shareholders whose Scheme Shares are held in uncertificated form within the systems of DTC are not required to complete Part II (*Letter of Transmittal*) of the Combined Form of Election. The Purchaser will procure the payment by the Paying Agent of the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees) in respect of such Cash-Out Shares to DTC or its nominee as soon as practicable and in any event by no later than 14 days after the Effective Date.

Payments shall be made by way of cheque, provided that a Cash-Out Shareholder who has (i) completed and submitted Part II (*Letter of Transmittal*) of the Combined Form of Election electronically through the online portal and (ii) elected to receive the Consideration by way of wire transfer shall instead receive payment by wire transfer of immediately available funds. Payments made by way of wire transfer pursuant to this provision shall be made net of the applicable wire transfer fee, being USD 100 for wire transfers within the United States and USD 200 for wire transfers outside the United States.

Cash-Out Shareholders who are unable to encash the cheque sent to them should notify the Paying Agent at and provide any information required by the Paying Agent. In such cases, payments will be made by the Paying Agent to the relevant Cash-Out Shareholders by way of wire transfer of immediately available funds, net of the applicable wire transfer fee.

If by the date falling 12 months after the Effective Date, any Cash-Out Shareholder who holds Cash-Out Shares in certificated form has not returned or submitted the Combined Form of Election or the relevant share certificate(s) or Depositary Receipt(s) (or, if any such share certificate(s) or Depositary Receipt(s) are found to be missing, an affidavit of lost securities and settlement of the relevant surety bond premium and any relevant processing fee), or otherwise claimed the Consideration in respect of any Cash-Out Shares, the Consideration due to such Cash-Out Shareholders under the Scheme shall be remitted to the Purchaser to be held on behalf of such Cash-Out Shareholders for a period of 12 years from the Effective Date. None of ReNew, the Purchaser, the Consortium, any of their nominee(s) or any of their respective agents shall be responsible for any loss or delay in the transmission of cheques sent in this way, and such cheques shall be sent entirely at the risk of the person entitled thereto.

Other Provisions

No acknowledgements of receipt of any Combined Form of Election, share certificate or Depositary Receipt (or, if applicable, affidavit) will be given. All communications, notices, other documents and remittances to be delivered by or to or sent to or from holders of Cash-Out Shares (or their designated agent(s)) or as otherwise directed will be delivered by or to or sent to or from such holders of Cash-Out Shares (or their designated agent(s)) at their risk. You are encouraged to send your Combined Form of Election together with your share certificates and/or Depositary Receipts by a secure means (properly insured).

QUESTIONS AND ANSWERS ABOUT THE MEETINGS AND THE ACQUISITION

The following questions and answers address briefly some questions you may have regarding the Meetings and the proposals to be voted on at the Meetings. These questions and answers may not address all of the questions that may be important to you as a ReNew Shareholder. Please refer to the more detailed information contained elsewhere in this document, the annexes to this document and the documents referred to or incorporated by reference in this document, which you should read carefully and in their entirety. You may obtain the information incorporated by reference into this document without charge by following the instructions under the section entitled "Availability of Information" in paragraph 11 of Part II (*US Special Factors*).

Q: Why am I receiving this document?

A: On 11 August 2026, ReNew and the Consortium entered into the Transaction Agreement, which provides, amongst other things, for the acquisition by the Purchaser of all of the Cash-Out Shares of ReNew for USD 7.02 per Cash-Out Share in cash by way of a "scheme of arrangement" under Part 26 of the Act. On 28 October 2026, ReNew and the Consortium entered into a side letter to amend the leaver provisions in the Transaction Agreement applicable to certain replacement awards under the New Incentive Plan. Eligible Scheme Shareholders may alternatively elect for the Rollover, pursuant to which they may continue to hold their Rollover Shares following the Effective Time in lieu of such Scheme Shareholders transferring their Rollover Shares to the Purchaser and receiving the Consideration.

Q: Who is making the proposal?

A: The Purchaser is Dyuti Private Holdings Inc, a Canadian corporation incorporated under the Canada Business Corporations Act. The Purchaser is currently a wholly-owned subsidiary of CPP Investments.

Q: What is a "scheme of arrangement"?

A: A "scheme of arrangement" is a Court-sanctioned arrangement between a company and its shareholders, which can be used as a transaction structure to effect a "takeover" or "merger" for companies incorporated in the United Kingdom. The Scheme will be binding on all Scheme Shareholders, whether or not they voted in support of the Scheme. For further details on what you will receive if the Scheme becomes Effective, please refer to "*What will I receive if the Scheme becomes Effective?*" below.

Q: What are "Scheme Shares", "Scheme Shareholders" and the "Scheme Record Time"?

A: Scheme Shares are ReNew's Class A Ordinary Shares:

- in issue at the date of this document;
- (if any) issued after the date of this document but before the Scheme Voting Record Time; and
- (if any) issued at or after the Scheme Voting Record Time but at or before the Scheme Record Time in respect of which the original or any subsequent holder thereof is bound by the Scheme or shall by such time have agreed in writing to be bound by the Scheme,

in each case, excluding any Excluded Shares.

Scheme Shareholder means a holder of one or more Scheme Shares.

Scheme Record Time means 5.30 p.m. (Eastern Standard Time) on the Scheme Business Day immediately after the date upon which the Court makes its order sanctioning the Scheme.

Accordingly, if you are a registered holder of Class A Ordinary Shares (which are not Excluded Shares) and do not sell your Class A Ordinary Shares prior to the Scheme Record Time, your ReNew Shares will be Scheme Shares and you will be a Scheme Shareholder.

Q: What will I receive if the Scheme becomes Effective?

A: If the Scheme becomes Effective, then:

- all Cash-Out Shares, even those held by Cash-Out Shareholders who did not vote to approve the Scheme or who voted against the Scheme at the Court Meeting, will be transferred to the Purchaser and/or its nominee(s);
- Rollover Shareholders will continue to hold their Rollover Shares. Please refer to the sections entitled "*Summary of the terms of the Rollover*" in paragraph 5 and "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*) of this document for further details in relation to the Rollover, including the significant risks and uncertainties relating to it; and
- Cash-Out Shareholders at the Scheme Record Time will receive USD 7.02 in cash for each Cash-Out Share that they hold, subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees.

Q: What will holders of Awards receive if the Transaction is completed?

A: Under the ReNew Share Plans, outstanding Awards (other than those held by Mr. Sumant Sinha) will be treated as follows, conditional on receipt of the Court Order:

- ID Awards, awards held by former employees (including persons who become former employees following the date of the Transaction Agreement) whose Awards have not lapsed upon their departure in accordance with the terms of the ReNew Share Plans and which remain outstanding immediately prior to the Court Order and Non-Resident Awards will immediately vest (to the extent not already vested) and become exercisable upon the Court Order. Any such Award that remains unexercised as of the Scheme Record Time will lapse and terminate on the Effective Date, and the holder will instead receive a cash amount equal to the product of (i) the number of Class A Ordinary Shares underlying such Award multiplied by (ii) the Consideration minus the per share exercise price, less any deductions or withholdings in respect of Tax required by applicable law;
- ITM Awards that have equal to or less than a six-month vesting period remaining as of the Effective Date will immediately vest and, subject to the Exercise Cap and pro rata provisions described in the next bullet, become exercisable upon the Court Order ("**Accelerated ITM Awards**");
- Accelerated ITM Awards and any ITM Awards vested prior to the Court Order (together, the "**Exercisable ITM Awards**") may be exercised prior to the Scheme Record Time, provided that, as a condition of exercise the holder agrees the combined amount of Exercisable ITM Awards and Non-Resident Awards exercised may not exceed the Exercise Cap. If the number of such Awards elected to be exercised prior to the Scheme Record Time exceeds the Exercise Cap, the number of Exercisable ITM Awards exercised by current employees shall be reduced on a pro rata basis, calculated by reference to each holder's total holding of Exercisable ITM Awards as a proportion of the aggregate amount of Exercisable ITM Awards held by all such holders (excluding any Exercisable ITM Awards held by former employees, which shall, to the extent reasonably practicable, include any Awards held by a person who becomes a former employee following the date of the Transaction Agreement);
- any Exercisable ITM Awards that remain unexercised or unsettled as of the Scheme Record Time and any ITM Awards with more than six but less than 12 months of vesting remaining as of the Effective Date, will lapse and terminate on the Effective Date, and the holder will instead be granted, within five Business Days following the Effective Date, replacement awards vesting on the 12-month anniversary of the Effective Date, using the Conversion Ratio under the New Incentive Plan, and, subject to the leaver terms set out below, remaining exercisable until 22 August 2031 (or, if the IPO (as defined in the Shareholders' Agreement) has not taken place by such date, the later of the 12-month anniversary of the IPO and 31 December 2035);
- in each case where a holder is granted a replacement award under the New Incentive Plan (other than a replacement award granted in respect of an Underwater Option), and such holder's employment ends for any reason other than cause within 12 months of the Effective Date, in respect of the portion of the replacement award that would have vested on or before the cessation date under the original award's vesting schedule, the holder may elect to either: (i) retain that portion of the replacement award that would have vested on or before the cessation date under the original award's vesting schedule with it remaining exercisable until 31 December 2035; or (ii) receive a cash payment (payable through payroll and subject to any deductions or withholdings in respect of Tax required by applicable law) equal to the number of Class A Ordinary Shares underlying that portion of the replacement award multiplied by the Consideration minus the aggregate per share exercise price attributable to the shares, with the remaining portion of the replacement award immediately being forfeited and terminating;
- where a holder is granted a replacement award under the New Incentive Plan in respect of an Exercisable ITM Award or any other ITM Award that has been replaced under the New Incentive Plan pursuant to the arrangements described in this paragraph, and such holder ceases to be employed by the Company or any of its Subsidiaries more than 12 months after the Effective Date (other than cessation for cause, meaning fraud or gross misconduct), the holder shall retain the right to exercise any vested replacement awards until 31 December 2035;

- Underwater Options will be replaced, within five Business Days following the Effective Date, with replacement awards under the New Incentive Plan using the Conversion Ratio. Such replacement awards will vest on a schedule of 75% on the 12-month, 12.5% on the 18-month and 12.5% on the 24-month anniversaries of the Effective Date, in each case subject to the relevant holder's continued employment with the Company or any of its Subsidiaries on the applicable vesting date, and any such vested replacement award will remain exercisable until 31 December 2035 (unless such holder's employment is terminated for cause, meaning fraud or gross misconduct);
- all other Awards will be replaced, within five Business Days following the Effective Date, with replacement awards under the New Incentive Plan on substantially the same vesting terms as the original Award, using the Conversion Ratio, which, to the extent it becomes vested, will remain exercisable until 22 August 2031 (or, if the IPO (as defined in the Shareholders' Agreement) has not taken place by such date, the later of the 12-month anniversary of the IPO and 31 December 2035), subject to the leaver terms set out above and to any applicable law;
- the exercise price per share of each replacement award shall be set using the USD/INR exchange rate on the Effective Date, except that options granted on 23 August 2021 in exchange for prior group stock options will retain their original INR exercise price; and
- the Consortium and ReNew have agreed that Awards exercised or settled between receipt of the Court Order and the Scheme Record Time will be cash-settled (subject to deduction of the exercise price, where applicable) and paid, and cash amounts payable in respect of Awards that lapse and terminate on or before the Effective Date will be paid, through payroll (subject to statutory withholdings). The cost of any such cash amounts will be funded by CPP Investments or the Purchaser paying such amounts directly to the Company in exchange for the issuance by the Company of additional Class A Ordinary Shares at a price per share equal to the Consideration. See the section entitled "*Settlement*" in paragraph 20 of Part III (*Explanatory Statement*).

Mr. Sumant Sinha has agreed that he will not exercise any Awards or his annual liquidity right pursuant to section 6 of the Registration Rights, Coordination and Put Option Agreement dated 23 August 2021, prior to the Effective Date. With effect from the Effective Date, Mr. Sinha's outstanding Awards under the ReNew Share Plans will lapse and be replaced under the New Incentive Plan:

- ITM Awards will be replaced with equivalent awards subject to equivalent terms, save that any vested replacement awards remain exercisable until 2035;
- Underwater Options will be replaced with equivalent options subject to equivalent terms, save that 50% will vest on the Effective Date and the remaining 50% will vest in four equal half-yearly instalments of 12.5% each, and vested replacement awards over Underwater Options remain exercisable until 2037; and
- existing RSUs or PSUs with a nominal exercise price will be replaced with a number of replacement RSUs or PSUs to be determined in accordance with a calculation method prescribed in the New CEO Service Agreement, subject to equivalent terms, and will remain exercisable until 2035.

Q: What is the Court Meeting?

A: In order for the Scheme to become Effective, the Scheme must be approved by Scheme Shareholders. This approval is obtained at a shareholder meeting convened with the permission of the Court referred to as the "**Court Meeting**". The purpose of the Court Meeting is to allow the Court to ascertain whether a sufficient majority of Scheme Shareholders are in favour of the Scheme.

Q: When and where is the Court Meeting?

A: The Court Meeting will be held at , on at .

Q: What is the General Meeting?

A: In addition to the approval of the Scheme at the Court Meeting, an additional resolution, referred to as the "**Scheme Resolution**", necessary for ReNew to implement the Acquisition is required to be approved at a general meeting of ReNew Shareholders, referred to as the "**General Meeting**". Other resolutions will also be proposed at the General Meeting – see "*What matters will be voted on at the Meetings?*" below.

Q: When and where is the General Meeting?

A: The General Meeting will be held at , on at , or, if later, immediately after the conclusion of the Court Meeting.

Q: Who is entitled to vote at the Court Meeting and the General Meeting?

A: Scheme Shareholders are entitled to vote at the Court Meeting and ReNew Shareholders are entitled to vote at the General Meeting.

If you hold ReNew Shares registered in your own name, you are entitled, subject to compliance with procedures described in this document, to vote either in person or by appointing another person or persons as your proxy or proxies to attend and vote in your stead.

Holders of Depositary Receipts will receive instructions from Broadridge on how to give directions about the voting of the underlying ReNew Shares. If you hold Depositary Receipts, you must follow these instructions in order for your ReNew Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than 11.59 p.m. (EST time) on . Following receipt of the directions, such directions will be passed on by the registered holder of the ReNew Shares underlying the Depositary Receipts to ReNew's agent, which will be deemed to constitute an instruction to vote the applicable ReNew Shares in accordance with the directions of the holders of the Depositary Receipts. Since holders of Depositary Receipts are not Scheme Shareholders or ReNew Shareholders registered in the register of members, holders of Depositary Receipts may not vote at the General Meeting and the Court Meeting, in each case unless you request and obtain a legal appointment as proxy from Computershare. If Broadridge does not receive valid voting directions from a holder of Depositary Receipts by the applicable deadline referred to above, the ReNew Shares underlying that holder's Depositary Receipts will not be voted at the relevant Meeting, and no proxy will be given to vote them on a discretionary basis.

There are certain ReNew Shares that are held within the systems of DTC. Beneficial owners of ReNew Shares whose interests in such ReNew Shares are held in the name of a broker, bank or other nominee within the systems of DTC will receive voting instructions from Broadridge or their broker, bank or nominee for the Court Meeting and/or General Meeting. If you are such a beneficial owner, you must follow these instructions in order for your Scheme Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than (UK time) on (in the case of the Court Meeting) or (UK time) on (in the case of the General Meeting). Any voting direction submitted to ReNew or its agent by such beneficial owner (or on their behalf) in accordance with these instructions will be deemed to constitute an instruction to vote the applicable Scheme Shares and/or ReNew Shares in accordance with the directions of such beneficial owner. Since beneficial owners are not Scheme Shareholders or ReNew Shareholders registered in the register of members, if you are a beneficial owner of Scheme Shares you may not vote at the Court Meeting, and if you are a beneficial owner of ReNew Shares you may not vote at the General Meeting, in each case unless you request and obtain a legal appointment as proxy from your broker, bank or other nominee.

Q: What matters will be voted on at the Meetings?

A: At the Court Meeting, Scheme Shareholders will vote on the approval of the Scheme.

At the General Meeting, ReNew Shareholders will vote on (i) an ordinary resolution to authorise the issuance of Class A Ordinary Shares up to an aggregate nominal amount of USD in connection with (A) the funding by the Purchaser to the Company of the costs in relation to the cash settlement of Awards exercised or settled between receipt of the Court Order and the Scheme Record Time as set out in further detail in paragraph 14 (*ReNew Equity Awards*) of Part III (*Explanatory Statement*) of this document and (B) the Additional Capital Raise (the "**Additional Capital Resolution**"), (ii) a special resolution to (a) authorise the ReNew Directors to take all necessary actions to carry the Scheme into effect, and (b) amend the Articles, with effect from the passing of the resolution, to ensure that any ReNew Shares issued after the Scheme Record Time (other than to any member of the Consortium and/or any of their nominees) will be subject to the Scheme or otherwise transferred to the Purchaser (or its nominees) (the "**Scheme Resolution**"), (iii) a special resolution to amend the Articles, with effect from the Effective Date, to ensure that (X) the rights of the Class C Ordinary Shares are varied such that the Class C Ordinary Shares will have the same, or substantially equivalent, rights to the Class A Ordinary Shares; and (Y) any right to appoint, elect, remove or replace (or to vote for the appointment, election, removal or replacement of) the directors of the Company vests in one or more named entities appointed by each of CPP Investments and each other shareholder in the Company having director appointment rights in accordance with the terms of the Shareholders' Agreement as set out in Annex D to this document (the "**Reorganisation Resolution**"), (iv) a special resolution to disapply pre-emption rights in relation to the issuance of Class A Ordinary Shares pursuant to the Additional Capital Resolution (the "**Pre-emption Resolution**"), and (v) a special resolution to re-register the Company as a private limited company under the relevant provisions of the Act (the "**Re-registration Resolution**"). The Additional Capital Resolution, the Scheme Resolution the Reorganisation Resolution, the Pre-emption Resolution and the Re-registration Resolution are together referred to as the "**Resolutions**".

Q: How do I attend the Meetings?

A: If you plan to attend the Court Meeting in person, you will need to provide proof that you own Scheme Shares in order to be admitted to the meeting. If you plan to attend the General Meeting in person, you will need to provide proof that you own ReNew Shares in order to be admitted to the meeting.

If you are a shareholder of record, please be prepared to provide proper photo identification, such as a driver's licence to enable ReNew to confirm your right to attend and vote. If you are a holder of Depositary Receipts or a beneficial owner of ReNew Shares held in the name of a broker, bank or other nominee within the systems of DTC, you will need to provide proof of ownership, such as a recent account statement provided by Computershare, or your broker, bank or other nominee, or other similar evidence of ownership, along with proper identification and a legal appointment as proxy from Computershare or your broker, bank or other nominee, as applicable.

On arrival at the Court Meeting and the General Meeting venue, all those entitled to vote will be required to register and collect a poll card. In order to facilitate these arrangements, please arrive at the General Meeting venue in good time. You will be given instructions on how to complete your poll card at the Court Meeting or the General Meeting.

Q: What constitutes a quorum for the Meetings?

A: In connection with the Court Meeting, a quorum will be present if at least two Scheme Shareholders entitled to vote as at the Scheme Voting Record Time are present, in person or represented by proxy. There must also be a sufficiently large (in the Court's judgment) number of Scheme Shares included in the vote to fairly represent the opinion of Scheme Shareholders. Abstentions and broker non-votes will not be considered votes cast and will therefore not be considered in determining the presence of a quorum at the Court Meeting.

In connection with the General Meeting, a quorum will be present if at least two ReNew Shareholders entitled to vote as at the Scheme Voting Record Time are present, in person or represented by proxy. As at the close of business on the Latest Practicable Date, there were Class A Ordinary Shares issued and outstanding. Abstentions and broker non-votes will be considered in determining the presence of a quorum at the General Meeting.

Q: What vote of Scheme Shareholders is required to approve the Scheme?

A: At the Court Meeting, the Scheme will be approved by Scheme Shareholders if both (i) a majority in number of Scheme Shareholders who vote (either in person or by proxy) at the Court Meeting vote in favour of the Scheme, and (ii) Scheme Shares representing at least 75 per cent. in value of the total number of Scheme Shares voted (either in person or by proxy) at the Court Meeting are voted in favour of the Scheme.

In addition to approval by the Scheme Shareholders at the Court Meeting the Scheme Resolution must be approved by ReNew Shareholders representing at least 75 per cent. of the votes cast, either in person or by proxy at the General Meeting.

In addition to approval by the Scheme Shareholders at the Court Meeting and the ReNew Shareholders at the General Meeting, the Scheme will require sanction by the Court. In considering whether to sanction the Scheme, the Court will consider whether there has been a sufficiently large (in the Court's judgment) number of Scheme Shares included in the vote in favour of the Scheme to fairly represent the opinion of Scheme Shareholders, in addition to whether the required majority (as described above), is obtained.

Q: How does the Special Committee recommend that I vote?

A: The Special Committee unanimously recommends that you vote in favour of the Scheme at the Court Meeting and in favour of the Scheme Resolution at the General Meeting.

Q: How do ReNew Directors and executive officers intend to vote?

A: It is currently expected that all ReNew Directors and ReNew's executive officers who are Scheme Shareholders and/or ReNew Shareholders (as applicable) and are entitled to vote, will vote their ReNew Shares in favour of the Scheme at the Court Meeting and in favour of the Scheme Resolution at the General Meeting.

As a member of the Consortium, Sumant Sinha will not be a Scheme Shareholder and will not be entitled to vote at the Court Meeting but will be a ReNew Shareholder and therefore will be entitled to vote at the General Meeting.

Any ReNew Directors who are members of the Special Committee and who hold ReNew Shares will be both Scheme Shareholders and ReNew Shareholders and will therefore be entitled to vote at the Meetings.

As of the Latest Practicable Date, members of the Consortium (together with their Affiliates) held ReNew Shares representing approximately per cent. of the total voting power in ReNew. The ReNew Shares in which members of the Consortium (and/or their Affiliates) are interested will not form part of the Scheme Shares and, as such, members of the Consortium and their Affiliates will not be permitted to vote such ReNew Shares at the Court Meeting. However, members of the Consortium and their Affiliates will be permitted to vote such ReNew Shares at the General Meeting. Furthermore, the ReNew Shares held by members of the Consortium (and/or their Affiliates) will not be transferred to the Purchaser (and/or its nominees) upon the Scheme becoming Effective and will not entitle members of the Consortium (and/or their Affiliates) to receive any Consideration. The Purchaser will be requested to undertake to the Court that it will be bound by the Scheme.

The Special Committee unanimously recommended that the ReNew Shareholders vote in favour of the Scheme and the other proposals to be considered at the Meetings.

Q: Has the Consortium received any irrevocable undertakings to vote in favour of the Scheme?

A: Yes. The Consortium has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting from JERA Nex and Platinum Cactus in respect of ReNew Shares representing, in aggregate, approximately 51 per cent. of the voting power of the Scheme Shares and 32 per cent. of the voting power of ReNew Shares as at 18 September 2026. The irrevocable undertakings also include undertakings by each of JERA Nex and Platinum Cactus to elect to participate in the Rollover in respect of all of their respective Scheme Shares. Further details of the irrevocable undertakings are set out in paragraph 5 of Part VII (*Additional Information*) of this document.

Q: What is the Court Hearing?

A: In addition to the approval of the Scheme by the Scheme Shareholders at the Court Meeting and the ReNew Shareholders at the General Meeting, in order for the Scheme to become Effective, the Court must sanction the Scheme at a hearing. This hearing is referred to as the "**Court Hearing**."

Q: When and where is the Court Hearing?

A: Subject to the approval of the Scheme by Scheme Shareholders and the prior satisfaction of the Conditions to completion of the Acquisition, it is expected that the Court Hearing will be held at the Court, during the first quarter of 2027.

Q: What are the conditions to completion of the Transaction?

A: The implementation of the Scheme and the Acquisition is conditional upon the satisfaction (or waiver, if permissible) of the following:

- the Effective Date not occurring prior to 23 August 2026 (which condition has been satisfied);
- approval of the scheme by a majority in number of the Scheme Shareholders representing not less than 75 per cent. in value of the Scheme Shares (or the relevant class or classes thereof, if applicable) in each case present, entitled to vote and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting that may be required by the Court or at any adjournment of any such meeting;
- the passing of the Scheme Resolution by ReNew Shareholders representing not less than 75 per cent. of the total voting rights of ReNew Shareholders present, entitled to vote and voting, either in person or by proxy, at the General Meeting or at any adjournment of that meeting;
- the sanction of the Scheme by the Court with or without modification (but subject to any non-de minimis modifications being acceptable to ReNew and CPP Investments, acting reasonably and in good faith) and, following such sanction, the delivery of a copy of the Court Order to the Registrar of Companies;
- anti-trust approval and clearance having been obtained in India and foreign direct investment approvals and clearances having been obtained in Belgium and France; and
- no injunction, restraining order or other order or any other legal or regulatory restraint or prohibition having been issued or made by any Governmental Authority of competent jurisdiction or any other person which prevents the consummation of the Acquisition.

In addition, the Consortium and ReNew have agreed that their obligations to give effect to the Acquisition will be conditional upon the satisfaction (or waiver, if permissible) of the following Conditions:

- The Consortium's obligation to consummate the Acquisition is conditional upon:
  - except as Disclosed (which for this purpose shall not be deemed to be qualified by any facts, matters or circumstances Disclosed in the company supplemental disclosure letter), the accuracy of the warranties made by ReNew in the Transaction Agreement both as at the date of the Transaction Agreement and the date immediately preceding the Court Hearing as though made at that time (except for any such warranties made as at a particular date or period, which warranties must be true and correct only as at that date or period), subject in most cases to either a materiality standard or a Company Material Adverse Effect;
  - ReNew not being in material breach of its obligations under the Transaction Agreement that are required to be performed by it at or prior to the date immediately preceding the Court Hearing;
  - since the date of the Transaction Agreement, no Effect having occurred that has had, or would be reasonably expected to have, individually or in the aggregate with all other Effects, a Company Material Adverse Effect that is continuing as of the date immediately preceding the Court Hearing;
  - the Consortium having received a certificate from an executive officer or director of ReNew as of the date immediately preceding the Court Hearing confirming the satisfaction of the Conditions set forth in the first three bullet points above; and
  - ReNew having obtained the written approval of Natixis, Singapore Branch in respect of the Transaction pursuant to the facility letter between the Company and Natixis, Singapore Branch and the general terms and conditions thereunder dated 8 May 2024, with such approval, being unconditional and/or on terms reasonably satisfactory to CPP Investments, or having obtained written confirmation from Natixis, Singapore Branch that their approval is not required in respect of the Transaction (which condition has been satisfied).
- ReNew's obligation to consummate the Acquisition is conditional upon:
  - the accuracy of the warranties made by CPP Investments in the Transaction Agreement both as at the date of the Transaction Agreement and the date immediately preceding the Court Hearing as though made at that time (except for any such warranties made as at a particular date or period, which warranties must be true and correct only as at that date or period), subject to the failure of such warranties to be true and correct not preventing the ability of CPP Investments to consummate the Acquisition;
  - CPP Investments not being in material breach of its obligations under this Agreement that are required to be performed by it at or prior to the date immediately preceding the Court Hearing; and
  - ReNew having received a certificate from an executive officer or director of CPP Investments as of the date immediately preceding the Court Hearing confirming the satisfaction of the Conditions set forth in the two bullet points above.

Q: When is the Acquisition expected to be completed?

A: As at the date of this document, it is expected that the Scheme will become Effective during the first quarter of 2027. However, the Acquisition cannot proceed until all of the Conditions are satisfied or, if capable of waiver, waived at or prior to the Long Stop Date in accordance with their respective terms, including the approval of the Scheme at the Court Meeting and the Scheme Resolution at the General Meeting. The Scheme also requires sanction by the Court. The Scheme is also subject to various regulatory approvals and clearances. It is possible that factors outside the control of ReNew and the Consortium could delay the completion of the Acquisition, or prevent it from being completed at all.

Q: Does the Purchaser have the financial resources to make payment of the Consideration for the Cash-Out Shares?

A: The Purchaser anticipates that it will expend a maximum of approximately USD 625 million, net of fees, to acquire the Cash-Out Shares for USD 7.02 per Cash-Out Share (assuming none of the Scheme Shareholders elect for the Rollover). The Purchaser has, or will have, available to it, funds necessary to satisfy all of the Purchaser's payment obligations under the Transaction Agreement and resulting from the transactions contemplated thereby, which CPP Investments intends to satisfy from its existing cash resources. The obligations of the Purchaser to consummate the Acquisition are not subject to any financing condition.

Q: What happens if the Acquisition is not completed?

A: If the Scheme is not approved by Scheme Shareholders, or if the Acquisition does not become Effective for any other reason, the Scheme will lapse and the Acquisition will not proceed and Scheme Shareholders will not receive any payment for their Scheme Shares in connection with the Acquisition. Instead, ReNew will remain a public company, and ReNew Shares will continue to be registered under the Exchange Act and will continue to be listed and traded on Nasdaq.

Q: What do I need to do now? How do I vote my ReNew Shares?

A: If you hold Scheme Shares registered in your own name, you are entitled to attend the Court Meeting to vote in person or to appoint another person or persons as your proxy or proxies to attend and vote in your stead, in accordance with the procedures further outlined in this document.

If you hold ReNew Shares registered in your own name, you are entitled to attend the General Meeting to vote in person or to appoint another person or persons as your proxy or proxies to attend and vote in your stead, in accordance with the procedures further outlined in this document.

Holders of Depositary Receipts will receive instructions from Broadridge on how to give directions about the voting of the underlying ReNew Shares. If you hold Depositary Receipts, you must follow these instructions in order for your ReNew Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than 11.59 p.m. (EST time) on . Following receipt of the directions, such directions will be passed on by the registered holder of the ReNew Shares underlying the Depositary Receipts to ReNew's agent, which will be deemed to constitute an instruction to vote the applicable ReNew Shares in accordance with the directions of the holders of the Depositary Receipts. Since holders of Depositary Receipts are not Scheme Shareholders or ReNew Shareholders registered in the register of members, holders of Depositary Receipts may not vote at the General Meeting and the Court Meeting, in each case unless you request and obtain a legal appointment as proxy from Computershare. If Broadridge does not receive valid voting directions from a holder of Depositary Receipts by the applicable deadline referred to above, the ReNew Shares underlying that holder's Depositary Receipts will not be voted at the relevant Meeting, and no proxy will be given to vote them on a discretionary basis.

There are certain ReNew Shares that are held within the systems of DTC. Beneficial owners of ReNew Shares whose interests in such ReNew Shares are held in the name of a broker, bank or other nominee within the systems of DTC will receive voting instructions from Broadridge or their broker, bank or nominee for the Court Meeting and/or General Meeting. If you are such a beneficial owner, you must follow these instructions in order for your Scheme Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than (UK time) on (in the case of the Court Meeting) or (UK time) on (in the case of the General Meeting). Any voting direction submitted to ReNew or its agent by such beneficial owner (or on their behalf) in accordance with these instructions will be deemed to constitute an instruction to vote the applicable Scheme Shares and/or ReNew Shares in accordance with the directions of such beneficial owner. Since beneficial owners are not Scheme Shareholders or ReNew Shareholders registered in the register of members, if you are a beneficial owner of Scheme Shares you may not vote at the Court Meeting, and if you are a beneficial owner of ReNew Shares you may not vote at the General Meeting, in each case unless you request and obtain a legal appointment as proxy from your broker, bank or other nominee.

You are strongly encouraged to sign and return the Form of Proxy labelled "Court Meeting Proxy Form" for the Court Meeting as soon as possible. You are also encouraged to sign and return the Form of Proxy labelled "General Meeting Proxy Form" for the General Meeting at the same time as the Form of Proxy labelled "Court Meeting Proxy Form" for the Court Meeting.

If you are an eligible Scheme Shareholder and you wish to make an Election for the Rollover, you must also return or submit Part I (*Rollover Election*) of a Combined Form of Election. Detailed instructions are set out on pages 32 to 36 (*Actions to be taken*) and in pages 41 to 44 (*Notes on making an Election*) of this document.

If you hold Scheme Shares in certificated form (including Scheme Shares represented by Depositary Receipts), you must also complete Part II (*Letter of Transmittal*) of the Combined Form of Election and return or submit it. All share certificates and Depositary Receipts representing such Scheme Shares must be returned by mail to Computershare at C/O Corporate Actions; Attn: Mandatory Corporate Actions, P.O. Box 43014, Providence, RI 02940-3014, or if by express mail, courier or other expedited service, to Computershare at C/O Mandatory Corporate Actions; COY: RNGP, 150 Royall Street, Suite V, Canton, MA 02021, either together with the complete Part II (*Letter of Transmittal*), or independently if the complete Part II (*Letter of Transmittal*) is submitted electronically. All such items must be returned by no later than the Election Return Time.

Detailed instructions are set out on pages 45 to 46 (*Notes on completing Part II (Letter of Transmittal*) of *the Combined Form of Election*) of this document.

Q: Can I revoke my proxy?

A: Any person submitting a Form of Proxy pursuant to this solicitation has the power to revoke and change it at any time before it is voted.

If you are a ReNew Shareholder of record, you may revoke your proxy at any time before the vote is taken at the Court Meeting or the General Meeting, as applicable, by:

- submitting a new Form of Proxy with a later date, by using the telephone or electronic proxy submission procedures described herein, or by completing, signing, dating and returning a new Form of Proxy by mail to Broadridge at 51 Mercedes Way, Edgewood, NY11717;
- attending the Court Meeting and/or the General Meeting and voting in person; or
- delivering a written notice of revocation bearing a date later than that indicated on the Form of Proxy by mail to Broadridge at 51 Mercedes Way, Edgewood, NY11717.

Attending the Court Meeting or the General Meeting without taking one of the actions described above will not in itself revoke your proxy.

If you hold your ReNew Shares indirectly through a broker, bank or other nominee or hold Depositary Receipts, you will need to follow the instructions provided to you by Broadridge or your broker, bank or other nominee in order to revoke or submit new voting instructions.

Q: What happens if I do not vote or if I abstain from voting on the proposals?

A: If you are the registered holder of ReNew Shares and do not vote either in person or by appointing another person as your proxy to attend and vote in your stead, your ReNew Shares will not be counted for purposes of determining whether a quorum is present at the General Meeting or for calculating the proportion of votes "For" and "Against" at either of the Meetings.

If you hold Depositary Receipts or if your ReNew Shares are held within the systems of DTC in the name of a broker, bank or other nominee, you will need to contact Computershare or your broker, bank or other nominee, respectively, in order to confirm the answer to this question. However, if you do not instruct Computershare or your broker, bank or other nominee how to vote your ReNew Shares, your ReNew Shares will not be counted for purposes of calculating the proportion of votes "For" and "Against" at the Meetings. Broker non-votes will be considered in determining the presence of quorum at the General Meeting.

There is an "Abstain" option to enable you to abstain from voting on the Resolutions at the General Meeting. An "Abstain" will count towards quorum at the General Meeting, however an "Abstain" is not a vote in law and will not be counted in the calculation of the proportion of votes "For" and "Against" the Resolutions at the General Meeting.

Q: Will my ReNew Shares held by way of Depositary Receipts, or within the systems of DTC in the name of a broker, bank or other nominee, be combined for voting purposes with ReNew Shares I hold of record?

A: If your ReNew Shares are held by way of Depositary Receipts, or within the systems of DTC in the name of a broker, bank or other nominee, these will not be combined for voting purposes with ReNew Shares in relation to which you are the registered holder.

Q: Why did I receive more than one proxy card or voting instruction card?

A: You will receive separate proxy cards for voting on approval of the Scheme at the Court Meeting and for voting on the Resolutions at the General Meeting.

Q: What happens if I sell my Scheme Shares before completion of the Acquisition?

A: In order to receive the Consideration of USD 7.02 per Cash-Out Share, you must hold your Scheme Shares at the Scheme Record Time and such Scheme Shares must not be subject to the Rollover. Consequently, if you transfer your ReNew Shares before the Scheme Record Time, you will have transferred your right to receive the Consideration and to participate in the Rollover.

The Scheme Voting Record Time, which determines the ReNew Shareholders or Scheme Shareholders (as applicable) entitled to vote at the Meetings, is earlier than the consummation of the Acquisition. If you transfer your Scheme Shares after the Scheme Voting Record Time but prior to the Scheme Record Time, you will retain any rights you hold to vote at the Meetings but not the right to receive the Consideration or to participate in the Rollover.

Q: Should I send in my share certificates or other evidence of ownership now?

A: Share certificates in respect of Cash-Out Shares will cease to be valid upon the Scheme becoming Effective.

If you hold your Scheme Shares in certificated form, you must complete Part II (*Letter of Transmittal*) of the Combined Form of Election in accordance with the instructions set out on such form and return or submit it. All share certificates and Depositary Receipts representing such Scheme Shares must be returned by mail to Computershare at C/O Corporate Actions; Attn: Mandatory Corporate Actions, P.O. Box 43014, Providence, RI 02940-3014, or if by express mail, courier or other expedited service, to Computershare at C/O Mandatory Corporate Actions; COY: RNGP, 150 Royall Street, Suite 101, Canton, MA 02021, either together with the complete Part II (*Letter of Transmittal*), or independently if the complete Part II (*Letter of Transmittal*) is submitted electronically.

If any such share certificate(s) or Depositary Receipt(s) are found to be missing, the relevant holder must instead deliver an affidavit of lost securities and settle the relevant surety bond premium and any relevant processing fee as required by Computershare.

All such returns (or, where applicable, the delivery of the affidavit and settlement of related payments) must be made by no later than the Election Return Time, in order to receive the Consideration to which the relevant holder is entitled under the Scheme.

Scheme Shareholders whose Scheme Shares are held in uncertificated form within the systems of DTC are not required to complete Part II (*Letter of Transmittal*) of the Combined Form of Election. The Purchaser will procure the payment by the Paying Agent of the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees) in respect of such Cash-Out Shares to DTC or its nominee as soon as practicable and in any event by no later than 14 days after the Effective Date.

As from the Scheme Record Time, each holding of Cash-Out Shares credited to any account with DTC will be disabled and all Cash-Out Shares will be removed from DTC in due course.

Q: How will I receive the Consideration?

A: If your Cash-Out Shares are held in uncertificated form within the systems of DTC, the Purchaser will procure the payment by the Paying Agent of the Consideration and net of any applicable wire transfer fees, to DTC or its nominee as soon as practicable and in any event within 14 days after the Effective Date. You are not required to take any action to receive the Consideration.

If your Cash-Out Shares are held in certificated form (including Scheme Shares represented by Depositary Receipts), you must complete Part II of the Combined Form of Election, which will be separately mailed to you by Computershare, and return all share certificates and Depositary Receipts representing such Cash-Out Shares by mail to Computershare at C/O Corporate Actions; Attn: Mandatory Corporate Actions, P.O. Box 43014, Providence, RI 02940-3014, or if by express mail, courier or other expedited service, to Computershare at C/O Mandatory Corporate Actions; COY: RNGP, 150 Royall Street, Suite 101, Canton, MA 02021, either together with the complete Part II (*Letter of Transmittal*), or independently if the complete Part II (*Letter of Transmittal*) is submitted electronically, in each case by no later than the Election Return Time, otherwise you will not receive the Consideration to which you are entitled under the Scheme. Payments will be made by way of cheque, unless you submitted your Part II (*Letter of Transmittal*) of the Combined Form of Election electronically through the online portal and elected to receive the Consideration by wire transfer, in which case payment will be made by wire transfer of immediately available funds, net of the applicable wire transfer fee (being USD 100 for wire transfers within the United States and USD 200 for wire transfers outside the United States). If you are unable to encash the cheque sent to you, you should notify the Paying Agent and provide any information required by the Paying Agent. In such cases, payment will be made by wire transfer of immediately available funds, net of the applicable wire transfer fee.

Payments of the Consideration will be subject to any deductions or withholdings in respect of Tax required by applicable law. Further details in respect of certain deductions or withholdings in respect of Indian taxes that may be required by applicable law are set out in Part V (*Certain Indian Tax Considerations*) of this document.

Awards exercised or settled between receipt of the Court Order and the Scheme Record Time will be cash-settled and paid through payroll (subject to statutory withholdings and, where applicable, deduction of the exercise price).

Further details are set out in the section entitled "*Settlement*" in paragraph 20 of Part III (*Explanatory Statement*) of this document.

Q: What is the Rollover?

A: As an alternative to the Cash Offer, eligible Scheme Shareholders may elect to retain (all but not some of) their Scheme Shares, which will continue to be held by such Scheme Shareholders following the Effective Time, subject to the terms and conditions of the Rollover (detailed in paragraph 5 of Part III (*Explanatory Statement*)).

Eligible Scheme Shareholders will only be able to elect for the Rollover in relation to their entire holding of Scheme Shares and not part only. However, due to the operation of the Cutback and the Maximum U.S. Rollover Percentage, as explained in paragraph 5 of Part III (*Explanatory Statement*) of this document, it is possible that some or all of the Scheme Shares elected by an eligible Scheme Shareholder for the Rollover will become Cash-Out Shares and such Scheme Shareholder will receive the Consideration in respect of such Cash-Out Shares instead.

Further information on the Rollover is contained in the section entitled "*Summary – The Rollover*" on pages 9 to 10 and the section entitled "*Summary of the terms of the Rollover*" in paragraph 5 of Part III (*Explanatory Statement*) of this document.

The Special Committee does not give any advice to Scheme Shareholders as to whether they should elect for the Rollover.

However, the Special Committee notes that the Rollover involves significant risks and uncertainties and may not be suitable for all Scheme Shareholders. Please refer to the section entitled "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*) for a description of the risks relating to the Rollover.

Scheme Shareholders should consider whether the Rollover is a suitable alternative in light of their own personal circumstances and investment objectives and are, therefore, strongly recommended to seek their own independent financial, tax and legal advice before deciding whether to elect for the Rollover.

Q: How do I elect for the Rollover?

A: If you are an eligible Scheme Shareholder and you wish to make an election for the Rollover, you must complete Part I (*Rollover Election*) of the Combined Form of Election, which will be separately mailed to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Voluntary Corporate Actions; COY: RNGP, P.O. Box 43011, Providence, RI 02940-3011, or if by express mail, courier or other expedited service, to Computershare at C/O Voluntary Corporate Actions; COY: RNGP, 150 Royall Street, Suite V, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ , in each case by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) ten Business Days prior to the date of the Court Hearing. The instructions set out on, or deemed to be incorporated in, the Combined Form of Election constitute part of the terms of the Scheme.

Only Scheme Shareholders (other than Scheme Shareholders resident in India), which are holders of Scheme Shares in the register of members of the Company, are eligible to make an Election. Any person who becomes a Scheme Shareholder after the Election Return Time will not be eligible to elect for the Rollover and their Scheme Shares will be treated as Cash-Out Shares.

Beneficial owners of Scheme Shares held in uncertificated form within the systems of DTC are NOT eligible to make an Election and will receive the Consideration for all of their Scheme Shares. If you are a beneficial owner of Scheme Shares held in uncertificated form within the systems of DTC and you wish to make an Election, you must first procure the withdrawal of all such Scheme Shares from DTC and be entered as a registered holder (other than as a holder in uncertificated form) in the register of members of the Company. To effect such withdrawal, you must notify your broker, bank or other nominee who holds your Scheme Shares of your intention, and follow their instructions including executing any requisite documentation and paying any requisite processing fees.

If you are a holder of Depositary Receipts and you wish to make an Election, you must first procure that the Scheme Shares represented by your Depositary Receipts are registered by reference to a separate designation in the register of members of the Company. To effect such re-registration, you must notify the Company and Computershare of your intention, and follow their instructions including executing any requisite documentation and paying any requisite processing fees.

The Company is unable to assure beneficial owners of Scheme Shares or holders of Depositary Receipts how long it will take to complete (i) the withdrawal of Scheme Shares from DTC and re-registration of the beneficial owners as registered holders or (ii) the re-registration of Scheme Shares represented by Depositary Receipts by reference to a separate designation, as this will depend on factors outside the Company's control, including the cooperation of third parties such as the relevant broker, bank or other nominee and DTC. Beneficial owners of Scheme Shares and holders of Depositary Receipts who wish to make an Election are therefore strongly recommended to act as soon as possible and, in any event, sufficiently in advance of the Election Return Time to allow any required withdrawal and/or re-registration to be completed in time. Please note that you will have a minimum of 80 calendar days from the publication of this document to complete the required withdrawal and/or re-registration and, following that, complete and return or submit your Combined Form of Election.

If you want to receive USD 7.02 in cash in respect of each Scheme Share that you hold at the Scheme Record Time, you should NOT complete Part I (*Rollover Election*) of the Combined Form of Election.

Detailed instructions are set out on pages 32 to 36 (*Actions to be taken*) and in pages 41 to 44 (*Notes on making an Election*) of this document.

Q: If I elect for the Rollover, what is ensuring that I will be bound to the Reorganisation?

A: As part of the Scheme, Eligible Scheme Shareholders that successfully elect for the Rollover will grant powers of attorney authorising CPP Investments to execute on their behalf: (i) the Shareholders' Agreement; (ii) the Reorganisation Wrapper Deed; and (iii) other documents required to implement the Reorganisation. Further details of the Reorganisation are set out in the sections entitled "*Plans for ReNew after the Acquisition*" in paragraph 7 of Part II (*US Special Factors*) and "*Proposed Reorganisation*" in paragraph 7 of Part III (*Explanatory Statement*) of this document, as well as the Reorganisation Structure Paper as set out in Annex F to this document and Reorganisation Wrapper Deed as set out in Annex E to this document. Further details of the Shareholders' Agreement are set out in the section entitled "*Key Terms of the Shareholders' Agreement*" in paragraph 7 of Part III (*Explanatory Statement*) of this document, as well as the Shareholders' Agreement as set out in Annex D to this document. The powers of attorney are included at clause 6.2 of the Scheme (see Part X of this document).

Q: How can I find out the steps entailed in the Reorganisation?

A: You can refer to the Reorganisation Wrapper Deed and the Reorganisation Structure Paper as set out in Annexes E and F to this document.

Q: Where can I find more information about ReNew?

A: You can find more information about ReNew from the various sources described in the section entitled *"Availability of Information"* in paragraph 11 of Part II (*US Special Factors*).

Q: What are the U.S. federal income tax considerations applicable to the privatisation of ReNew to Scheme Shareholders that are U.S. Holders?

A: A U.S. Holder (as defined in paragraph 10 of Part VII (*Additional Information*)) of Cash-Out Shares who receives cash in exchange of all of such U.S. Holder's Cash-Out Shares will recognise gain or loss with respect to its Cash-Out Shares, measured by the difference between the amount of Consideration paid to such U.S. Holder and such U.S. Holder's adjusted tax basis in such Scheme Shares.

In addition, ReNew Shareholders should carefully read the section entitled *"United States Taxation"* in paragraph 10 of Part VII (*Additional Information*). Tax matters are complicated and the tax consequences of the Scheme to ReNew Shareholders will depend upon the facts of their respective situations. Accordingly, each ReNew Shareholder is urged to consult with his, her or its own tax adviser to determine the particular U.S. federal, state, local and non-U.S. tax consequences to it of the Scheme.

Q: What are the Indian tax considerations applicable to the privatisation of ReNew to Cash-Out Shareholders?

A: Withholding taxes could apply to a Cash-Out Shareholder or a Beneficial Cash-Out Shareholder who is not an Indian tax resident. Accordingly, all Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares are advised to carefully review and consider the section entitled Part V (*Certain Indian Tax Considerations*) and Part XIII (*Indian Tax Self-Declaration*).

Scheme Shareholders and beneficial owners of Scheme Shares who are not tax resident in India shall notify the Company in writing if they hold any of their Scheme Shares through a custodian account in India. Absent such notification, such Scheme Shareholders and beneficial owners of Scheme Shares are deemed to have confirmed that they do not hold their Scheme Shares through a custodian account in India.

Q: Can I access these materials on the Internet?

A: These materials can be found at ReNew's website, https://investor.renew.com, or through the website maintained by the SEC at www.sec.gov.

Q: Who can help answer my other questions?

A: You can contact the ReNew Shareholder helpline at (800) 662-5200 for those within the U.S., and (203) 658-9400 for those outside the U.S. Lines are open Monday to Friday (except public holidays) between 8.30 a.m. and 5.30 p.m. (EST).

If Computershare, DTC, or your broker, bank or other nominee holds your ReNew Shares, you may also call them for additional information.

To all ReNew Shareholders

Dear Shareholders

RECOMMENDED ACQUISITION
of
RENEW ENERGY GLOBAL PLC
by
DYUTI PRIVATE HOLDINGS INC.

1. Introduction

On 11 August 2026, the Special Committee and the Consortium announced a recommended acquisition of ReNew pursuant to which the Purchaser will acquire all of the Cash-Out Shares for cash. The Acquisition is to be effected by means of a scheme of arrangement under Part 26 of the Act, which requires the approval of Scheme Shareholders and the sanction of the Court. The Acquisition remains subject to the terms and conditions set out in Part IV (*Conditions to and Further Terms of the Scheme and the Acquisition*) of this document.

The purpose of this letter is to explain the terms of the Acquisition and the Scheme, to explain why the Special Committee considers the terms of the Cash Offer to be fair and reasonable, and to provide you with other relevant information. The Special Committee unanimously recommends that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and that ReNew Shareholders vote in favour of the Scheme Resolution to be proposed at the General Meeting.

2. Summary of the terms of the Acquisition

The Acquisition is to be effected by way of a Court-sanctioned scheme of arrangement under Part 26 of the Act, which requires the approval of the Scheme Shareholders at the Court Meeting, the passing of the Scheme Resolution at the General Meeting and the sanction of the Court.

In accordance with the terms of the Acquisition, which is subject to the Conditions and further terms set out in Part IV (*Conditions to and Further Terms of the Scheme and the Acquisition*), Cash-Out Shareholders at the Scheme Record Time will be entitled to receive (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees):

For each Cash-Out Share: **USD 7.02 in cash**

- the terms of the Acquisition valued the entire issued and to be issued ordinary share capital of ReNew at approximately USD 2.8 billion on a fully diluted basis and implied an enterprise value of approximately USD 10.2 billion; and
- the terms of the Acquisition represent a premium of:
    - 12.5% to the closing share price of USD 6.24 per ReNew Share on 28 May 2026 (being the last day of trading prior to the public announcement of the Initial Proposal made by the Consortium);
    - 24.7% to the volume-weighted average price of USD 5.63 per ReNew Share for the one-month period ended 28 May 2026;
    - 32.5% to the volume-weighted average price of USD 5.30 per ReNew Share for the three-month period ended 28 May 2026; and
    - 30.5% to the volume-weighted average price of USD 5.38 per ReNew Share from 15 December 2025 (being the date on which the Former Transaction Announcement was published) to 28 May 2026.

The Cash-Out Shares will be acquired by the Purchaser (or its nominee) with full title guarantee, fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third-party rights or interests whatsoever and together with all rights existing at the date of this document or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Effective Date in respect of the Scheme Shares.

3. Rollover

As an alternative to the Cash Offer, eligible Scheme Shareholders may elect to retain (all but not some of) their Scheme Shares, which will continue to be held by such Scheme Shareholders following the Effective Time, in lieu of such Scheme Shareholders transferring their Scheme Shares to the Purchaser and receiving the Consideration.

Eligible Scheme Shareholders will only be able to elect for the Rollover in relation to their entire holding of Scheme Shares and not part only. Scheme Shareholders who do not validly elect for the Rollover will automatically receive the full amount of the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees) for their entire holding of Scheme Shares. Due to the operation of the Cutback and the Maximum U.S. Rollover Percentage, as explained in paragraph 5 of Part III (*Explanatory Statement*) of this document, it is possible that some or all of the Scheme Shares elected by an eligible Scheme Shareholder for the Rollover will become Cash-Out Shares and such Scheme Shareholder will receive the Consideration in respect of such Cash-Out Shares instead.

Further information on the Rollover is contained in the sections entitled "*Summary– The Rollover*" on pages 9 to 10 and "*Summary of the terms of the Rollover*" in paragraph 5 of Part III (*Explanatory Statement*) of this document.

Scheme Shareholders should note that, shortly following the Scheme becoming Effective, the ReNew Shares held by remaining ReNew Shareholders will be subject to a Reorganisation (as defined below) such that such remaining ReNew Shareholders will become direct shareholders of ReNew India, ReNew's direct private subsidiary incorporated in India. As a consequence, Rollover Shareholders will be required to comply with Indian regulatory and administrative requirements in order to hold and deal in shares of an Indian company, which will include, among other things, the requirements to obtain an Indian Permanent Account Number and to open a demat (electronic) account with a custodian to enable the Rollover Shareholders to hold the shares of ReNew India, which may require the Rollover Shareholders to submit apostilled and/or notarised (if applicable) personal documentation. Investment by a Rollover Shareholder having any direct or indirect ownership by a citizen or an entity of a country sharing a land border with India and not requiring prior government approval under the provisions of the NDI Rules, will be subject to reporting requirements specified by the Reserve Bank of India. Further details of the Reorganisation are set out in the sections entitled "*Plans for ReNew after the Acquisition*" in paragraph 7 of Part II (*US Special Factors*) and "*Proposed Reorganisation*" in paragraph 7 of Part III (*Explanatory Statement*) of this document.

4. Background to, and reasons for, the Acquisition and Benefit to Cash-Out Shareholders

Since its listing on Nasdaq on 24 August 2021, ReNew has continued to successfully grow to become one of the largest independent renewable asset owners and developers in India. During this period, ReNew has materially expanded its operating platform and financial performance, with commissioned / installed renewable capacity increasing from 5.6 GW in March 2021 (just prior to the time of listing) to GWs on a gross basis as of . Over the same period, the Company has continued to grow its financial performance, with Adjusted EBITDA for the year ended 31 March 2026 of INR 98.5 billion, representing a healthy compound annual growth rate of 18% over the last four years.

ReNew listed on Nasdaq by way of a combination with a publicly listed special purpose acquisition vehicle at USD 10 per share; however, since listing the shares have traded materially below USD 10 for the substantial majority of the period and, in recent years, have traded at a significant and persistent discount to that price, notwithstanding the Company's continued growth in its operating platform and financial performance. Given this persistent trading below the listing price, ReNew has had limited ability to use its public equity as a source of growth capital. ReNew has therefore had to rely to a significant extent on debt issuance and asset recycling to fund growth which has resulted in an increase in debt leverage, with net debt to Adjusted EBITDA rising to 8.1x as of 31 March 2025. Increasing leverage levels resulted in ReNew being put on negative watch in September 2025 by Moody's which noted that, before factoring in any potential management countermeasures to support the rating, ReNew's consolidated financial metrics were expected to remain below the minimum tolerance level for the rating over the next 12 to 18 months from the date of such report. ReNew has also sought to manage funding needs through selling down developed assets, which has proved increasingly challenging as interest rates have risen and the time to achieve these sell-downs has become more protracted.

Since ReNew's listing on Nasdaq, the Company has also faced increased competition from better capitalised Indian competitors most of which were either already listed or have in recent years become listed on the Bombay Stock Exchange or the National Stock Exchange of India. These companies have generally traded at higher valuations than ReNew and have been able to fund growth by raising additional funds through further equity issuance. This has resulted in better capitalised local listed competitors becoming a greater threat to ReNew both in terms of competition for projects, as well as for personnel and resources.

The inability to raise equity financing to fund future growth alongside increased competition from better capitalised and more highly rated Indian listed peers has resulted in its Board recognising that ReNew's listing on Nasdaq constrains the Company and does not appropriately value its growth and prospects. In addition, the ReNew Board has considered the regulatory and reporting requirements associated with maintaining a public listing in the United States and the potential benefits of reallocating management focus and financial resources to other strategic priorities. The ReNew Board evaluated various options to address these challenges, including: an additional listing in India; and a dual-listing structure. However, it became clear that any listing in India would necessarily be of an Indian subsidiary of ReNew, which would result in two listed entities within the ReNew Group, adding corporate and regulatory complexity and failing to address the underlying discount at which ReNew's shares traded on Nasdaq.

During these evaluations, the Company received a non-binding offer from the Former Consortium on 10 December 2024, to acquire the entire issued and to be issued share capital of the Company not already owned by members of the Former Consortium, for cash consideration of USD 7.07 per share. On 2 July 2025, the Company received a revised non-binding offer from the Former Consortium for the proposed acquisition, whereby the Former Consortium increased the proposed cash consideration to USD 8.00 per share. On 10 October 2025, after an extensive and comprehensive period of due diligence by the Former Consortium, as well as extensive negotiations of terms for the proposed acquisition, and the exchange of multiple drafts of the transaction agreement for the proposed acquisition between the Company and the Former Consortium, the Former Consortium made a final non-binding offer for the proposed acquisition, whereby the proposed cash consideration was increased to USD 8.15 per share. However, on 15 December 2025, certain members of the Former Consortium filed an amended beneficial ownership report on Schedule 13D with the SEC, disclosing that Masdar had confirmed to the other members of the Former Consortium that it had withdrawn from the Former Consortium. As a result, the Former Consortium could not proceed with the proposed acquisition.

The funding and undervaluation challenges facing the Company have continued since the termination of the Former Consortium offer process in December 2025. In addition, the share price reached an all-time low closing price of USD 4.50 per share on 30 March 2026. The Special Committee and the full ReNew Board have remained active in exploring options to address ReNew's undervaluation and growth funding challenges including, without limitation, exploring a listing in India of the manufacturing division; raising capital at the level of the holding company of the Company's commercial and industrial business; and selling the operations and maintenance services business. ReNew has also focussed on rationalising its growth ambitions to reflect a different macro backdrop, more competitive pricing environment as well as a need to address its high leverage levels.

CPP Investments, as the majority shareholder, indicated to the Special Committee following the termination of the offer from the Former Consortium that it wanted to remain supportive of the business. Over the course of the next few months, CPP Investments, together with its legal and financial advisers, explored various potential options that could provide a solution to address the Company's ongoing challenges, including a potential acquisition of the Company. On 28 May 2026, the Consortium submitted the Initial Proposal with an initial offer price of USD 6.75 per share. The offer from the Consortium also allows eligible shareholders to participate in the Rollover, whereby they may elect to retain their shareholding in ReNew, albeit in a private structure. The Special Committee and its advisers had numerous discussions internally and engaged extensively with the Consortium and sought improvements to the Initial Proposal. Following those negotiations, the Consortium increased its proposed offer price from USD 6.75 per share to USD 7.02 per share on 27 July 2026 (the "**Best and Final Proposal**") and subsequently, on 6 August 2026, reaffirmed that USD 7.02 per share represented its best and final proposal and that the Consortium did not, at that time, intend to sell any shares to any third party in any alternative takeover transaction. In assessing the Best and Final Proposal, the Special Committee considered, among other things, the premium represented by the proposal to ReNew's recent trading prices and relevant historical volume-weighted average prices; the valuation implied by the Best and Final Proposal; the Company's financial projections and capital requirements; its historical trading performance; relevant comparable-company and precedent-transaction valuation considerations; and the alternatives available to the Company. The offer price of USD 7.02 per share represents a premium of 12.5% to the unaffected share price of USD 6.24 per share as of 28 May 2026 (being the last day of trading prior to the public announcement of the Initial Proposal made by the Consortium), and premiums of 24.7%, 32.5% and 30.5% to the volume-weighted average price for the one-month period and three-month period ended 28 May 2026 and from 15 December 2025 (being the date on which the Former Transaction Announcement was published) to 28 May 2026, respectively. The Special Committee also considered the increase from the initial offer price of USD 6.75 per share and the Consortium's subsequent confirmation that USD 7.02 per share represented its best and final proposal.

The Special Committee extensively considered the Consortium's position that it did not, at that time, intend to sell any shares to any third party in any alternative takeover transaction and the implications of that position for the Company's ability to pursue alternative transactions. Relatedly, the Special Committee is also cognisant that throughout this protracted process, which began in December 2024, no other party (other than the Consortium or the Former Consortium) has approached the ReNew Board with an alternative proposal.

Since December 2024, the Special Committee and its advisers have engaged actively with ReNew shareholders to answer questions and ascertain views in relation to the proposals received from the Consortium and the Former Consortium. Specifically in relation to the current proposed take-private process, the Special Committee noted that the Best and Final Proposal has received irrevocable commitments from JERA Nex and Platinum Cactus, which collectively own ReNew Shares representing, in aggregate, approximately 51 per cent. of the voting power of the Scheme Shares and 32 per cent. of the voting power of ReNew Shares as at 18 September 2026.

In reaching its conclusion, the Special Committee also considered the certainty of value and the liquidity provided by the Consideration; execution certainty of the Consortium's proposal; the availability of the Rollover for eligible ReNew Shareholders wishing to retain exposure to ReNew; various macroeconomic shifts in the short, medium, and long term; and the risks and uncertainties associated with pursuing alternative strategies, including remaining an independent public company listed on Nasdaq.

For the reasons detailed above, the Special Committee believes that it is important that ReNew Shareholders have the opportunity to vote on this offer. After detailed consideration, the Special Committee has unanimously decided to recommend that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and ReNew Shareholders vote in favour of the Scheme Resolution to be proposed at the General Meeting.

Further details of the reasons for the Acquisition are set out in paragraph 3 (*Reasons for the Acquisition*) of Part II (*US Special Factors*).

5. Irrevocable Undertakings

The Consortium has received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting from JERA Nex and Platinum Cactus in respect of ReNew Shares representing, in aggregate, approximately 51 per cent. of the voting power of the Scheme Shares and 32 per cent. of the voting power of ReNew Shares as at 18 September 2026.

Further details of the irrevocable undertakings are set out in paragraph 5 of Part VII (*Additional Information*) of this document.

6. Special Committee Recommendation

The Special Committee considers that the terms of the Cash Offer, including the terms of the Transaction Agreement, are fair and reasonable, and unanimously recommends that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and ReNew Shareholders vote in favour of the Scheme Resolution to be proposed at the General Meeting.

For a more complete description of (i) the reasons considered by the Special Committee in deciding to recommend that ReNew Shareholders vote in favour of the Scheme and the Scheme Resolution and (ii) the substantive and procedural fairness of the Acquisition to Scheme Shareholders, see the sections entitled "*Reasons for the Recommendation*" and "*Fairness*" in paragraphs 4 and 10 of Part II (*US Special Factors*).

For the reasons set out in this document, the Special Committee believes that it is important that ReNew Shareholders have the opportunity to vote on the Scheme and the Scheme Resolution.

The Special Committee cannot form an opinion as to whether or not the terms of the Rollover are fair and reasonable and is not making any recommendation to Scheme Shareholders as to whether or not they should elect for the Rollover.

However, the Special Committee notes that the Rollover involves significant risks and uncertainties which have significant and variable impact on individual Scheme Shareholders including, for instance, the fact that the ReNew Shares will be illiquid following the Scheme becoming Effective and the level of uncertainty in their future value and may therefore not be suitable for all Scheme Shareholders. Please refer to the section entitled "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*) for a description of the risks relating to the Rollover.

Scheme Shareholders should consider whether the Rollover is a suitable alternative in light of their own personal circumstances and investment objectives and are, therefore, strongly recommended to seek their own independent financial, tax and legal advice before deciding whether to elect for the Rollover.

7. ReNew Equity Awards and Management Compensation Arrangements

Participants in the ReNew Share Plans will be contacted separately regarding the effect of the Acquisition on their rights under the ReNew Share Plans and with details of the arrangements applicable to them. In addition, the Consortium and ReNew have agreed the material terms of the compensation arrangements that will apply, with effect from the Effective Date, to senior members of ReNew's management (other than Mr. Sumant Sinha) under the New Incentive Plan and a replacement RSU / PSU plan. Those arrangements are summarised in the sections entitled "*Post-Closing Management Compensation Arrangements"* in paragraph 15 of Part III (*Explanatory Statement*) and "*Interests of ReNew Non-Employee Directors and Executive Officers"* in paragraph 6 of Part VII (*Additional Information*).

Further details of the arrangements proposed to be implemented in relation to the ReNew Share Plans in connection with the Acquisition are set out in the section entitled "*ReNew Equity Awards*" in paragraph 14 of Part III (*Explanatory Statement*).

8. ReNew's current trading and prospects

Since its inception in 2011, ReNew has devoted substantially all of its resources to developing, building, owning and operating utility-scale wind energy projects, utility-scale solar energy projects, hydro energy projects, utility-scale firm power projects and corporate energy projects. As of 30 June 2026, ReNew's portfolio consisted of ~ 20.5 GWs, compared to ~ 18.2 GWs as of 30 June 2025. ReNew's commissioned capacity has increased ~17 per cent. year-over-year to ~13.1 GWs as of 30 June 2026.

As of 30 June 2026, ReNew had cash and cash equivalents of USD 233 million, bank balances other than cash and cash equivalents of USD 579 million and deposits with maturities of more than 12 months (forming part of other financial assets) of USD 19 million. ReNew has earned net profit of USD 63 million for the three months ended 30 June 2026.

ReNew operates in a capital-intensive industry. ReNew expects to fund the construction and development of its projects with a combination of cash flows from operations, debt financings and equity financings, but its ability to arrange for such financing remains subject to various factors, including those affecting the macroeconomic environment. Additionally, the majority of ReNew's revenue is attributable to units of power that it sells, and therefore its results of operations are affected by the tariffs it charges for the units of power that it sells. In line with government policies, most Indian states have moved towards the competitive bidding model for determining tariffs, which has led to a decrease in tariff rates as the lowest bidder wins the project. Although tariff rates vary from state to state, tariffs have declined significantly for both wind and solar energy power over the years, and ReNew's ability to estimate costs and competitively bid for projects will affect its results of operations.

9. United Kingdom, United States and Indian Taxation

A summary of certain United Kingdom and United States taxation consequences of the implementation of the Scheme for certain Scheme Shareholders is set out in paragraph 10 of Part VII (*Additional Information*) of this document. A summary of certain Indian taxation consequences of the implementation of the Scheme for certain ReNew Shareholders is set out in Part V (*Certain Indian Tax Considerations*) of this document.

Those summaries do not constitute tax advice and do not purport to be a full analysis of all potential United Kingdom, United States and Indian tax consequences of the Acquisition. Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares who are in any doubt about their taxation position, or who are subject to taxation in a jurisdiction outside of the United Kingdom, the United States and India are strongly advised to contact an appropriate independent professional adviser immediately.

10. Overseas Shareholders

Overseas Shareholders should refer to paragraph 22 of Part III (*Explanatory Statement*) of this document.

11. Actions to be Taken

Your attention is drawn to paragraph 25 of Part III (*Explanatory Statement*) of this document, which explains the actions you should take in relation to the Acquisition and the Scheme.

Manoj Singh

US SPECIAL FACTORS

1 Related Party Transactions

ReNew has adopted a related party transaction policy that sets forth procedures for the identification, review, consideration and approval or ratification of related person transactions. Under the policy, if a transaction has been identified as a related party transaction, ReNew's management must present information regarding the related party transaction to its audit committee for approval.

If advance approval is not feasible, then the transaction may be preliminarily entered into by ReNew upon prior approval by the audit committee chair subject to ratification of the transaction by the audit committee at the next regularly scheduled meeting. If the ratification is not forthcoming, ReNew shall make all reasonable efforts to amend the terms of the transaction, which is thereafter approved by the audit committee, or otherwise cancel or annul such transaction.

The audit committee will consider all facts and circumstances, including if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party, the extent of the related party's interest in the transaction, the conflicts of interest and/or corporate opportunity provisions of ReNew's code of business conduct and ethics and where the related party involves a director or director nominee, whether the related party transaction will impair the director or director nominee's independence under applicable rules and regulations. The audit committee will not approve or ratify the transaction unless it determines that it is in, or not inconsistent with, the interests of ReNew and its shareholders.

(a) Shareholders Agreement

On 23 August 2021, ReNew entered into the ReNew Global Shareholders Agreement with the Founder Investors, GS Wyvern Holdings Limited, CPP Investments, Platinum Cactus, JERA Nex and RMG Sponsor II, LLC. For so long as CPP Investments or a Founder Investor continues to hold ReNew India Ordinary Shares, ReNew has agreed not to permit ReNew India to, without each of CPP Investments', such Founder Investor's and, in the case of the matters contemplated by clauses (i) through (iii), Platinum Cactus' prior written consent, as applicable: (i) issue shares, other than issuances to ReNew or to a wholly-owned subsidiary of ReNew; (ii) alter or change the rights, preferences or privileges of the ReNew India Ordinary Shares; (iii) repurchase, buy-back or otherwise extinguish any ReNew India Ordinary Shares, other than in connection with the Founder Investors' put rights under the Registration Rights, Coordination and Put Option Agreement; or (iv) amend or waive any provision of the constitutional documents of ReNew India, in each case, in a manner that is materially adverse and disproportionate to CPP Investments or such Founder Investor, in relation to its ReNew India Ordinary Shares as compared to any other shareholder of ReNew in relation to such shareholder's ReNew India Ordinary Shares.

(b) Standstill Agreements

On 24 July 2023, ReNew entered into a standstill agreement with CPP Investments, pursuant to which CPP Investments agreed not to acquire, offer or propose to acquire, or enter into any agreement to acquire any interest in any Class A Ordinary Shares (or rights or options to acquire any Class A Ordinary Shares), or any securities convertible into or exchangeable for Class A Ordinary Shares from 24 July 2023 to 23 July 2026, subject to certain exceptions and other terms and conditions. On 17 March 2025, ReNew entered into a standstill agreement with JERA Nex with respect to the sharing of certain confidential information. (c) Registration Rights, Coordination and Put Option Agreement

On 23 August 2021, ReNew, GS Wyvern Holdings Limited, CPP Investments, Platinum Cactus, JERA Nex, GEF SACEF India and RMG Sponsor II, LLC (the "**Significant Shareholders**"), the Founder Investors and ReNew India entered into the Registration Rights, Coordination and Put Option Agreement. Pursuant to this, among other things, (i) the Significant Shareholders are entitled to certain registration rights in respect of the Class A Ordinary Shares and the Class C Ordinary Share to be received by or issued or issuable to such parties in connection with the business combination pursuant to the terms of the Business Combination Agreement (the "**Significant Shareholder Registrable Securities**"), (ii) the Founder Investors are entitled to require ReNew to purchase certain ReNew India Ordinary Shares held by the Founder Investors and ReNew agreed to register for issuance of Class A Ordinary Shares (together with the Significant Shareholder Registrable Securities, the "**Registrable Securities**") to the extent required for the purposes of financing and facilitating such purchase, and (iii) the Significant Shareholders (other than GEF SACEF India) and the Founder Investors will agree to certain transfer restrictions during a lock-up period in respect of ReNew Shares held by them.

ReNew agreed to file a registration statement on Form F-1 for the resale of Registrable Securities pursuant to Rule 415 under the Securities Act, and to maintain its effectiveness until such time as there are no longer any Registrable Securities. ReNew also agreed to convert such registration statement to a shelf registration statement on Form F-3 as soon as practicable after ReNew becomes eligible to use such form and to similarly maintain the effectiveness of such registration statement.

Additionally, for so long as the Founder Investors have the right to require ReNew to purchase ReNew India Ordinary Shares held by them, ReNew has agreed to file and maintain a registration statement to cover issuances of Class A Ordinary Shares by ReNew for specified purposes.

The Non-Employee 2021 Plan provides for the grant of share options, share appreciation rights, restricted shares, restricted share units and other share or cash-based awards.

(h) Non-binding offer to acquire the entire share capital of the Company

On 10 December 2024, the Company received a non-binding offer from the Former Consortium to acquire the entire issued and to be issued share capital of the Company not already owned by members of the Former Consortium, for cash consideration of USD 7.07 per share.

The Former Consortium highlighted in its proposal that no member of the Former Consortium that is an existing shareholder of the Company intends to sell its shares in the Company to any third party or otherwise to support a transaction with a third party that would be an alternative to its proposal.

On 2 July 2025, the Company received a revised non-binding offer from the Former Consortium for the proposed acquisition, whereby the Former Consortium increased the proposed cash consideration to USD 8.00 per share.

On 10 October 2025, after an extensive and comprehensive period of due diligence by the Former Consortium, as well as extensive negotiations of terms for the proposed acquisition, and the exchange of multiple drafts of the transaction agreement for the proposed acquisition between the Company and the Former Consortium, the Former Consortium made a final non-binding offer for the proposed acquisition, whereby the proposed cash consideration was increased to USD 8.15 per share. On 28 October 2025, the Company announced that it had reached an agreement in principle on the key financial terms of the proposed acquisition with the Former Consortium, subject to agreeing the remaining terms and conditions of the proposed acquisition and completion of confirmatory due diligence of the Former Consortium.

On 15 December 2025, certain members of the Former Consortium filed an amended beneficial ownership report on Schedule 13D with the SEC, disclosing that Masdar had confirmed to the other members of the Former Consortium that it had withdrawn from the Former Consortium. As a result, the Former Consortium could not proceed with the proposed acquisition.

On 28 May 2026, the Company received a non-binding offer from the Consortium to acquire the entire issued and to be issued share capital of the Company not already owned by members of the Consortium, for cash consideration of USD 6.75 per share. This offer from the Consortium also allowed the eligible shareholders to participate in the Rollover, whereby they may elect to retain their shareholding in ReNew, albeit in a private structure.

On 27 July 2026, the Company received a revised non-binding offer from the Consortium for the proposed acquisition, whereby the Consortium increased the proposed cash consideration to USD 7.02 per share. On 6 August 2026, the Consortium subsequently reaffirmed that USD 7.02 per share represented its best and final proposal and that it did not, at that time, intend to sell any shares to any third party in any alternative takeover transaction.

2 Purpose of the Acquisition

Under the SEC rules governing "going private" transactions, the members of the Consortium are required to express their purpose for the Acquisition to the Unaffiliated Shareholders. The members of the Consortium are making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

The purpose of the Acquisition is for the Purchaser to acquire all of the Cash-Out Shares. Following the consummation of the Acquisition, the Cash-Out Shareholders as at the Scheme Record Time will cease to have any equity interest in ReNew or any right to participate in ReNew's earnings and future growth (if any), in each case with respect to their Cash-Out Shares. Rollover Shareholders will continue to hold their Rollover Shares in ReNew following the Effective Time.

3 Reasons for the Acquisition

Under the SEC rules governing "going private" transactions, the members of the Consortium are required to express their reasons for the Acquisition to the Unaffiliated Shareholders. The members of the Consortium are making the statements included in this section solely for the purposes of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act.

In evaluating the Acquisition, CPP Investments consulted with and received the advice of outside legal and financial advisers, held discussions with its management and considered a number of factors that it believed supported its decision to enter into the Transaction Agreement. These factors included, but were not limited to, the following (not necessarily in order of relative importance):

- the Acquisition will expand CPP Investments' power and renewables portfolio;
- the Acquisition will simplify ReNew's ownership structure and eliminate the public company costs associated with ReNew being a publicly listed company in the United States;
- following the Acquisition, CPP Investments will be the direct and indirect controlling shareholder of ReNew, being entitled to appoint a majority of the directors of ReNew and thereby exercising greater control over ReNew;
- CPP Investments considers that ReNew has attractive long-term business and growth prospects. The Acquisition will enable CPP Investments to benefit from a larger share of any future earnings and growth of ReNew following the Acquisition. In addition, the Acquisition is consistent with CPP Investments' strategy of making long-term investments in infrastructure and renewable energy businesses; and
- CPP Investments believes that ReNew's capital-intensive business plan may be pursued more effectively in a private company environment supported by long-term shareholders, with greater flexibility to make strategic and capital-allocation decisions.

CPP Investments believes that structuring the transaction as a scheme of arrangement is preferable to other transaction structures because it (i) enables the Purchaser to acquire all of the outstanding Cash-Out Shares while at the same time allowing the Rollover Shareholders to retain their Scheme Shares (subject to certain limitations as more fully explained in the section entitled paragraph 5 of Part III (*Explanatory Statement*)) in ReNew through their Rollover election, (ii) represents an opportunity for the Cash-Out Shareholders to receive USD 7.02 in cash for each Cash-Out Share, without interest thereon and subject to any applicable withholding taxes, and (iii) will be approved by Scheme Shareholders if both (x) a majority in number of Scheme Shareholders who vote (either in person or by proxy) in favour of the Scheme and (y) Scheme Shares representing at least 75 per cent. in value of the total number of Scheme Shares voted at the Court Meeting are voted in favour of the Scheme.

CPP Investments determined to undertake the Acquisition at this time because it believes that, as a private company, ReNew will be able to improve its ability to execute initiatives that over time will create additional enterprise value for ReNew. CPP Investments believes that this, along with ReNew's existing business and potential future opportunities, will allow CPP Investments to achieve returns consistent with its investment objectives, which are in some cases more difficult for businesses to achieve as a public company due to the investment community's focus on short-term, often quarterly, financial results. Further, absent the reporting and associated costs and requirements placed on public companies, CPP Investments believes that ReNew's management and employees will be able to execute more effectively on future strategic plans.

Although the members of the Consortium believe that there will be significant opportunities associated with the Acquisition, they realise that there are also substantial risks (including the risks and uncertainties relating to the prospects of ReNew) and that such opportunities may not ever be fully realised.

4 Reasons for the Recommendation

Prior to reaching its recommendation that ReNew Shareholders vote in favour of the Acquisition, the Special Committee explored and evaluated a wide range of strategic options for ReNew, including maintaining its independent public company status, potential financing transactions, additional or secondary listing on Indian stock exchanges, asset sales, and strategic investments into the Company.

In evaluating the Transaction Agreement, the Acquisition and the other transactions contemplated by the Transaction Agreement, the Special Committee relied on its knowledge of ReNew's business, financial condition, results of operations, and the prospects and risks of remaining a publicly traded company and consulted with the senior management of ReNew, and representatives of Rothschild & Co and Linklaters. In the course of making the determination that the Transaction Agreement and the Cash Offer are fair and reasonable, and to recommend ReNew Shareholders vote in favour of the Scheme at the Court Meeting and the Scheme Resolution to be proposed at the General Meeting, the Special Committee considered numerous reasons, including the following material reasons and benefits of the Acquisition.

(a) Premium Over Unaffected Market Price

The terms of the Acquisition represent a premium of:

- 12.5% to the closing share price of USD 6.24 per ReNew Share on 28 May 2026 (being the last day of trading prior to the public announcement of the Initial Proposal made by the Consortium);
- 24.7% to the volume-weighted average price of USD 5.63 per ReNew Share for the one-month period ended 28 May 2026;
- 32.5% to the volume-weighted average price of USD 5.30 per ReNew Share for the three-month period ended 28 May 2026; and
- 30.5% to the volume-weighted average price of USD 5.38 per ReNew Share from 15 December 2025 (being the date on which the Former Transaction Announcement was published) to 28 May 2026.

(b) Impact on ReNew's Business Outlook

Despite the continued growth in ReNew's operating platform and financial performance since its listing on Nasdaq in August 2021, the shares of ReNew have traded persistently below the USD 10 initial listing price, constraining ReNew's ability to use its public equity as a source of growth capital. This has required the Company to rely to a significant extent on debt issuance and asset recycling to fund growth, resulting in increased debt leverage and, in September 2025, the placement of ReNew on negative watch by Moody's.

At the same time, better capitalised Indian competitors, many of which are listed on domestic exchanges and have generally traded at higher valuations than ReNew, have been able to fund growth through further equity issuances, intensifying competition for projects, and personnel and resources.

The ReNew Board concluded that the Nasdaq listing was not appropriately reflecting the Company's long-term value or providing an efficient platform for raising capital. The ReNew Board further recognised that it is not a viable or sustainable option for the Company to continue to fund its growth primarily through debt issuance and asset recycling, and that this operating model has constrained the growth of the Company and limited its ability to compete effectively with better capitalised domestic peers. In addition, the ReNew Board has considered the regulatory and reporting requirements associated with maintaining a public listing in the United States and the potential benefits of reallocating management focus and financial resources to other strategic priorities.

Against such background, the Special Committee considered that the Acquisition, by taking ReNew private, would relieve the Company of the constraints and requirements associated with its public listing, and enable the business to be repositioned under a private ownership structure better suited to its operational base and long-term growth strategy.

(c) Extensive Exploration of Strategic Alternatives

In light of the challenges facing ReNew as described in paragraph (b) above, the ReNew Board has, for a period of time starting prior to receipt of any takeover offer, been evaluating various options to address the challenges arising from the Company's inability to raise equity financing to fund future growth and the increased competition it faces from better capitalised and more highly rated Indian listed peers.

Options considered by the ReNew Board included an additional listing in India and a dual-listing structure. However, it became clear that any listing in India would necessarily be of an Indian subsidiary of ReNew, which would result in two listed entities within the ReNew Group, adding corporate and regulatory complexity and failing to address the underlying discount at which ReNew's shares traded on Nasdaq.

Following the termination of the Former Consortium's offer process in December 2025, the Special Committee and the ReNew Board continued to explore options to address ReNew's undervaluation and growth funding challenges, including a listing in India of the manufacturing division, raising capital at holding company level of the Company's commercial and industrial business, and a potential sale of the operations and maintenance services business.

The Special Committee also noted that, since the announcement of the initial proposal by the Former Consortium in December 2024, no person other than the Former Consortium or the Consortium has contacted ReNew or the Special Committee with a proposal for an alternative transaction with ReNew.

The Special Committee also noted the position of the members of the Consortium, who beneficially own approximately per cent. of the outstanding ReNew Shares, on a fully diluted basis and control approximately per cent. of the total voting power in ReNew, that they are only interested in pursuing the transaction outlined in the Initial Proposal and are not interested in selling their ReNew Shares to any third party in an alternative takeover proposal, which led the Special Committee to conclude that any alternatives to the Acquisition were not likely to be consummated.

(d) Highest Value Reasonably Obtainable

As a result of a robust negotiation conducted by the Special Committee and with the assistance of its financial and legal advisers, the Consideration for the Acquisition was increased by 4.0 per cent. from USD 6.75 per ReNew Share in the Consortium's Initial Proposal to USD 7.02 per ReNew Share, and the Special Committee determined following such process that USD 7.02 was the highest price per ReNew Share that the Purchaser would agree to pay and that the Acquisition represented the most favourable terms to ReNew Shareholders which could be negotiated with the Consortium. The Special Committee's determination was informed by a number of factors, including the duration and tenor of negotiations, the withdrawal of Masdar from the Former Consortium in December 2025 and the resulting failure of the previous proposed transaction, the decline in the trading price of the ReNew Shares to an all-time low closing price of USD 4.50 per share on 30 March 2026, the continued depreciation of the Indian Rupee against the US Dollar during the intervening period, the prevailing global geo-political situation, and the experience of the Special Committee and its advisers.

(e) Speed and Likelihood of Completion and Liquidity

The Special Committee considered the anticipated timing of the closing of the Acquisition in the first quarter of 2027, with the anticipated result of allowing shareholders to receive the all-cash consideration in a relatively short time frame. The Special Committee noted that the Acquisition has no financing condition and the Purchaser would fund the purchase price from existing cash resources of CPP Investments. The Special Committee also considered how the potential for closing within a relatively short time frame could also reduce the duration of the interim period during which ReNew's operations would be subject to the covenants imposed pursuant to the transaction documentation and the resulting limitations on ReNew's ability to formulate and execute long-term plans in light of the uncertainty as to the future structuring and strategy of the business.

The Special Committee also noted that the Consortium had received irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting from JERA Nex and Platinum Cactus in respect of ReNew Shares representing, in aggregate, approximately 51 per cent. of the voting power of the Scheme Shares and 32 per cent. of the voting power of ReNew Shares as at 18 September 2026. The Special Committee considered that these irrevocable undertakings significantly increase the likelihood that the requisite approvals will be obtained at the Court Meeting and the General Meeting, and that, as a result, the Acquisition has a high degree of execution certainty.

The Special Committee further considered the ability of shareholders to realise value through open-market sales at or near the Consideration is uncertain and may not be achievable within a comparable time frame, if at all. In this context, the Special Committee considered that the Acquisition provides ReNew Shareholders with certainty of value and liquidity that may not otherwise be available to them.

(f) Opinion of the Special Committee's Financial Adviser

The Special Committee considered the oral opinion of Rothschild & Co delivered to the Special Committee on 11 August 2026, which was subsequently confirmed by delivery of a written opinion dated 11 August 2026, to the effect that, as of such date and on the basis of and subject to the qualifications, limitations and assumptions set forth in the written opinion, the Consideration payable to the holders of Cash-Out Shares in the Acquisition pursuant to the Transaction Agreement was fair to such holders from a financial point of view.

The Special Committee also considered a variety of potentially negative factors concerning the Transaction Agreement and the Acquisition, including the following, which are not listed in any relative order of importance:

- *Shareholder Participation in Future Growth*. The nature of the Acquisition means that the Cash-Out Shareholders will have no ongoing equity participation in ReNew following the Acquisition, and they will cease to participate in ReNew's future earnings or growth, if any, or to benefit from increases, if any, in the value of Cash-Out Shares, and will not participate in any potential future sale of ReNew to a third party, in each case with respect to their Cash-Out Shares.
- *Interim Covenants on Business Pending the Completion of the Acquisition*. Covenants regarding the conduct of ReNew's business prior to the completion of the Acquisition, which may delay or prevent ReNew from undertaking business opportunities that may arise or any other action it would otherwise take with respect to the operations of ReNew pending completion of the Acquisition.
- *Other Interests*. The possibility that the Consortium and ReNew's officers and directors may have interests in the Acquisition that are different from, or in addition to, those of the other ReNew Shareholders.
- *No Assurance the Acquisition will be Completed*. While the Acquisition is expected to be completed, there can be no assurance that all conditions to the parties' obligations to complete the Acquisition under the Transaction Agreement will be satisfied and, as a result, it is possible that the Acquisition may not be completed even if the ReNew Shareholders authorise and approve it. Each of CPP Investments and ReNew has the right to terminate the Transaction Agreement in certain circumstances. The Transaction Agreement may be terminated, amongst other instances, (i) by mutual written agreement of ReNew and CPP Investments; (ii) if the Effective Date has not occurred by the Long Stop Date; (iii) if the required shareholder approvals at the Court Meeting or General Meeting are not obtained; (iv) if the Court declines to sanction the Scheme; (v) in the event of a Company Adverse Recommendation Change having occurred; (vi) if there is any breach by either ReNew or by any member of the Consortium (as applicable) causing certain Conditions not to be satisfied; or (vii) if this document is not distributed to ReNew Shareholders in accordance with the Transaction Agreement. Further details of the termination rights are set out under the section entitled "*Termination*" in Part IV (*Conditions to and Further Terms of the Scheme and the Acquisition*) of this document. Accordingly, there is no certainty, nor can ReNew provide any assurance, that the Transaction Agreement will not be terminated by either CPP Investments or ReNew before the completion of the Acquisition.

- *Risks Associated with Failure to Complete the Acquisition*. There are significant risks to ReNew if the Acquisition does not close, including that (i) ReNew will have incurred significant transaction costs, (ii) ReNew's continuing business relationships with offtakers, financial institutions, third-party service providers, and employees may be adversely affected, (iii) the trading price of the ReNew Shares could be adversely affected, (iv) the market's perceptions of ReNew's prospects could be adversely affected, (v) the ReNew Directors and ReNew's senior management and other employees will have expended extensive time and effort and will have experienced significant distractions from their work during the pendency of the transaction, (vi) the failure to complete the Acquisition, or the public perception that the Acquisition may not be completed, could result in a downgrade of ReNew's credit ratings by one or more rating agencies, which could increase ReNew's borrowing costs and adversely affect its ability to access the debt capital markets on favourable terms, (vii) ReNew cannot assure investors or the markets of the continued availability of primary capital, whether through the public equity or debt capital markets or otherwise, to fund ReNew's development pipeline and sustain its future growth, particularly having regard to the uncertainties that may arise from a failed transaction, and (viii) ReNew's future growth is highly contingent upon the continued availability of capital recycling opportunities at attractive multiples, and there can be no assurance that such opportunities will remain available on terms that are favourable to ReNew or at all.

The foregoing discussion of information and factors considered by the Special Committee is not intended to be exhaustive but includes a number of the factors considered by the Special Committee. In view of the wide variety of factors considered by the Special Committee, the Special Committee did not find it practicable to quantify or otherwise assign relative weights to the foregoing factors in reaching its conclusions. In addition, individual members of the Special Committee may have given different weights to different factors and may have viewed some factors more positively or negatively than others. The Special Committee unanimously authorised and approved the Transaction Agreement, the Scheme and the Acquisition, based upon the totality of the information presented to and considered by it.

In reaching its conclusion regarding the fairness of the Consideration to the holders of Cash-Out Shares in the Acquisition, from a financial point of view, and its decision to recommend the authorisation and approval of the Transaction Agreement, the Scheme and the Acquisition, the Special Committee considered financial analyses presented by Rothschild & Co. The Special Committee believes that it is reasonable and appropriate to consider the opinion from Rothschild & Co in its determination as to the fairness, from a financial point of view, of the Consideration payable in the Acquisition to the Cash-Out Shareholders, because the opinion addressed the fairness, from a financial point of view, of the Consideration proposed to be paid to the holders of Cash-Out Shares pursuant to the terms of the Transaction Agreement. To the extent that an affiliated security holder may exist other than the members of the Consortium and their respective Affiliates, the consideration to be received by such affiliated security holder is identical in all respects as the consideration to be received by Cash-Out Shareholders.

The Special Committee considered the historical market prices of the ReNew Shares as described under the section entitled *"Market quotations"* in paragraph 3 of Part VII (*Additional Information*). The Special Committee therefore considered these to be positive factors and potential benefits of the Acquisition. ReNew is not aware of any firm offers made by any unaffiliated person, other than by the Consortium, a member of the Consortium or the Former Consortium (or a member thereof), during the past two years for (i) the merger or consolidation of ReNew with or into another company, or vice-versa; (ii) the sale or other transfer of all or any substantial part of the assets of ReNew; or (iii) a purchase of ReNew's securities that would enable the holder to exercise control of ReNew.

The Special Committee also considered the purposes and reasons for ReNew to undertake the Acquisition at this time and concluded that the status of a privately held company will allow ReNew to reallocate management focus and financial resources to other strategic priorities absent the regulatory requirements imposed upon public companies. In addition, the Special Committee noted that it is currently intended that, following the Scheme becoming Effective, ReNew will be subject to a Reorganisation such that the remaining ReNew Shareholders (including the members of the Consortium and any Rollover Shareholders) and any further ReNew Shareholders at that time will become direct shareholders of ReNew India, ReNew's direct private subsidiary incorporated in India. As a consequence, Rollover Shareholders will be required to comply with Indian regulatory and administrative requirements in order to hold and deal in shares of an Indian company, which will include, among other things, the requirements to obtain an Indian Permanent Account Number and to open a demat (electronic) account with a custodian to enable the Rollover Shareholders to hold the shares of ReNew India, which may require the Rollover Shareholders to submit apostilled and/or notarised (if applicable) personal documentation. Investment by a Rollover Shareholder having any direct or indirect ownership by a citizen or an entity of a country sharing a land border with India and not requiring prior government approval under the provisions of the NDI Rules, will be subject to reporting requirements specified by the Reserve Bank of India. Further details of the Reorganisation are set out in the sections entitled "*Plans for ReNew after the Acquisition" in paragraph 7 of Part II (US Special Factors) and "Proposed Reorganisation" in paragraph 7 of Part III (Explanatory Statement) of this document, as well as the Reorganisation Structure Paper as set out in Annex F to this document and Reorganisation Wrapper Deed as set out in Annex E to this document.*

In reaching its determination that the Transaction Agreement, the Scheme and the Cash Offer are fair and reasonable and its decision to authorise and approve the Transaction Agreement, the Scheme and the Acquisition, and recommend the authorisation and approval of the Scheme and the Acquisition by the ReNew Shareholders, the Special Committee, on behalf of ReNew, considered the factors as described above under this section. During its consideration of the Transaction Agreement and the Acquisition, the Special Committee was also aware that some of the ReNew Directors and ReNew Shareholders have interests with respect to the Acquisition that are, or may be, different from, and/or in addition to those of the ReNew Shareholders generally, as set out under the section entitled "*Interests of ReNew Non-Employee Directors and Executive Officers*" in paragraph 6 of Part VII (*Additional Information*).

For the reasons above as well as the fact that the Special Committee on behalf of ReNew believes that the Transaction Agreement, the Scheme and the Acquisition, are substantively and procedurally fair to, and in the best interests of, ReNew, the Special Committee on behalf of ReNew believes that it is appropriate for ReNew to undertake the Acquisition and the going private transaction at this time.

Except as set out in paragraph 10 of Part II (*US Special Factors*), no director who is not an employee of ReNew has retained an unaffiliated representative to act solely on behalf of the ReNew Shareholders for the purposes of negotiating the terms of the Acquisition and/or to prepare a report concerning the fairness of the Acquisition.

5 Effects of the Acquisition

(a) Effects of the Acquisition with respect to ReNew

Company Privately Held; Delisting from Nasdaq; Termination of SEC Registration

The ReNew Shares are currently listed on Nasdaq under the symbol "RNW." It is expected that, following the consummation of the Acquisition, ReNew will cease to be a publicly traded company and will instead become a private company beneficially owned by the members of the Consortium and the Rollover Shareholders (if any). Following the completion of the Acquisition, the ReNew Shares will cease to be listed on any securities exchange or quotation system, including Nasdaq, and price quotations with respect to sales of the ReNew Shares in the public market will no longer be available. In addition, 90 days after the filing of Form 15 in connection with the completion of the Acquisition or such shorter period as may be determined by the SEC, registration of the ReNew Shares under the Exchange Act will be terminated, and ReNew will no longer be required to file periodic reports with the SEC or otherwise be subject to the U.S. federal securities laws, including the Sarbanes-Oxley Act of 2002, applicable to public companies. As a result of no longer being required to make SEC filings, ReNew will no longer incur costs and expenses of complying with such laws. After the completion of the Acquisition, the current ReNew Shareholders will no longer enjoy the rights or protections that the U.S. federal securities laws provide, including reporting obligations for directors, officers and principal securities holders of ReNew.

Upon the Scheme becoming Effective, the Cash-Out Shares will be transferred to the Purchaser and/or its nominees by means of a form of transfer or other instrument or instruction of transfer and to give effect to such transfers, any person may be appointed by the Purchaser as attorney and/or agent. The Cash-Out Shares will be transferred in exchange for the right to receive the Consideration, in cash, without interest and net of any applicable withholding taxes. Rollover Shareholders will continue to hold their Rollover Shares. As a result, current ReNew Shareholders, other than the members of the Consortium and the Rollover Shareholders, will no longer have any equity interest in, or be shareholders of, ReNew upon completion of the Acquisition. As a result, the current ReNew Shareholders, other than the members of the Consortium and the Rollover Shareholders, will not have the opportunity to participate in the earnings and growth of ReNew and they will not have the right to vote on corporate matters. Similarly, the current ReNew Shareholders, other than the members of the Consortium and the Rollover Shareholders, will not be exposed to the risk of loss in relation to their investment in ReNew.

Management

If the Acquisition is completed, it is expected that the current directors on the ReNew Board (other than Mr. Sumant Sinha and CPP Investments' nominee directors) shall resign and new directors shall be appointed in accordance with the terms of the Shareholders Agreement. Awards held by employees or directors of ReNew (including Mr. Sumant Sinha) will be subject to the treatments described more fully in the section entitled "*ReNew Equity Awards*" in paragraph 14 of Part III (*Explanatory Statement*).

(b) Effects of the Acquisition with respect to the Consortium

If the Acquisition is consummated, the members of the Consortium, together with the Rollover Shareholders, will beneficially own all of the issued share capital of ReNew.

The benefits of the Acquisition to the Consortium include the fact that, following the completion of the Acquisition, the interest of the members of the Consortium in ReNew's net book value and net earnings would, collectively with that of all Rollover Shareholders, equal 100 per cent., and the members of the Consortium, together with the Rollover Shareholders, would be entitled to all benefits resulting from that interest, including all income generated by ReNew's operations and any future increase in ReNew's value. The table below sets out the indirect interest in ReNew's net book value and net loss for each member of the Consortium before and after the Acquisition, based on the historical net book value and net profit of ReNew as of 31 March 2026 and for the 12 months ended 31 March 2026, respectively.

	Ownership Prior to the Acquisition				Ownership After the Acquisition(2)			
	Net Book Value		Net Profit		Net Book Value		Net Profit	
Name	USD Mn	%	USD Mn	%(1)	USD Mn	%	USD Mn	%(1)
CPP Investments(3)	715	53.4%	59	53.4%	1,001	74.7%	83	74.7%
Sumant Sinha	39	2.9%	3	2.9%	39	2.9%	3	2.9%

Notes:

(1) Ownership percentages are based on Class A Ordinary Shares, Class B Ordinary Shares, Class C Ordinary Shares and Class D Ordinary Share outstanding as of 31 March 2026, excluding potential dilution of unexercised Awards.

(2) Assuming none of the Scheme Shareholders, other than JERA Nex and Platinum Cactus, elects for the Rollover.

(3) Includes ownership of the Purchaser.

Former ReNew Shareholders who are not Rollover Shareholders would thereafter have no opportunity to participate in the earnings and growth of ReNew and would not have any right to vote on corporate matters. Similarly, after the consummation of the Acquisition, the members of the Consortium and the Rollover Shareholders would also bear responsibility for funding ReNew's business, the entire risk of losses generated by ReNew's operations and any decrease in the value of ReNew, and former ReNew Shareholders (other than the Rollover Shareholders) would not be subject to the risks associated with ReNew's business and face the risk of losses generated by ReNew's operations or decline in the value of ReNew.

6 Primary Benefits and Detriments of the Acquisition

(a) Benefits of the Acquisition to Cash-Out Shareholders

The primary benefits of the Acquisition to Cash-Out Shareholders include, without limitation, the following:

- their receipt following the completion of the Acquisition of USD 7.02 per Cash-Out Share, in cash, representing a premium of:
    - 12.5% to the closing share price of USD 6.24 per ReNew Share on 28 May 2026 (being the last day of trading prior to the public announcement of the Initial Proposal made by the Consortium);
    - 24.7% to the volume-weighted average price of USD 5.63 per ReNew Share for the one-month period ended 28 May 2026;
    - 32.5% to the volume-weighted average price of USD 5.30 per ReNew Share for the three-month period ended 28 May 2026; and
    - 30.5% to the volume-weighted average price of USD 5.38 per ReNew Share from 15 December 2025 (being the date on which the Former Transaction Announcement was published) to 28 May 2026;
- they will no longer be subject to the risks related to ReNew's business, including the risks associated with the construction and development of ReNew's projects, environmental conditions, changes in applicable tariffs and regulation, and the risk of volatility in the market prices for ReNew Shares, in each case with respect to their Cash-Out Shares; and
- all-cash consideration will provide them with liquidity and certainty of value not currently available in the public market.

(b) Detriments of the Acquisition to Cash-Out Shareholders

Detriments of the Acquisition to Cash-Out Shareholders include:

- unless such Cash-Out Shareholders hold any Rollover Shares (including as a result of the operation of clause 3.14 of the Scheme), they will no longer have any interest in ReNew and as a result will not benefit from any future growth in the revenues, profitability, or overall value of ReNew, and will not be entitled to receive any dividends that ReNew might pay on its equity shares in the future;

- the receipt of cash pursuant to the Acquisition will generally be a taxable transaction for U.S. federal income tax purposes. As a result, a U.S. Holder of the Cash-Out Shares who receives cash in exchange for all of such U.S. Holder's Cash-Out Shares in the Acquisition generally will be required to recognise gain as a result of the Acquisition for U.S. federal income tax purposes if the amount of cash received exceeds such U.S. Holder's aggregate adjusted tax basis in such Cash-Out Shares. The receipt of cash pursuant to the Acquisition may also be a taxable transaction under other applicable tax laws; and
- payment of the Consideration to a Cash-Out Shareholder or a Beneficial Cash-Out Shareholder who is a Non-Small Shareholder may be required by Indian law to be paid subject to withholding or deduction on account of Indian tax.

(c) Benefits of the Acquisition to ReNew's Directors and Executive Officers

Benefits of the Acquisition to ReNew Directors and executive officers include:

- Awards held by the ReNew Directors and executive officers of ReNew (including Mr. Sumant Sinha) will be subject to the treatments as set out in further detail in the section entitled "*ReNew Equity Awards*" in paragraph 14 of Part III (*Explanatory Statement*);
- the post-closing management compensation arrangements agreed between the Consortium and ReNew applicable to senior members of ReNew's management (other than Mr. Sumant Sinha), including the grant of new incentive awards under the New Incentive Plan, as further described in the section entitled "*Post-Closing Management Compensation Arrangements*" in paragraph 15 of Part III (*Explanatory Statement*) and the section entitled "*Interests of ReNew Non-Employee Directors and Executive Officers*" in paragraph 6 of Part VII (*Additional Information*);
- continued indemnification rights, rights to advancement of fees, and directors' and executive officers' liability insurance, which will continue to be provided to the existing directors and executive officers of ReNew following the completion of the Acquisition. See the section entitled "*Indemnification of ReNew Directors and Executive Officers*" in paragraph 6 of Part VII (*Additional Information*) of this document;
- the expected continuation of service of the executive officers of ReNew in positions that are substantially similar to their current positions; and
- the employment of Mr Sumant Sinha as ReNew's Chairman and Chief Executive Officer shall be governed by the New CEO Service Agreement.

(d) Detriments of the Acquisition to ReNew's Directors and Executive Officers

The primary detriments of the Acquisition to ReNew Directors and executive officers include, without limitation, the following:

- directors and executive officers who currently hold Cash-Out Shares will no longer hold those Cash-Out Shares and, unless they are Rollover Shareholders, will not benefit from any future growth in the revenues, profitability, or overall value of ReNew, and will not be entitled to receive any dividends that ReNew might pay on its equity shares in the future;

- the current directors on the ReNew Board (other than Mr. Sumant Sinha and CPP Investments' nominee directors) will resign and new directors will be appointed in accordance with the terms of the Shareholders Agreement; and
- directors' and executive officers' receipt of cash pursuant to the Acquisition will generally be a taxable transaction for U.S. federal income tax purposes and may also be a taxable transaction under other applicable tax laws.

(e) Benefits of the Acquisition to the Consortium

Benefits of the Acquisition to the Consortium include the following:

- ReNew is expected to be substantially owned by members of the Consortium, which will receive substantially all the benefits from any future growth in the revenues, profitability, or overall value of ReNew, including the entitlement to receive any dividends or other distributions that ReNew might pay on its equity shares in the future;
- The members of the Consortium, taken together, are expected to have significant power and flexibility to take such actions, as shareholders of a private company, which they consider beneficial to further the business and prospects of ReNew; and
- A reduction in the costs associated with public company reporting and compliance.

(f) Detriments of the Acquisition to the Consortium

The primary detriments of the Acquisition to the Consortium include the following:

- The members of the Consortium will bear substantial risks related to ReNew's business, including the risks associated with the construction and development of ReNew's projects, environmental conditions, changes in applicable tariffs and regulation.

(g) Risks relating to the Rollover

Eligible Scheme Shareholders that successfully elect for the Rollover will be subject to significant risks and uncertainties as set out in further detail in the section entitled "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*).

7 Plans for ReNew after the Acquisition

It is currently intended that, following the Scheme becoming Effective, ReNew will be subject to a Reorganisation such that such remaining ReNew Shareholders and any further ReNew Shareholders at that time will become direct shareholders of ReNew India, ReNew's direct private subsidiary incorporated in India. As a consequence, Rollover Shareholders will be required to comply with Indian regulatory and administrative requirements in order to hold and deal in shares of an Indian company, which will include, among other things, the requirements to obtain an Indian Permanent Account Number and to open a demat (electronic) account with a custodian to enable the Rollover Shareholders to hold the shares of ReNew India, which may require the Rollover Shareholders to submit apostilled and/or notarised (if applicable) personal documentation. Investment by a Rollover Shareholder having any direct or indirect ownership by a citizen or an entity of a country sharing a land border with India and not requiring prior government approval under the provisions of the NDI Rules, will be subject to reporting requirements specified by the Reserve Bank of India. Further details of the Reorganisation are set out in the section entitled "*Proposed Reorganisation*" in paragraph 7 of Part III (*Explanatory Statement*) of this document, as well as the Reorganisation Structure Paper as set out in Annex F to this document and Reorganisation Wrapper Deed as set out in Annex E to this document. The governance and other affairs of ReNew and ReNew India will be governed by a Shareholders' Agreement. Further details of the Shareholders' Agreement are set out in the section entitled "*Key Terms of the Shareholders' Agreement*" in paragraph 7 of Part III (*Explanatory Statement*) of this document, and as set out in Annex D to this document.

CPP Investments and its Affiliates continually evaluate capital structuring and investment opportunities. Accordingly, following completion of the Acquisition, CPP Investments and/or its Affiliates may potentially pursue transactions involving the transfer, sale or syndication of all or a portion of their interest in ReNew (and/or interest in ReNew India and its subsidiaries following completion of the Reorganisation) to one or more third-party investors. Prior to completion of the Acquisition, CPP Investments and/or its Affiliates may consider, explore or discuss with potential third-party investors about such potential transactions, and may require the assistance from ReNew in providing certain due diligence materials required by any such third-party investor (subject at all times to applicable legal and regulatory requirements). No agreement has been entered into in respect of any such transaction and any such transaction would be subject to applicable legal and regulatory requirements and the requirements under the Shareholders' Agreement.

The Consortium and (with effect from completion of the Acquisition) the board of directors of ReNew at the time will evaluate the business and operations of ReNew prior to and following the consummation of the Acquisition and will consider which changes, if any, would be desirable following the consummation of the Acquisition. Possible changes could include changes in ReNew's business, corporate structure, organisational documents, capitalisation, board of directors and management. Any changes will be considered in light of the then prevailing circumstances of ReNew and its business operations and the Consortium reserves the right to change their plans and intentions at any time, as deemed appropriate. The Consortium currently anticipate that ReNew's operations following completion of the Acquisition will initially be conducted substantially as they are currently being conducted (except that ReNew will cease to be a public company and will undergo the Reorganisation). Notwithstanding the foregoing, following the Acquisition, as part of its long-term corporate goal of optimising value, the Consortium and (with effect from completion of the Acquisition) the board of directors of ReNew at the time may consider a range of alternatives, including an extraordinary corporate transaction (such as a sale or listing of ReNew and/or any of its subsidiaries on one or more stock exchanges) following the Acquisition, the purchase, sale or transfer of a material amount of assets of ReNew and/or any of its subsidiaries or other strategic transactions, if the Consortium and the board of directors of ReNew at the time conclude that such transactions or other activities are desirable. Except as otherwise disclosed in this document, as of the date hereof, no agreements, understandings or decisions have been reached and there is no assurance that the Consortium or the board of directors of ReNew at the time will or will not decide to undertake any such alternatives. The Consortium expressly reserves the right to make any changes to ReNew's operations after consummation of the Acquisition that it deems appropriate.

If, for any reason, the Acquisition is not consummated, the members of the Consortium reserve the right to acquire additional ReNew Shares through private purchases, market transactions, tender or exchange offers or otherwise on terms and at prices that may be more or less favourable than those contemplated by the Transaction Agreement, or, subject to any applicable legal restrictions, to dispose of any or all ReNew Shares acquired by them.

Except as described above or elsewhere in this document (including the Scheme Resolutions, the Shareholders' Agreement and the Transaction Agreement) and except for the Acquisition and Reorganisation (further details of which are set out in the section entitled "*Proposed Reorganisation*" in paragraph 7 of Part III (*Explanatory Statement*) of this document), none of the members of the Consortium have any present plans or proposals that would relate to or result in (i) any extraordinary corporate transaction involving ReNew or any of its subsidiaries (such as a merger, reorganisation, liquidation, relocation of any operations or sale or other transfer of a material amount of assets), (ii) any change in the ReNew Board or management, (iii) any material change in ReNew's capitalisation or dividend policy, (iv) any other material change in ReNew's corporate structure or business, (v) any class of equity securities of ReNew being delisted from a national securities exchange or ceasing to be authorised to be quoted in an automated quotation system operated by a national securities association or (vi) any class of equity securities of ReNew becoming eligible for termination of registration pursuant to Section 12(g) of the Exchange Act.

8 Alternatives to the Acquisition

The Special Committee noted that:

- on 10 December 2024, the Company received a non-binding offer from the Former Consortium to acquire the entire issued and to be issued share capital of the Company not already owned by members of the Former Consortium, for cash consideration of USD 7.07 per share;
- the Former Consortium highlighted in its proposal that no member of the Former Consortium that is an existing shareholder of the Company intends to sell its shares in the Company to any third party or otherwise support a transaction with a third party that would be an alternative to its proposal;
- on 2 July 2025, the Company received a revised non-binding offer from the Former Consortium for the proposed acquisition, whereby the Former Consortium increased the proposed cash consideration to USD 8.00 per share;
- on 10 October 2025, after an extensive and comprehensive period of due diligence by the Former Consortium, as well as extensive negotiations of terms for the proposed acquisition, and the exchange of multiple drafts of the transaction agreement for the proposed acquisition between the Company and the Former Consortium, the Former Consortium made a final non-binding offer for the proposed acquisition, whereby the proposed cash consideration was increased to USD 8.15 per share;
- on 28 October 2025, the Company announced that it had reached an agreement in principle on the key financial terms of the proposed acquisition with the Former Consortium, subject to agreeing the remaining terms and conditions of the proposed acquisition and completion of confirmatory due diligence of the Former Consortium;
- on 15 December 2025, certain members of the Former Consortium filed an amended beneficial ownership report on Schedule 13D with the SEC, disclosing that Masdar had confirmed to the other members of the Former Consortium that it had withdrawn from the Former Consortium. As a result, the Former Consortium could not proceed with the proposed acquisition;
- On 28 May 2026, the Company received a non-binding offer from the Consortium to acquire the entire issued and to be issued share capital of the Company not already owned by members of the Consortium, for cash consideration of USD 6.75 per share. This offer from the Consortium also allowed those shareholders who are eligible to participate in the Rollover, whereby they may elect to retain their shareholding in ReNew, albeit in a private structure (subject to certain regulatory constraints); and
- On 27 July 2026, the Company received a revised non-binding offer from the Consortium for the proposed acquisition, whereby the Consortium increased the proposed cash consideration to USD 7.02 per share. On 6 August 2026, the Consortium subsequently reaffirmed that USD 7.02 per share represented its best and final proposal and that it did not, at that time, intend to sell any shares to any third party in any alternative takeover transaction.

The Special Committee noted (i) that the Initial Proposal had been publicly announced on 28 May 2026 and was therefore known to the market in general, and would continue to be known to the market through and after the execution of the Transaction Agreement, (ii) the process to explore strategic alternatives conducted by the Special Committee before and after announcement of the Initial Proposal (see section entitled "*Extensive Exploration of Strategic Alternatives*" in Part II (*US Special Factors*) of this document for details), (iii) that since ReNew's receipt of the proposals from the Former Consortium and the Initial Proposal on 28 May 2026, ReNew has not received any offer from any third party for a merger or consolidation of ReNew with another company, the sale or transfer of all or substantially all of ReNew's assets, or the purchase of all of the ReNew Shares, or a sufficient number of ReNew Shares to enable such third party to exercise control of or significant influence over ReNew, and (iv) that members of the Consortium beneficially own approximately per cent. of the outstanding ReNew Shares, on a fully diluted basis, control approximately per cent. of the total voting power in ReNew, and indicated to the Special Committee that they were only interested in pursuing the transaction outlined in the Initial Proposal and were not interested in selling their ReNew Shares to any third party in an alternative takeover proposal. Based on the foregoing, the Special Committee determined that there was no alternative transaction to the Acquisition.

The Special Committee also considered the advisability of rejecting the offers from the Consortium and allowing ReNew to remain as a publicly traded company. However, based on the considerations set forth under the sections entitled "*Reasons for the Recommendation*" in paragraph 4 of Part II (*US Special Factors*) and "*Background to, and reasons for, the Acquisition and Benefit to Cash-Out Shareholders*" in paragraph 3 of Part III (*Explanatory Statement*), the Special Committee concluded that remaining as a public company would be less favourable than the Acquisition as a means to enhance the value for ReNew Shareholders.

9 Effects on ReNew if the Acquisition Were Not Completed

ReNew is not currently aware of any reason why the Acquisition will not be completed as contemplated by the Transaction Agreement. If the Acquisition were not completed for any reason, Cash-Out Shareholders would not receive the Consideration that is contemplated by the Transaction Agreement and the Scheme. Instead, ReNew would remain a publicly traded company and the ReNew Shares would continue to be listed and traded on Nasdaq for so long as ReNew continued to meet Nasdaq's listing requirements. The current ReNew Shareholders would therefore continue to be subject to similar risks and opportunities as they currently are with respect to their ownership of ReNew Shares. The effect of these risks and opportunities on the future value of the ReNew Shares cannot be predicted with any certainty. There is also a risk that the market price of ReNew Shares would decline if the Acquisition were not completed, based on an assumption that the current market price reflects an expectation on the part of investors that the Acquisition will be completed.

If the Acquisition were not completed for any reason, the Special Committee could be expected thereafter to evaluate and review the business, operations, and capitalisation of ReNew and make such changes as it deemed appropriate. If the Acquisition were not completed for any reason, it is possible that no other comparable transaction acceptable to ReNew would be offered, and that ReNew's business, prospects, and results of operations would be adversely affected. In addition, ReNew will have incurred significant transaction costs, its continuing business relationships with offtakers, financial institutions, third-party service providers, and employees may be adversely affected, the market's perceptions of ReNew's prospects could be adversely affected.

10 Fairness

(a) ReNew

Under the SEC rules governing "going-private" transactions, ReNew is required to express its beliefs as to the substantive and procedural fairness of the Acquisition to the Unaffiliated Shareholders. ReNew evaluated the potential existence of any potential conflict of interest with respect to: (i) Mr. Sinha (in light of Mr. Sinha being the founder, and a shareholder, of ReNew, Mr. Sinha's position as Chief Executive Officer of ReNew and Chairman of the ReNew Board, and Mr. Sinha's position as a member of the Consortium); (ii) William Bowen Shepheard Rogers and Pushkar Kulkarni (in light of Mr. Rogers and Mr. Kulkarni being CPP Investments' nominee directors on the ReNew Board); (iii) Yuzhi Wang (in light of Mr. Wang being Platinum Cactus' nominee director on the ReNew Board); (iv) Mr. Richard Scott (in light of Mr. Scott being the observer appointed by JERA Nex to the ReNew Board) and (v) Ms. Vaishali Nigam Sinha (in light of Ms. Sinha, a co-founder of the Company, being the observer appointed by Mr. Sinha to the ReNew Board), and has implemented appropriate governance measures to enhance and protect the independence of deliberations by the ReNew Board, which measures included the formation of the Special Committee, which excluded Mr. Sinha, Mr. Rogers, Mr. Kulkarni, Mr. Wang , Mr. Scott and Ms. Sinha, for the purposes of (among other matters) considering, negotiating the terms of and approving the Acquisition.

The ReNew Board has delegated to the Special Committee the authority to act on behalf of ReNew and the ReNew Board in respect of the Acquisition, including to determine whether the Acquisition is fair to, and in the best interests of, ReNew and the Unaffiliated Shareholders, and to approve on behalf of the Company the disclosures and filings required by Schedule 13E-3 under the Exchange Act in connection with the Acquisition. For the reasons described below, the Special Committee on behalf of ReNew believes that the Acquisition is substantively and procedurally fair to, and in the best interests of, ReNew and the Unaffiliated Shareholders.

The Special Committee believes that sufficient procedural safeguards were and are present to ensure that the Acquisition is procedurally fair to the Unaffiliated Shareholders and to permit the Special Committee to represent effectively the interests of such Unaffiliated Shareholders. These procedural safeguards include the following, which are not listed in any relative order of importance:

- the consideration and negotiation of the Transaction Agreement was conducted entirely under the control and supervision of the Special Committee, which consists of five independent directors, each of whom is an outside, non-employee director;
- pursuant to the terms of reference of the Special Committee, the key powers and authorities of the Special Committee include (but are not limited to) the ability to:
    - explore and evaluate all strategic capitalisation / financing opportunities available to the Company, including the proposal received from the Consortium;
    - review, evaluate and negotiate the terms and conditions of the Acquisition or any strategic alternative;
    - recommend any such strategic alternatives to the ReNew Board;
    - determine not to pursue the Acquisition or recommend to the ReNew Board that ReNew not pursue any strategic alternative; and
    - otherwise take any and all actions deemed necessary, proper, desirable, advisable or appropriate in the interests of both ReNew and the minority ReNew Shareholders in connection with the Acquisition,

  together with a number of other ancillary powers and authorities to allow the Special Committee to evaluate the Acquisition and strategic alternatives;
- in considering the transaction with the Consortium, the Special Committee acted solely to represent the interests of the ReNew Shareholders (including, in particular, the Unaffiliated Shareholders), and the Special Committee had independent control of the extensive negotiations with the Consortium and its legal advisers on behalf of the ReNew Shareholders;

- the Special Committee members during the entire process were and are independent directors and free from any affiliation with the Consortium; in addition, none of such Special Committee members are or ever were an employee of ReNew or any of its subsidiaries or Affiliates and none of such directors have any financial interest in the Acquisition that is different from that of the ReNew Shareholders other than the Special Committee members' receipt of fees payable on a quarterly basis in respect of their membership of the Special Committee and the fee payable to the chair of the Special Committee for additional responsibilities required in respect of such position (none of which are contingent upon the completion of the Acquisition or the Special Committee's recommendation of the Cash Offer), the acceleration and/or cash cancellation of their unvested Awards and their indemnification and liability insurance rights under the Transaction Agreement;
- the Special Committee was assisted in negotiations with the Consortium and in its evaluation of the Cash Offer by Rothschild & Co as its financial adviser and Linklaters as its legal adviser;
- the Special Committee met on numerous occasions to consider and discuss the interest from the Consortium and other strategic and financing alternatives, including to consider and review the terms of the Transaction Agreement and the transactions contemplated therein;
- the Special Committee's ability, under certain circumstances set out in the Transaction Agreement, including in the event that ReNew receives a Competing Proposal which the Special Committee determines in good faith constitutes a Superior Proposal, to change, withhold, withdraw, qualify or modify the Special Committee recommendation that the ReNew Shareholders vote to authorise and approve the Scheme and the Scheme Resolution in connection with the Acquisition, as well as to terminate the Transaction Agreement in order to implement such Superior Proposal. Further details of the circumstances in which the Special Committee may change its recommendation and in which the Transaction Agreement may be terminated are set out in the sections entitled "*Changes in Special Committee Recommendation*" and "*Termination*" in Part IV (*Conditions to and Further Terms of the Scheme and the Acquisition*) of this document;
- the Special Committee notes that members of the Consortium had indicated to the Special Committee that they were only interested in pursuing the transaction outlined in the Initial Proposal and were not interested in selling their ReNew Shares to any third party in an alternative takeover proposal;
- at the Court Meeting, the Scheme will be approved by Scheme Shareholders if both (i) a majority in number of Scheme Shareholders who vote (either in person or by proxy) in favour of the Scheme and (ii) Scheme Shares representing at least 75 per cent. in value of the total number of Scheme Shares voted at the Court Meeting are voted in favour of the Scheme;
- at the General Meeting, the Scheme Resolution must be approved by ReNew Shareholders representing at least 75 per cent. of the votes cast, either in person or by proxy; and
- the Special Committee has not been disbanded and remains empowered to evaluate on an ongoing basis whether the Acquisition remains in the best interests of ReNew Shareholders (including, in particular, the Unaffiliated Shareholders).

The Special Committee also considered a variety of potentially negative factors concerning the Transaction Agreement and the Acquisition, including the following, which are not listed in any relative order of importance:

- *Shareholder Participation in Future Growth*. The nature of the Acquisition means that the Cash-Out Shareholders will have no ongoing equity participation in ReNew following the Acquisition, and they will cease to participate in ReNew's future earnings or growth, if any, or to benefit from increases, if any, in the value of Cash-Out Shares, and will not participate in any potential future sale of ReNew to a third party, in each case with respect to their Cash-Out Shares.
- *Interim Covenants on Business Pending the Completion of the Acquisition*. Covenants regarding the conduct of ReNew's business prior to the completion of the Acquisition, which may delay or prevent ReNew from undertaking business opportunities that may arise or any other action it would otherwise take with respect to the operations of ReNew pending completion of the Acquisition.
- *Other Interests*. The possibility that the Consortium and ReNew's officers and directors may have interests in the Acquisition that are different from, or in addition to, those of the other ReNew Shareholders.
- *No Assurance the Acquisition will be Completed*. While the Acquisition is expected to be completed, there can be no assurance that all conditions to the parties' obligations to complete the Acquisition under the Transaction Agreement will be satisfied and, as a result, it is possible that the Acquisition may not be completed even if the ReNew Shareholders authorise and approve it. Each of CPP Investments and ReNew has the right to terminate the Transaction Agreement in certain circumstances. The Transaction Agreement may be terminated, amongst other instances, (i) by mutual written agreement of ReNew and CPP Investments; (ii) if the Effective Date has not occurred by the Long Stop Date; (iii) if the required shareholder approvals at the Court Meeting or the General Meeting are not obtained; (iv) if the Court declines to sanction the Scheme; (v) in the event of a Company Adverse Recommendation Change having occurred; (vi) if there is any breach by either ReNew or by any member of the Consortium (as applicable) causing certain Conditions not to be satisfied; or (vii) if this document is not distributed to ReNew Shareholders in accordance with the Transaction Agreement. Further details of the termination rights are set out under the heading "*Termination*" in Part IV (*Conditions to and Further Terms of the Scheme and the Acquisition*) of this document. Accordingly, there is no certainty, nor can ReNew provide any assurance, that the Transaction Agreement will not be terminated by either CPP Investments or ReNew before the completion of the Acquisition.
- *Risks Associated with Failure to Complete the Acquisition*. There are significant risks to ReNew if the Acquisition does not close, including that (i) ReNew will have incurred significant transaction costs, (ii) ReNew's continuing business relationships with offtakers, financial institutions, third-party service providers, and employees may be adversely affected, (iii) the trading price of the ReNew Shares could be adversely affected, (iv) the market's perceptions of ReNew's prospects could be adversely affected, (v) the ReNew Directors and ReNew's senior management and other employees will have expended extensive time and effort and will have experienced significant distractions from their work during the pendency of the transaction, (vi) the failure to complete the Acquisition, or the public perception that the Acquisition may not be completed, could result in a downgrade of ReNew's credit ratings by one or more rating agencies, which could increase ReNew's borrowing costs and adversely affect its ability to access the debt capital markets on favourable terms, (vii) ReNew cannot assure investors or the markets of the continued availability of primary capital, whether through the public equity or debt capital markets or otherwise, to fund ReNew's development pipeline and sustain its future growth, particularly having regard to the uncertainties that may arise from a failed transaction, and (viii) ReNew's future growth is highly contingent upon the continued availability of capital recycling opportunities at attractive multiples, and there can be no assurance that such opportunities will remain available on terms that are favourable to ReNew or at all.

In evaluating the Acquisition, the Special Committee considered, among other things:

- the Company's historical share price and trading performance;
- equity research analysts' views and price targets for the Company;
- details of the Company's cost of capital;
- valuation analyses, including based on the market value and trading multiples of comparable public companies, transaction multiples and premia paid in comparable precedent transactions, dividend discount model analysis; and
- the Management Projections.

The foregoing discussion of information and factors considered by the Special Committee is not intended to be exhaustive but includes a number of the factors considered by the Special Committee. In view of the wide variety of factors considered by the Special Committee, the Special Committee did not find it practicable to quantify or otherwise assign relative weights to the foregoing factors in reaching its conclusions. In addition, individual members of the Special Committee may have given different weights to different factors and may have viewed some factors more positively or negatively than others. The Special Committee unanimously authorised and approved the Transaction Agreement, the Scheme and the Acquisition, based upon the totality of the information presented to and considered by it.

In reaching its conclusion regarding the fairness of the Consideration to the holders of the Cash-Out Shares and its decision to recommend the authorisation and approval of the Transaction Agreement, the Scheme and the Acquisition, the Special Committee considered financial analyses presented by Rothschild & Co. The Special Committee believes that it is reasonable and appropriate to consider the opinion from Rothschild & Co in its determination as to the fairness, from a financial point of view, of the Consideration payable in the Acquisition to the holders of the Cash-Out Shares, because the opinion addressed the fairness, from a financial point of view, of the Consideration proposed to be paid to the holders of Cash-Out Shares pursuant to the terms of the Transaction Agreement. To the extent that an affiliated security holder may exist other than the members of the Consortium and their respective Affiliates, the consideration to be received by such affiliated security holder is identical in all respects as the consideration to be received by Cash-Out Shareholders. The Special Committee expressly reviewed, assessed, and adopted these analyses and opinions, amongst other factors considered, in reaching its determination as to the fairness of the transactions set out in the Transaction Agreement, including the Acquisition.

The Special Committee considered the historical market prices of the ReNew Shares as described under the section entitled *"Market quotations"* in paragraph 3 of Part VII (*Additional Information*). The Special Committee therefore considered these to be positive factors and potential benefits of the Acquisition. ReNew is not aware of any firm offers made by any unaffiliated person, other than by the Consortium, a member of the Consortium or the Former Consortium (or a member thereof), during the past two years for (i) the merger or consolidation of ReNew with or into another company, or vice-versa; (ii) the sale or other transfer of all or any substantial part of the assets of ReNew; or (iii) a purchase of ReNew's securities that would enable the holder to exercise control of ReNew.

The Special Committee also considered the purposes and reasons for ReNew to undertake the Acquisition at this time and concluded that the status of a privately held company will allow ReNew to reallocate management focus and financial resources to other strategic priorities absent the regulatory requirements imposed upon public companies. In addition, the Special Committee noted that it is currently intended that, following the Scheme becoming Effective, ReNew will be subject to a Reorganisation such that the remaining ReNew Shareholders (including the members of the Consortium and any Rollover Shareholders) and any further ReNew Shareholders at that time will become direct shareholders of ReNew India, ReNew's direct private subsidiary incorporated in India. Further details of the Reorganisation are set out in the sections entitled "*Plans for ReNew after the Acquisition*" in paragraph 7 of Part II (*US Special Factors*) and "*Proposed Reorganisation*" in paragraph 7 of Part III (*Explanatory Statement*) of this document, as well as the Reorganisation Structure Paper as set out in Annex F to this document and Reorganisation Wrapper Deed as set out in Annex E to this document.

In reaching its determination that the Transaction Agreement, the Scheme and the Cash Offer are fair and reasonable and its decision to authorise and approve the Transaction Agreement, the Scheme and the Acquisition, and recommend the authorisation and approval of the Scheme and the Acquisition by the ReNew Shareholders, the Special Committee, on behalf of ReNew, considered the factors as described above under this section. During its consideration of the Transaction Agreement and the Acquisition, the Special Committee was also aware that some of the ReNew Directors and ReNew Shareholders have interests with respect to the Acquisition that are, or may be, different from, and/or in addition to those of the ReNew Shareholders generally, as set out under the section entitled "*Interests of ReNew Non-Employee Directors and Executive Officers*" in paragraph 6 of Part VII (*Additional Information*).

The Special Committee did not consider the liquidation value of ReNew in determining their view as to fairness of the Acquisition to the Unaffiliated Shareholders because the Special Committee considers ReNew to be a viable going concern and view the trading history of ReNew Shares as an indication of ReNew's going concern value, and, accordingly, did not believe liquidation value to be relevant to a determination as to the fairness of the Acquisition.

The Special Committee did not consider net book value, which is an accounting concept, in determining their view as to fairness of the Acquisition to the Unaffiliated Shareholders because they believed that net book value is not a material indicator of the value of ReNew as a going concern but rather is indicative of historical costs and therefore not a relevant measure in the determination as to the fairness of the Acquisition.

The Special Committee did not establish a going concern value for ReNew as a public company to determine the fairness of the Consideration to Unaffiliated Shareholders because, following the Acquisition, ReNew will have a significantly different capital structure.

For the reasons above as well as the fact that the Special Committee on behalf of ReNew believes that the Transaction Agreement, the Scheme and the Acquisition, are substantively and procedurally fair to, and in the best interests of, ReNew, the Special Committee on behalf of ReNew believes that it is appropriate for ReNew to undertake the Acquisition and the going private transaction at this time.

Except as set out in paragraph 10 of Part II (*US Special Factors*), no director who is not an employee of ReNew has retained an unaffiliated representative to act solely on behalf of the ReNew Shareholders for the purposes of negotiating the terms of the Acquisition and/or to prepare a report concerning the fairness of the Acquisition.

(b) The Consortium

Under the SEC rules governing "going-private" transactions, the members of the Consortium may be deemed Affiliates of ReNew and, therefore, may be required to express their beliefs as to the substantive and procedural fairness of the Acquisition to the Unaffiliated Shareholders. The members of the Consortium are making the statements included in this section solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Exchange Act and, for each such person who is a director of ReNew, solely in his individual capacity and not as a director of ReNew. The views of the members of the Consortium as to the fairness of the Acquisition should not be construed as a recommendation to any ReNew Shareholders as to how the ReNew Shareholders should vote with respect to the Scheme at the Court Meeting or with respect to the Resolutions to be proposed at the General Meeting. The members of the Consortium have interests in the Acquisition that are different from, and/or in addition to, the Unaffiliated Shareholders.

The members of the Consortium believe that the interests of the Unaffiliated Shareholders were represented by the Special Committee, which negotiated the terms and conditions of the Transaction Agreement with the assistance of its independent legal and financial advisers. Although William Bowen Shepheard Rogers and Pushkar Kulkarni of CPP Investments and Sumant Sinha are members of the ReNew Board, they are not members of the Special Committee, and none of them or CPP Investments participated in the deliberations of the Special Committee regarding, nor have they received advice from the respective independent legal, financial or other advisers of the Special Committee as to, the fairness of the Acquisition. The members of the Consortium have not performed, or engaged a financial adviser to perform, any valuation or other analyses for the purposes of assessing the fairness of the Acquisition to the Unaffiliated Shareholders.

Based on, among other things, their respective knowledge and analysis of available information regarding ReNew, discussions with members of ReNew's management regarding ReNew and its business, and the factors considered by, and the analyses and resulting conclusions of, the Special Committee discussed in the section of this document entitled "US Special Factors—Reasons for the Acquisition; Reasons for the Recommendation" (which analyses and resulting conclusions the members of the Consortium adopt), the members of the Consortium believe that the Acquisition, including the Consideration to be received by the Unaffiliated Shareholders pursuant to the Transaction Agreement, is fair to such security holders. In particular, the members of the Consortium considered the following factors, each of which, in their judgment, supports the views of the members of the Consortium as to the fairness of the Acquisition (not necessarily in order of relative importance):

- The terms and conditions of the Transaction Agreement were reviewed, negotiated and approved by the Special Committee, which comprises solely independent directors who are unaffiliated with the Consortium.
- In connection with taking the foregoing actions, the Special Committee was advised by its own advisers, including Linklaters, its independent legal counsel, and Rothschild & Co, its independent financial adviser, each of which has extensive experience in transactions similar to the transactions contemplated by the Transaction Agreement. On 11 August 2026, at a meeting of the Special Committee, Rothschild & Co rendered to the Special Committee its oral opinion, which was subsequently confirmed by delivery of a written opinion to the Special Committee dated 11 August 2026, to the effect that, as of such date and on the basis of and subject to the qualifications, limitations and assumptions set forth in the written opinion, the Consideration payable to the holders of Cash-Out Shares in the Acquisition pursuant to the Transaction Agreement was fair to such holders from a financial point of view. The full text of Rothschild & Co's written opinion, dated 11 August 2026, which describes the assumptions made, procedures followed, matters considered and limitations on the review undertaken in connection with the opinion, as set out in Annex B to this document and is incorporated herein by reference. The summary of Rothschild & Co's opinion contained in this document is qualified in its entirety by reference to the full text of such opinion. Rothschild & Co's financial advisory services and opinion were provided solely for the information and assistance of the Special Committee (in its capacity as such) and none of the members of the Consortium are entitled to, and did not, rely on such opinion.

- The Consideration represents a premium of:
  - 12.5% to the closing share price of USD 6.24 per ReNew Share on 28 May 2026 (being the last day of trading prior to the public announcement of the Initial Proposal made by the Consortium);
  - 24.7% to the volume-weighted average price of USD 5.63 per ReNew Share for the one-month period ended 28 May 2026;
  - 32.5% to the volume-weighted average price of USD 5.30 per ReNew Share for the three-month period ended 28 May 2026; and
  - 30.5% to the volume-weighted average price of USD 5.38 per ReNew Share from 15 December 2025 (being the date on which the Former Transaction Announcement was published) to 28 May 2026.
- The Acquisition is not subject to any financing condition, thus increasing the likelihood that the Acquisition will be consummated and the Consideration will be paid to the Cash-Out Shareholders.
- The Acquisition will provide the ReNew Shareholders (other than the Existing Consortium Shareholders and the Rollover Shareholders) with the certainty of receiving cash consideration and liquidity for their ReNew Shares and remove the risk of any decrease in the value of ReNew.
- The factors considered by the Special Committee in connection with the Special Committee's recommendation, as more fully described in this document under the section entitled "*Reasons for the Recommendation*" in paragraph 4 of Part II (*US Special Factors*).

In addition, the members of the Consortium believe that the Acquisition is procedurally fair to the Unaffiliated Shareholders, based on the following factors (not necessarily in order of relative importance):

- the terms and conditions of the Transaction Agreement, including the Consideration to be received by the Unaffiliated Shareholders pursuant to the Transaction Agreement, resulted from arms'-length, fair negotiations between the Special Committee and the Consortium;
- the fact that the Special Committee had the full power and authority to negotiate the terms and conditions of any strategic transaction involving ReNew (including the Acquisition), including to reject any proposals made by the Consortium or any other person, and the recognition by Special Committee that it had no obligation to accept the Acquisition;
- the fact that the Special Committee unanimously determined that the Transaction Agreement and the transactions contemplated thereby, including the Acquisition, are advisable, fair to, and in the best interests of, ReNew and the Unaffiliated Shareholders;

- the fact that the Special Committee was fully informed about the extent to which the interests of the Existing Consortium Shareholders differed from those of the Unaffiliated Shareholders;
- the fact that the Special Committee retained, and had the benefit of advice from, internationally recognised legal and financial advisers;
- the fact that, although William Bowen Shepheard Rogers and Pushkar Kulkarni of CPP Investments and Sumant Sinha are members of the ReNew Board, they are not members of the Special Committee, and none of them or CPP Investments participated in the deliberations of the Special Committee regarding, nor have they received advice from the respective independent legal, financial or other advisers of the Special Committee as to, the fairness of the Acquisition;
- The ReNew Shareholders will have sufficient time to make a decision whether or not to vote to approve the Scheme because a period of at least 25 days will elapse between the date this document is mailed to ReNew Shareholders and the date of the Court Meeting.
- The Acquisition cannot be consummated unless a majority in number of the Scheme Shareholders representing not less than 75 per cent. in value of the Scheme Shares (or relevant class or classes thereof, if applicable) in each case present, entitled to vote and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting that may be required by the Court or at any adjournment of any such meeting.

The Consortium did not consider the liquidation value of ReNew in determining their view as to fairness of the Acquisition to the Unaffiliated Shareholders because the Consortium considers ReNew to be a viable going concern and view the trading history of ReNew Shares as an indication of ReNew's going concern value, and, accordingly, did not believe liquidation value to be relevant to a determination as to the fairness of the Acquisition.

The Consortium did not consider net book value, which is an accounting concept, in determining their view as to fairness of the Acquisition to the Unaffiliated Shareholders because they believed that net book value is not a material indicator of the value of ReNew as a going concern but rather is indicative of historical costs and therefore not a relevant measure in the determination as to the fairness of the Acquisition.

The Consortium did not establish a going concern value for ReNew as a public company to determine the fairness of the Consideration to Unaffiliated Shareholders because, following the Acquisition, ReNew will have a significantly different capital structure.

The members of the Consortium also considered the following factors, each of which the members of the Consortium considered negative in their considerations concerning the fairness of the terms of the Acquisition (not necessarily in order of relative importance):

- If the Scheme is consummated, the current ReNew Shareholders (other than the Existing Consortium Shareholders and Rollover Shareholders) would cease to participate in the earnings and future growth, if any, of ReNew or benefit from increases, if any, in the value of ReNew.
- The Consideration to be received by the ReNew Shareholders (other than the Existing Consortium Shareholders and Rollover Shareholders) in the Acquisition is generally taxable to such shareholders.
- The ownership by members of the Consortium as of the Latest Practicable Date of approximately per cent. of the outstanding ReNew Shares, on a fully diluted basis, may preclude competing offers from third parties.

- Certain directors and executive officers of ReNew have actual or potential conflicts of interest in connection with the Acquisition. See the section entitled "*Interests of ReNew Non-Employee Directors and Executive Officers*" in paragraph 6 of Part VII (*Additional Information*).

After weighing these negative factors and giving them due consideration, the members of the Consortium concluded that none of these factors, alone or in the aggregate, is significant enough to outweigh the factors and analyses that the members of the Consortium considered to support their belief that the Acquisition is fair to the Unaffiliated Shareholders.

The members of the Consortium did not find it practicable to assign, nor did they assign, relative weights to the individual factors considered in reaching their conclusion as to fairness, but, rather, they considered all the foregoing factors as a whole. None of the members of the Consortium have performed or prepared, nor engaged a financial adviser to perform or prepare, any report, opinion, appraisal, valuation or other analysis for the purpose of assessing the fairness of the Acquisition to the Unaffiliated Shareholders and did not receive any reports, opinions or appraisals from any outside party materially related to the fairness of the Acquisition or the Consideration, and thus did not consider any such reports, opinions or appraisals in determining the substantive and procedural fairness of the Acquisition to Unaffiliated Shareholders. Except as described elsewhere in this document and other than offers made by the Former Consortium, the members of the Consortium are not aware of, and thus did not consider, any offers made by unaffiliated third parties during the past two years with respect to (a) a merger or consolidation of ReNew with or into another company, (b) a sale of all or a substantial part of ReNew's assets or (c) the purchase of ReNew's voting securities that would enable the holder to exercise control over ReNew.

The foregoing discussion of the information and factors considered and given weight by the members of the Consortium is not intended to be exhaustive, but includes the factors considered by the members of the Consortium that they believe to be material.

The Consortium makes no recommendation as to how Scheme Shareholders should vote their shares relating to the Scheme. The Consortium attempted to negotiate the terms of a transaction that would be most favourable to them, and not to the Unaffiliated Shareholders and, accordingly, did not negotiate the Transaction Agreement with a goal of obtaining terms that were fair to such Unaffiliated Shareholders.

(c) Certain Projected Financial Information

ReNew's management does not, as a matter of course, make available to the public detailed financial forecasts or internal projections as to future performance, revenues, earnings or financial condition. However, ReNew's management prepared certain financial projections for the financial years ending 31 March 2027 to 31 March 2035 (estimated) (the "**Management Projections**") which were provided to the Special Committee and its financial adviser in connection with Special Committee's evaluation of the Acquisition. These financial projections, which were based on the estimates of ReNew's management of ReNew's future financial performance as of the date provided, were prepared by ReNew's management for internal use, and reviewed and approved by the Special Committee for use by its financial adviser in connection with its financial analyses and opinion, and were not prepared with a view towards public disclosure or compliance with published guidelines of the SEC regarding forward-looking information or the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of financial forecasts or GAAP.

The Management Projections are not a guarantee of performance. They involve significant risks, uncertainties and assumptions. In compiling the projections, ReNew's management took into account historical performance, combined with estimates regarding revenue and operating performance including profit and loss, on the basis of ordinary course operations of ReNew. Although the projections are presented with numerical specificity, they were based on numerous assumptions and estimates as to future events made by ReNew management that ReNew management believed were prepared on a reasonable basis, reflected the best estimates and judgments available at that time and presented, to the best of ReNew management's knowledge and belief, the expected course of action and the expected future financial performance of ReNew. However, this information is not fact and should not be relied upon as being necessarily indicative of actual future results, and shareholders are cautioned not to place undue reliance on the prospective financial information. In addition, factors such as the development and construction of ReNew's projects, environmental conditions, tariff regulation, risks associated with the operation and maintenance of ReNew's projects, risks associated with obtaining and maintaining government approvals, the competitive environment, expectations regarding future acquisitions or any other transactions and general business, economic, regulatory, market and financial conditions, all of which are difficult to predict and beyond the control of our management, may cause actual future results to differ materially from the results forecasted in these financial projections.

In addition, the projections generally do not take into account any circumstances or events occurring after the date that they were prepared. For instance, the projections do not give effect to the completion of the Acquisition or any changes to ReNew's operations or strategy that may be implemented as a consequence of the Acquisition or otherwise after the time the projections were prepared. As a result, there can be no assurance that the projections will be realised, and actual results may be significantly different from those contained in the projections.

Neither ReNew, its independent registered public accounting firm, nor any other independent accountants have examined, compiled, or performed any procedures with respect to the financial projections or any amounts derived therefrom or built thereupon, nor have they given any opinion or any other form of assurance on such information or its achievability. The financial projections included in this document are included solely to give ReNew Shareholders access to certain information that was made available to the Special Committee and its financial adviser, and are not included in this document in order to induce any ReNew Shareholders to vote in favour of the Scheme at the Court Meeting and in favour of the Resolutions to be proposed at the General Meeting.

In developing the Management Projections, ReNew management made numerous assumptions about the industry in which ReNew participates, ReNew's markets and products and ReNew's ability to execute its plans. ReNew management prepared a set of financial projections for the financial years ending 31 March 2027 to 31 March 2035 (estimated) that forecasted ReNew's business on the basis of the following assumptions:

- **Operating assumptions for independent power producer ("IPP") business – existing assets**
    - Approximately 11.0 GW of gross commissioned capacity by the end of the financial year ending 31 March 2026, on a gross basis including capacity attributable to projects held through joint ventures and therefore does not reflect ReNew's proportionate share of the capacity of such joint venture projects.
    - ReNew's existing IPP wind and solar assets have an average useful life of 30 years, with a current average age of approximately six years and no asset retirements during the ten-year forecast period.
    - Tariffs are fixed for the duration of the power purchase agreements from the start of asset commercial operations, resulting in annual revenues of approximately USD 1.0 billion and EBITDA that declines slightly from approximately USD 0.8 billion to approximately USD 0.7 billion throughout the forecast period.

- No incremental capital expenditure for existing assets over the forecast period.
- The existing asset portfolio includes three joint venture projects, with ReNew owning 51 per cent. equity interest. These projects are accounted for in the Management Projections at the EBITDA level, adjusted negatively to reflect EBITDA attributed to joint venture partners.

- **Operating assumptions for IPP business – new assets**
  - Approximately 14.7 GW of gross new capacity additions from the financial year ending 31 March 2026 to the financial year ending 31 March 2035, averaging approximately 1.47 GW annually and approximately 13.1 GW of net new capacity additions after asset sales.

    ReNew management's assumption of such annual capacity additions is based on ReNew's existing pipeline of pre-commissioning projects, adjusted for potential project cancellations or abandonment.
  - New assets are projected to generate approximately USD 0.9 billion of annual EBITDA in the financial year ending 31 March 2035.
  - Business plan assumes sale of operational assets from the financial year ending 31 March 2026 to the financial year ending 31 March 2029, providing additional funding for pipeline development over that period.

    Sale proceeds are based on an assumed transaction multiple of approximately 9x EBITDA, consistent with historical realisations.
  - Other key assumptions, include the following:
    - Portfolio mix: 80 per cent. solar assets and 20 per cent. wind assets.
    - Average tariffs: approximately INR 2.62 / kWh for solar assets and approximately INR 3.84 / kWh for wind assets, averaging approximately INR 2.86 / kWh. The implied blended tariff for new assets is lower than for existing assets due to the higher proportion of solar assets assumed to be added as compared to the existing portfolio.
    - Plant load factor: approximately 31 per cent. for solar assets and approximately 34 per cent. for wind assets, averaging approximately 32 per cent.
    - Target project debt / equity funding ratio: 75 per cent. debt / 25 per cent. equity.
- **Manufacturing business**
  - Total manufacturing capacity of 6.4 GW of modules (2.4 GW at the Dholera facility and 4.0 GW at the Jaipur facility (assuming both internal captive requirements and external sales)) and 6.5 GW of cell manufacturing capacity (2.5 GW at the Dholera facility and 4.0 GW at the Gujarat facility).
  - Revenue is projected to peak by the financial year ending 31 March 2030, driven by increased plant utilisation (assuming stable unit selling prices).
  - Revenue is projected to decline thereafter during the remainder of the forecast period based on market dynamics.

As used in this section, all references to "**EBITDA**" of a company for any given period means the earnings before interest, taxes, depreciation and amortisation of such company during such period and excludes the expense of stock-based compensation and other tax deductible expenses including integration-related costs and other one-time items and tax depreciation and amortisation.

The following table sets forth a summary of the Management Projections prepared by ReNew's management and reviewed by the Special Committee in connection with its evaluation of the Acquisition. The figures presented below are shown on an effective basis and have been adjusted to exclude amounts attributable to interests held by joint venture partners.

Introduction

The Special Committee retained Rothschild & Co as its financial adviser in connection with advising the Special Committee with respect to the potential sale, merger, take-private transaction or other business/strategic combination involving the Company, including, without limitation, the Acquisition. The Special Committee selected Rothschild & Co based on its qualifications, experience, reputation, and independence. As part of its investment banking business, Rothschild & Co regularly engages in the valuation of businesses and their securities in connection with mergers and acquisitions, restructurings, capital raises and other transactions.

Rothschild & Co expressed no opinion as to the price at which the Class A Ordinary Shares would trade at any future time. In addition, Rothschild & Co did not express any opinion as to the Company's, the ReNew Board's or the Special Committee's underlying business decisions to engage in the Acquisition or the relative merits of the Acquisition as compared to any alternative transaction. Rothschild & Co's opinion did not constitute a recommendation to the Special Committee as to whether to approve the Acquisition or a recommendation as to whether or not any ReNew Shareholder should vote or otherwise act with respect to the Acquisition or any other matter. In addition, Rothschild & Co was not asked by the Special Committee to address, nor did Rothschild & Co's opinion address, (i) the fairness to, or any other consideration of, the holders of any class of securities (other than the Cash-Out Shareholders and then only to the extent expressly set forth in Rothschild & Co's opinion), including the holders of Class B Ordinary Shares, Class C Ordinary Shares, Class D Ordinary Shares or creditors or other constituencies of the Company, (ii) the fairness to, or any other consideration of, the holders of the Rollover Shares or (iii) the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of Consortium, the Company, or any class of such persons, whether relative to the Consideration pursuant to the Transaction Agreement or otherwise.

Summary of Rothschild & Co's Financial Analyses

The following represents a summary of the material financial analyses performed by Rothschild & Co, each of which is a standard valuation methodology customarily undertaken in transactions of this type, in connection with providing its opinion, dated 11 August 2026, to the Special Committee. The summary of these analyses is not a comprehensive description of all analyses and factors considered by Rothschild & Co. The preparation of a fairness opinion is a complex analytical process that involves various determinations as to the most appropriate and relevant methods of financial analysis and the application of these methods to the particular circumstances and, therefore, a fairness opinion is not readily susceptible to summary description. No one method of analysis should be regarded as critical to the overall conclusion reached by Rothschild & Co. Each analytical technique has inherent strengths and weaknesses, and the nature of the available information may further affect the value of particular techniques. The conclusion reached by Rothschild & Co was based on all analyses and factors taken as a whole and also on application of Rothschild & Co's experience and judgment, which conclusion may involve significant elements of subjective judgment and qualitative analysis. Some of the summaries of financial analyses performed by Rothschild & Co include information presented in tabular format. In order to fully understand the financial analyses performed by Rothschild & Co, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses. Considering the data set forth in the tables without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the financial analyses performed by Rothschild & Co. The order of analyses described below does not represent the relative importance or weight given to the analysis by Rothschild & Co.

As used in this section, (a) all references to "**fully diluted**" shares and phrases of similar import, when used in relation to the Company, mean the number of fully diluted outstanding shares of the Company, including all in-the-money shares subject to the Employee 2021 Plan at the final price of $7.02 per share, as provided and approved for Rothschild & Co's use by the management of the Company; (b) the "**EV**" of a company as of any given time refers to the enterprise value of such company (calculated as further discussed below) at such time and (c) the "**EBITDA**" of a company for any given period means the earnings before interest, taxes, depreciation and amortisation of such company during such period and excludes the expense of stock-based compensation and other tax deductible expenses including integration-related costs and other one-time items and tax depreciation and amortisation.

Selected Company Analysis

Rothschild & Co performed a selected public company analysis in order to derive an implied per share equity value reference range for the Company from the market value and trading multiples of other publicly traded companies and then compared this implied per share equity value reference range with the Consideration provided for in the Transaction Agreement. Rothschild & Co selected the publicly traded companies that Rothschild & Co deemed most relevant to consider in relation to the Company, based on its professional judgment and experience, because they are independent power producers with majority of revenue derived from renewable generation assets and with market capitalisation above $1 billion that for purposes of this analysis Rothschild & Co considered similar to the operations of one or more of the business lines of the Company. Considering ReNew's Nasdaq listing and operational base in India, two geographic peer groups were analysed: (a) companies with primary listings on North American exchanges ("**North America Peers**") and (b) companies with primary listings on Indian exchanges and operations in India ("**Indian Peers**"). However, because of inherent differences in businesses, operations and prospects, none of the publicly traded companies listed below are directly comparable to the Company. The publicly traded companies selected by Rothschild & Co for purposes of this analysis included the following companies listed in the charts below, which Rothschild & Co refers to, collectively, as the "**selected public companies**".

For purposes of its analysis of the selected public companies, Rothschild & Co (i) reviewed, among other things, for each of the selected public companies, the per share stock price of such selected public companies as of 10 August 2026, public filings made by such selected public companies for certain historical financial information and data for such selected public companies that Rothschild & Co obtained from broker research and, where applicable, adjusted to account for certain events such as acquisitions and divestitures and (ii) calculated the EV of each of the selected public companies as a multiple of the estimated EBITDA for the calendar years ending 31 December 2026 and 31 December 2027, which multiple Rothschild & Co refers to as "**EV/EBITDA**".

"**EV**" was calculated as fully diluted equity market value based on per share stock prices as of 10 August 2026, (a) with respect to each of the selected public companies, plus such company's most recently disclosed net debt and other adjustments or (b) with respect to the Company, plus the Company's debt and estimated value of Warrants using the Black Scholes method based on 10-day volume-weighted average price ("**VWAP**") as of 10 October 2025, less the Company's cash, each as provided and approved for Rothschild & Co's use by the management of the Company.

The results of Rothschild & Co's review of the EV/EBITDA multiples are summarised in the chart below:

EV/EBITDA Multiples North America Peers	**2026E**	**2027E**

Overall Mean	10.7x	10.0x
Overall Median	11.3x	10.8x

EV/EBITDA Multiples Indian Peers	**2026E**	**2027E**

Based on the 2026E EV/EBITDA and 2027E EV/EBITDA multiples calculated above and on Rothschild & Co's professional judgment, Rothschild & Co applied an illustrative range of North America Peers' EV/EBITDA of 10.0x to 12.0x and 9.0x to 11.0x and an illustrative range of Indian Peers' EV/EBITDA of 13.0x to 15.0x and 9.0x to 11.0x to the estimated EBITDA of the Company for fiscal year 2026 and fiscal year 2027, respectively, each as provided in the Management Projections, to reach a range of implied EVs for the Company for fiscal years 2026 and 2027. To calculate implied equity values, Rothschild & Co then subtracted from such implied EVs (i) the amount of the Company's debt and (ii) estimated value of Warrants using the Black Scholes method based on 10-day VWAP as of 10 October 2025, and added the Company's (iii) cash and cash equivalents, each as provided and approved for Rothschild & Co's use by the management of the Company. Rothschild & Co then divided such implied equity values by the number of fully diluted outstanding shares of the Company, as provided and approved for Rothschild & Co's use by the management of the Company, to reach the following implied per share equity value reference ranges for the Company, as compared to the Consideration:

Multiple and Implied Value Reference Range Per Fully Diluted Share			Consideration

2027E EV/EBITDA Indian Peers	9.0x to 11.0x	$ 6.78 to $12.01	

Precedent Transactions Analysis

Rothschild & Co performed a selected precedent transactions analysis in order to derive an implied per share equity value reference range for the Company from implied transaction EV/EBITDA multiples in merger or acquisition transactions involving other companies that occurred since 2016 and then compared this implied per share equity value reference range with the Consideration provided for in the Transaction Agreement. Considering ReNew's Nasdaq listing and operational base in India, two categories of precedent transactions were analysed: (i) those involving renewable power generation and non-regulated power sectors listed and / or operating in North America (the "**North American Transaction Set**"); and (ii) those in India (the "**Indian Transaction Set**"). Using broker research and other publicly available information, Rothschild & Co analysed the EV/EBITDA multiples in the 26 selected transactions listed in the tables below involving such sectors that in Rothschild & Co's view, based on its professional judgment and experience, generally reflected similar characteristics to the Company's business operations. In the tables and descriptions below, Rothschild & Co refers to "last twelve months" as "**LTM**".

Based on its professional judgment and experience, Rothschild & Co deemed these transactions relevant to consider in relation to the Company and the Acquisition. No company, business or transaction used in this analysis is identical or directly comparable to the Company or the Acquisition. Accordingly, an evaluation of the results of this analysis is not entirely mathematical. Rather, this analysis involves complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the acquisition or other values of the companies, business segments or transactions to which the Company or the Acquisition was compared.

For the purposes of this analysis, Rothschild & Co calculated the implied EV of each of the target companies in the selected precedent transactions, based on the market and financial data of the target companies as a multiple of the estimated EBITDA of the target company in the full calendar year in which the transaction was announced, which multiples Rothschild & Co refers to as "**EV/EBITDA**".

Based on the EV/EBITDA multiples calculated for the selected transactions and on Rothschild & Co's professional judgment, Rothschild & Co applied an illustrative range of 10.5x to 12.5x to the Company's LTM EBITDA as of 30 June 2026 of $946 million for the North American Transaction Set and an illustrative range of 10.2x to 12.2x to the same LTM EBITDA as of 30 June 2026 for the Indian Transaction Set, as provided by the management of the Company and approved for Rothschild & Co's use by the Special Committee, to reach a range of implied EVs for the Company. To calculate implied equity values, Rothschild & Co then subtracted from such implied EVs: (i) the amount of the Company's debt; and (ii) estimated value of Warrants using the Black Scholes method based on 10-day VWAP as of 10 October 2025, and added the Company's (iii) cash and cash equivalents, each as provided and approved for Rothschild & Co's use by the management of the Company. Rothschild & Co then divided such implied equity values by the number of fully diluted outstanding shares of the Company, as provided and approved for Rothschild & Co's use by the management of the Company, to reach the following implied per share equity value reference ranges for the Company, as compared to the Consideration:

Multiple and Implied Value Reference Range Per Fully Diluted Share			Consideration
EV / EBITDA North American Transaction Set	10.5x to 12.5x	$6.39 to $10.89	$ 7.02
EV / EBITDA Indian Transaction Set	10.2x to 12.2x	$5.69 to $10.26	

Dividend Discount Model Analysis

Rothschild & Co performed a dividend discount model analysis for the Company in order to derive an implied per share equity value reference range for the Company if it were to remain an independent public company, and then compared this implied per share equity value reference range with the Consideration provided for in the Transaction Agreement. In this analysis, Rothschild & Co calculated a range of implied EVs for the Company by adding: (i) the projected levered free cash flow to equity that the Company was forecasted to generate for fiscal year 2027 through the end of fiscal year 2035 based on the Management Projections, discounted to present value, as of 30 June 2026, at an estimated cost of equity of 12.4%, using the mid-year discounting convention; and (ii) the present value, as of 30 June 2026, of the implied terminal value of the Company. Utilising the perpetuity growth model, Rothschild & Co estimated the terminal value of the Company by applying a capitalisation factor derived from an estimated weighted average cost of capital of 9.5% and a perpetuity growth rate of 4.0%, selected using its professional judgment and experience and informed by India's long-term forecasted inflation rate, to the Company's estimated terminal-year free cash flow to the firm ("**TY FCFF**"). TY FCFF was calculated based on the 2035E Management Projections projected forward one year, assuming no additional growth capital was required beyond the forecast period and incorporating incremental EBITDA attributable to growth capital deployed during the forecast period and the lag between such investment and the resulting EBITDA generation. This analysis resulted in an implied EV range of $9.2 billion to $10.9 billion and an implied CY2026E EV / EBITDA range of 9.1x to 10.9x.

To calculate implied equity values, Rothschild & Co then subtracted from such implied EVs: (i) the amount of the Company's debt; and (ii) estimated value of Warrants using the Black Scholes method based on 10-day VWAP as of 10 October 2025, and added the Company's (iii) cash and cash equivalents, each as provided and approved for Rothschild & Co's use by the management of the Company. Rothschild & Co then divided such implied equity values by the number of fully diluted outstanding shares of the Company, as provided and approved for Rothschild & Co's use by the management of the Company, to reach the following implied per share equity value reference ranges for the Company, as compared to the Consideration:

Implied Value Reference Range Per Fully Diluted Share	Consideration
$4.57-$8.80	$ 7.02

Other Factors

In rendering its opinion, for illustrative purposes only and not relied upon in reaching its conclusion, Rothschild & Co also reviewed and considered other factors, including:

- the premia paid in completed transactions announced since 1 January 2016 that involved the acquisition of controlling interests and subsequent delisting of public targets. Two categories of transaction were considered: (a) precedent transactions involving renewables-focused companies with transaction values exceeding $300 million; and (b) precedent transactions involving controlling shareholders acquiring remaining minority interests in listed targets, specifically all-cash transactions exceeding $100 million in transaction value. For the transactions involving renewables-focused companies with transaction values exceeding $300 million, the first (1st) and third (3rd) quartile of premia paid in these selected transactions relative to the target company's: (i) unaffected share price ranged from 11% to 45%; (ii) 30-day VWAPs ranged from 19% to 42%; and (iii) 90-day VWAPs ranged from 22% to 42%. For the transactions involving controlling shareholders acquiring remaining minority interests in listed targets, the first (1st) and third (3rd) quartile of premia paid in these selected transactions relative to the target company's (i) unaffected share price ranged from 39% to 60%, (ii) 30-day VWAPs ranged from 32% to 53%, and (iii) 90-day VWAPs ranged from 20% to 46%. After applying these first (1st) and third (3rd) quartile of premia to the Company's unaffected share price of $6.24 on 28 May 2026 (being the last trading day prior to the Initial Proposal) and the Company's 30-day and 90-day VWAPs of $5.63 and $5.30 as of 28 May 2026, respectively, the resulting implied per share price ranges were approximately $6.93 to $9.05, $6.70 to $8.00 and $6.47 to $7.53 for the Company's unaffected share price, 30-day and 90-day VWAPs, respectively, in the renewables-focused transactions, and approximately $8.67 to $9.98, $7.43 to $8.61, and $6.36 to $7.74 for the Company's unaffected share price, 30-day and 90-day VWAPs, respectively, in the squeeze-out transactions;

- historical trading VWAPs of the ReNew Shares as of 28 May 2026, noting, as a reference point, that the 30-day VWAP of the ReNew Shares was $5.63 per share and the 360-day VWAP of the ReNew Shares was $6.56 per share;
- historical closing prices of the ReNew Shares, noting, as a reference point, that the closing price of ReNew Shares ranged from $4.39 to $8.24 in the 52-week period preceding 10 August 2026; and
- based on information Rothschild & Co obtained from FactSet and from Wall Street equity research reports, three selected equity research analyst per share target prices for the ReNew Shares, noting, as a reference point, that the target prices for ReNew Shares ranged from $7.02 to $8.60.

The valuation and financial analyses set out above are not a comprehensive description of all analyses and examinations actually conducted by Rothschild & Co in connection with its opinion and are qualified in their entirety by reference to the full text of the written opinion of Rothschild & Co attached as Annex B to this document.

Preliminary Presentations

In addition to the presentation made to the Special Committee on 11 August 2026, the date on which Rothschild & Co delivered its oral opinion, as described above, Rothschild & Co made other presentations to the Special Committee on 7 May 2026, 12 June 2026, 31 July 2026, and 6 August 2026 which are referred to as the "preliminary Rothschild & Co presentations." None of the various preliminary Rothschild & Co presentations, alone or together, constitutes, or forms the basis of, an opinion of Rothschild & Co with respect to the Consideration. Information contained in the various preliminary Rothschild & Co presentations is substantially similar to the information provided in Rothschild & Co's presentation to the Special Committee on 11 August 2026, as described above. A summary of the preliminary Rothschild & Co presentations is provided below. The following summary, however, does not purport to be a complete description of the written preliminary Rothschild & Co presentations or of the preliminary financial analyses performed by Rothschild & Co.

Each of the analyses performed and included in these preliminary Rothschild & Co presentations was subject to further updating and subject to the final analyses presented to the Special Committee on 11 August 2026 by Rothschild & Co. These analyses were completed based on financial information provided by the Company's management as well as financial projections prepared by the Company's management and approved for Rothschild & Co's use at the time by the Special Committee that were current as of the dates on which Rothschild & Co performed such analyses. Such information and projections were subject to change and were subsequently refined from meeting to meeting. Additionally, each of these analyses was necessarily based on financial, economic, monetary, market, regulatory and other conditions and circumstances as they existed and as could be evaluated by Rothschild & Co as of the dates on which Rothschild & Co performed such analyses. Accordingly, the results of the financial analyses may have differed due to changes in those conditions and other information, and not all of the written and oral presentations contained all of the financial analyses included in the 11 August 2026 presentation.

Miscellaneous

The preparation of a fairness opinion is a complex process and involves various judgments and determinations as to the most appropriate and relevant valuation and financial analyses and the application of those methods to the particular circumstances involved, and therefore a fairness opinion necessarily is not susceptible to partial analysis or summary description. Rothschild & Co believes that its analyses and the summary set forth above must be considered as a whole and that selecting portions of its analyses and of the factors considered, without considering all of the described analyses and factors, would create an incomplete view of the process underlying Rothschild & Co's analyses and opinion. In arriving at its fairness determination, Rothschild & Co considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered. Rather, Rothschild & Co made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses. No company or transaction used in the analyses described above as a comparison is directly comparable to the Company or the Acquisition.

In performing its analyses, Rothschild & Co made numerous assumptions with respect to industry performance, general business and economic conditions and other matters, many of which are beyond the control of the Company. Rothschild & Co's analyses were based in part on the Management Projections and other third party research analyst estimates, which are not necessarily indicative of actual values or actual future results and which may be significantly more or less favourable than those suggested by Rothschild & Co's analyses. These analyses were prepared solely as part of the analysis performed by Rothschild & Co with respect to the fairness, from a financial point of view, to the Cash-Out Shareholders of the Consideration payable to such holders in the Acquisition pursuant to the Scheme, and were provided to the Special Committee in connection with the delivery of Rothschild & Co's opinion. The analyses do not purport to be appraisals or to reflect the prices at which a company might actually be sold or the prices at which any securities may trade at any time in the future.

As described above, Rothschild & Co's opinion, together with the financial analyses performed by Rothschild & Co in connection with its opinion and reviewed by the Special Committee, were among the many factors that the Special Committee took into consideration in making the recommendation of the Special Committee described in paragraph 3 (*Reasons for the Acquisition*) of Part II (*US Special Factors*) of this document. Rothschild & Co was not requested to, and did not, recommend any specific amount of consideration to the Special Committee or that any specific amount of consideration constituted the only appropriate consideration in the Acquisition. The amount and type of consideration payable in the Acquisition was determined through arm's-length negotiations between the Special Committee, on the one hand, and Consortium, on the other hand. Consequently, Rothschild & Co's opinion should not be viewed as determinative of the views of the Special Committee, the ReNew Board or the management of the Company with respect to the Consideration or the Acquisition, including whether the Special Committee would have been willing to determine that a different consideration was fair.

Rothschild & Co is acting as financial adviser to the Special Committee with respect to the Acquisition and will receive an aggregate fee of £ from the Company for its services, £ of which became payable upon the delivery of Rothschild & Co's opinion and £ of which is contingent upon the consummation of the Acquisition. The portion payable contingent upon the consummation of the Acquisition may be increased by the Special Committee, in its sole discretion, up to an amount equal to £ . The Company has also agreed to reimburse Rothschild & Co for certain expenses and to indemnify Rothschild & Co against certain liabilities arising out of its engagement.

In the ordinary course of their asset management, merchant banking and other business activities, Rothschild & Co's affiliates in the future may trade in the securities of the Company, members of the Consortium, and any of their respective affiliates, for their own accounts or for the accounts of their affiliates and customers, and in the future may at any time hold a long or short position in such securities. Rothschild & Co and its affiliates are engaged in a wide range of financial advisory and financial services and may in the future provide financial services to the Company, members of the Consortium, and any of their respective affiliates in the ordinary course of their businesses from time to time and may receive fees for the rendering of such services. During the two-year period ended on 30 July 2026, Rothschild & Co and/or its investment banking affiliates did not provide financial advisory services to the Company other than Rothschild & Co's financial advisory services to the Special Committee in connection with the evaluation of the potential sale, merger, take-private transaction or other business/strategic combination involving the Company, including, without limitation, the Acquisition. During the two-year period ended on 30 July 2026, an investment banking affiliate of Rothschild & Co has provided financial advisory services to Abu Dhabi Investment Authority and/or its controlled affiliates with respect to a debt advisory matter that, to its knowledge, is unrelated to the Acquisition and for which an investment banking affiliate of Rothschild & Co has received a fee of approximately $340,000. During the two-year period ended on 30 July 2026, Rothschild & Co and its investment banking affiliates have provided and are currently providing financial advisory services to CPP Investments and/or its controlled affiliates with respect to mergers and acquisitions, equity and debt advisory and restructuring matters that, to its knowledge, are unrelated to the Acquisition and for which investment banking affiliates of Rothschild & Co have received aggregate fees in the range of approximately $6.0 million to $6.5 million, with a fee of approximately $3.4 million currently being anticipated to be received within the next year by an investment banking affiliate of Rothschild & Co. During the two-year period ended on 30 July 2026, Rothschild & Co has provided financial advisory services to JERA Nex and/or its affiliates in connection with the creation of a joint venture with BP p.l.c. that is unrelated to the Company or the Acquisition and for which it was paid customary fees. Rothschild & Co's opinion was given and speaks only as of its date. Subsequent developments may affect Rothschild & Co's opinion and the assumptions used in preparing it, and Rothschild & Co does not have any obligation to update, revise, or reaffirm its opinion. Rothschild & Co's opinion was approved by the Global Advisory Commitment Committee of Rothschild & Co.

PART III
EXPLANATORY STATEMENT

(*in compliance with section 897 of the Act*)

RECOMMENDED ACQUISITION OF
RENEW BY THE PURCHASER

1 Introduction

On 11 August 2026, the Special Committee and the Consortium announced a recommended acquisition of ReNew pursuant to which the Purchaser will acquire all of the Cash-Out Shares for cash. The Acquisition is to be effected by means of a scheme of arrangement under Part 26 of the Act, which requires the approval of Scheme Shareholders and the sanction of the Court. Rollover Shares will not be transferred to the Purchaser and the Rollover Shareholders will continue to hold their Rollover Shares following the Effective Time. The Acquisition remains subject to the terms and conditions set out in Part IV (*Conditions to and Further Terms of the Scheme and the Acquisition*) of this document.

Your attention is drawn to the letter from the Special Committee, set out in Part I (*Letter from the Special Committee of ReNew Energy Global plc*) of this document, which forms part of this Explanatory Statement. The letter from the Special Committee contains, amongst other things, information on the background to and reasons for the unanimous recommendation by the Special Committee to ReNew Shareholders to vote in favour of the Scheme and the Scheme Resolution to approve and implement the Acquisition to be proposed at the Meetings.

Your attention is also drawn to the information contained in Part IV (***Conditions to and Further Terms of the Scheme and the Acquisition***) and Part VII (***Additional Information***) of this document. The Scheme is set out in full in Part X (***The Scheme of Arrangement***) at the end of this document.

The Special Committee retained Rothschild & Co which acted as financial adviser to the Special Committee in connection with the Acquisition. The purpose of this Explanatory Statement is to explain the terms of the Acquisition and to provide you with other relevant information.

ReNew Shareholders should read the whole of this document before deciding whether or not to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting and whether or not to elect for the Rollover.

2 Summary of the terms of the Acquisition

The Acquisition is to be effected by way of a Court-sanctioned scheme of arrangement under Part 26 of the Act, which requires the approval of Scheme Shareholders at the Court Meeting, the passing of the Scheme Resolution at the General Meeting and the sanction of the Court.

In accordance with the terms of the Acquisition, which will be subject to the Conditions and further terms set out in Part IV (*Conditions to and Further Terms of the Scheme and the Acquisition*) of this document, Cash-Out Shareholders at the Scheme Record Time will be entitled to receive (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees):

For each Cash-Out Share	**USD 7.02 in cash**

- the terms of the Acquisition valued the entire issued and to be issued ordinary share capital of ReNew at approximately USD 2.8 billion on a fully diluted basis and implied an enterprise value of approximately USD 10.2 billion; and
- the terms of the Acquisition represent a premium of:
    - 12.5% to the closing share price of USD 6.24 per ReNew Share on 28 May 2026 (being the last day of trading prior to the public announcement of the Initial Proposal made by the Consortium);
    - 24.7% to the volume-weighted average price of USD 5.63 per ReNew Share for the one-month period ended 28 May 2026;
    - 32.5% to the volume-weighted average price of USD 5.30 per ReNew Share for the three-month period ended 28 May 2026; and
    - 30.5% to the volume-weighted average price of USD 5.38 per ReNew Share from 15 December 2025 (being the date on which the Former Transaction Announcement was published) to 28 May 2026.

The Cash-Out Shares will be acquired by the Purchaser (or its nominee) with full title guarantee, fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third-party rights or interests whatsoever and together with all rights existing at the date of this document or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Effective Date in respect of the Scheme Shares.

3 Background to, and reasons for, the Acquisition and Benefit to Cash-Out Shareholders

Since its listing on Nasdaq on 24 August 2021, ReNew has continued to successfully grow to become one of the largest independent renewable asset owners and developers in India. During this period, ReNew has materially expanded its operating platform and financial performance, with commissioned / installed renewable capacity increasing from 5.6 GW in March 2021 (just prior to the time of listing) to on a gross basis as of . Over the same period, the Company has continued to grow its financial performance, with Adjusted EBITDA for the year ended 31 March 2026 of INR 98.5 billion, representing a healthy compound annual growth rate of 18% over the last four years.

ReNew listed on Nasdaq by way of a combination with a publicly listed special purpose acquisition vehicle at USD 10 per share; however, since listing the shares have traded materially below USD 10 for the substantial majority of the period and, in recent years, have traded at a significant and persistent discount to that price, notwithstanding the Company's continued growth in its operating platform and financial performance. Given this persistent trading below the listing price, ReNew has had limited ability to use its public equity as a source of growth capital. ReNew has therefore had to rely to a significant extent on debt issuance and asset recycling to fund growth which has resulted in an increase in debt leverage, with net debt to Adjusted EBITDA rising to 8.1x as of 31 March 2025. Increasing leverage levels resulted in ReNew being put on negative watch in September 2025 by Moody's which noted that, before factoring in any potential management countermeasures to support the rating, ReNew's consolidated financial metrics were expected to remain below the minimum tolerance level for the rating over the next 12 to 18 months from the date of such report. ReNew has also sought to manage funding needs through selling down developed assets, which has proved increasingly challenging as interest rates have risen and the time to achieve these sell-downs has become more protracted.

Since ReNew's listing on Nasdaq, the Company has also faced increased competition from better capitalised Indian competitors most of which were either already listed or have in recent years become listed on the Bombay Stock Exchange or the National Stock Exchange of India. These companies have generally traded at higher valuations than ReNew and have been able to fund growth by raising additional funds through further equity issuance. This has resulted in better capitalised local listed competitors becoming a greater threat to ReNew both in terms of competition for projects, as well as for personnel and resources.

The inability to raise equity financing to fund future growth alongside increased competition from better capitalised and more highly rated Indian listed peers has resulted in its Board recognising that ReNew's listing on Nasdaq constrains the Company and does not appropriately value its growth and prospects. In addition, the ReNew Board has considered the regulatory and reporting requirements associated with maintaining a public listing in the United States and the potential benefits of reallocating management focus and financial resources to other strategic priorities. The ReNew Board evaluated various options to address these challenges, including: an additional listing in India and a dual-listing structure. However, it became clear that any listing in India would necessarily be of an Indian subsidiary of ReNew, which would result in two listed entities within the ReNew Group, adding corporate and regulatory complexity and failing to address the underlying discount at which ReNew's shares traded on Nasdaq.

During these evaluations, the Company received a non-binding offer from the Former Consortium on 10 December 2024, to acquire the entire issued and to be issued share capital of the Company not already owned by members of the Former Consortium, for cash consideration of USD 7.07 per share. On 2 July 2025, the Company received a revised non-binding offer from the Former Consortium for the proposed acquisition, whereby the Former Consortium increased the proposed cash consideration to USD 8.00 per share. On 10 October 2025, after an extensive and comprehensive period of due diligence by the Former Consortium, as well as extensive negotiations of terms for the proposed acquisition, and the exchange of multiple drafts of the transaction agreement for the proposed acquisition between the Company and the Former Consortium, the Former Consortium made a final non-binding offer for the proposed acquisition, whereby the proposed cash consideration was increased to USD 8.15 per share. However, on 15 December 2025, certain members of the Former Consortium filed an amended beneficial ownership report on Schedule 13D with the SEC, disclosing that Masdar had confirmed to the other members of the Former Consortium that it had withdrawn from the Former Consortium. As a result, the Former Consortium could not proceed with the proposed acquisition.

The funding and undervaluation challenges facing the Company have continued since the termination of the Former Consortium offer process in December 2025. In addition, the share price reached an all-time low closing price of USD 4.50 per share on 30 March 2026. The Special Committee and the full ReNew Board have remained active in exploring options to address ReNew's undervaluation and growth funding challenges including, without limitation, exploring a listing in India of the manufacturing division; raising capital at the level of the holding company of the Company's commercial and industrial business; and selling the operations and maintenance services business. ReNew has also focussed on rationalising its growth ambitions to reflect a different macro backdrop, more competitive pricing environment as well as a need to address its high leverage levels.

CPP Investments, as the majority shareholder, indicated to the Special Committee following the termination of the offer from the Former Consortium that it wanted to remain supportive of the business. Over the course of the next few months, CPP Investments, together with its legal and financial advisers, explored various potential options that could provide a solution to address the Company's ongoing challenges, including a potential acquisition of the Company. On 28 May 2026, the Consortium submitted the Initial Proposal with an initial offer price of USD 6.75 per share. The offer from the Consortium also allows eligible shareholders to participate in the Rollover, whereby they may elect to retain their shareholding in ReNew, albeit in a private structure. The Special Committee and its advisers had numerous discussions internally and engaged extensively with the Consortium and sought improvements to the Initial Proposal. Following those negotiations, the Consortium increased its proposed offer price from USD 6.75 per share to USD 7.02 per share on 27 July 2026 (the "**Best and Final Proposal**") and subsequently, on 6 August 2026, reaffirmed that USD 7.02 per share represented its best and final proposal and that the Consortium did not, at that time, intend to sell any shares to any third party in any alternative takeover transaction. In assessing the Best and Final Proposal, the Special Committee considered, among other things, the premium represented by the proposal to ReNew's recent trading prices and relevant historical volume-weighted average prices; the valuation implied by the Best and Final Proposal; the Company's financial projections and capital requirements; its historical trading performance; relevant comparable-company and precedent-transaction valuation considerations; and the alternatives available to the Company. The offer price of USD 7.02 per share represents a premium of 12.5% to the unaffected share price of USD 6.24 per share as of 28 May 2026 (being the last day of trading prior to the public announcement of the Initial Proposal made by the Consortium), and premiums of 24.7%, 32.5% and 30.5% to the volume-weighted average price for the one-month period and three-month period ended 28 May 2026 and from 15 December 2025 (being the date on which the Former Transaction Announcement was published) to 28 May 2026, respectively. The Special Committee also considered the increase from the initial offer price of USD 6.75 per share and the Consortium's subsequent confirmation that USD 7.02 per share represented its best and final proposal.

The Special Committee extensively considered the Consortium's position that it did not, at that time, intend to sell any shares to any third party in any alternative takeover transaction and the implications of that position for the Company's ability to pursue alternative transactions. Relatedly, the Special Committee is also cognisant that throughout this protracted process, which began in December 2024, no other party (other than the Consortium or the Former Consortium) has approached the ReNew Board with an alternative proposal.

Since December 2024, the Special Committee and its advisers have engaged actively with ReNew shareholders to answer questions and ascertain views in relation to the proposals received from the Consortium and the Former Consortium. Specifically in relation to the current proposed take-private process, the Special Committee noted that the Best and Final Proposal has received irrevocable commitments from JERA Nex and Platinum Cactus, which collectively own ReNew Shares representing, in aggregate, approximately 51 per cent. of the voting power of the Scheme Shares and 32 per cent. of the voting power of ReNew Shares as at 18 September 2026.

In reaching its conclusion, the Special Committee also considered the certainty of value and the liquidity provided by the Consideration; execution certainty of the Consortium's proposal; the availability of the Rollover for eligible ReNew Shareholders wishing to retain exposure to ReNew; various macroeconomic shifts in the short, medium, and long term; and the risks and uncertainties associated with pursuing alternative strategies, including remaining an independent public company listed on Nasdaq.

For the reasons detailed above, the Special Committee believes that it is important that all ReNew Shareholders have the opportunity to vote on this offer. After detailed consideration, the Special Committee has unanimously decided to recommend that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and ReNew Shareholders vote in favour of the Scheme Resolution to be proposed at the General Meeting.

4 Chronology of material correspondence and interactions in relation to the Acquisition

The following chronology summarises the key events, correspondence and interactions that led to the signing of the Transaction Agreement between the Consortium and ReNew. This chronology does not purport to catalogue every interaction of or among members of the Special Committee, the ReNew Board, members of ReNew management, CPP Investments, the Purchaser, other members of the Consortium, their respective financial or legal advisers or any other person.

On 10 December 2024, the Company received a non-binding offer from the Former Consortium to acquire the entire issued and to be issued share capital of the Company not already owned by members of the Former Consortium, for cash consideration of USD 7.07 per share. CPP Investments and the Founder publicly disclosed this offer by amendment to their respective Schedule 13D/A on 10 December 2024.

On 11 December 2024, the ReNew Board announced that it had formed a special committee led by Manoj Singh, the Lead Independent Director, consisting of the then six independent non-executive ReNew Directors, to consider the non-binding offer received from the Former Consortium. The role of the Special Committee is to constructively explore and evaluate all strategic capitalisation and financing opportunities available to the Company, including the proposal received from the Former Consortium, and act in the interests of all investors. It was also announced that the Special Committee had retained Rothschild & Co as its independent financial advisor and Linklaters as its independent legal counsel to assist the Special Committee in fulfilling its role.

On 2 July 2025, the Company received a revised non-binding offer from the Former Consortium for the proposed acquisition, whereby the Former Consortium increased the proposed cash consideration to USD 8.00 per share. CPP Investments and the Founder publicly disclosed this revised offer by amendment to their respective Schedule 13D/A on 3 July 2025.

On 10 October 2025, after an extensive and comprehensive period of due diligence by the Former Consortium, as well as extensive negotiations of terms for the proposed acquisition, and the exchange of multiple drafts of the transaction agreement for the proposed acquisition between the Company and the Former Consortium, the Former Consortium made a final non-binding offer for the proposed acquisition, whereby the proposed cash consideration was increased to USD 8.15 per share. CPP Investments and the Founder publicly disclosed this final offer by amendment to their respective Schedule 13D/A on 10 October 2025.

On 28 October 2025, the Company announced that it had reached an agreement in principle on the key financial terms of the proposed acquisition with the Former Consortium, subject to agreeing the remaining terms and conditions of the proposed acquisition and completion of confirmatory due diligence of the Former Consortium.

On 15 December 2025, CPP Investments and the Founder filed an amendment to their respective Schedule 13D/A, disclosing that Masdar had confirmed to the other members of the Former Consortium that it had withdrawn from the Former Consortium. As a result, the Former Consortium could not proceed with the proposed acquisition.

In January 2026, the executive team of ReNew prepared a long-term business outlook for ReNew following the failure of the proposed acquisition led by the Former Consortium. The business outlook was considered by the F&O Committee on 27 January 2026 and subsequently by the full ReNew Board on 13 February 2026. Separately, the executive team of ReNew also prepared an options paper exploring potential alternatives for funding future growth, including capital reductions, the sale or spin-off of certain business units and other capital-raising options.

In the second half of January 2026, representatives of Rothschild & Co and CPP Investments held discussions, during which CPP Investments expressed its disappointment at the failure of the proposed acquisition by the Former Consortium and reiterated its intention to be supportive of ReNew's business. CPP investment also confirmed that it had started exploring potential options with its advisers to address the Company's ongoing challenges, including a potential acquisition of the Company, and sought to discuss the feedback from major shareholders in relation to the Former Consortium's offer as part of its due diligence and exploratory work. Shortly thereafter, at the request of the Special Committee, the legal advisers of ReNew and CPP Investments discussed potential structures for a take private transaction if CPP Investments were to decide to pursue one.

On 19 February 2026, during a meeting of the Special Committee, members considered a number of strategic alternatives at a high level with the advisers. The Special Committee took note of the position of CPP Investments that it was only interested in pursuing a potential take-private transaction as part of a consortium, and was not interested in selling its ReNew Shares to any third party or otherwise supporting a transaction with a third party. Against that background, the Special Committee considered that a take-private transaction may be the most preferable strategic option, whilst noting the requirement for any proposal to be diligently considered and evaluated against market input. The Special Committee also requested Rothschild & Co to prepare a paper setting out the scope of a comprehensive review of ReNew's strategic options, including the likely timeline and process for undertaking such a review, and requested Linklaters to provide preliminary guidance on the approach for evaluating and responding to any incoming offer from CPP Investments. These materials were shared with the Special Committee and discussed in mid-March 2026.

Between mid-February and early March 2026, CPP Investments continued to explore potential strategic options, including a potential take-private of the Company. As part of its exploratory work, from mid-February to end of May, CPP Investments liaised with Platinum Cactus, JERA Nex and Mr. Sinha in relation to the feasibility of a potential take-private transaction, including the go-forward governance arrangements, and kept the Chair of the Special Committee updated on the progress of those discussions.

On 10 March 2026, CPP Investments indicated to the Special Committee that, based on the progress of its exploratory discussions and subject to additional evaluation and the approval of its investment committee, it could be in a position to deliver a proposal for a take-private of ReNew by early April 2026 and requested the ability to conduct limited confirmatory due diligence in connection with its evaluation of such proposal. CPP Investments also reiterated that it would not, at that time, entertain or consider a sale of its stake to any third party, and that this would be confirmed in any proposal made.

Throughout March 2026 and into mid-April 2026, the Company and its representatives and advisers held various due diligence sessions with the Consortium and its representatives and advisers.

On 31 March 2026, representatives of CPP Investments had a call with Mr. Sinha to discuss treatment of Mr. Sinha's incentive awards in a potential take-private transaction.

On 6 April 2026, Mr. Sinha discussed go-forward governance of the Company, including director appointment mechanics and liquidity terms, with representatives of CPP Investments. Mr. Sinha and representatives of CPP Investments continued to meet regularly throughout April and May 2026 to discuss the potential take-private transaction. On 28 April 2026, representatives of each of Linklaters and Freshfields (as legal advisers of the Special Committee and CPP Investments, respectively) had a call to discuss the potential contractual terms of a take-private of ReNew by CPP Investments, during which representatives of Freshfields highlighted the possibility of an option for eligible scheme shareholders to elect to remain as shareholders of ReNew after completion of such transaction. Representatives of Freshfields also indicated to representatives of Linklaters that the Consortium expected to require irrevocable undertakings from ADIA and JERA Nex in respect of any potential transaction. Shortly following the call between representatives of each of Linklaters and Freshfields, the Chair of the Special Committee discussed the same with CPP Investments.

On 7 May 2026, during a meeting of the Special Committee, representatives of Rothschild & Co presented to the Special Committee financial analysis materials in respect of ReNew, covering, among other things, historical trading performance, equity research assessments and comparable company and precedent transaction analyses, to assist the Special Committee in assessing any potential take-private proposal. On the same day, the Chair of the Special Committee had a call with CPP Investments, during which the Chair encouraged CPP Investments to expedite the delivery of a proposal for a take-private of ReNew and noted the desirability of receiving a proposal in order to allow wider interactions with key stakeholders. These messages were further reiterated in a call between representatives of each of Rothschild & Co and Citi on 12 May 2026.

On 13 May 2026, representatives of Citi delivered a bringdown due diligence request list to representatives of Rothschild & Co, on behalf of the Consortium. Shortly thereafter and towards the end of May 2026, a number of calls took place between CPP Investments and the Chair of the Special Committee to discuss the status of any potential proposal from CPP Investments.

On 28 May 2026, the Special Committee received the Initial Proposal from the Consortium. On the same day, CPP Investments and the Founder publicly disclosed the Initial Proposal by amendment to their respective Schedule 13D/A. Also on 28 May 2026, representatives of Freshfields sent an initial draft of the Transaction Agreement to representatives of Linklaters. The initial draft of the Transaction Agreement, among other things, (i) proposed an option for eligible shareholders to retain their ownership interest in the Company in the Scheme, (ii) proposed a subjective test for determining whether a "Company Material Adverse Effect" had occurred, (iii) contained an "anti-hell or high water" regulatory efforts standard, (iv) provided for reimbursement of the Consortium's expenses in the event the transaction agreement is terminated under certain circumstances and (v) contained the Consortium's initial proposal for treatment of management's incentive awards in the proposed transaction. The Special Committee held a meeting on 29 May 2026 to, among other things, acknowledge receipt of the Consortium's Initial Proposal.

On 5 June 2026, representatives of Freshfields shared an initial draft of the Shareholders' Agreement and irrevocable undertaking with representatives of each of A&O Shearman (legal advisers to JERA Nex) and Freshfields (legal advisers to Platinum Cactus). From 5 June 2026 through 11 August 2026, representatives of Freshfields, A&O Shearman and Freshfields exchanged drafts of the Shareholders' Agreement and irrevocable undertaking, and finalised the forms of such documents. Concurrently with such negotiations, representatives of Freshfields, representatives of Anagram Partners (Indian legal advisers to Mr. Sinha), CPP Investments and Mr. Sinha continued to discuss go-forward governance of the Company, both in relation to the Shareholders' Agreement and to treatment of Mr. Sinha's incentive awards in the proposed transaction, as well as the terms of Mr. Sinha's post-Acquisition employment.

On 8 June 2026, the Chair of the Special Committee had a call with CPP Investments, during which the Chair shared certain feedback received from key public shareholders on the Initial Proposal.

Following the call between the Chair of the Special Committee and CPP Investments, still on 8 June 2026, representatives of Linklaters sent a revised draft of the Transaction Agreement to representatives of Freshfields. The key open issues reflected in the revised draft included, among other things, (i) covenants regarding ReNew's operations during the interim period, (ii) reimbursement of the Consortium's expenses in certain termination scenarios, (iii) the scope of the Company Material Adverse Effect construct (which, among other things, affects the Consortium's obligation to consummate the Acquisition) and (iv) the Consortium's obligations in relation to obtaining the requisite regulatory clearances.

On 12 June 2026, representatives of Freshfields provided initial feedback from CPP Investments on the revised Transaction Agreement to representatives of Linklaters, including that (i) the Company's proposal for determining whether a "Company Material Adverse Effect" had occurred was acceptable, (ii) the regulatory covenant changes proposed by the Company were not acceptable and (iii) the expense reimbursement should be subject to (a) a cap of $10 million and (b) no date limitation, so long as expenses benefit the proposed transaction.

Later on 12 June 2026, during a meeting of the Special Committee, representatives of Rothschild & Co presented updated financial analysis materials in light of the Initial Proposal, and representatives of Linklaters provided an update on the key open issues in the Transaction Agreement. Representatives of Rothschild & Co also relayed responses from major public shareholders of ReNew to the Special Committee, noting that a majority of shareholders who had engaged with Rothschild & Co were not satisfied with the proposed price per ReNew Share offered by the Consortium in the Initial Proposal, and that some had expressed a preference to engage directly with the Consortium on price, as well as structure of the potential take-private, including in respect of the rollover. On the same day, representatives of Linklaters and Freshfields discussed and exchanged their respective clients' positions on the key open issues in the Transaction Agreement.

During the period beginning on 15 June 2026 and through early August 2026, representatives of each of Citi, Rothschild & Co, Cyril Amarchand Mangaldas, Indian counsel to CPP Investments, CPP Investments and Company management participated in bringdown due diligence sessions.

On 16 June 2026, representatives of Rothschild & Co had a call with representatives of Citi, during which representatives of Rothschild & Co indicated that the Special Committee would not be supportive of the Initial Proposal at the proposed price per ReNew Share offered by the Consortium, and that the price would need to be increased for the Special Committee to support the Initial Proposal. Representatives of Rothschild & Co also obtained confirmation from representatives of Citi that the Consortium intended to obtain "hard" irrevocable undertakings from JERA Nex and Platinum Cactus, and urged the Consortium to engage directly with shareholders to clarify the proposed structure of the potential take-private and gain shareholder support.

On 18 June 2026, representatives of Freshfields sent representatives of Linklaters a revised draft of the Transaction Agreement, reflecting the positions negotiated over the prior weeks.

Between mid-June and end of July 2026, the Special Committee continued to engage with the Consortium, during which the parties discussed engagement with major public shareholders and timing for a revised proposal. The Special Committee (including through Rothschild & Co) urged the Consortium to submit a revised proposal for a take-private of ReNew as soon as practicable, and to confirm completion of the Consortium's bringdown due diligence exercise. During this period, Rothschild & Co also continued to provide the Special Committee with updates on the feedback received from public shareholders in relation to the Initial Proposal, which was primarily consistent with the feedback previously received and communicated to CPP Investments.

During the period and through to 11 August 2026, representatives of Freshfields and Linklaters exchanged successive revised drafts of the Transaction Agreement and continued to negotiate the remaining open points. Representatives of (i) CPP Investments and ReNew and (ii) Freshfields and Linklaters also held multiple discussions and exchanged legal drafting regarding the proposed treatment of management's incentive awards in connection with the proposed transaction. At the same time, the Company continued to progress its disclosure exercise against the warranties in the Transaction Agreement, including responding to clarificatory queries raised by the legal advisers of CPP Investments in relation to the disclosures made.

On 27 July 2026, the Special Committee received the best and final non-binding proposal from the Consortium (the "**Best and Final Proposal**"), pursuant to which the proposed price per ReNew Share offered by the Consortium was increased from USD 6.75 to USD 7.02. The Consortium also confirmed in the Best and Final Proposal that its bringdown due diligence had been substantially completed. On the same day, CPP Investments and the Founder publicly disclosed the Best and Final Proposal by amendment to their respective Schedule 13D/A.

On 31 July 2026, at a meeting of the Special Committee, representatives of Rothschild & Co presented updated financial analysis materials in light of the Best and Final Proposal. On the basis of that analysis, the Special Committee concluded that, subject to receiving an opinion from its financial adviser as to the fairness, from a financial point of view, of the consideration to be paid pursuant to the Cash Offer, and the outstanding terms of the transaction documentation being agreed, the Cash Offer was within a range which it could support.

Between 31 July and 6 August 2026, the Special Committee, through its advisers, engaged further with the advisers and representatives of the Consortium to explore the scope for further improvements to the terms of the Best and Final Proposal.

On 4 August 2026, following the expiry of the confidentiality obligations under the non-disclosure agreement dated 21 January 2025, CPP Investments entered into a further non-disclosure agreement with the Company, which did not contain any standstill provisions.

On 6 August 2026, the Consortium delivered, and publicly disclosed through amendment to their respective Schedule 13D/A, a confirmatory letter to the Special Committee, confirming that (i) the terms of the Best and Final Proposal, including the Cash Offer, remained unchanged and represented its best and final non-binding proposal, (ii) the Consortium was only interested in acquiring the shares in the Acquisition and did not, at that time, intend to sell any shares to any third party in any alternative takeover transaction, (iii) the Consortium had completed its bringdown due diligence exercise and no diligence items remained outstanding, and (iv) no further internal approvals were required for CPP Investments to enter into a binding transaction agreement. Following receipt of the confirmatory letter, the Special Committee held a meeting to discuss such confirmatory letter, during which representatives of Rothschild & Co presented updated financial analysis materials to the members of the Special Committee.

On 11 August 2026, at a meeting of the Special Committee, Rothschild & Co rendered its oral opinion to the Special Committee (subsequently confirmed by delivery of a written opinion dated 11 August 2026) as to the fairness, from a financial point of view, of the Consideration to be paid pursuant to the Cash Offer.

At a meeting of the Special Committee on 11 August 2026, the Special Committee determined that the terms of the Cash Offer, as well as the terms of the Transaction Agreement, were fair and reasonable, and resolved unanimously to recommend that Scheme Shareholders vote in favour of the Scheme at the Court Meeting and that ReNew Shareholders vote in favour of the Scheme Resolution to be proposed at the General Meeting.

Later that day, ReNew and the Consortium entered into the Transaction Agreement and, the Consortium received irrevocable undertakings from JERA Nex and Platinum Cactus to vote in favour of the Scheme at the Court Meeting and the Resolutions to be proposed at the General Meeting.

5 Summary of the terms of the Rollover

As an alternative to the Cash Offer, eligible Scheme Shareholders may elect to retain (all but not some of) their Scheme Shares, which will continue to be held by such Scheme Shareholders following the Effective Time, in lieu of such Scheme Shareholders transferring their Scheme Shares to the Purchaser and receiving the Consideration, subject to the provisions below.

Eligible Scheme Shareholders will only be able to elect for the Rollover in relation to their entire holding of Scheme Shares and not part only. If a Scheme Shareholder has elected for the Rollover, then the validity of such Election will not be affected by any alteration in the number of Scheme Shares held by such Scheme Shareholder at any time prior to the Scheme Record Time, and accordingly, such Election will (subject to the operation of the Cutback and the Maximum U.S. Rollover Percentage described below) apply in respect of all of the Scheme Shares which the Scheme Shareholder holds immediately prior to the Scheme Record Time. However, due to the operation of the Cutback and the Maximum U.S. Rollover Percentage, as explained below, it is possible that some or all of the Scheme Shares elected by an eligible Scheme Shareholder for the Rollover will become Cash-Out Shares and such Scheme Shareholder will receive the Consideration in respect of such Cash-Out Shares instead.

Scheme Shareholders who do not validly elect for the Rollover will automatically receive the full amount of the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees) for their entire holding of Scheme Shares.

Scheme Shareholders who are resident in India are not eligible to participate in the Rollover and any Elections from such Scheme Shareholders to participate in the Rollover shall be null and void and the Scheme Shares held by such Scheme Shareholders shall be deemed Cash-Out Shares for the purposes of the Scheme.

If, following the receipt of valid elections for the Rollover from Scheme Shareholders, the total number of shareholders of the Company (as determined in accordance with the Indian Companies Act 2013) immediately following the Scheme becoming Effective would be expected to exceed 200, then any Scheme Shareholder who (i) has validly delivered an election for the Rollover and (ii) holds fewer ReNew Shares than the Cutback Threshold, will be deemed not to have validly elected for the Rollover, all of such Scheme Shareholder's Scheme Shares will be Cash-Out Shares for the purposes of the Scheme and such Scheme Shareholder will be a Cash-Out Shareholder for the purposes of the Scheme (the "**Cutback**").

If, following the Cutback, the aggregate number of Scheme Shares held or beneficially owned (as applicable) by U.S. Rollover Shareholders would be expected to represent more than 9.0% of the total issued and outstanding ReNew Shares immediately following the Effective Time (the "**Maximum U.S. Rollover Percentage**"), the number of Scheme Shares held or beneficially owned (as applicable) by each U.S. Rollover Shareholder subject to the Rollover will be reduced on a *pro rata* basis (calculated by reference to each U.S. Rollover Shareholder's total holding or beneficial ownership (as applicable) of Scheme Shares as a proportion of the aggregate total of Scheme Shares held or beneficially owned (as applicable) by all U.S. Rollover Shareholders) to the minimum extent necessary to ensure that the aggregate Rollover Shares held or beneficially owned (as applicable) by all U.S. Rollover Shareholders do not exceed the Maximum U.S. Rollover Percentage. All Scheme Shares held or beneficially owned (as applicable) by a U.S. Rollover Shareholder to the extent subject to a reduction as a result of this provision will cease to be Rollover Shares and will instead be Cash-Out Shares for the purposes of the Scheme.

The entitlements for the Rollover (including the final Cutback Threshold) are expected to be determined as soon as reasonably practicable after the Election Return Time and before the Court Hearing. ReNew will give notice of such determinations by issuing an announcement through GlobeNewswire or other national news wire service and by making such announcement available on ReNew's website at https://investor.renew.com, such that Scheme Shareholders will be aware whether they are Rollover Shareholders (in whole or in part).

Pursuant to the irrevocable undertakings delivered by each of JERA Nex and Platinum Cactus in favour of the Consortium, each of JERA Nex and Platinum Cactus has undertaken, among other things, to elect to participate in the Rollover in respect of all of its Scheme Shares. Further details of the irrevocable undertakings are set out in paragraph 5 of Part VII (*Additional Information*) of this document.

6 Risks relating to the Rollover

The Rollover involves significant risks and uncertainties which have significant and variable impact on individual Scheme Shareholders, and may not be suitable for all Scheme Shareholders. Scheme Shareholders considering whether to elect for the Rollover should carefully consider the following risks:

- The Rollover Shares:
  - will, following the Scheme becoming Effective, be delisted and will not be admitted to trading on any stock exchange and will therefore be illiquid. Any assessment of the value of the Rollover Shares should therefore take into account an individual shareholder's assessment of an appropriate liquidity discount;
  - will be of uncertain value and there can be no assurance that they will be capable of being sold in the future;
  - are not freely transferable as they will be subject to contractual restrictions on transfer under the Shareholders' Agreement as set out in Annex D to this document, including a lock-up on transfers by non-controlling shareholders for an initial period, a right of first offer in favour of the controlling shareholder thereafter, and (following any future listing of ReNew India's shares in India) a requirement that sales above a minimum threshold be coordinated through periodic block trades, in each case as further described in the section entitled "*Key Terms of the Shareholders' Agreement*" in paragraph 7 below of Part III (*Explanatory Statement*) of this document; and
  - do not have a public valuation;

- the holders of Rollover Shares will be bound by the Shareholders' Agreement and will not enjoy any minority protections or other rights save for those rights provided for in the Shareholders' Agreement and the Company's articles of association and those rights prescribed by applicable law;
- as a private, unlisted company, ReNew will no longer be subject to the periodic and continuous disclosure obligations currently applicable to it (including annual reports, continuous disclosure and market announcement requirements), and holders of Rollover Shares will accordingly have significantly less visibility over ReNew's financial performance, strategy and prospects than they currently do;
- the percentage ownership of ReNew attributable to Rollover Shareholders who do not subsequently provide the cash funds required to accept their entitlements pursuant to the Additional Capital Raise or any further issue of securities by ReNew following the Effective Date, would be diluted;
- eligible Scheme Shareholders will only be able to elect for the Rollover in relation to their entire holding of Scheme Shares and not part only;
- Scheme Shareholders will have no certainty as to the percentage ownership of ReNew attributable to their Rollover Shares because the Rollover will be subject to the adjustments as detailed in the sections entitled "*Summary – The Rollover*" on pages 9 to 10 and "*Summary of the terms of the Rollover*" in paragraph 5 of Part III (*Explanatory Statement*);
- the holders of Rollover Shares will be subject to the Reorganisation. Following the Reorganisation, Rollover Shareholders will hold their interests directly in ReNew India, a private company incorporated in India. As a consequence, Rollover Shareholders will be required to comply with Indian regulatory and administrative requirements in order to hold and deal in shares of an Indian company, which will include, among other things, the requirements to obtain an Indian Permanent Account Number and to open a demat (electronic) account with a custodian to enable the Rollover Shareholders to hold the shares of ReNew India, which may require the Rollover Shareholders to submit apostilled and/or notarised (if applicable) personal documentation. Investment by a Rollover Shareholder having any direct or indirect ownership by a citizen or an entity of a country sharing a land border with India and not requiring prior government approval under the provisions of the NDI Rules, will be subject to reporting requirements specified by the Reserve Bank of India. These requirements may involve additional cost, administrative burden and delay for Rollover Shareholders. In addition, there can be no assurance as to the precise timing of the completion of the Reorganisation. Further details of the Reorganisation are set out in the section entitled "*Proposed Reorganisation*" in paragraph 7 of Part III (*Explanatory Statement*) of this document;
- following the consummation of the Acquisition, the Consortium and (with effect from completion of the Acquisition) the board of directors of ReNew at the time will evaluate the business and operations of ReNew and will consider which changes, if any, would be desirable in light of the then prevailing circumstances, including changes to ReNew's business, corporate structure, organisational documents, capitalisation, board of directors and management. In addition, the Consortium and (with effect from completion of the Acquisition) the board of directors of ReNew at the time may consider a range of alternatives, including an extraordinary corporate transaction (such as a sale or listing of ReNew and/or any of its subsidiaries on one or more stock exchanges), the purchase, sale or transfer of a material amount of assets of ReNew and/or any of its subsidiaries or other strategic transactions. There is no assurance that any such changes or transactions will or will not occur, or as to the timing thereof. Rollover Shareholders may not have the ability to impact the relevant decision-making in respect of any such changes or transactions. Further details are set out in the section entitled "*Plans for ReNew after the Acquisition*" in paragraph 6 of Part II (*US Special Factors*) of this document; and

- beneficial owners of Scheme Shares held in uncertificated form within the systems of DTC are not eligible to make an Election unless they first procure the withdrawal of their Scheme Shares from DTC and become registered holders (other than as holders in uncertificated form) in the register of members of the Company. The withdrawal process requires such beneficial owners to notify their broker, bank or other nominee, execute requisite documentation and pay requisite processing fees, the costs of which will be borne by the relevant beneficial owners. Similarly, holders of Depositary Receipts who wish to make an Election must first procure that the Scheme Shares represented by their Depositary Receipts are registered by reference to a separate designation in the register of members of the Company, which requires notification to the Company and Computershare, the execution of requisite documentation and the payment of requisite processing fees, the costs of which will be borne by the relevant holders. The Company is unable to assure such beneficial owners or holders of Depositary Receipts how long it will take to complete (i) the withdrawal of Scheme Shares from DTC and re-registration of the beneficial owners as registered holders or (ii) the re-registration of Scheme Shares represented by Depositary Receipts by reference to a separate designation, as this will depend on factors outside the Company's control, including the cooperation of third parties such as the relevant broker, bank or other nominee, DTC and Computershare. There can be no guarantee that the withdrawal and/or re-registration process will be completed in sufficient time to enable the relevant beneficial owner or holder of Depositary Receipts to make an Election by the Election Return Time, in which case such person would not be able to participate in the Rollover and would instead receive the Consideration in cash for all of their Scheme Shares. Please note that you will have a minimum of 80 calendar days from the publication of this document to complete the required withdrawal and/or re-registration and, following that, complete and return or submit your Combined Form of Election.

The Special Committee has not asked Rothschild & Co to address, and Rothschild & Co's opinion does not address, the Rollover.

The Special Committee cannot form an opinion as to whether or not the terms of the Rollover are fair and reasonable and is not making any recommendation to Scheme Shareholders as to whether or not they should elect for the Rollover.

Scheme Shareholders should consider whether the Rollover is a suitable alternative in light of their own personal circumstances and investment objectives and are, therefore, strongly recommended to seek their own independent financial, tax and legal advice before deciding whether to elect for the Rollover.

7 Proposed Reorganisation

It is intended that, shortly following the Effective Date and completion of the delisting of the ReNew Shares from Nasdaq, the ReNew Group and ReNew India will implement a reorganisation (the "Reorganisation") pursuant to which, among other things, the Rollover Shareholders and the members of the Consortium will become direct shareholders of ReNew India, ReNew's Indian operating subsidiary, in place of their indirect interests currently held through ReNew. The Reorganisation will be implemented in the steps summarised under the section entitled "Key Terms of the Reorganisation Wrapper Deed" below, and will be governed by the Shareholders' Agreement and the Reorganisation Wrapper Deed, agreed forms of which have been settled between, among others, ReNew, CPP Investments, the Founder and ReNew India for execution on or around the Effective Date, and as set out in Annex E to this document.

In order to implement the Reorganisation without requiring each Rollover Shareholder to execute the Shareholders' Agreement as set out in Annex D to this document and the Reorganisation Wrapper Deed as set out in Annex E to this document individually, the Scheme provides that, with effect from the Effective Time, each Rollover Shareholder irrevocably appoints the Purchaser and/or any one or more of its directors or agents as its attorney and/or agent to execute and deliver, as a deed, on its behalf a counterpart of each of the Shareholders' Agreement and the Reorganisation Wrapper Deed. Further details of this power of attorney are set out in Part X (*The Scheme of Arrangement*) of this document. By voting in favour of the Scheme and electing for the Rollover, a Scheme Shareholder will be treated as having authorised the grant of this power of attorney and as having agreed to become bound by the Shareholders' Agreement as set out in Annex D to this document and the Reorganisation Wrapper Deed as set out in Annex E to this document (in each case, in its capacity as a Continuing Investor) with effect from the Effective Time.

In connection with the Reorganisation, and prior to the Effective Date, ReNew will propose resolutions at the General Meeting to, with effect from the Effective Date: (i) vary the rights attaching to the Class C Ordinary Shares so that they carry the same, or substantially equivalent, voting rights as the Class A Ordinary Shares; (ii) amend ReNew's Articles to: (a) permit distributions to be made otherwise than pro rata among ReNew's shareholders; and (b) ensure that any right to appoint, elect, remove or replace (or to vote for the appointment, election, removal or replacement of) the directors of the Company vests in one or more named entities appointed by each of CPP Investments and each other shareholder in the Company having director appointment rights in accordance with the terms of the Shareholders' Agreement as set out in Annex D to this document); and (iii) authorise the issuance of Class A Ordinary Shares up to an aggregate nominal amount of USD in connection with the Additional Capital Raise, in each case to facilitate the steps of the Reorganisation described below. Further details of the Resolutions to be proposed at the General Meeting are set out in Part XII (*Notice of General Meeting*) of this document. Separately, it is expected that, as part of the Reorganisation, Rollover Shareholders will be invited to subscribe for their pro rata entitlement of newly issued Class A Ordinary Shares for an aggregate subscription amount to be determined by CPP Investments and ReNew, the proceeds of which are expected to be applied, among other things, towards the settlement of certain existing indebtedness of the ReNew Group (the "**Additional Capital Raise**"). This capital raise will be fully underwritten by CPP Investments or one of its Affiliates. Rollover Shareholders who do not subscribe for their pro rata entitlement will be diluted as a result, as further described in the section entitled "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*) of this document.

Following the steps described above, it is intended that ReNew will transfer its entire remaining holding of shares in ReNew India to the members of the Consortium and the other Continuing Investors, pro rata to their respective economic (rather than voting) interests in ReNew, at fair market value (the "**Collapse**"). The consideration for the Collapse will not be settled in cash on completion, but will instead be left outstanding as receivables owed by the Consortium and the Continuing Investors to ReNew, which ReNew intends to distribute in specie to the Consortium and the Continuing Investors (following a reduction of ReNew's share capital to create the necessary distributable reserves) in satisfaction of those receivables. As part of the same process, it is intended that ReNew will buy back and cancel its Class B Ordinary Share and Class D Ordinary Share. Following completion of the Collapse, ReNew Shareholders will hold their interest in the ReNew Group directly through ReNew India rather than through ReNew, and it is the current intention of the Consortium that ReNew will thereafter be wound up by way of a members' voluntary liquidation. As a consequence of the Collapse, Continuing Investors will be required to comply with Indian regulatory and administrative requirements in order to hold and deal in shares of an Indian company, which will include, among other things, the requirements to obtain an Indian Permanent Account Number and to open a demat (electronic) account with a custodian to enable the Rollover Shareholders to hold the shares of ReNew India, which may require the Rollover Shareholders to submit apostilled and/or notarised (if applicable) personal documentation. Investment by a Rollover Shareholder having any direct or indirect ownership by a citizen or an entity of a country sharing a land border with India and not requiring prior government approval under the provisions of the NDI Rules, will be subject to reporting requirements specified by the Reserve Bank of India.

The foregoing description of the Reorganisation does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Legal Steps Plan and the Reorganisation Wrapper Deed as set out in Annex E to this document.

Furthermore, in order to assist with your understanding of the steps required for the Reorganisation, a structuring paper providing a graphic illustration of the steps comprising of the Reorganisation is set out in Annex F to this document.

The tax consequences of the Reorganisation are complex and will depend upon the particular circumstances of individual Scheme Shareholders. This document contains only a summary of certain Indian tax considerations in relation to the Reorganisation, which does not constitute tax advice and does not purport to be a full analysis of all potential Indian tax consequences of the Reorganisation, and does not contain any tax considerations of any other jurisdiction. Scheme Shareholders who are in any doubt about their taxation position, or who may be subject to taxation in any jurisdiction, are strongly advised to consult their own independent financial, tax and legal advisers regarding the tax consequences of the Reorganisation for their particular circumstances before taking any action.

Key Terms of the Shareholders' Agreement

The Shareholders' Agreement will be entered into between, among others, CPP Investments, the Founder, the Continuing Investors, ReNew and ReNew India, and will take effect from the Effective Date. Until completion of the Collapse, the Shareholders' Agreement governs the parties' rights as shareholders of ReNew (as well as, indirectly, of ReNew India); from completion of the Collapse, it governs the parties' rights as shareholders of ReNew India directly.

Board composition and appointment rights under the Shareholders' Agreement are determined by reference to each shareholder's percentage economic interest in the relevant company: broadly, a shareholder (or group of affiliated shareholders) holding more than 50 per cent., or 40 per cent. or more and the single largest interest, is entitled to appoint as many directors as it determines, and a shareholder holding ten per cent. or more is entitled to appoint one director. For an initial period following the Effective Date, the Founder is entitled to be chairman of the board (and, following that period, vice-chairman) for so long as the Founder continues to hold more than 2.5 per cent. of the relevant company (calculated after taking account of vested equity awards) and remains chief executive officer, chairman or vice-chairman, and the Founder is entitled to be the initial chief executive officer.

Shareholders will be entitled to receive dividends from available cash on a pro rata basis in accordance with the ReNew Group's distribution policy.

Certain major and significant decisions of the ReNew India group (including, among other things, material acquisitions and disposals, changes to constitutional documents, incurrence of borrowings above an agreed leverage threshold, related party transactions and auditor appointments and, in the case of the most significant decisions, issuances of new shares otherwise than pro rata, amendments to the Shareholders' Agreement or the articles of association that would have a material adverse effect on shareholders, winding-up, and distributions outside the agreed distribution policy) require the prior consent of shareholders holding, respectively, 87.6 per cent. or 95 per cent. of the relevant equity interests.

The Shareholders' Agreement restricts transfers of shares by shareholders other than the controlling shareholder for a three-year lock-up period (subject to customary exceptions, including transfers to affiliates), and thereafter, and until any future listing of ReNew India's shares in India, gives the controlling shareholder a right of first offer in respect of proposed transfers by other shareholders. Shareholders also benefit from customary tag-along rights (allowing them to participate in a proposed sale by the controlling shareholder or the largest shareholder) and are subject to customary drag-along rights (requiring them to sell their shares if the controlling shareholder agrees to sell a majority stake to a third party), in each case on the same terms as the relevant selling shareholder.

Following any future listing of ReNew India's shares in India, sales by shareholders holding above a minimum threshold will, for a restricted period, be required to be coordinated through periodic block trades.

The Shareholders' Agreement also entitles the Founder to require ReNew India (or ReNew, as applicable) to purchase a limited amount of the Founder's shares and vested equity awards for cash on an annual basis, and provides the Founder with further liquidity rights following the Effective Date and in connection with any future listing of ReNew India's shares in India.

The Shareholders' Agreement does not have a fixed term. It terminates automatically if all shares become held by a single shareholder or shareholder group, or on completion of a listing of ReNew India's shares in India, and a shareholder otherwise ceases to be a party to it when it transfers all of its shares in accordance with the Shareholders' Agreement.

The foregoing description of the Shareholders' Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Shareholders' Agreement, as set out in Annex D to this document.

Key Terms of the Reorganisation Wrapper Deed

The Reorganisation Wrapper Deed will be entered into between, among others, CPP Investments, the Purchaser, the Continuing Investors, the Founder, ReNew and ReNew India, simultaneously with the Shareholders' Agreement, and sets out the parties' agreement as to the implementation of the Reorganisation in accordance with the Legal Steps Plan.

The principal steps of the Reorganisation to be implemented pursuant to the Reorganisation Wrapper Deed, which are expected to take place as soon as practicable following the Effective Date, are summarised below:

- re-registration of ReNew as a private limited company, and redemption of ReNew's outstanding preference shares;
- the Additional Capital Raise (as described above) to be undertaken by CPP Investments and, to the extent they elect to participate, the Continuing Investors in new Class A Ordinary Shares (as described above), the proceeds of which will be applied by ReNew, among other things, towards the settlement of certain existing indebtedness of the ReNew Group;
- the Collapse, being the transfer by ReNew of its remaining shares in ReNew India to the Consortium and the Continuing Investors pro rata to their economic interests, at fair market value, satisfied by leaving the consideration outstanding as receivables (as described above);
- a reduction of ReNew's share capital to create distributable reserves, the buyback and cancellation of the Class B Ordinary Share and the Class D Ordinary Share, and the distribution by ReNew of the receivables arising on the Collapse to the Consortium and the Continuing Investors in satisfaction of those receivables; and
- following completion of the foregoing steps, it is the current intention of the Consortium that ReNew will be wound up by way of a members' voluntary liquidation. Implementation of the Reorganisation is also conditional on, and coordinated with, receipt of any anti-trust or foreign direct investment approvals required in connection with the Reorganisation, which the Consortium intends to seek concurrently with the anti-trust and foreign direct investment approvals required as Conditions to the Acquisition.

The Reorganisation Wrapper Deed will terminate automatically if the Shareholders' Agreement terminates in accordance with its terms, and a party will otherwise cease to be bound by the Reorganisation Wrapper Deed if it ceases to be a party to the Shareholders' Agreement.

The foregoing description of the Reorganisation Wrapper Deed does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the Legal Steps Plan and the Reorganisation Wrapper Deed, as set out in Annex E to this document.

Furthermore, in order to assist with your understanding of the steps required for the Reorganisation, a structuring paper providing a graphic illustration of the steps comprising of the Reorganisation is set out in Annex F to this document.

8 Financing and Expenses

The Purchaser anticipates that it will expend a maximum of approximately USD 625 million, net of fees, to acquire the Cash-Out Shares for USD 7.02 per Cash-Out Share (assuming none of the Scheme Shareholders elect for the Rollover). The Purchaser has, or will have, available to it, funds necessary to satisfy all of the Purchaser's payment obligations under the Transaction Agreement and resulting from the transactions contemplated thereby, which CPP Investments intends to satisfy from its existing cash resources. The obligations of the Purchaser to consummate the Acquisition are not subject to any financing condition.

The Purchaser expects to incur approximately USD million in fees and expenses in connection with the transactions contemplated by the Transaction Agreement, consisting primarily of legal and other professional fees.

ReNew estimates expenses in the aggregate of approximately USD million to be incurred in connection with its financial advisory, legal and accounting fees, SEC filing fees, together with the cost of preparing, printing and mailing this document. The estimated expenses are summarised below:

Estimated Expenses	Amount
Financial advisory, legal and accounting fees	$
SEC filing fees	$
Printing, proxy solicitation and mailing costs	$
Estimate Total	**$**

9 Irrevocable Undertakings

In connection with the Acquisition, JERA Nex and Platinum Cactus, who collectively hold approximately 51 per cent. of the voting power of the Scheme Shares and 32 per cent. of the voting power of ReNew Shares as at 18 September 2026, have each delivered an irrevocable undertaking in favour of the Consortium, pursuant to which each has agreed, among other things, to (i) exercise (or procure the exercise of) all voting rights attaching to its ReNew Shares (the "**Relevant Securities**") in favour of the Scheme, the Acquisition and the related resolutions at the Court Meeting and the General Meeting (and against any resolution to adjourn the relevant shareholder meetings, amend the Scheme, or which is likely to result in a Condition not being fulfilled, impede or frustrate the Scheme, or prevent the Scheme from becoming Effective), (ii) if the Acquisition is implemented by way of an Offer, accept (or procure acceptance of) that Offer in respect of its Relevant Securities, (iii) elect to participate in the Rollover in respect of all of its Relevant Securities, (iv) refrain from disposing of, or dealing in, its Relevant Securities, from acquiring further ReNew Shares, from entering into third-party arrangements relating to its Relevant Securities, and from taking any action that would restrict its ability to control the exercise of rights attaching to its Relevant Securities, in each case, other than pursuant to the Acquisition, and (v) cooperate in the implementation of the Reorganisation to be undertaken after the Effective Date and enter into the related Shareholders' Agreement and other documents required to implement the Reorganisation, and provide reasonable cooperation in connection with obtaining required regulatory clearances (subject to customary confidentiality and privilege carve-outs).

Each irrevocable undertaking will lapse in specified circumstances, including if the Transaction Agreement is terminated, if the Scheme lapses or is withdrawn, if the Scheme does not become Effective (or, if applicable, the Offer does not become or is not declared unconditional) by the Long Stop Date, or if a competing offer for the entire issued and to be issued share capital of the Company becomes effective or is declared unconditional.

The foregoing description of the irrevocable undertakings does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the irrevocable undertakings have been attached as Exhibits (d)(8) and (d)(9) to the Schedule 13E-3 to which this document is attached.

12 Interests of the Consortium and its Affiliates in the Scheme and effects thereon

As of 18 September 2026, members of the Consortium (together with their Affiliates) held 194,864,934 ReNew Shares (comprising 76,501,166 Class A Shares, one Class B Share, 118,363,766 Class C Shares, and one Class D Share) representing approximately 56.3 per cent. of the Economic Interest in ReNew and approximately 37.1 per cent. of the total voting rights of ReNew of the issued share capital of ReNew. The ReNew Shares in which members of the Consortium (and/or their Affiliates) are interested will not form part of the Scheme Shares and, as such, members of the Consortium and their Affiliates will not be permitted to vote such ReNew Shares at the Court Meeting. However, members of the Consortium and their Affiliates will be permitted to vote such ReNew Shares at the General Meeting. Furthermore, the ReNew Shares held by members of the Consortium (and/or their Affiliates) will not be transferred to the Purchaser (and/or its nominees) upon the Scheme becoming Effective and will not entitle members of the Consortium (and/or their Affiliates) to receive any Consideration.

Ms. Vaishali Nigam Sinha is Mr. Sinha's spouse, a co-founder of ReNew and the observer appointed by Mr. Sinha to the ReNew Board. Based on the Form 4 filed by Mr. Sinha on 15 September 2026, Ms. Sinha beneficially owns 585,527 Class A Ordinary Shares, including Class A Ordinary Shares held and Class A Ordinary Shares issuable upon the exercise or settlement of Awards within 60 days of 18 September 2026.

The Consortium will be requested to undertake to the Court that it will be bound by the Scheme. Upon the Scheme becoming Effective it is expected that, based on the number of ReNew Shares in issue at 18 September 2026 and assuming that none of the Scheme Shareholders (other than JERA Nex and Platinum Cactus) elect for the Rollover, the Existing Consortium Shareholders will own 278,184,075 ReNew Shares (comprising 159,820,307 Class A Shares, one Class B Share, 118,363,766 Class C Shares, and one Class D Share) representing approximately 77.7% of the Economic Interest in ReNew and approximately 67.9 per cent. of the total voting rights of ReNew, and 100 per cent. of the Cash-Out Shares in aggregate.

13 ReNew's current trading and prospects

Since its inception in 2011, ReNew has devoted substantially all of its resources to developing, building, owning and operating utility-scale wind energy projects, utility-scale solar energy projects, hydro energy projects, utility-scale firm power projects and corporate energy projects. As of 30 June 2026, ReNew's portfolio consisted of ~ 20.5 GWs, compared to ~ 18.2 GWs as of 30 June 2025. ReNew's commissioned capacity has increased ~17 per cent. year-over-year to ~13.1 GWs as of 30 June 2026.

As of 30 June 2026, ReNew had cash and cash equivalents of USD 233 million, bank balances other than cash and cash equivalents of USD 579 million and deposits with maturities of more than 12 months (forming part of other financial assets) of USD 19 million. ReNew has earned a net profit of USD 63 million for the three months ended 30 June 2026.

ReNew operates in a capital-intensive industry. ReNew expects to fund the construction and development of its projects with a combination of cash flows from operations, debt financings and equity financings, but its ability to arrange for such financing remains subject to various factors, including those affecting the macroeconomic environment. Additionally, the majority of ReNew's revenue is attributable to units of power that it sells, and therefore its results of operations are affected by the tariffs it charges for the units of power that it sells. In line with government policies, most Indian states have moved towards the competitive bidding model for determining tariffs, which has led to a decrease in tariff rates as the lowest bidder wins the project. Although tariff rates vary from state to state, tariffs have declined significantly for both wind and solar energy power over the years, and ReNew's ability to estimate costs and competitively bid for projects will affect its results of operations.

14 ReNew Equity Awards

Under the ReNew Share Plans, outstanding Awards (other than those held by Mr. Sumant Sinha) will be treated as follows, conditional on receipt of the Court Order:

- ID Awards, awards held by former employees (including persons who become former employees following the date of the Transaction Agreement) whose Awards have not lapsed upon their departure in accordance with the terms of the ReNew Share Plans and which remain outstanding immediately prior to the Court Order and Non-Resident Awards will immediately vest (to the extent not already vested) and become exercisable upon the Court Order. Any such Award that remains unexercised as of the Scheme Record Time will lapse and terminate on the Effective Date, and the holder will instead receive a cash amount equal to the product of (i) the number of Class A Ordinary Shares underlying such Award multiplied by (ii) the Consideration minus the per share exercise price, less any deductions or withholdings in respect of Tax required by applicable law;
- ITM Awards that have equal to or less than a six-month vesting period remaining as of the Effective Date will immediately vest and, subject to the Exercise Cap and pro rata provisions described in the next bullet, become exercisable upon the Court Order ("**Accelerated ITM Awards**");
- Accelerated ITM Awards and any ITM Awards vested prior to the Court Order (together, the "**Exercisable ITM Awards**") may be exercised prior to the Scheme Record Time, provided that, as a condition of exercise the holder agrees the combined amount of Exercisable ITM Awards and Non-Resident Awards exercised may not exceed the Exercise Cap. If the number of such Awards elected to be exercised prior to the Scheme Record Time exceeds the Exercise Cap, the number of Exercisable ITM Awards exercised by current employees shall be reduced on a pro rata basis, calculated by reference to each holder's total holding of Exercisable ITM Awards as a proportion of the aggregate amount of Exercisable ITM Awards held by all such holders (excluding any Exercisable ITM Awards held by former employees, which shall, to the extent reasonably practicable, include any Awards held by a person who becomes a former employee following the date of the Transaction Agreement);

- any Exercisable ITM Awards that remain unexercised or unsettled as of the Scheme Record Time and any ITM Awards with more than six but less than 12 months of vesting remaining as of the Effective Date, will lapse and terminate on the Effective Date, and the holder will instead be granted, within five Business Days following the Effective Date, replacement awards vesting on the 12-month anniversary of the Effective Date, using the Conversion Ratio under the New Incentive Plan, and, subject to the leaver terms set out below, remaining exercisable until 22 August 2031 (or, if the IPO (as defined in the Shareholders' Agreement) has not taken place by such date, the later of the 12-month anniversary of the IPO and 31 December 2035);
- in each case where a holder is granted a replacement award under the New Incentive Plan (other than a replacement award granted in respect of an Underwater Option), and such holder's employment ends for any reason other than cause within 12 months of the Effective Date, in respect of the portion of the replacement award that would have vested on or before the cessation date under the original award's vesting schedule, the holder may elect to either: (i) retain that portion of the replacement award that would have vested on or before the cessation date under the original award's vesting schedule with it remaining exercisable until 31 December 2035; or (ii) receive a cash payment (payable through payroll and subject to any deductions or withholdings in respect of Tax required by applicable law) equal to the number of Class A Ordinary Shares underlying that portion of the replacement award multiplied by the Consideration minus the aggregate per share exercise price attributable to the shares, with the remaining portion of the replacement award immediately being forfeited and terminating;
- where a holder is granted a replacement award under the New Incentive Plan in respect of an Exercisable ITM Award or any other ITM Award that has been replaced under the New Incentive Plan pursuant to the arrangements described in this paragraph, and such holder ceases to be employed by the Company or any of its Subsidiaries more than 12 months after the Effective Date (other than cessation for cause, meaning fraud or gross misconduct), the holder shall retain the right to exercise any vested replacement awards until 31 December 2035;
- Underwater Options will be replaced, within five Business Days following the Effective Date, with replacement awards under the New Incentive Plan using the Conversion Ratio. Such replacement awards will vest on a schedule of 75% on the 12-month, 12.5% on the 18-month and 12.5% on the 24-month anniversaries of the Effective Date, in each case subject to the relevant holder's continued employment with the Company or any of its Subsidiaries on the applicable vesting date, and any such vested replacement award will remain exercisable until 31 December 2035 (unless such holder's employment is terminated for cause, meaning fraud or gross misconduct);
- all other Awards will be replaced, within five Business Days following the Effective Date, with replacement awards under the New Incentive Plan on substantially the same vesting terms as the original Award, using the Conversion Ratio, which, to the extent it becomes vested, will remain exercisable until 22 August 2031 (or, if the IPO (as defined in the Shareholders' Agreement) has not taken place by such date, the later of the 12-month anniversary of the IPO and 31 December 2035), subject to the leaver terms set out above and to any applicable law;
- the exercise price per share of each replacement award shall be set using the USD/INR exchange rate on the Effective Date, except that options granted on 23 August 2021 in exchange for prior group stock options will retain their original INR exercise price; and
- the Consortium and ReNew have agreed that Awards exercised or settled between receipt of the Court Order and the Scheme Record Time will be cash-settled (subject to deduction of the exercise price, where applicable) and paid, and cash amounts payable in respect of Awards that lapse and terminate on or before the Effective Date will be paid, through payroll (subject to statutory withholdings). The cost of any such cash amounts will be funded by CPP Investments or the Purchaser paying such amounts directly to the Company in exchange for the issuance by the Company of additional Class A Ordinary Shares at a price per share equal to the Consideration. See the section entitled "*Settlement*" in paragraph 20 of this Part III (*Explanatory Statement*).

Mr. Sumant Sinha has agreed that he will not exercise any Awards or his annual liquidity right pursuant to section 6 of the Registration Rights, Coordination and Put Option Agreement dated 23 August 2021, prior to the Effective Date. With effect from the Effective Date, Mr. Sinha's outstanding Awards under the ReNew Share Plans will lapse and be replaced under the New Incentive Plan:

- ITM Awards will be replaced with equivalent awards subject to equivalent terms, save that any vested replacement awards remain exercisable until 2035;
- Underwater Options will be replaced with equivalent options subject to equivalent terms, save that 50% will vest on the Effective Date and the remaining 50% will vest in four equal half-yearly instalments of 12.5% each, and vested replacement awards over Underwater Options remain exercisable until 2037; and

- existing RSUs or PSUs with a nominal exercise price of USD 0.0001 will be replaced with a number of replacement RSUs or PSUs to be determined in accordance with a calculation method prescribed in the New CEO Service Agreement, subject to equivalent terms, and will remain exercisable until 2035.

Other than as described above, Awards held by the ReNew Directors, will be treated in the same way as the Awards held by other participants in the ReNew Share Plans.

15 Post-Closing Management Compensation Arrangements

In connection with the Acquisition, the Consortium and ReNew have agreed the material terms of the compensation arrangements that are proposed to apply, with effect from the Effective Date, to certain senior members of ReNew's management (excluding Mr. Sumant Sinha, whose separate arrangements are described in the section entitled "*ReNew Equity Awards"* in paragraph 14 above and the section entitled "*Interests of ReNew Non-Employee Directors and Executive Officers*" in paragraph 6 of Part VII (*Additional Information*)) (the "**Management Compensation Proposal**"). The Management Compensation Proposal will be implemented through the New Incentive Plan (on terms no less favourable than the existing ReNew Share Plan) following the Effective Date, and its principal terms include: (i) the grant, on or around the Effective Date, of a pool of 9,000,000 new options under the New Incentive Plan with an exercise price equal to the Consideration converted into Indian Rupees at the USD/INR exchange rate on the Effective Date, vesting over four years, on a schedule of 25 per cent. on the 12-month anniversary of the Effective Date and the remaining 75 per cent. in equal quarterly instalments thereafter (80 per cent. time-based and 20 per cent. performance-based) and remaining exercisable until 31 December 2037; (ii) an annual cash-settled liquidity right in respect of vested awards, subject to an aggregate cap of the INR equivalent of USD 5,000,000 per annum across all participants (rising to USD 10,000,000 if no IPO of ReNew India or a ReNew Group company on an Indian stock exchange has occurred by the third anniversary of the Effective Date) until all awards held by individual participants as at the Effective Date are liquidated, terminating on completion of an IPO of ReNew India or a ReNew Group company on an Indian stock exchange; and (iii) tag-along rights mirroring the provisions of the Shareholders' Agreement, on the exercise of which all subsequent liquidity cap and exercise restrictions applicable to the relevant awards will cease. The Management Compensation Proposal remains subject to finalisation of the underlying plan documentation, and the specific allocations to individual participants of the option pool referred to above are to be agreed between the Chief Executive Officer and the Remuneration Committee following the Effective Date.

16 Cash Incentivisation Arrangements

ReNew and the Consortium agreed under the Transaction Agreement that ReNew may carry out annual (or other periodic) pay reviews, one-off bonus awards, including awards made on hiring, pay negotiations, recruitment and promotion rounds in the ordinary course of business and consistent with past practice in all material respects.

ReNew and the Consortium agreed under the Transaction Agreement that in relation to the annual bonus plan (which is conditional on financial / individual performance) operated by ReNew:

- any bonus determinations in respect of any financial year ending before the Effective Date will be undertaken by ReNew and determined in line with its usual processes to verify and approve bonuses and in accordance with its remuneration policy (where applicable) and consistent with ReNew's normal practice, such bonuses shall be paid by ReNew or its relevant subsidiary in cash on the normal bonus payment date; and

- in respect of the financial year in which the Effective Date occurs:

  (i) bonus determinations for the period from the start of the financial year up to and including the Effective Date will be undertaken by ReNew on or around the Effective Date based on existing performance conditions and, provided the relevant individual was a company employee on the Effective Date, paid by ReNew or its relevant Subsidiary in cash (with no deferral); and

  (ii) bonus determinations for the period from the day after the Effective Date to the end of the relevant financial year will be undertaken shortly after the end of the relevant financial year based on existing performance conditions (or such performance conditions that are established after the Effective Date consistent with ReNew's normal practice), and paid by ReNew or its relevant subsidiary in cash.

17 Structure of the Acquisition

(a) The Scheme

It is intended that the Acquisition will be effected by way of the Scheme. The Scheme is an arrangement made between ReNew and the Scheme Shareholders under Part 26 of the Act. The provisions of the Scheme are set out in full in Part X (*The Scheme of Arrangement*) of this document. The Scheme involves an application by ReNew to the Court to sanction the Scheme pursuant to which the Cash-Out Shares will be transferred to the Purchaser (and/or its nominees), in consideration for the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees). Rollover Shares will not be transferred to the Purchaser and the Rollover Shareholders will continue to hold their Rollover Shares following the Effective Time. The transfer of the Cash-Out Shares to the Purchaser, provided for in the Scheme, will result in all of the Cash-Out Shares being held by the Purchaser.

The expected timetable of principal events for the Acquisition and Scheme is set out on page 7 of this document. It is currently expected that the Scheme will become Effective in the first quarter of 2027, subject to the satisfaction or (where applicable) waiver of all the relevant Conditions.

(b) ReNew Shareholder approvals

The Scheme is subject to the approval of Scheme Shareholders at the Court Meeting. As at the Latest Practicable Date, there were Class A Ordinary Shares issued and outstanding, held directly by shareholders. ReNew Shares in which members of the Consortium are interested will not be eligible to be voted on the resolution at the Court Meeting to approve the Scheme and the Scheme will not apply to such ReNew Shares.

It is important that, for the Court Meeting, as many votes as possible are cast so that the Court may be satisfied that there is a fair representation of the opinion of the Scheme Shareholders. You are therefore urged to complete and return your Form of Proxy, make an electronic appointment of a proxy or appoint a proxy via telephone as soon as possible.

In addition, the Acquisition will require the approval of the Scheme Resolution by the ReNew Shareholders at the General Meeting. The General Meeting has been convened to consider and, if thought fit, to authorise the ReNew Directors to implement the Scheme and to approve the adoption of certain amendments to the Articles in accordance with the Scheme and in the manner described in paragraph (d) below. The General Meeting will be held shortly after the Court Meeting.

(i) The Court Meeting

The Court Meeting has been convened for (UK time) on for Scheme Shareholders to consider and, if thought fit, approve the Scheme.

At the Court Meeting, voting will be by poll (and not a show of hands) and each Scheme Shareholder present, in person or by proxy, will be entitled to one vote for each Scheme Share held as at the Scheme Voting Record Time. The approval required at the Court Meeting is a majority in number of the Scheme Shareholders representing not less than 75 per cent. in value of the total number of Scheme Shares (or the relevant class or classes thereof, if applicable) in each case present, entitled to vote and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting that may be required by the Court or at any adjournment of any such meeting.

A quorum will be present if at least two Scheme Shareholders entitled to vote as at the Scheme Voting Record Time are present, in person or represented by proxy.

(ii) The General Meeting

The General Meeting has been convened for (UK time) on or as soon thereafter as the Court Meeting has been concluded or adjourned, for ReNew Shareholders to consider and, if thought fit, pass, the following Resolutions:

- the Scheme Resolution to give the ReNew Directors the authority to take all necessary actions to carry the Scheme into effect, and to amend the Articles, with effect from the passing of the resolution, to ensure that any ReNew Shares issued after the Scheme Record Time (other than to any member of the Consortium and/or any of their nominees) will be subject to the Scheme or otherwise transferred to the Purchaser (or its nominees);
- the Reorganisation Resolution to amend the Articles, with effect from the Effective Date, to ensure that (X) the rights of the Class C Ordinary Shares are varied such that the Class C Ordinary Shares will have the same, or substantially equivalent, rights to the Class A Ordinary Shares; and (Y) any right to appoint, elect, remove or replace (or to vote for the appointment, election, removal or replacement of) the directors of the Company vests in one or more named entities appointed by each of CPP Investments and each other shareholder in the Company having director appointment rights in accordance with the terms of the Shareholders' Agreement;
- the Additional Capital Resolution to authorise the issuance of Class A Ordinary Shares up to an aggregate nominal amount of USD in connection with (i) the funding by the Purchaser to the Company of the costs in relation to the cash settlement of Awards exercised or settled between receipt of the Court Order and the Scheme Record Time as set out in further detail in paragraph 14 (*ReNew Equity Awards*) of Part III (*Explanatory Statement*) of this document and (ii) the Additional Capital Raise;
- the Pre-emption Resolution to disapply pre-emption rights in relation to the issuance of Class A Ordinary Shares pursuant to the Additional Capital Resolution; and
- the Re-registration Resolution to re-register the Company as a private limited company under the relevant provisions of the Act, to take effect following the Effective Date and the completion of the delisting of the ReNew Shares from Nasdaq.

Voting on the Resolutions will be by poll (and not a show of hands), and each ReNew Shareholder present, in person or by proxy, will be entitled to one vote for every ReNew Share held as at the Scheme Voting Record Time.

The approval required for the Scheme Resolution, the Reorganisation Resolution, the Pre-emption Resolution and the Re-registration Resolution to be passed is at least 75 per cent. of the votes cast (either in person or by proxy). The approval required for the Additional Capital Resolution to be passed is at least a majority of the votes cast (either in person or by proxy).

A quorum will be present if at least two ReNew Shareholders entitled to vote as at the Scheme Voting Record Time are present, in person or represented by proxy**.** Abstentions and broker non-votes will be considered in determining the presence of a quorum at the General Meeting.

Entitlement to attend, speak and vote at the Meetings and the number of votes which may be cast at the Meetings will be determined by reference to the register of members of ReNew at the Scheme Voting Record Time. Scheme Shareholders whose names appear on the register of members of ReNew at 5.30 p.m. (Eastern Standard Time) on or, if the Court Meeting is adjourned, 5.30 p.m. (Eastern Standard Time) on the day which is five Scheme Business Days before the date of such adjourned meeting, shall be entitled to attend, speak and vote at the Court Meeting in respect of the number of Scheme Shares registered in their name at the Scheme Voting Record Time. ReNew Shareholders whose names appear on the register of members of ReNew at 5.30 p.m. (Eastern Standard Time) on or, if the General Meeting is adjourned, on the register of members at 5.30 p.m. (Eastern Standard Time) on the date falling five Scheme Business Days before the date set for the adjourned meeting, shall be entitled to attend, speak and vote at the General Meeting in respect of the number of ReNew Shares registered in their name at the Scheme Voting Record Time.

You will find the Notices of the Court Meeting and of the General Meeting set out on pages 225 to 228 (*Notice of Court Meeting*) and pages 229 to 240 (*Notice of General Meeting*) of this document, respectively.

(c) Court Hearing

Under the Act, the Scheme also requires the sanction of the Court.

The Court Hearing is currently expected to take place in the first quarter of 2027.

The Scheme will become Effective as soon as a copy of the Court Order has been delivered to the Registrar of Companies. This is currently expected to occur in the first quarter of 2027.

If the Scheme becomes Effective, it will be binding on all Scheme Shareholders, including Scheme Shareholders who did not vote to approve the Scheme or who voted against the Scheme at the Court Meeting and/or who did not vote to approve the Scheme Resolution or who voted against the Scheme Resolution at the General Meeting.

Unless the Scheme becomes Effective by the Long Stop Date, it will lapse and the Acquisition will not proceed (unless extended with the agreement of CPP Investments and ReNew and, if required, the approval of the Court).

(d) Amendment to the Articles in respect of the Scheme

The Scheme Resolution to be proposed at the General Meeting contains provisions to amend the Articles to ensure that any ReNew Shares issued: (i) between the General Meeting and the Scheme Record Time (other than to any member of the Consortium and/or any such member's Affiliates) will be subject to the Scheme; and (ii) after the Scheme Record Time (other than to any member of the Consortium and/or any such member's Affiliates) will automatically be acquired by the Purchaser on the same terms as under the Scheme.

(e) Modifications to the Scheme

The Scheme contains a provision for ReNew and CPP Investments to consent on behalf of all persons concerned to any modification of, or addition to, the Scheme or to any condition approved or imposed by the Court. The Court would be unlikely to approve any modification of, or additions to, or impose a

condition to the Scheme which might be material to the interests of the ReNew Shareholders unless ReNew Shareholders were informed of such modification, addition or condition. It would be a matter for the Court to decide, in its discretion, whether or not a further meeting of Scheme Shareholders should be held in these circumstances.

(f) Conditions to the Acquisition

The Acquisition is subject to the Conditions and further terms set out in full in Part IV *(Conditions to and Further Terms of the Scheme and the Acquisition*) of this document.

The implementation of the Scheme and the Acquisition is conditional upon the satisfaction (or waiver, if permissible) of the following:

- the Effective Date not occurring prior to 23 August 2026 (which condition has been satisfied);
- approval of the Scheme by a majority in number of the Scheme Shareholders representing not less than 75 per cent. in value of the Scheme Shares (or the relevant class or classes thereof, if applicable) in each case present, entitled to vote and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting that may be required by the Court or at any adjournment of any such meeting;
- the passing of the Scheme Resolution by ReNew Shareholders representing not less than 75 per cent. of the total voting rights of ReNew Shareholders present, entitled to vote and voting, either in person or by proxy, at the General Meeting or at any adjournment of that meeting;
- the sanction of the Scheme by the Court with or without modification (but subject to any non-de minimis modifications being acceptable to ReNew and CPP Investments, acting reasonably and in good faith) and, following such sanction, the delivery of a copy of the Court Order to the Registrar of Companies;
- anti-trust approval and clearance having been obtained in India and foreign direct investment approvals and clearances having been obtained in Belgium and France; and
- no injunction, restraining order or other order or any other legal or regulatory restraint or prohibition having been issued or made by any Governmental Authority of competent jurisdiction or any other person which prevents the consummation of the Acquisition.

In addition, the Consortium and ReNew have agreed that their obligations to give effect to the Acquisition will be conditional upon the satisfaction (or waiver, if permissible) of the following Conditions:

- The Consortium's obligation to consummate the Acquisition is conditional upon:
    - except as Disclosed (which for this purpose shall not be deemed to be qualified by any facts, matters or circumstances Disclosed in the company supplemental disclosure letter), the accuracy of the warranties made by ReNew in the Transaction Agreement both as at the date of the Transaction Agreement and the date immediately preceding the Court Hearing as though made at that time (except for any such warranties made as at a particular date or period, which warranties must be true and correct only as at that date or period), subject in most cases to either a materiality standard or a Company Material Adverse Effect;

- ReNew not being in material breach of its obligations under the Transaction Agreement that are required to be performed by it at or prior to the date immediately preceding the Court Hearing;
- since the date of the Transaction Agreement, no Effect having occurred that has had, or would be reasonably expected to have, individually or in the aggregate with all other Effects, a Company Material Adverse Effect that is continuing as of the date immediately preceding the Court Hearing;
- the Consortium having received a certificate from an executive officer or director of ReNew as of the date immediately preceding the Court Hearing confirming the satisfaction of the Conditions set forth in the first three bullet points above; and
- ReNew having obtained the written approval of Natixis, Singapore Branch in respect of the Transaction pursuant to the facility letter between the Company and Natixis, Singapore Branch and the general terms and conditions thereunder dated 8 May 2024, with such approval, being unconditional and/or on terms reasonably satisfactory to CPP Investments, or having obtained written confirmation from Natixis, Singapore Branch that their approval is not required in respect of the Transaction (which condition has been satisfied).

- ReNew's obligation to consummate the Acquisition is conditional upon:
  - the accuracy of the warranties made by CPP Investments in the Transaction Agreement both as at the date of the Transaction Agreement and the date immediately preceding the Court Hearing as though made at that time (except for any such warranties made as at a particular date or period, which warranties must be true and correct only as at that date or period), subject to the failure of such warranties to be true and correct not preventing the ability of CPP Investments to consummate the Acquisition;
  - CPP Investments not being in material breach of its obligations under this Agreement that are required to be performed by it at or prior to the date immediately preceding the Court Hearing; and
  - ReNew having received a certificate from an executive officer or director of CPP Investments as of the date immediately preceding the Court Hearing confirming the satisfaction of the Conditions set forth in the two bullet points above.

At this stage, subject to the approval and availability of the Court (which is subject to change), and subject to the satisfaction (or, where applicable, waiver) of the Conditions, ReNew expects that the Scheme will become Effective in the first quarter of 2027.

Further details on the Conditions are set out in Part IV (*Conditions to and Further Terms of the Scheme and the Acquisition*) of this document.

18 Voting Intentions and Interests of ReNew Directors and Executive Officers and the effect of the Scheme on their Interests

It is currently expected that all ReNew Directors and ReNew's executive officers who are Scheme Shareholders and/or ReNew Shareholders (as applicable) and are entitled to vote, will vote their ReNew Shares in favour of the Scheme at the Court Meeting and in favour of the Scheme Resolution at the General Meeting. As a member of the Consortium, Sumant Sinha will not be a Scheme Shareholder and will not be entitled to vote at the Court Meeting but will be a ReNew Shareholder and therefore will be entitled to vote at the General Meeting. Any ReNew Directors who are members of the Special Committee and who hold ReNew Shares will be both Scheme Shareholders and ReNew Shareholders and will therefore be entitled to vote at the Meetings.

ReNew Directors and executive officers have interests in the Acquisition that may be different from, or in addition to, the interests of ReNew Shareholders generally. These interests include: (i) the treatment of their outstanding Awards under the ReNew Share Plans (including, in the case of Mr. Sumant Sinha, bespoke replacement award arrangements under the New Incentive Plan), (ii) the post-closing management compensation arrangements agreed between the Consortium and ReNew and applicable to senior members of ReNew's management (other than Mr. Sumant Sinha); (iii) eligibility for certain severance payments and benefits; and (iv) continued indemnification and directors' and officers' liability insurance. For further information, see the sections entitled "*ReNew Equity Awards*" in paragraph 14 of Part III (*Explanatory Statement*) and "*Post-Closing Management Compensation Arrangements*" in paragraph 15 of Part III (*Explanatory Statement*) and "*Interests of ReNew Non-Employee Directors and Executive Officers*" in paragraph 6 of Part VII (*Additional Information*).

19 Delisting and re-registration

Upon the Scheme becoming Effective, ReNew will apply to Nasdaq for the delisting of the ReNew Shares from Nasdaq and deregister the ReNew Shares under the Exchange Act. Upon completion of the deregistration, ReNew's reporting obligations under the Exchange Act will be terminated.

As soon as practicable after the Effective Date and completion of the delisting of the ReNew Shares from Nasdaq, it is intended that ReNew will be re-registered as a private limited company under the relevant provisions of the Act.

20 Settlement

Subject to the Scheme becoming Effective (and except as provided in paragraph 22 of Part III (*Explanatory Statement*) in relation to certain Overseas Shareholders), settlement of the Consideration to which any Cash-Out Shareholder is entitled under the Scheme will be effected in the following manner by the Paying Agent:

(a) Consideration

(i) Cash-Out Shares in uncertificated form

Each holder of record of one or more uncertificated Cash-Out Shares held within the systems of DTC shall automatically upon the Effective Time be entitled to receive, and the Purchaser shall procure the Paying Agent to pay and deliver to DTC or its nominee as soon as practicable and in any event by no later than 14 days after the Effective Date, in respect of each such uncertificated Cash-Out Share, a cash amount by wire transfer of immediately available funds in U.S. dollars equal to the Consideration.

As from the Scheme Record Time, each holding of Cash-Out Shares credited to any account with DTC will be disabled and all Cash-Out Shares will be removed from DTC in due course.

(ii) Cash-Out Shares in certificated form (including Scheme Shares represented by Depositary Receipts)

Scheme Shareholders who hold their Scheme Shares in certificated form (including DTC Withdrawal Scheme Shareholders) must complete Part II (*Letter of Transmittal*) of the Combined Form of Election, which will be separately mailed to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Corporate Actions; Attn: Mandatory Corporate Actions, P.O. Box 43014, Providence, RI 02940-3014, or if by express mail, courier or other expedited service, to Computershare at C/O Mandatory Corporate Actions; COY: RNGP, 150 Royall Street, Suite 101, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ . In each case, all share certificates and Depositary Receipts representing such Scheme Shareholders' Scheme Shares must be returned by mail, express mail, courier or other expedited service (as applicable) to the relevant address set out above, either together with the complete Part II (*Letter of Transmittal*), or independently if the complete Part II (*Letter of Transmittal*) is submitted electronically. Both items must be returned or submitted by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) ten Business Days prior to the date of the Court Hearing.

If any such share certificate(s) or Depositary Receipt(s) are found to be missing, the relevant holder must instead deliver an affidavit of lost securities and settle the relevant surety bond premium and any relevant processing fee as required by Computershare. All such returns (or, where applicable, the delivery of the affidavit and settlement of related payments) must be made by no later than the Election Return Time, in order to receive the Consideration to which the relevant holder is entitled under the Scheme.

Cash-Out Shareholders who hold their Cash-Out Shares in certificated form will not receive the Consideration to which they are entitled under the Scheme unless and until they have complied with the requirements set out above.

As soon as practicable and in any event by no later than 14 days after the later of: (i) the Effective Date; and (ii) Computershare having received a completed Part II (*Letter of Transmittal*) of the Combined Form of Election and the share certificate(s) or Depositary Receipt(s) (or, where any of these are missing, the delivery of the affidavit and settlement of related payments), the Purchaser shall procure that payment of a cash amount equal to the Consideration in respect of each certificated Cash-Out Share is made by the Paying Agent to the relevant Cash-Out Shareholder.

All such cash payments will be made in U.S. dollars. Payments shall be made by way of cheque, provided that a Cash-Out Shareholder who has (i) completed and submitted Part II (*Letter of Transmittal*) of the Combined Form of Election electronically through the online portal and (ii) elected to receive the Consideration by way of wire transfer shall instead receive payment by wire transfer of immediately available funds. Payments made by way of wire transfer pursuant to this provision shall be made net of the applicable wire transfer fee, being USD 100 for wire transfers within the United States and USD 200 for wire transfers outside the United States.

Cash-Out Shareholders who are unable to encash the cheque sent to them should notify the Paying Agent at and provide any information required by the Paying Agent. In such cases, payments will be made by the Paying Agent to the relevant Cash-Out Shareholders by way of wire transfer of immediately available funds, net of the applicable wire transfer fee.

All deliveries of cheques pursuant to the Scheme shall be effected by sending the same by first class post (or international standard post or airmail, if overseas) in return envelopes addressed to the persons entitled to them at their respective registered addresses as appearing in the register of members of ReNew at the Scheme Record Time or, in the case of joint holders, at the address of that one of the joint holders whose name stands first in such register in respect of such joint holding at the Scheme Record Time. All cheques shall be made payable to the relevant Cash-Out Shareholder(s) concerned.

In the case of Cash-Out Shareholders who have not encashed cheques sent to them within 12 months after the date of such cheques, the Consideration due to such Cash-Out Shareholders under the Scheme shall be remitted to the Purchaser to be held on behalf of such Cash-Out Shareholders for a period of 12 years from the Effective Date. None of ReNew, the Purchaser, the Consortium, any of their nominee(s) or any of their respective agents shall be responsible for any loss or delay in the transmission of cheques sent in this way, and such cheques shall be sent entirely at the risk of the person entitled thereto.

(iii) Cash settlement of Awards through payroll

Awards exercised or settled between receipt of the Court Order and the Scheme Record Time will be cash-settled (subject to deduction of the exercise price, where applicable) and paid, and cash amounts payable in respect of Awards that lapse and terminate on or before the Effective Date will be paid, to the relevant participants through payroll (subject to statutory withholdings). The cost of any such cash amounts will be funded by CPP Investments or the Purchaser paying such amounts directly to the Company in exchange for the issuance by the Company of additional Class A Ordinary Shares at a price per share equal to the Consideration.

(b) General

All documents and remittances sent to, or from, by or on behalf of ReNew Shareholders will be sent entirely at their own risk. With effect from the Effective Time, each certificate representing Cash-Out Shares and each Depositary Receipt representing Cash-Out Shares will cease to be a valid document of title.

None of the Company, the Purchaser, any other member of the Consortium, the Paying Agent nor any of their respective agents shall have any responsibility or liability for any act or omission of Computershare or Cede & Co. (in their capacity as registrar, nominee or otherwise in connection with the arrangements for the Depositary Receipts and for Cash-Out Shares held within the systems of DTC) in receiving, holding or forwarding any Consideration, or any document relating to Cash-Out Shares represented by Depositary Receipts or held within the systems of DTC, to the relevant holder of Depositary Receipts or Beneficial Cash-Out Shareholder (as applicable), or for any delay in, or failure of, any such receipt, holding or forwarding, save that this shall not affect the Company's obligations, if any, to Computershare under the arrangements governing the Depositary Receipts and the Cash-Out Shares with beneficial owners.

Payments of the Consideration will be subject to any deductions or withholdings in respect of Tax required by applicable law. Further details in respect of certain deductions or withholdings in respect of Indian taxes that may be required by applicable law are set out in Part V (*Certain Indian Tax Considerations*) of this document.

Settlement of the Consideration to which any Cash-Out Shareholder is entitled under the Scheme will be implemented in full in accordance with the terms of the Scheme free of any lien, right of set-off, counterclaim or other analogous right to which the Purchaser might otherwise be, or claim to be, entitled against such Cash-Out Shareholder.

21 No Appraisal Rights

If the Scheme becomes Effective, it will be binding on all Scheme Shareholders, including Scheme Shareholders who did not vote to approve the Scheme or who voted against the Scheme at the Court Meeting and/or who did not vote to approve the Scheme Resolution or who voted against the Scheme Resolution at the General Meeting. If Scheme Shareholders approve the Scheme and the Court sanctions the Scheme, no ReNew Shareholder will have "dissenters" or "appraisal" rights or otherwise have any right to seek a court appraisal of the value of ReNew Shares. If the Scheme becomes Effective, all Cash-Out Shareholders will receive the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees) and all Rollover Shareholders will continue to hold their Rollover Shares.

22 Overseas Shareholders

(a) General

This document has been prepared for the purposes of complying with English law and U.S. securities law and the information disclosed may not be the same as that which would have been disclosed if this document had been prepared in accordance with the laws of jurisdictions outside the United Kingdom and the United States.

This document does not constitute an offer to sell or issue or the solicitation of an offer to buy or subscribe for shares in any jurisdiction in which such offer or solicitation is unlawful.

Overseas Shareholders should consult their own legal and tax advisers with respect to the legal and tax consequences of the Scheme.

The availability of the Acquisition to Overseas Shareholders may be affected by the laws of the relevant jurisdictions in which they are located. Overseas Shareholders should inform themselves about and should observe any applicable legal or regulatory requirements. It is the responsibility of all Overseas Shareholders to satisfy themselves as to the full compliance of the laws of the relevant jurisdiction in connection therewith, including the obtaining of any governmental, exchange control or other consents which may be required, or the compliance with other necessary formalities which are required to be observed and the payment of any issue, transfer or other taxes due in such jurisdiction.

The release, publication or distribution of this document and/or any accompanying documents in or into or from jurisdictions other than the United Kingdom or the United States may be restricted by law and therefore any persons who are subject to the law of any jurisdiction other than the United Kingdom or the United States should inform themselves about, and observe, any applicable legal or regulatory requirements. In particular, the ability of persons who are not resident in the United Kingdom to vote their ReNew Shares with respect to the Scheme at the Meetings, or to appoint another person as proxy may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities laws of any such Restricted Jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person or any other failure to satisfy any applicable laws, regulations or requirements.

Unless otherwise determined by the Purchaser, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Acquisition by any such use, means, instrumentality or form within any jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this document and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this document and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

Persons who are not resident in the United Kingdom or the United States should inform themselves of, and observe, any applicable legal and regulatory requirements.

(b) Securities laws

Copies of this document and any formal documentation relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in or into or from any Restricted Jurisdiction or any jurisdiction where to do so would constitute a violation of the laws of such jurisdiction and persons receiving such documents (including custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of the Acquisition.

Neither this document nor the accompanying documents are intended to, and do not, constitute or form part of any offer or invitation to purchase, otherwise acquire, subscribe for, sell or otherwise dispose of, any securities or the solicitation of any vote or approval pursuant to the Scheme or otherwise, in any jurisdiction in which such offer, invitation or solicitation is unlawful. Nothing in this document or the accompanying documents should be relied upon for any other purpose.

This document and the accompanying documents have been prepared for the purposes of complying with English law and the information disclosed may not be the same as that which would have been disclosed if this document had been prepared in accordance with the laws of jurisdictions outside the United Kingdom and the United States. **Overseas Shareholders should consult their own legal and tax advisers with regard to the legal and tax consequences of the Scheme for their particular circumstances**.

All ReNew Shareholders (including, without limitation, nominees, trustees or custodians) who would, or otherwise intend to, forward this document and its accompanying documents to any jurisdiction outside the United Kingdom and United States, should seek appropriate independent professional advice before taking any action.

(c) Additional information for U.S. investors

The Acquisition is to be implemented by way of a scheme of arrangement under Part 26 of the Act. If, in the future, ReNew consents to the Acquisition being implemented by way of an Offer, subject to the terms of the Transaction Agreement, and determines to extend the Offer into the U.S., the Acquisition will be made in compliance with applicable U.S. laws and regulations, including any applicable exemptions under the Exchange Act.

It may be difficult for U.S. ReNew Shareholders to enforce their rights and any claim arising out of the U.S. federal securities laws, because ReNew is located in a country outside of the U.S., and some or all of its officers and directors are residents of countries outside of the U.S. U.S. ReNew Shareholders may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. securities laws. Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's judgment.

ReNew Shareholders that are U.S. Holders (as defined below) also should be aware that the transaction contemplated herein may have tax consequences in the U.S. A summary of certain U.S. taxation consequences of the implementation of the Scheme for certain ReNew Shareholders is set out in paragraph 10 of Part VII (*Additional Information*) of this document. That summary does not constitute tax advice and does not purport to be a full analysis of all potential United States tax consequences of the Acquisition. ReNew Shareholders who are in any doubt about their taxation position, or who are subject to taxation in a jurisdiction outside of the United Kingdom and United States are strongly advised to contact an appropriate independent professional adviser immediately.

23 United Kingdom and United States Taxation

A summary of certain United Kingdom and United States taxation consequences of the implementation of the Scheme for certain ReNew Shareholders is set out in paragraph 10 of Part VII (*Additional Information*) of this document.

That summary does not constitute tax advice and does not purport to be a full analysis of all potential United Kingdom and United States tax consequences of the Acquisition. ReNew Shareholders who are in any doubt about their taxation position, or who are subject to taxation in a jurisdiction outside of the United Kingdom and the United States are strongly advised to contact an appropriate independent professional adviser immediately.

24 Certain Indian Tax Considerations

Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares should note that the transaction contemplated herein may have tax consequences in India. Such Indian tax considerations could potentially have important implications for Cash-Out Shareholders, Beneficial Cash-Out Shareholders and holders of Depositary Receipts in respect of Cash-Out Shares who are not Indian tax resident.

A summary of certain important Indian tax considerations of the implementation of the Scheme for certain Cash-Out Shareholders and Beneficial Cash-Out Shareholders is set out in Part V (*Certain Indian Tax Considerations*) of this document.

Such Indian tax considerations could potentially have important implications for Cash-Out Shareholders and Beneficial Cash-Out Shareholders who are not Indian tax resident, which may include deductions or withholdings on account of Indian tax being made from the Consideration payable to Cash-Out Shareholders and Beneficial Cash-Out Shareholders.

Accordingly, all Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares are advised to carefully review and consider the summary set out in Part V (*Certain Indian Tax Considerations*) and, where there is any uncertainty, to discuss with an appropriate independent professional adviser immediately.

In particular, Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares who are not tax resident in India shall:

(1) if applicable, complete the Indian Tax Self-Declaration contained in Part XIII (*Indian Tax Self-Declaration*) of this document, in accordance with the instructions set out in Part XIII (*Indian Tax Self-Declaration*) of this document and either (i) return it by post (properly insured) or (ii) submit it via a designated online portal to the Purchaser or an agent designated by the Purchaser, in each case by no later than the Indian Tax Self-Declaration Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) 15 Business Days prior to the date of the Court Hearing; and

(2) notify the Company in writing if any of their Scheme Shares are held through a custodian account in India. Absent such notification, such Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares are deemed to have confirmed that none of their Cash-Out Shares are held through a custodian account in India.

The summary of Indian tax considerations set out in Part V (*Certain Indian Tax Considerations*) does not constitute tax advice and does not purport to be a full analysis of all potential Indian tax consequences of the Acquisition. Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares who are in any doubt about their taxation position, or who are subject to taxation in a jurisdiction outside of India are strongly advised to contact an appropriate independent professional adviser immediately.

25 Actions to be taken

You will find enclosed with this document:

- a Form of Proxy labelled "Court Meeting Proxy Form" for use in respect of the Court Meeting on ;
- a Form of Proxy labelled "General Meeting Proxy Form" for use in respect of the General Meeting on ; and
- a return envelope.

If you have not received these documents, please call the ReNew Shareholder helpline at (800) 662-5200 for those within the U.S., and (203) 658-9400 for those outside the U.S. Lines are open Monday to Friday (except public holidays) between 8.30 a.m. and 5.30 p.m. (EST).

Scheme Shareholders are asked to complete and return the Forms of Proxy (or appoint a proxy electronically or online as referred to in this document) in accordance with the instructions printed thereon as soon as possible, but in any event prior to the applicable deadlines set out in those Forms of Proxy.

Scheme Shareholders who hold their Scheme Shares in certificated form (including DTC Withdrawal Scheme Shareholders) will receive a Combined Form of Election from Computershare separately.

Holders of Depositary Receipts will receive instructions from Broadridge on how to give directions about the voting of the underlying ReNew Shares. If you hold Depositary Receipts, you must follow these instructions in order for your ReNew Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than 11.59 p.m. (EST time) on . Following receipt of the directions, such directions will be passed on by the registered holder of the ReNew Shares underlying the Depositary Receipts to ReNew's agent, which will be deemed to constitute an instruction to vote the applicable ReNew Shares in accordance with the directions of the holders of the Depositary Receipts. Since holders of Depositary Receipts are not Scheme Shareholders or ReNew Shareholders registered in the register of members, holders of Depositary Receipts may not vote at the General Meeting and the Court Meeting, in each case unless they request and obtain a legal appointment as proxy from Computershare. If Broadridge does not receive valid voting directions from a holder of Depositary Receipts by the applicable deadline referred to above, the ReNew Shares underlying that holder's Depositary Receipts will not be voted at the relevant Meeting, and no proxy will be given to vote them on a discretionary basis.

There are certain ReNew Shares that are held within the systems of DTC. Beneficial owners of ReNew Shares whose interests in such ReNew Shares are held in the name of a broker, bank or other nominee within the systems of DTC will receive voting instructions from Broadridge or their broker, bank or nominee for the Court Meeting and/or General Meeting. If you are such a beneficial owner, you must follow these instructions in order for your Scheme Shares to be voted. The instructions will also explain how you may revoke any previous directions. In order to be valid, the voting directions must be received no later than (UK time) on (in the case of the Court Meeting) or (UK time) on (in the case of the General Meeting). Any voting direction submitted to ReNew or its agent by such beneficial owner (or on their behalf) in accordance with these instructions will be deemed to constitute an instruction to vote the applicable Scheme Shares and/or ReNew Shares in accordance with the directions of such beneficial owner. Since beneficial owners are not Scheme Shareholders or ReNew Shareholders registered in the register of members, if you are a beneficial owner of Scheme Shares you may not vote at the Court Meeting, and if you are a beneficial owner of ReNew Shares you may not vote at the General Meeting, in each case unless you request and obtain a legal appointment as proxy from your broker, bank or other nominee.

Forms of Proxy

Whether or not you intend to attend the Court Meeting and/or the General Meeting, please complete and sign both Forms of Proxy in accordance with the instructions printed thereon and return them by post using the return envelope provided, during normal business hours only, to Broadridge at 51 Mercedes Way, Edgewood, NY11717, so as to be received as soon as possible and in any event not later than (UK time) on in the case of the Court Meeting and (UK time) on in the case of the General Meeting. Your vote will be cast as specified on the applicable Form of Proxy.

If the Form of Proxy labelled "Court Meeting Proxy Form" for the Court Meeting is not lodged by such time, it may be handed to the Chairman of the Court Meeting before the start of the Court Meeting. However, in the case of the General Meeting, unless the Form of Proxy labelled "General Meeting Proxy Form" is lodged so as to be received by (UK time) on , it will be invalid. The completion and return of the Forms of Proxy or the electronic appointment of a proxy or the appointment of a proxy via telephone will not prevent you from attending the Court Meeting or the General Meeting and voting in person, if you so wish and are so entitled.

Scheme Shareholders entitled to attend and vote at the Court Meeting may appoint a proxy electronically by logging on to www.ProxyVote.com or (from within the United States of America) by telephone on 1-800-454-8683 and entering the 16-digit control number shown on their form of proxy labelled "Court Meeting Proxy Form". Full details of the procedure to be followed to appoint a proxy electronically are given on the website.

For an electronic or telephone proxy appointment to be valid, the appointment must be made by no later than:

- on in the case of the General Meeting; and
- on in the case of the Court Meeting,

or, in the case of either meeting being adjourned, no later than 48 hours (excluding any part of a day that is not a Scheme Business Day) before the time fixed for the holding of the adjourned meeting.

Notices convening the Court Meeting and the General Meeting are set out on pages 225 to 228 (*Notice of Court Meeting*) and pages 229 to 240 (*Notice of General Meeting*) of this document, respectively.

It is important that as many votes as possible are cast at the Court Meeting so that the Court may be satisfied that there is a fair representation of Scheme Shareholder opinion. You are therefore strongly encouraged to sign and return the Form of Proxy labelled "Court Meeting Proxy Form" for the Court Meeting as soon as possible. You are also encouraged to sign and return the Form of Proxy labelled "General Meeting Proxy Form" for the General Meeting at the same time as the Form of Proxy labelled "Court Meeting Proxy Form" for the Court Meeting.

Part I (Rollover Election) of the Combined Form of Election

As an alternative to the Cash Offer, eligible Scheme Shareholders may elect for the Rollover, pursuant to which they would continue to hold their Rollover Shares. Eligible Scheme Shareholders will only be able to elect for the Rollover in relation to their entire holding of Scheme Shares and not part only. However, due to the operation of the Cutback and the Maximum U.S. Rollover Percentage, as explained in paragraph 5 of Part III (*Explanatory Statement*) of this document, it is possible that some or all of the Scheme Shares elected by an eligible Scheme Shareholder for the Rollover will become Cash-Out Shares and such Scheme Shareholder will receive the Consideration in respect of such Cash-Out Shares instead.

If you are eligible and wish to elect for the Rollover in respect of your Scheme Shares, you must complete Part I (*Rollover Election*) of the Combined Form of Election, which will be separately mailed to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Voluntary Corporate Actions; COY: RNGP, P.O. Box 43011, Providence, RI 02940-3011, or if by express mail, courier or other expedited service, to Computershare at C/O Voluntary Corporate Actions; COY: RNGP, 150 Royall Street, Suite V, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ , in each case by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) ten Business Days prior to the date of the Court Hearing. The instructions set out in Part I (*Rollover Election*) of the Combined Form of Election constitute part of the terms of the Scheme.

If you do not return or submit a Combined Form of Election with a completed Part I (*Rollover Election*) by the Election Return Time, you will receive Consideration in cash for all the Scheme Shares that you hold at the Scheme Record Time. If you wish to receive cash for all the Scheme Shares that you hold at the Scheme Record Time, you are not required to complete Part I (*Rollover Election*) of the Combined Form of Election.

Only Scheme Shareholders (other than Scheme Shareholders resident in India), who are holders of Scheme Shares in the register of members of the Company, are eligible to make an Election. Any person who becomes a Scheme Shareholder after the Election Return Time will not be eligible to elect for the Rollover and their Scheme Shares will be treated as Cash-Out Shares.

Beneficial owners of Scheme Shares held in uncertificated form within the systems of DTC are NOT eligible to make an Election and will receive the Consideration for all of their Scheme Shares. If you are a beneficial owner of Scheme Shares held in uncertificated form within the systems of DTC and you wish to make an Election, you must first procure the withdrawal of all such Scheme Shares from DTC and be entered as a registered holder (other than as a holder in uncertificated form) in the register of members of the Company. To effect such withdrawal, you must notify your broker, bank or other nominee who holds your Scheme Shares of your intention, and follow their instructions including executing any requisite documentation and paying any requisite processing fees.

If you are a holder of Depositary Receipts and you wish to make an Election, you must first procure that the Scheme Shares represented by your Depositary Receipts are registered by reference to a separate designation in the register of members of the Company. To effect such re-registration, you must notify the Company and Computershare of your intention, and follow their instructions including executing any requisite documentation and paying any requisite processing fees.

The Company is unable to assure beneficial owners of Scheme Shares or holders of Depositary Receipts how long it will take to complete (i) the withdrawal of Scheme Shares from DTC and re-registration of the beneficial owners as registered holders or (ii) the re-registration of Scheme Shares represented by Depositary Receipts by reference to a separate designation, as this will depend on factors outside the Company's control, including the cooperation of third parties such as the relevant broker, bank or other nominee and DTC. Beneficial owners of Scheme Shares and holders of Depositary Receipts who wish to make an Election are therefore strongly recommended to act as soon as possible and, in any event, sufficiently in advance of the Election Return Time to allow any required withdrawal and/or re-registration to be completed in time. Please note that you will have a minimum of 80 calendar days from the publication of this document to complete the required withdrawal and/or re-registration and, following that, complete and return or submit your Combined Form of Election.

The Rollover involves significant risks and uncertainties and may not be suitable for all Scheme Shareholders. Please refer to the section entitled "*Risks relating to the Rollover*" in paragraph 6 of Part III (*Explanatory Statement*) for a description of the risks relating to the Rollover. Scheme Shareholders should consider whether the Rollover is a suitable alternative in light of their own personal circumstances and investment objectives and are, therefore, strongly recommended to seek their own independent financial, tax and legal advice before deciding whether to elect for the Rollover.

Detailed instructions are set out on pages 41 to 44 (*Notes on making an Election*) of this document.

Part II (Letter of Transmittal) of the Combined Form of Election

Scheme Shareholders who hold their Scheme Shares in certificated form (including DTC Withdrawal Scheme Shareholders) must complete Part II (*Letter of Transmittal*) of the Combined Form of Election, which will be separately mailed to you by Computershare, in accordance with the instructions set out on such form and either (i) return it by mail to Computershare at C/O Corporate Actions; Attn: Mandatory Corporate Actions, P.O. Box 43014, Providence, RI 02940-3014, or if by express mail, courier or other expedited service, to Computershare at C/O Mandatory Corporate Actions; COY: RNGP, 150 Royall Street, Suite 101, Canton, MA 02021, or (ii) submit it electronically via the online portal at www.computershare.com/offer/ . In each case, all share certificates representing the Scheme Shareholders' Scheme Shares in certificated form or Depositary Receipts (as applicable) must be returned by mail, express mail, courier or other expedited service (as applicable) to the relevant address set out above, either together with the complete Part II *(Letter of Transmittal)*, or independently if the complete Part II *(Letter of Transmittal)* is submitted electronically. Both items must be returned or submitted by no later than the Election Return Time, being 5.30 p.m. (Eastern Standard Time) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) ten Business Days prior to the date of the Court Hearing. The requirement above applies whether or not a Scheme Shareholder has completed Part I (*Rollover Election*) of the Combined Form of Election.

If any such share certificate(s) or Depositary Receipt(s) are found to be missing, the relevant holder must instead deliver an affidavit of lost securities and settle the relevant surety bond premium and any relevant processing fee as required by Computershare. All such returns (or, where applicable, the delivery of the affidavit and settlement of related payments) must be made by no later than Election Return Time, in order to receive the Consideration to which the relevant holder is entitled under the Scheme.

CASH-OUT SHAREHOLDERS WHO HOLD THEIR CASH-OUT SHARES IN CERTIFICATED FORM WILL NOT RECEIVE THE CONSIDERATION TO WHICH THEY ARE ENTITLED UNDER THE SCHEME UNLESS AND UNTIL THEY HAVE COMPLIED WITH THE REQUIREMENTS SET OUT ABOVE.

Scheme Shareholders whose Scheme Shares are held in uncertificated form within the systems of DTC are not required to complete Part II (*Letter of Transmittal*) of the Combined Form of Election. The Purchaser will procure the payment by the Paying Agent of the Consideration (subject to any deductions or withholdings in respect of Tax required by applicable law and net of any applicable wire transfer fees) in respect of such Cash-

Out Shares to DTC or its nominee as soon as practicable and in any event by no later than 14 days after the Effective Date.

Detailed instructions are set out on pages 45 to 46 (*Notes on completing Part II (Letter of Transmittal*) of *the Combined Form of Election*) of this document.

If you have any queries relating to this document or the completion and return of the Forms of Proxy or the Combined Form of Election, please call the ReNew Shareholder helpline at (800) 662-5200 for those within the U.S., and (203) 658-9400 for those outside the U.S. Lines are open Monday to Friday (except public holidays) between 8.30 a.m. and 5.30 p.m. (EST).

If Computershare, or your broker, bank or other nominee holds your ReNew Shares, you may also call them for additional information.

Indian Tax Self-Declaration

Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares who are Non-Small Shareholders must complete the Indian Tax Self-Declaration in accordance with the instructions set out on such form and either (i) return it by post (properly insured) or (ii) submit it via a designated online portal to the Purchaser or an agent designated by the Purchaser, in each case by no later than the Indian Tax Self-Declaration Return Time, being 5.30 p.m. (EST) on the date falling on the later of (a) 80 calendar days following the publication of this document and (b) 15 Business Days prior to the date of the Court Hearing.

Scheme Shareholders, beneficial owners of Scheme Shares and holders of Depositary Receipts in respect of Scheme Shares who are not Non-Small Shareholders are not required to complete the Indian Tax Self-Declaration.

Please refer to Part XIII (*Indian Tax Self-Declaration*) for a copy of the Indian Tax Self-Declaration.

A diagrammatic summary of the principal actions to be taken by each category of holder of interests in ReNew Shares in connection with the Scheme is set out in the section entitled "*Summary of Actions to be taken*" on pages 48 to 51 of this document. The summary is provided for convenience only and does not replace, and should be read in conjunction with, the detailed instructions set out in this paragraph and on pages 32 to 36 (*Actions to be taken*) of this document.

26 Solicitation of Proxies

ReNew has engaged Morrow Sodali LLC to assist in the solicitation of proxies. ReNew expects that fees for services provided by Morrow Sodali LLC will be approximately USD 46,000, subject to adjustments upon the occurrence of certain events, plus reimbursement of reasonable costs and expenses.

ReNew will ask banks, brokers and other custodians, nominees and fiduciaries to forward, ReNew's proxy solicitation materials to the beneficial owners of the ReNew Shares held of record by such nominee holders.

27 Further information

The terms of the Scheme are set out in full in Part X (*The Scheme of Arrangement*) of this document. Your attention is also drawn to the further information contained in Part IV (*Conditions to and Further Terms of the Scheme and the Acquisition*), Part VI (*Financial Information*) and Part VII (*Additional Information*).

PART IV
CONDITIONS TO AND FURTHER TERMS OF THE SCHEME AND THE ACQUISITION

Part A
Conditions to the Acquisition

The Acquisition is conditional upon the satisfaction (or, to the extent permitted by applicable law, waiver) of the following Conditions by the Long Stop Date.

Scheme approval

1.

(a) Approval of the Scheme by a majority in number of the Scheme Shareholders representing not less than 75 per cent. in value of the Scheme Shares (or the relevant class or classes thereof, if applicable) in each case present, entitled to vote and voting, either in person or by proxy, at the Court Meeting and at any separate class meeting that may be required by the Court or at any adjournment of any such meeting;

(b) The Scheme Resolution being duly passed by ReNew Shareholders representing not less than 75% of the total voting rights of the ReNew Shareholders present, entitled to vote and voting, either in person or by proxy, at the General Meeting or at any adjournment of such meeting;

(c) The sanction of the Scheme by the Court with or without modification (but subject to any non-de minimis modification being acceptable to ReNew and CPP Investments, acting reasonably and in good faith) and, following such sanction, the delivery of a copy of the Court Order to the Registrar of Companies.

Antitrust Approvals

2. Receipt from the following Governmental Authorities of their consent, approval, clearance, confirmation, or waiver (including by way of no decision being issued by the expiry of the applicable review or waiting period following a complete notification having been filed with such Governmental Authority) in respect of the Acquisition or confirmation that no such consent, approval, clearance, confirmation or waiver is required):

(a) India: The Competition Commission of India under the Competition Act, 2002;

(b) Belgium: The relevant Belgian federal and federated authorities based on the advice of the Interfederal Screening Commission under the Cooperation Agreement of 30 November 2022; and

(c) France: The French Ministry of Economy and Finance under Articles L. 151-3 and R. 151-1 et seq. of the French code monétaire et financier.

No restraints

3. No injunction, restraining order or other order or any other legal or regulatory restraint or prohibition having been issued or made by any Governmental Authority of competent jurisdiction or any other person which prevents the consummation of the Acquisition.

Accuracy of warranties

4. In the case of the obligation of the Consortium to consummate the Acquisition only, except as Disclosed (which for this purpose shall not be deemed to be qualified by any facts, matters or circumstances Disclosed in the company supplemental disclosure letter), the warranties of ReNew set forth in:

   (a) paragraphs 2.1, 2.2 (other than limb (iii)), 2.4 and 2.5 (in each case solely with respect to ReNew and ReNew India) (*Incorporation and Authority*) and 21 (solely with respect to the Company and ReNew India) (*Insolvency*) of Schedule 4 of the Transaction Agreement shall be true and correct in all material respects as of the date of the Transaction Agreement and as of the date immediately preceding the Court Hearing as if made on each such date (except that warranties that expressly speak specifically as of the date of the Transaction Agreement or another date shall be so true and correct in all respects, except for *de minimis* inaccuracies, only as of such earlier date);

   (b) paragraphs 3.1, 3.3 and 3.4 (*Capitalisation*) of Schedule 4 of the Transaction Agreement shall be true and correct in all material respects as of the date of the Transaction Agreement and as of the date immediately preceding the Court Hearing as if made on each such date (except that warranties that expressly speak specifically as of the date of the Transaction Agreement or another date shall be so true and correct in all respects, except for *de minimis* inaccuracies, only as of such earlier date);

   (c) paragraphs 2.1 (with respect to the ReNew Group other than the ones referred to in paragraph 2(a)(i)), 2.2(iii) and 2.3 (*Incorporation and Authority*), 4.1 to 4.7 (each solely with respect to ReNew India) (*The Group*), 21 (with respect to the Group Companies other than the ones referred to in paragraph 2(a)(i)) (Insolvency), and 11 (*Anti-Bribery and Improper Payments*) of Schedule 4 of the Transaction Agreement shall be true and correct in all material respects as of the date of the Transaction Agreement and as of the date immediately preceding the Court Hearing as if made on each such date (except that warranties that expressly speak specifically as of the date of the Transaction Agreement or another date shall be so true and correct in all material respects as of such date);

5. In the case of the obligation of ReNew to consummate the Acquisition only, the warranties of CPP Investments set forth in:

   (a) paragraphs 1.1 to 1.2 of Part 1 (*CPPIB*) of Schedule 5 of the Transaction Agreement shall be true and correct on the date of the Transaction Agreement and as of the date immediately preceding the Court Hearing as if made on each such date (except that warranties that expressly speak specifically as of the date of the Transaction Agreement or another date shall be so true and correct as of such date); and

(b) paragraphs 1.3 to 1.6 in Part 1 (*CPPIB*) of Schedule 5 of the Transaction Agreement shall be true and correct on the date of the Transaction Agreement and as of the date immediately preceding the Court Hearing (except that warranties that expressly speak specifically as of the date of the Transaction Agreement or another date shall be so true and correct as of such date),

except where the failure of such warranties to be true and correct has not had, and would not reasonably be expected to have, individually or in the aggregate, prevent the ability of CPP Investments to consummate the Acquisition (including, for the avoidance of doubt, in relation to the warranties set forth in paragraph 1.4 of Part 1 (*CPPIB*) of Schedule 5 of the Transaction Agreement, where, following identification of any additional notice, filing, consent, waiver or authorisation, the Consortium have taken reasonable steps to file the relevant notice or filing, or to obtain the relevant consent, waiver or authorisation (as applicable)).

Compliance with terms of the Transaction Agreement

6. Neither ReNew (in the case of the obligation of the Consortium to consummate the Acquisition only) nor CPP Investments (in the case of the obligation of ReNew to consummate the Acquisition only) shall be in material breach of its obligations under the Transaction Agreement that are required to be performed by it at or prior to the date immediately preceding the Court Hearing.

No Company Material Adverse Effect

7. In the case of the obligation of the Consortium to consummate the Acquisition only, since the date of the Transaction Agreement, no Effect having occurred that has had, or would be reasonably expected to have, individually or in the aggregate with all other Effects, a Company Material Adverse Effect that is continuing as of the date immediately preceding the Court Hearing.

Delivery of officer's certificate

8. In the case of the obligation of the Consortium to consummate the Acquisition only, the Consortium having received a certificate from an executive officer or director of ReNew as of the date immediately preceding the Court Hearing confirming the satisfaction of the Conditions set forth in paragraphs 4, 6 and 7 above, in respect of ReNew.

9. In the case of the obligation of ReNew to consummate the Acquisition only, ReNew having received a certificate from an executive officer or director of CPP Investments as of the date immediately preceding the Court Hearing confirming the satisfaction of the Conditions set out in paragraphs 5 and 6 above, in respect of CPP Investments.

Effective Date

11. The Effective Date not occurring prior to 23 August 2026 (this condition has been satisfied).

Part B
Waiver and Invocation of the Conditions

CPP Investments may waive in whole or in part all or any of the Conditions set forth in paragraphs 4, 6 (as it applies to ReNew's material breach of its obligations), 7, 8 and 10 in Part A above.

ReNew may waive, in whole or in part all or any of the Conditions set forth in paragraphs 5, 6 (as it applies to a material breach of its obligations by CPP Investments) and 9 in Part A above.

The Acquisition is subject to the satisfaction (or waiver, with respect to the Conditions other than the Conditions set forth in paragraphs 1, 2, 3 and 11 in Part A above) of the Conditions in Part A above, and to certain further terms set out in Part C below and to the full terms and conditions that will be set out in this document.

Each member of the Consortium undertakes that, by 8.00 p.m. on the day immediately prior to the Court Hearing (provided that the date of such Court Hearing has been consented to by CPP Investments or is the latest possible date before the Long Stop Date), it shall deliver a notice in writing to ReNew either:

(i) confirming that all Conditions under paragraphs 1 to 4, 6 (as it applies to ReNew's material breach of its obligations), 7, 8, 10 and 11 in Part A above are satisfied or (to the extent permitted by applicable law) waived (other than (i) those Conditions that by their nature are to be satisfied on the Effective Date (but subject to those Conditions being able to be satisfied or having been waived) and (ii) the sanction of the Scheme); or

(ii) confirming its intention to invoke one or more Conditions described under paragraph (i) above, identifying such Condition or Conditions and providing reasonable details of the event which has occurred, or the circumstances which have arisen, that it considers entitle it to invoke that Condition or those Conditions.

ReNew undertakes that, by 8.00 p.m. on the day immediately prior to the Court Hearing, it shall deliver a notice in writing to each member of the Consortium either:

(i) confirming that all Conditions under paragraphs 5, 6 (as it applies to a material breach of its obligations by CPP Investments) and 9 in Part A above are satisfied or (to the extent permitted by applicable law) waived (other than (i) those Conditions that by their nature are to be satisfied on the Effective Date (but subject to those Conditions being able to be satisfied or having been waived) and (ii) the sanction of the Scheme); or

(ii) confirming its intention to invoke one or more Conditions described under paragraph (i) above, identifying such Condition or Conditions and providing reasonable details of the event which has occurred, or the circumstances which have arisen, that it considers entitle it to invoke that Condition or those Conditions.

Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.

Receipt of Competing Proposals

Under the terms of the Transaction Agreement, between the date of the Transaction Agreement and the earlier of: (a) the Effective Time and (b) the termination of the Transaction Agreement in accordance with its terms, ReNew shall: (i) promptly (and in any event within 48 hours) notify the Consortium if any Competing Proposal has been received by ReNew or any of its subsidiaries (or to the knowledge of ReNew, any of its or their representatives), including the identity of the third party that makes such Competing Proposal, and the material terms and conditions of any such Competing Proposal; (ii) keep the Consortium reasonably informed of any material developments, discussions or negotiations regarding such Competing Proposal (including any change of terms); and (iii) to respond as promptly as reasonably practicable to any reasonable requests for information made by CPP Investments in connection with such Competing Proposal.

If the Special Committee determines, in good faith, after consultation with its financial adviser and outside legal counsel, that such Competing Proposal constitutes or would reasonably be expected to lead to a Superior Proposal and the failure to take such action would be inconsistent with their fiduciary or other directors' duties under the applicable law, then ReNew and its representatives may:

- furnish, pursuant to an acceptable confidentiality agreement, information (including non-public information) with respect to ReNew to the person who has made such Competing Proposal, provided that ReNew shall, substantially concurrently, provide to CPP Investments any non-public information concerning ReNew that is provided to any such person which was not previously provided to CPP Investments or its representatives; and
- engage in or otherwise participate in discussions or negotiations with the person making such Competing Proposal.

Changes in Special Committee Recommendation

The Special Committee has unanimously recommended that Scheme Shareholders vote in favour of the Scheme and the ReNew Shareholders vote in favour of the Scheme Resolution. The Transaction Agreement permits the Special Committee to change its recommendation only in certain limited circumstances, as described below.

At any time prior to the sanction of the Scheme by the Court, if ReNew:

- receives a *bona fide* Competing Proposal;
- has complied with the obligations specified below; and
- after consultation with its financial advisers and outside legal counsel, the Special Committee determines in good faith that such Competing Proposal constitutes a Superior Proposal and that a failure to take action in response to such Superior Proposal would likely be inconsistent with its fiduciary or other directors' duties under applicable laws,

the Special Committee may: (i) change its recommendation and/or (ii) may terminate the Transaction Agreement in order to implement such Superior Proposal, provided that ReNew reimburses CPP Investments for certain of its expenses as set out in further detail in the section entitled "*Expense Reimbursement*" below.

The Special Committee may change its recommendation and/or terminate the Transaction Agreement for a Superior Proposal if: (a) ReNew gives the Consortium at least ten Business Days' prior written notice of its intention to consider changing its recommendation or terminating the Transaction Agreement; (b) ReNew and its representatives negotiate in good faith with the Consortium during such ten Business Day notice period, to the extent that the Consortium seek to negotiate, to enable the Consortium to propose revisions to the terms of the Transaction Agreement and the Scheme that would cause a Competing Proposal to no longer constitute a Superior Proposal; (c) during such ten Business Day notice period, the Special Committee considers in good faith any revisions to the terms of the Transaction Agreement and the Scheme in a binding written proposal by the Consortium; and (d) the Special Committee shall have determined, in good faith, that such Competing Proposal would nevertheless constitute a Superior Proposal and the failure by the Special Committee to change its recommendation or terminate the Transaction Agreement, as applicable, would likely be inconsistent with the fiduciary or other directors' duties of the Special Committee under applicable law.

In the event of any material amendment to any Superior Proposal, ReNew must satisfy the notice requirements described above with a new written notice to the Consortium (but any such subsequent notice period will only be five Business Days).

The Special Committee may also change its recommendation if an Intervening Event has occurred at any time prior to the sanction of the Scheme by the Court, provided that: (a) ReNew gives the Consortium ten Business Days' prior written notice describing the Intervening Event and of its intention to consider changing its recommendation; (b) ReNew and its representatives negotiate in good faith with the Consortium and their respective representatives during such ten Business Day notice period, to the extent that the Consortium seeks to negotiate, to enable the Consortium to propose revisions to the terms of the Transaction Agreement and the Scheme that would cause the Special Committee to no longer make a change to its recommendation; (c) ReNew and its representatives provide to the Consortium and their respective representatives all applicable information with respect to such Intervening Event reasonably requested by the Consortium to allow it to propose revisions to the terms of the Transaction Agreement; (d) the Special Committee shall consider in good faith any revisions to the terms of the Transaction Agreement in a binding written proposal by the Consortium; and (e) after consultation with its financial adviser and outside legal counsel, the Special Committee shall have determined, in good faith, that failure to take such action in response to such Intervening Event would likely continue to be inconsistent with its fiduciary or other directors' duties under applicable law notwithstanding the revisions proposed by the Consortium. However, if the Special Committee changes its recommendation for an Intervening Event, under certain circumstances, the Company will be required to reimburse CPP Investments for certain of its expenses as set out in further detail in the section entitled "*Expense Reimbursement*" below.

Termination

The Transaction Agreement may be terminated at any time prior to the Effective Time in the following circumstances:

- by mutual written agreement of ReNew and CPP Investments;
- by either ReNew or CPP Investments if, and provided that the person entitled to the termination right was not in breach of any representation, warranty, covenant or obligation set out in the Transaction Agreement that caused the relevant event or circumstance giving rise to the termination right:
    - the Effective Date has not occurred by the Long Stop Date;

- an injunction, restraining order or other order or any other legal or regulatory restraint or prohibition has been issued or made by any Governmental Authority of competent jurisdiction which permanently prevents the consummation of the Acquisition and such permanent prohibition shall have become final and non-appealable;
- the Court Meeting or the General Meeting (including, in each case, any postponements or adjournments thereof) have been held and any of the shareholder approvals at the Court Meeting or the General Meeting have not been obtained; or
- the Court declines or refuses to sanction the Scheme;

- by ReNew:
  - if any member of the Consortium breaches any of its representations and warranties set out in the Transaction Agreement or fails to perform any covenant or obligation in the Transaction Agreement on the part of such Consortium member that would cause any Condition set out in paragraphs 5 and 6 of Part A of Part IV (*Conditions to and further terms of the scheme and the acquisition*) not to be satisfied and such breach or failure to perform: (i) is incapable of being cured by the Long Stop Date; or (ii) has not been cured by the relevant Consortium member or the Consortium (as applicable) within the earlier of 60 Business Days following written notice to the Consortium from ReNew of such breach or failure to perform and the Long Stop Date (provided that the right to terminate pursuant to this provision is not available to ReNew if ReNew is then in breach of any representation, warranty, covenant or obligation set out in the Transaction Agreement and such breach by ReNew would cause any Condition set out in paragraphs 4 and 6 of Part A of Part IV (*Conditions to and further terms of the scheme and the acquisition*) not to be satisfied;
  - if, at any time commencing from the day that is five Business Days prior to the date of the Court Meeting up to and including the date on which the Court sanctions the Scheme, an Intervening Event has occurred and ReNew makes a Company Adverse Recommendation Change, following which a further Court Meeting is convened by ReNew to enable Scheme Shareholders a further opportunity to vote on the Scheme in light of the Intervening Event, and the Scheme has not been approved by the Scheme Shareholders at such further Court Meeting, provided that ReNew has complied with its obligations, covenants and agreements with respect to such Intervening Event under the Transaction Agreement; or
  - in order to enter into a definitive agreement or publicly announce full and binding terms relating to a Superior Proposal subject to ReNew having complied with its obligations, covenants and agreements with respect to such Superior Proposal under the Transaction Agreement; or
- by CPP Investments if:
  - prior to the Court sanctioning the Scheme, (i) a Company Adverse Recommendation Change has occurred; or (ii) the Special Committee has failed to publicly reaffirm its recommendation that Scheme Shareholders and ReNew Shareholders (as applicable) should vote in favour of the Acquisition within five Business Days after CPP Investments' written request following the public announcement of a Competing Proposal;
  - a breach of any representation or warranty (notwithstanding any disclosure in the company supplemental disclosure letter) or failure to perform any covenant or obligation on the part of ReNew set out in the Transaction Agreement has occurred that would cause either Condition set out in paragraphs 4 and 6 of Part A of Part IV (*Conditions to and further terms of the scheme and the acquisition*) not to be satisfied, and such breach or failure to perform: (i) is incapable of being cured by the Long Stop Date; or (ii) has not been cured by ReNew within the earlier of 60 Business Days following written notice to ReNew from the Consortium of such breach or failure to perform and the Long Stop Date (provided that the right to terminate pursuant to this provision is not available to CPP Investments if CPP Investments is then in breach of any representation, warranty, covenant or obligation set out in the Transaction Agreement and such breach would cause any Condition set out in paragraphs 5 and 6 of Part A of Part IV (*Conditions to and further terms of the scheme and the acquisition*) not to be satisfied; or

- this document is not distributed to the ReNew Shareholders in accordance with the Transaction Agreement, provided: (i) such breach or failure to perform has not been cured by ReNew within 15 Business Days following written notice to ReNew from CPP Investments of such breach or failure to perform; and (ii) the right to terminate the Transaction Agreement pursuant to this provision shall not be available to CPP Investments if CPP Investments' breach of any provision of the Transaction Agreement has been the primary cause of such failure to distribute this document.

If the Transaction Agreement is terminated, under certain circumstances, the Company will be required to reimburse CPP Investments for certain of its expenses as set out in further detail in the section entitled "*Expense Reimbursement*" below.

Expense Reimbursement

Under the Transaction Agreement, ReNew has agreed to reimburse CPP Investments for its reasonable and documented out-of-pocket expenses incurred in connection with the preparation, negotiation and implementation of the Transaction Agreement and the Acquisition, including all reasonable and documented costs and expenses incurred in connection with any claim, action, suit, investigation or proceeding arising out of, or relating to the Acquisition and any other transactions that reasonably relate to and directly facilitate the implementation of the Acquisition, during the period from 1 January 2025 to the effective date of any termination of the Transaction Agreement (other than any expenses of any investment bank or other similar financial adviser), not to exceed USD 10,000,000 (inclusive of any VAT element of such costs and expenses and any VAT on any such reimbursement which is not recoverable by the Company), if the Transaction Agreement is terminated:

- by ReNew in order to accept a Superior Proposal and concurrently enter into binding documentation in respect of, or otherwise publicly announce the Superior Proposal;
- by CPP Investments or ReNew as a result of (i) the Scheme not having become Effective by the Long Stop Date or (ii) the requisite ReNew Shareholder approvals not having been obtained at the Court Meeting or the General Meeting, in each case provided that a Company Adverse Recommendation Change has been made in accordance with the Transaction Agreement; or
- by CPP Investments if, prior to the Court sanctioning the Scheme, (i) a Company Adverse Recommendation Change has been made and/or (ii) the Special Committee has failed to publicly reaffirm its recommendation within five Business Days after CPP Investments' written request following the public announcement of a Competing Proposal,

and in the case of any termination set out in the second and third bullets above, (A) a Competing Proposal has been made to the Company or ReNew Shareholders or otherwise made publicly known, and not withdrawn and (B) at any time within nine months following such termination, ReNew or any of its subsidiaries enters into a binding and definitive written agreement for a Competing Proposal, or a transaction contemplated by a Competing Proposal has otherwise been consummated (with the 20% threshold in the definition of Competing Proposal being deemed to be a reference to 50.1% for the purpose of (B) above).

Miscellaneous

Each of the Consortium and ReNew has made customary representations, warranties and covenants in the Transaction Agreement, including, among others, with respect to ReNew and its subsidiaries, as applicable, covenants (i) to conduct their business in the ordinary course during the period between the date of the Transaction Agreement and the earlier of the termination of the Transaction Agreement and the consummation of the Transaction (the "**Interim Period**") and (ii) not to engage in specified types of transactions or take specified actions during the Interim Period unless agreed to in writing by CPP Investments. Additionally, the Consortium has agreed to use all reasonable endeavours to procure satisfaction of the regulatory clearances required as conditions to the Acquisition, and ReNew has agreed to cooperate with, and provide reasonably requested assistance to, the Consortium in obtaining such clearances. No member of the Consortium is obligated to accept any conditions or undertakings in order to obtain such clearances.

The Acquisition will lapse if the Scheme does not become Effective by 11.59 p.m. (UK time) on the Long Stop Date.

The availability of the Acquisition to persons not resident in the UK or U.S. may be affected by the Laws of the relevant jurisdictions. Persons who are not resident in the UK or U.S. should inform themselves about, and observe, any applicable requirements. ReNew Shareholders who are in any doubt about such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay and observe any applicable requirements.

This Acquisition will be governed by English law and be subject to the jurisdiction of the English courts and to the Conditions set out in this document.

The Cash-Out Shares will be acquired by the Purchaser (or its nominee) with full title guarantee, fully paid and free from all liens, equitable interests, charges, encumbrances, rights of pre-emption and any other third-party rights or interests whatsoever and together with all rights existing at the date of the Transaction Agreement or thereafter attaching thereto, including (without limitation) the right to receive and retain, in full, all dividends and other distributions (if any) declared, made or paid or any other return of capital (whether by way of reduction of share capital or share premium account or otherwise) made on or after the Effective Date in respect of the Cash-Out Shares.

The Consortium reserves the right, and while the Transaction Agreement is continuing, subject to the terms of the Transaction Agreement and with the prior written consent of the Special Committee, to elect to implement the Acquisition by way of an Offer as an alternative to the Scheme. In such event, the Offer will be implemented on the same terms and conditions, so far as applicable, as those which would apply to the Scheme (subject to appropriate amendments for an acquisition being made by way of an Offer). Subject to the terms of the Transaction Agreement, the acceptance condition would be set at 90 per cent. of the shares to which such Offer relates (or such lesser percentage, as the Company and the Consortium may agree).

The above is a summary of the material provisions of the Transaction Agreement, a copy of which (including the side letter dated 28 October 2026) is attached as Annex A to this document and which is incorporated by reference. This summary does not purport to be complete and may not contain all of the information about the Transaction Agreement that is important to ReNew Shareholders. You should carefully read the Transaction Agreement in its entirety, as the rights and obligations of the parties thereto are governed by the express terms of the Transaction Agreement and not by this summary or any other information contained in this document.

The foregoing summary of the Transaction Agreement is intended to provide information regarding the terms of the Transaction Agreement and is not intended to provide any factual information about ReNew or modify or supplement any factual disclosures about ReNew in its public reports filed with the SEC. PART V
CERTAIN INDIAN TAX CONSIDERATIONS

This section is based upon the provisions of the IT Act and the rules, regulations, relevant judicial precedents and administrative interpretations thereunder, in each case as in effect as of the date of this document. Such laws and interpretations are subject to change, possibly with retrospective effect, and may also be subject to differing interpretations by the Indian tax authorities or courts. There can be no assurance that the views expressed in this section will be accepted by the Indian tax authorities or upheld by the courts.

This summary is not intended to constitute, and should not be construed as, legal or tax advice to any holder of Scheme Shares and is intended to provide general information only. Holders should consult their own tax advisers regarding the Indian tax consequences applicable to them in connection with the disposition of Scheme Shares. It cannot be assured that new laws, interpretations of law, or court decisions, any of which may take effect retroactively, will not cause any statement in this section to be inaccurate.

1. INDIAN TAX IMPLICATIONS OF THE DISPOSITION OF SCHEME SHARES PURSUANT TO THE TAKE-PRIVATE TRANSACTION

This section contains a summary of certain material Indian income-tax considerations that may be relevant in connection with the disposition of the Scheme Shares for the Cash-Out Shareholders or Beneficial Cash-Out Shareholders, in accordance with the provisions of the IT Act. Taxability in India under the IT Act varies for Beneficial Cash-Out Shareholders who are resident in India pursuant to the IT Act ("**Indian Resident Investors**") and for those who are not resident in India pursuant to the IT Act ("**Non-Resident Investors**").

Tax Implications for Non-Resident Investors

As per Section 9(10) of the IT Act, any income arising directly or indirectly, through or from the transfer of a capital asset situated in India may be deemed to accrue or arise in India and may, subject to the provisions of the IT Act and any applicable double taxation avoidance agreement ("**DTAA**"), be subject to tax in India.

For these purposes, shares or interests in a foreign entity may, subject to specified conditions, be deemed to be situated in India where such shares or interests derive, directly or indirectly, their value substantially from assets located in India (commonly referred to as the 'indirect transfer provisions').

A foreign company may be regarded as deriving substantial value from assets located in India where:

a. the value of the assets located in India exceeds INR 100 million; and

b. such Indian assets represent at least 50% of the value of all assets owned, directly or indirectly, by the foreign entity or the relevant entity group.

The determination of whether the above conditions are satisfied is required to be made with reference to the 'specified date' and in accordance with the detailed provisions of the IT Act and the applicable rules. Broadly, the specified date may be the last day of the accounting period preceding the date of transfer or, in certain circumstances, the date of transfer

Depending on the application of these provisions to the relevant facts and circumstances, including the valuation of the relevant assets and the structure of the Company and its group, the Scheme Shares may be regarded as deriving substantial value from assets located in India. Accordingly, a transfer of Scheme Shares may, in certain circumstances, give rise to Indian tax consequences under the indirect transfer provisions.

Accordingly, where indirect transfer provisions are applicable, the capital gains arising to certain Cash-Out Shareholders or Beneficial Cash-Out Shareholders, being Non-Resident Investors, in connection with the transfer of Scheme Shares pursuant to the Acquisition may be subject to taxation in India, subject to (i) applicable exemptions under the IT Act and (ii) beneficial provisions available under an applicable DTAA, if any.

The indirect transfer provisions of the IT Act contain certain exclusions from capital gains income arising to Non-Resident Investors who are not Non-Small Shareholders. For this purpose, a "**Non-Small Shareholder**" is a person that is a Cash-Out Shareholder or a Beneficial Cash-Out Shareholder that is a Non-Resident Investor and which individually (or together with any of their associated enterprises (as defined under the IT Act)) at any time in the 12 months preceding the Effective Date, has held (a) any right of management or control in relation to the Company or (b) the voting power or share capital or interests exceeding five per cent. of the total voting power or total share capital or total interests in the Company (or any other entity that directly owns assets situated in India).

Accordingly, subject to the satisfaction of the applicable statutory conditions and the facts and circumstances of the relevant holder, a Non-Resident Investor that is not a Non-Small Shareholder may fall outside the scope of the indirect transfer provisions.

Where the indirect transfer provisions apply and no applicable exclusion or exemption is available, gains arising to a Non-Resident Investor (including a Non-Resident Investor that is beneficial owners of Scheme Shares or a holder of Depositary Receipts in respect of Scheme Shares) from the transfer of Scheme Shares (held as capital assets) may be subject to tax in India as per the provisions of Section 67 of the IT Act.

The computation of capital gains is governed by Section 72 of the IT Act. Broadly, capital gains are determined by deducting from the full value of consideration received or accruing as a result of the transfer of a capital asset:

- any expenditure incurred wholly and exclusively in connection with such transfer; and
- the cost of acquisition of the relevant capital asset and the cost of any improvement thereto.

Accordingly, if the consideration received or accruing in respect of the transfer of the Scheme Shares by a Cash-Out Shareholder or a Beneficial Cash-Out Shareholder exceeds the relevant tax cost of acquisition of such Scheme Shares in the hands of such Cash-Out Shareholder or Beneficial Cash-Out Shareholder, such transfer may result in capital gains. Conversely, where the relevant tax cost of acquisition is equal to or exceeds the consideration received or accruing in respect of such transfer, such transfer may not result in any capital gains in the hands of the Cash-Out Shareholder or Beneficial Cash-Out Shareholder, subject to the applicable provisions of the IT Act.

Further, under Section 79 of the IT Act, where the consideration received or accruing from the transfer of a capital asset, being shares of a company other than quoted shares, is lower than the fair market value of such shares determined in the prescribed manner, such fair market value is deemed to be the full value of consideration for the purposes of computing capital gains under Section 72 of the IT Act.

Accordingly, to the extent the Scheme Shares constitute shares of a company other than quoted shares and the consideration payable under the Acquisition is lower than the prescribed tax fair market value of such Scheme Shares, there may be a risk that the prescribed tax fair market value is deemed to be the full value of consideration for purposes of computing capital gains in the hands of the relevant Cash-Out Shareholder or Beneficial Cash-Out Shareholder.

For these purposes, the tax fair market value of the Scheme Shares should be determined in accordance with the valuation methodology prescribed under the IT Act and the rules made thereunder. The Company should obtain and retain appropriate valuation support, including a tax fair market value report from an independent valuer, where required or considered appropriate under the applicable provisions and rules, to substantiate the tax fair market value adopted for the Acquisition.

Depending on the facts of each case, gains arising from the transfer of Scheme Shares held as capital assets may be characterised as long-term or short-term capital gains and may be taxable at the rates prescribed under the IT Act, together with applicable surcharge and health and education cess. Typically, where the Scheme Shares have been held for more than 24 months, such Scheme Shares generally will be treated as long-term capital assets, and the resulting long-term capital gains generally will be taxable at the rate of 12.50%, without indexation benefit, together with applicable surcharge and cess. Where the Scheme Shares have been held for 24 months or less, such Scheme Shares generally will be treated as short-term capital assets, and the resulting short-term capital gains generally will be taxable at the applicable rates under the IT Act, with the income tax rate being 35% for a foreign company and the highest income tax slab rate for individuals being 30%, together with applicable surcharge and cess.

The nature and amount of any Indian tax liability may depend on various factors, including the residency status and legal form of the Non-Resident Investor, the nature and period of holding of the Scheme Shares, the manner in which the gain is characterised under the IT Act, the availability of any statutory exclusion, exemption or relief, and the applicability of an applicable DTAA.

Tax Implications for Indian Resident Investors

Cash-Out Shareholders or Beneficial Cash-Out Shareholders who are Indian Resident Investors are generally subject to tax in India on their global income, including any gains arising from the transfer of Scheme Shares subject to the provisions of the IT Act.

The capital gains computation mechanism described above is equally applicable to Indian Resident Investors. In addition, as discussed above, the provisions of Section 79 of the IT Act, relating to the determination of the deemed full value of consideration based on the prescribed fair market value of the Scheme Shares, may also be relevant to Indian Resident Investors and should be taken into account in determining their taxable income arising from the transfer of the Scheme Shares.

The tax treatment of any gains arising from the transfer of Scheme Shares will depend on the particular facts and circumstances of the relevant Indian Resident Investor, including the nature and period of holding of the Scheme Shares, the status and legal form of such investor and the applicable tax regime. Depending on the circumstances, such gains may be characterised as long-term or short-term capital gains and may be taxable at the rates prescribed under the IT Act, together with applicable surcharge and health and education cess.

The Indian tax consequences applicable to an Indian Resident Investor may also depend on the availability of any exemption, relief, deduction, set-off or carry-forward of losses under the IT Act.

Rates for applicable surcharge and cess

Any applicable Indian tax liability may be subject to applicable surcharge and health and education cess. The applicable rates of surcharge and cess may vary depending on, among other things, the nature and status of the relevant holder, its taxable income and the applicable tax regime.

Tax Implications for Rollover Shareholders

Based on the currently contemplated steps of the Acquisition, no material Indian income-tax consequences are presently expected to arise solely as a result of the rollover of Scheme Shares by the Rollover Shareholders. However, Rollover Shareholders should consult their own tax advisers regarding the tax consequences applicable to them as per their own facts and steps contemplated.

Withholding Tax Obligations of the Purchaser

In certain circumstances, the Consideration paid by the Purchaser to Cash-Out Shareholders or Beneficial Cash-Out Shareholders in respect of their Cash-Out Shares may be subject to Indian withholding tax.

Under the terms of the Scheme, the Purchaser shall be entitled to deduct or withhold from any Consideration payable to or for the account of a Cash-Out Shareholder or Beneficial Cash-Out Shareholder any tax or amount in respect of tax as the Purchaser determines (in its sole discretion) is required by applicable law to be deducted or withheld, and any such deduction or withholding shall be made in the maximum amount required by applicable domestic law.

In determining any such deduction or withholding, including an exemption from or reduced rate of withholding under applicable law (including under an applicable DTAA with India), the Purchaser may consider such documentation, forms, certificates, opinions, computations and other information furnished by the relevant Cash-Out Shareholder or Beneficial Cash-Out Shareholder in or further to the Indian Tax Self-Declaration, as reasonably requested by the Purchaser evidencing (to the reasonable satisfaction of the Purchaser) that such Cash-Out Shareholder or Beneficial Cash-Out Shareholder is, in respect of such payment, entitled to an exemption from or reduced rate of withholding under applicable law (including under an applicable DTAA with India), and the Purchaser may make such deduction or withholding from such payment in an amount which takes into account such exemption or reduced rate.

Further information on this withholding tax obligation is set out below.

(a) Withholding Tax Implications for Non-Resident Investors

Under Section 393 of the IT Act, a person making a payment to a non-resident may, subject to the provisions of the IT Act, be required to deduct or withhold tax where the relevant payment is chargeable to tax in India at the applicable rates at the time of payment or at the time of credit, whichever is earlier. Where the payment made by the Purchaser is chargeable to Tax in India, the Purchaser would be required to deduct Taxes on any such payments at either: (i) the rates in force in India as per the IT Act; or (ii) the rates under any applicable DTAA.

Capital gains arising to a Non-Resident Investor as a result of transfer of the Cash-Out Shares to the Purchaser as a result of the Acquisition are chargeable to Tax in India pursuant to the indirect transfer provisions under Section 9 of the IT Act, subject to the aforementioned exemption for Non-Resident Investors who are not Non-Small Shareholders. Accordingly, the Purchaser, as a payer purchasing Cash-Out Shares from certain Non-Resident Investors who may be Non-Small Shareholders, is required to withhold Taxes if any such Cash-Out Shareholder or Beneficial Cash-Out Shareholder is liable to Indian Taxes on the Effective Date.

Please note that, the Purchaser has an obligation to withhold Taxes only when the capital gains arising on such a transfer are taxable in India. Furthermore, if a Non-Resident Investor has a reduced Tax burden due to a DTAA, then Indian law requires the Purchaser to obtain certain prescribed information and documents from the Non-Resident Investor, which the Non-Resident Investor should maintain and furnish to the Purchaser to determine the Taxes to be withheld in India under the IT Act.

With respect to any Non-Small Shareholder, the Purchaser will withhold Taxes in accordance with the IT Act, at such rate as it may deem appropriate, after considering the documentation, forms, certificates, opinions, computations and other information, if any, furnished by such Non-Small Shareholder in the Indian Tax Self-Declaration, as reasonably requested by the Purchaser evidencing (to the reasonable satisfaction of the Purchaser) that such Cash-Out Shareholder or Beneficial Cash-Out Shareholder is, in respect of such payment, entitled to an exemption from or reduced rate of withholding under applicable law (including under an applicable DTAA with India). The Purchaser may make such deduction or withholding from such payment in an amount which takes into account such exemption or reduced rate.

If the Purchaser does not receive such Indian Tax Self-Declaration from a Cash-Out Shareholder or Beneficial Cash-Out Shareholder (to the Purchaser's reasonable satisfaction), the Purchaser may exercise its discretion, acting reasonably, to identify if such Cash-Out Shareholder or Beneficial Cash-Out Shareholder is a Non-Small Shareholder and withhold Taxes, if any, that the Purchaser determines (in its sole discretion) are deductible in accordance with the IT Act from the Consideration payable to that Non-Small Shareholder, and any such deduction or withholding may be made in the maximum amount required by applicable domestic law.

Further, in such a case, where a Non-Small Shareholder does not furnish a Permanent Account Number ("**PAN**"), or such other information or documentation prescribed under Rule 217 of the IT Act (for instance, Tax Residency Certificate, Tax Identification Number, etc.), as requested as part of the Indian Tax Self-Declaration, and to the reasonable satisfaction of the Purchaser, the Purchaser may withhold or deduct Taxes at the rate required under Section 397 of the IT Act, being the higher of:

- the rate applicable under the IT Act;
- the rate or rates in force; or
- 20%.

To the extent that any amount of or in respect of Tax is deducted or withheld in accordance with the IT Act, such deducted or withheld amount shall be:

- remitted to the applicable taxing authority within the time limits imposed by applicable law; and
- treated for all purposes having been paid to the person in respect of which such deduction and withholding was made.

With respect to any Cash-Out Shareholder or Beneficial Cash-Out Shareholder who is not a Non-Small Shareholder, the Purchaser is not required by applicable Indian law to deduct or withhold any Taxes under the IT Act from the Consideration paid or payable to such Cash-Out Shareholder or Beneficial Cash-Out Shareholder. Accordingly, if no Indian Tax Self-Declaration is received from a Cash-Out Shareholder or Beneficial Cash-Out Shareholder evidencing (to the Purchaser's reasonable satisfaction) that such Cash-Out Shareholder or Beneficial Cash-Out Shareholder is a Non-Small Shareholder and the Purchaser, acting reasonably, does not identify such Cash-Out Shareholder or Beneficial Cash-Out Shareholder to be a Non-Small Shareholder, the Purchaser shall not be required to deduct or withhold any Taxes from the Consideration paid or payable to such Cash-Out Shareholder or Beneficial Cash-Out Shareholder.

(b) Withholding Tax Implications for Indian Resident Investors

Scheme Shareholders who are Indian Resident Investors are liable for Taxes levied upon their global income in India. With respect to any Cash-Out Shareholder or Beneficial Cash-Out Shareholder who is an Indian Resident Investor as per the IT Act, the Purchaser is not required to withhold any Taxes under the IT Act from the Consideration paid or payable to such Indian Resident Investor.

PARTIES TO THE TRANSFER OF CASH-OUT SHARES MAY BE SUBJECT TO CERTAIN COMPLIANCE AND ADMINISTRATIVE OBLIGATIONS UNDER INDIAN LAW.

2. TAX IMPLICATIONS OF THE REORGANISATION

This section contains a summary of certain material Indian income-tax considerations that may arise in connection with the Reorganisation, including the rollover of the Scheme Shares by the Rollover Shareholders and the Collapse (as described below), in accordance with the provisions of the IT Act.

(A) Tax Implications of the Collapse

As part of the Reorganisation, the Company proposes to transfer its shareholding in ReNew India (the "**ReNew India Shares**") to the Purchaser and the Rollover Shareholders (the "**Collapse**"), in the manner contemplated under the Reorganisation Wrapper Deed as set out in Annex E to this document.

The Collapse may give rise to certain Indian income-tax consequences for the Company, the Purchaser and/or the Rollover Shareholders, as applicable, as described below.

i. Tax implications of the Collapse for the Company

Under Section 5 of the IT Act, the total income of a person who is not resident in India includes, among other things, income that accrues or arises, or is deemed to accrue or arise, in India. Further, Section 9(2) of the IT Act provides that income accruing or arising, directly or indirectly, through or from the transfer of a capital asset situated in India shall be deemed to accrue or arise in India.

The shares of ReNew India proposed to be transferred by the Company, being a non-resident for Indian income-tax purposes, pursuant to the Collapse would constitute capital assets situated in India. Accordingly, any gains arising to the Company from the transfer of such shares may be chargeable to tax in India, subject to the applicable provisions of the IT Act and any relief that may be available under an applicable tax treaty.

The computation of capital gains is governed by Section 72 of the IT Act. Broadly, capital gains are determined by deducting from the full value of consideration received or accruing as a result of the transfer:

- any expenditure incurred wholly and exclusively in connection with such transfer; and
- the cost of acquisition of the relevant capital asset and the cost of any improvement thereto.

Accordingly, if the consideration received or accruing to the Company in respect of the transfer of the ReNew India shares pursuant to the Collapse exceeds the relevant tax cost of acquisition of such shares in the hands of the Company, such transfer may result in capital gains. Conversely, where the relevant tax cost of acquisition is equal to or exceeds the consideration received or accruing in respect of such transfer, such transfer may not result in any capital gains in the hands of the Company, subject to the applicable provisions of the IT Act.

Further, as per the provisions of Section 79 of the IT Act, where the consideration received or accruing from the transfer of a capital asset, being shares of a company other than quoted shares, is lower than the prescribed fair market value of such shares, determined in accordance with the IT Act read with the relevant rules thereunder, such fair market value may be deemed to be the full value of consideration for the purposes of computing capital gains in the hands of the Company.

Accordingly, to the extent Section 79 of the IT Act is applicable to the transfer of the ReNew India shares pursuant to the Collapse, the prescribed tax FMV of such shares would need to be determined in accordance with the valuation methodology prescribed under the IT Act and the rules made thereunder. For these purposes, the Company should obtain and retain appropriate valuation support, including a valuation report from an independent valuer, as may be required under the applicable provisions and rules, in relation to the tax FMV of the ReNew India shares as of the relevant date for the Collapse.

Depending on the facts and circumstances, gains arising from the transfer of the ReNew India shares may be characterised as long-term or short-term capital gains and may be taxable at the rates prescribed under the IT Act, together with applicable surcharge and health and education cess. Generally, where the ReNew India shares have been held for more than 24 months, such shares would be treated as long-term capital assets and the resulting long-term capital gains would generally be taxable at the applicable rate prescribed under the IT Act, currently 12.50%, without indexation benefit, together with applicable surcharge and cess. Where the ReNew India shares have been held for 24 months or less, such shares would generally be treated as short-term capital assets and the resulting short-term capital gains would generally be taxable at the applicable rates prescribed under the IT Act, including, in the case of a foreign company, the applicable rate for such company, together with applicable surcharge and cess.

The above tax implications are subject to the specific facts and circumstances of the Company, including the date and cost of acquisition of the ReNew India shares, the nature of such shares and the applicability of any exemption, concessional rate or relief under the IT Act or an applicable tax treaty.

ii. Tax implications of the Collapse for the Purchaser and Rollover Shareholders

Under Section 393 of the IT Act, a person making a payment to a non-resident may, subject to the provisions of the IT Act, be required to deduct or withhold tax where the relevant payment is chargeable to tax in India, at the applicable rates, at the time of payment or at the time of credit, whichever is earlier.

To the extent any gains arising to the Company pursuant to the transfer of the ReNew India shares under the Collapse are chargeable to tax in India, withholding tax obligations may arise in the hands of the Purchaser and the Rollover Shareholders in connection with their acquisition of such shares from the Company. Conversely, where no income is chargeable to tax in India in respect of such transfer, including where the transfer does not give rise to any taxable gains in India, no withholding obligation should generally arise in respect of such payment, subject to the applicable provisions of the IT Act and the specific facts and circumstances.

The applicability and extent of any such withholding obligation will depend on the facts and circumstances existing at the time of the Collapse, including the amount of gains, if any, chargeable to tax in India and the availability of any applicable exemption, exclusion, concessional rate or treaty relief. For further details regarding withholding tax obligations generally, please refer to the section titled "Withholding Tax Obligations of the Purchaser" above.

Further, Section 92(2)(m) of the IT Act contains provisions that may apply where a person receives any property for a consideration that is less than the fair market value of such property, as determined in accordance with the IT Act, by an amount exceeding INR 0.05 million. Broadly, where the relevant conditions are satisfied, the excess of the fair market value of the property over the consideration paid may be taxable in the hands of the recipient, subject to the provisions of the IT Act and the specific facts and circumstances of the transaction.

As part of the Collapse, the Purchaser and the Rollover Shareholders will acquire shares of ReNew India from the Company. Accordingly, Section 92(2)(m) of the IT Act may be relevant in determining whether any amount arising from the acquisition of such shares is chargeable to tax in the hands of the Purchaser or the relevant Rollover Shareholders.

For these purposes, the fair market value of the ReNew India shares would need to be determined in accordance with the valuation methodology prescribed under the IT Act and the rules made thereunder. The Company should obtain and retain appropriate valuation support, including a valuation report from an independent valuer, as may be required under the applicable provisions and rules, in relation to the fair market value of the ReNew India shares as of the relevant date for the Collapse.

The nature and amount of any Indian tax liability may depend on various factors, including the residency status and legal form of the Purchaser and the Rollover Shareholders, the nature and value of the ReNew India shares, the consideration attributable to such shares, the availability of any statutory exclusion, exemption or other relief, and the applicability of any applicable tax treaty (including a DTAA).

In addition, where the Company and any Rollover Shareholder are regarded as associated enterprises for the purposes of the IT Act and the relevant transactions fall within the scope of the Indian transfer pricing provisions, the relevant parties may be required to comply with applicable transfer pricing requirements, including documentation, reporting and other compliance obligations. The applicability of such provisions will depend on the specific facts and circumstances, including the nature of the relationship between the relevant parties and the transactions undertaken. The meaning of "associated enterprises" is further described in Annexure 2 to the Indian Tax Self-Declaration.

iii. Tax implications of the Collapse for ReNew India

Section 119 of the IT Act contains provisions restricting the carry-forward and set-off of certain tax losses in the case of companies in which the public are not substantially interested where there is a change in shareholding.

Broadly, where there is a change in the shareholding of such a company during a tax year, losses incurred in any year prior to such tax year may not be permitted to be carried forward and set off against the income of the relevant tax year unless, on the last day of the relevant tax year, shares of the company carrying not less than 51% of the voting power were beneficially held by the same persons who beneficially held shares carrying not less than 51% of the voting power on the last day of the year or years in which the relevant losses were incurred, subject to the provisions and exceptions contained in the IT Act.

Depending on the manner in which the Collapse is implemented and the resulting shareholding structure of ReNew India following completion of the Reorganisation, the provisions of Section 119 of the IT Act may become relevant.

Accordingly, there may be a risk that certain tax losses currently available to ReNew India may cease to be available for carry-forward and set-off following the Collapse. The applicability and impact of these provisions will depend on the final facts and circumstances, including the resulting shareholding pattern of ReNew India, and should be separately evaluated by ReNew India and its advisers.

(B) Tax Implications On Subsequent Distribution Of Collapse Receivables

As part of the Reorganisation, the consideration payable in respect of the Collapse will not be paid in cash by the Purchaser and the Rollover Shareholders. Instead, such consideration will remain outstanding and will be recorded as receivables (the "Collapse Receivables") in the hands of the Company. Subsequently, the Company will distribute the Collapse Receivables to the Purchaser and the Rollover Shareholders as dividend, in accordance with their respective Equity Proportions as at the date of the relevant distributions, in the manner specified in the Reorganisation Wrapper Deed as set out in Annex E to this document.

Further, the Central Board of Direct Taxes ("**CBDT**"), vide Circular No. 4/2015, has clarified that dividends declared and paid by a foreign company outside India in respect of shares which derive their value substantially from assets situated in India would not be deemed to accrue or arise in India by virtue of the provisions of Section 9 of the IT Act.

Accordingly, subject to the conditions and principles set out in the aforesaid CBDT circular and the specific facts and circumstances of the Reorganisation, the distribution of the Collapse Receivables by the Company as dividend to the Purchaser and the Rollover Shareholders should not, in itself, give rise to any Indian income-tax implications in the hands of the Purchaser or the Rollover Shareholders.

PARTIES TO THE REORGANISATION MAY BE SUBJECT TO CERTAIN COMPLIANCE AND ADMINISTRATIVE OBLIGATIONS UNDER INDIAN LAW.

THE PRECEDING SUMMARY OF CERTAIN INDIAN TAX CONSIDERATIONS IS INTENDED FOR GENERAL INFORMATION ONLY AND DOES NOT CONSTITUTE TAX ADVICE. HOLDERS SHOULD CONSULT THEIR TAX ADVISERS IMMEDIATELY AS TO THE SPECIFIC TAX CONSIDERATIONS APPLICABLE TO THEM REGARDING (I) THE DISPOSITION OF SCHEME SHARES IN ACCORDANCE WITH THE SCHEME, AND (II) THE REORGANISATION, IN EACH CASE IN THEIR PARTICULAR CIRCUMSTANCES.

Fourth Quarter (through to the Latest Practicable Date)		

4 Dividends

ReNew has never declared or paid any cash dividends on the ReNew Shares or other securities and does not anticipate paying any such cash dividends in the foreseeable future. The Transaction Agreement includes a covenant restricting the ability of ReNew and its subsidiaries to authorise, declare, set aside, make or pay any dividends or distribution with respect to its shares or other equity securities (whether in cash, assets, shares or other securities of ReNew or any of its subsidiaries) in excess of an agreed threshold, other than dividends paid to ReNew or one of its wholly owned subsidiaries by a wholly-owned subsidiary of ReNew with regard to its equity securities from the date of the Transaction Agreement to the Effective Date. ReNew's ability to pay dividends is also limited by English law, which requires a company to have distributable profits before issuing a dividend and allows distributions by public limited companies if the amount of the company's net assets is not less than the aggregate of the company's called-up share capital and undistributable reserves and if, and to the extent that, the distribution does not reduce the amount of those assets to less than that aggregate.

In the event that the Transaction Agreement is terminated for any reason and the Acquisition is not consummated, ReNew currently intends to retain all available funds and any future earnings, if any, to finance the growth and development of its business and to deleverage the business. Even if ReNew at any time in the future determines to pay dividends, the form, frequency and amount will depend on ReNew's future operations and earnings, capital requirements and surplus, general financial condition, contractual restrictions and other factors that the ReNew Board may deem relevant.

5 Irrevocable Undertakings

In connection with the Acquisition, JERA Nex and Platinum Cactus, who collectively hold approximately 51 per cent. of the voting power of the Scheme Shares and 32 per cent. of the voting power of ReNew Shares as at 18 September 2026, have each delivered an irrevocable undertaking in favour of the Consortium, pursuant to which each has agreed, among other things, to (i) exercise (or procure the exercise of) all voting rights attaching to its ReNew Shares (the "**Relevant Securities**") in favour of the Scheme, the Acquisition and the related resolutions at the Court Meeting and the General Meeting (and against any resolution to adjourn the relevant shareholder meetings, amend the Scheme, or which is likely to result in a Condition not being fulfilled, impede or frustrate the Scheme, or prevent the Scheme from becoming Effective), (ii) if the Acquisition is implemented by way of an Offer, accept (or procure acceptance of) that Offer in respect of its Relevant Securities, (iii) elect to participate in the Rollover in respect of all of its Relevant Securities, (iv) refrain from disposing of, or dealing in, its Relevant Securities, from acquiring further ReNew Shares, from entering into third-party arrangements relating to its Relevant Securities, and from taking any action that would restrict its ability to control the exercise of rights attaching to its Relevant Securities, in each case, other than pursuant to the Acquisition, and (v) cooperate in the implementation of the Reorganisation to be undertaken after the Effective Date and enter into the related Shareholders' Agreement and other documents required to implement the Reorganisation, and provide reasonable cooperation in connection with obtaining required regulatory clearances (subject to customary confidentiality and privilege carve-outs).

Each irrevocable undertaking will lapse in specified circumstances, including if the Transaction Agreement is terminated, if the Scheme lapses or is withdrawn, if the Scheme does not become Effective (or, if applicable, the Offer does not become or is not declared unconditional) by the Long Stop Date, or if a competing offer for the entire issued and to be issued share capital of the Company becomes effective or is declared unconditional.

The foregoing description of the irrevocable undertakings does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the irrevocable undertakings have been attached as Exhibits (d)(8) and (d)(9) to the Schedule 13E-3 to which this document is attached.

6 Interests of ReNew Non-Employee Directors and Executive Officers

In considering the recommendation of the Special Committee that you vote in favour of the Scheme and the Scheme Resolution, you should be aware that aside from their interests as ReNew Shareholders, ReNew's non-employee directors and executive officers have interests in the Acquisition that may be different from, or in addition to those of ReNew Shareholders generally. Members of the Special Committee were aware of and considered these interests, amongst other matters, in evaluating and negotiating the Transaction Agreement and the Acquisition and in recommending to ReNew Shareholders that they vote in favour of the Scheme and the Scheme Resolution. See the section entitled "*Reasons for the Recommendation*" in paragraph 4 of Part II (*US Special Factors*). These interests are described in more detail and certain of them are quantified in the narrative below.

Treatment of ReNew Director Equity Awards

The following table sets forth for each ReNew Director, the number of in-the-money unvested Awards based on the individual's holdings as at the Latest Practicable Date. Indemnification of ReNew Directors and Executive Officers

The rights of ReNew Directors and executive officers to indemnification and directors' and officers' liability insurance will survive following the Scheme becoming Effective.

Executive Officer Employment Agreements and Severance Programme

The employment agreements of ReNew's executive officers other than Sumant Sinha are governed by Indian law. The agreements may be terminated by either party with prior written notice of 90 days. ReNew also reserves the right to terminate the employment with immediate effect without any compensation or notice, on account of any act which may constitute 'misconduct' under its policies or applicable laws. Executive officers are entitled to a monthly compensation, annual variable bonus, share options or RSUs and PSUs. The treatment of the share options, RSUs and PSUs upon termination of employment will be in accordance with their award agreements.

With effect from the Effective Date, Mr Sumant Sinha will be employed as the Chief Executive Officer of ReNew India and the Group, and will be appointed as Chairman of the Board of ReNew India. The terms and conditions of the employment will be set out in a New CEO Service Agreement as set out in Annex G to this document that will provide, among other things, the following:

- A per annum basic salary of not less than INR 125,221,329 (less tax deductions required by law), inclusive of director's fees, which shall increase annually in accordance with the terms of the New CEO Service Agreement.

- Reimbursement for all out-of-pocket expenses (including travel expenses) reasonably and properly incurred in the performance of his duties in accordance with the business expenses policy.
- For each financial year, a bonus at a maximum value of 100% of the basic salary (or such higher amount determined at the discretion of the board of directors of ReNew India), subject to satisfaction of performance criteria.

- For each financial year, a share incentive with a grant date value of 200% of basic salary, subject to ongoing employment and satisfaction of performance conditions set by the board of directors of ReNew India.
- The employment may be terminated by either party giving notice of not less than six months. If the employment terminates with immediate effect without a "bad act", Mr Sinha will be entitled to a payment in lieu of notice equal to the basic salary that would have been payable during the six-month notice period.
- Where Mr Sinha resigns for a "good reason" or termination of the employment by ReNew India is other than for a "bad act" or under a "bad leaver" scenario, subject to Mr Sinha entering into a settlement agreement and release of claims in favour of the Group, ReNew India shall pay a lump sum severance amount comprising 12 months' basic salary, a pro-rata annual bonus for the year of termination, and cash payment in lieu of 12 months' medical insurance.
- Where Mr Sinha resigns for a "good reason" or termination of the employment by ReNew India is other than for a "bad act" or under a "bad leaver" scenario, in each case within 12 months after a change in control, and subject to Mr Sinha entering into a settlement agreement and release of claims in favour of the Group, he shall be paid a lump sum severance amount comprising 18 months' basic salary, a pro-rata annual bonus for the year of termination, cash payment in lieu of 12 months' medical insurance, and a payment equal to the 18-month target bonus.
- Non-compete, non-solicitation and non-engagement restrictions for a period of 12-months post-termination of the employment in prescribed areas, offset by any period of suspension or garden leave.

The foregoing description of the New CEO Service Agreement does not purport to be complete and is subject to, and qualified in its entirety by reference to, the full text of the New CEO Service Agreement, as set out in Annex G to this document.

Management Compensation Proposal

In connection with the Acquisition, the Consortium and ReNew have agreed the material terms of the compensation arrangements that are proposed to apply, with effect from the Effective Date, to certain senior members of ReNew's management, other than Mr. Sumant Sinha (whose separate post-closing service agreement is summarised above and does not form part of the Management Compensation Proposal). The Management Compensation Proposal will be implemented through the New Incentive Plan (on terms no less favourable than the existing ReNew Share Plan) following the Effective Date, and its principal terms include: (i) the grant, on or around the Effective Date, of a pool of 9,000,000 new options under the New Incentive Plan with an exercise price equal to the Consideration converted into Indian Rupees at the USD/INR exchange rate on the Effective Date, vesting over four years on a schedule of 25 per cent. on the 12 month anniversary of the Effective Date and the remaining 75 per cent. in equal quarterly instalments thereafter (80 per cent. time-based and 20 per cent. performance-based) and remaining exercisable until 31 December 2037; (ii) an annual cash-settled liquidity right in respect of vested awards, subject to an aggregate cap of the INR equivalent of USD 5,000,000 per annum across all participants (rising to USD 10,000,000 if no IPO of ReNew India or a ReNew Group company on an Indian stock exchange has occurred by the third anniversary of the Effective Date)) until all awards held by individual participants as at the Effective Date are liquidated, terminating on completion of an IPO of ReNew India or a ReNew Group company on an Indian stock exchange; and (iii) tag-along rights mirroring the provisions of the Shareholders' Agreement, on the exercise of which all subsequent liquidity cap and exercise restrictions applicable to the relevant awards will cease. The Management Compensation Proposal remains subject to finalisation of the underlying plan documentation, and the specific allocations to individual participants of the option pool referred to above are to be agreed between the Chief Executive Officer and the Remuneration Committee following the Effective Date. Further details are set out in paragraph 15 (*Post-Closing Management Compensation Arrangements*) of Part III (*Explanatory Statement*) of this document.

7 Security Ownership of Certain Beneficial Owners and Management

The following table sets forth certain information regarding the beneficial ownership of Class A Ordinary Shares as at 18 September 2026 by: (i) each ReNew Director; (ii) each ReNew named executive officer; (iii) all of the ReNew Directors and executive officers as a group; and (iv) each person, or group of affiliated persons, known by ReNew to beneficially own more than five per cent. of the issued share capital. Unless otherwise indicated, the persons or entities identified in the table have sole voting and investment power with respect to all Class A Ordinary Shares shown as beneficially owned by them, subject to applicable community property laws.

Information with respect to beneficial ownership has been furnished by each ReNew Director and executive officer. With respect to beneficial owners of more than five per cent. of the issued share capital of ReNew, information is based on information filed with the SEC. ReNew has determined beneficial ownership in accordance with the rules of the SEC. The rules require inclusion of shares issuable to such persons within 60 days after 18 September 2026. These shares are deemed to be outstanding and beneficially owned by the person holding the right to issuance for the purpose of computing the percentage ownership of that person, but they are not treated as outstanding for the purpose of computing the percentage ownership of any other person. Percentage ownership calculations are based on 246,515,478 Class A Ordinary Shares outstanding as at 18 September 2026.

Except as otherwise indicated in the table below, addresses of the directors, executive officers and named beneficial owners are C/O Vistra (UK) Ltd, Suite 3, 7th Floor, 50, Broadway, London, England, SW1H 0DB.

Further, ownership information of directors and executive officers is based on Section 16(a) reports filed by our directors and executive officers to date.

In addition, the Business Combination Agreement grants CPP Investments the right to, at its discretion, transfer the ordinary shares of ReNew India, held by CPP Investments to ReNew in exchange for an aggregate of 12,345,678 Class A Ordinary Shares. CPP Investments is considered to beneficially own an aggregate of 88,846,844 Class A Ordinary Shares, or 34.3 per cent. of the voting rights associated with the outstanding Class A Ordinary Shares (including 12,345,678 voting rights exercisable by CPP Investments by virtue of the Class D Ordinary Share held by CPP Investments).

9 Agreements Involving ReNew Shares

Please refer to the agreements listed in paragraph 1 of Part II (*US Special Factors*).

10 United Kingdom and United States taxation

United Kingdom Taxation

The comments set out below are based on current United Kingdom tax law as applied in England & Wales and HM Revenue & Customs published practice (which may not be binding on HM Revenue & Customs) in each case as at the Latest Practicable Date, both of which are subject to change, possibly with retrospective effect. They are intended as a general guide to certain limited aspects of the UK tax treatment of the Scheme becoming effective and apply only to ReNew shareholders resident for tax purposes in the United Kingdom and, in the case of individuals, only to those shareholders to whom "split year" treatment does not apply, in all cases who hold shares in ReNew as an investment and who are the absolute beneficial owners thereof. (In particular, shareholders holding their shares via a depositary receipt system or a clearance service should note that they may not always be the absolute beneficial owners thereof.) The discussion does not address all possible tax consequences relating to an investment in the shares. Certain categories of shareholders, including those carrying on certain financial activities, those subject to specific tax regimes or benefitting from certain reliefs and exemptions, those connected with the Company or the ReNew Group and those for whom the shares are employment related securities may be subject to special rules and this summary does not apply to such shareholders.

Shareholders or prospective shareholders who are in any doubt about their tax position, or who are resident or otherwise subject to taxation in a jurisdiction outside the UK, should consult their own professional advisers immediately. In particular, shareholders should be aware that the tax legislation of any jurisdiction where a shareholder is resident or otherwise subject to taxation (as well as the United States discussed below) may have an impact on the tax consequences of an investment in the Scheme Shares including in respect of any income received from those securities.

Tax Consequences of Acceptance of Offer

A Cash-Out Shareholder's liability to UK tax on capital gains will depend on their individual circumstances.

On the basis that each Cash-Out Shareholder will receive cash on the Acquisition, each Cash-Out Shareholder will be treated as disposing of their Cash-Out Shares which may, depending on that shareholder's individual circumstances (including the availability of exemptions, reliefs or allowable losses), give rise to a liability to UK tax on capital gains.

*UK Stamp Duty and Stamp Duty Reserve Tax ("**SDRT**")*

No UK stamp duty or SDRT will be payable by Cash-Out Shareholders as a result of the Scheme becoming effective.

United States Taxation

The following is a general discussion of certain U.S. federal income tax consequences of the Acquisition to a U.S. Holder (as defined below). This summary deals only with U.S. Holders that currently hold Cash-Out Shares as capital assets for U.S. federal income tax purposes (generally, property held for investment). This summary does not address the U.S. federal estate, gift or other non-income tax considerations or any state, local or non-U.S. tax considerations relating to the Acquisition. Except as specifically set forth below, this summary also does not address tax reporting requirements. In addition, it does not set forth all of the U.S. federal income tax considerations that may be relevant in light of the U.S. Holder's particular circumstances, including alternative minimum tax consequences, the potential application of the provisions of the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), known as the Medicare contribution tax and tax consequences applicable to U.S. Holders subject to special rules, such as: certain banks and other financial institutions; dealers in securities or currencies; traders that elect to use a mark-to-market method of accounting; persons holding Cash-Out Shares as part of a hedging transaction, straddle, wash sale, conversion transaction or other integrated transaction or persons entering into a constructive sale with respect to the Cash-Out Shares; persons whose functional currency for U.S. federal income tax purposes is not the U.S. dollar; entities or arrangements classified as partnerships for U.S. federal income tax purposes; insurance companies; pension plans; cooperatives; regulated investment companies; real estate investment trusts; tax-exempt entities, including private foundations and "individual retirement accounts" or "Roth IRAs"; certain former U.S. citizens or long-term residents; persons who acquired their Cash-Out Shares pursuant to any employee share option or otherwise as compensation; persons required for U.S. federal income tax purposes to conform the timing of income accruals with respect to the Cash-Out Shares to their financial statements under Section 451(b) of the Code; persons that actually or constructively own 10% or more of our shares (by vote or value); or persons holding Cash-Out Shares in connection with a trade or business conducted outside of the United States.

The discussion below is based upon the provisions of the Code, its legislative history, existing and proposed Treasury regulations thereunder, published rulings and court decisions, all as of the date hereof, and such authorities may be replaced, revoked or modified, possibly with retroactive effect, so as to result in U.S. federal income tax consequences different from those discussed below. No rulings have been requested from the U.S. Internal Revenue Service (the "**IRS**") and there can be no guarantee that the IRS would not challenge, possibly successfully, the treatment described below.

If an entity or arrangement treated as a partnership for U.S. federal income tax purposes holds Cash-Out Shares, the tax treatment of a partner will generally depend upon the status of the partner and the activities of the partnership. If you are a partner of an entity or arrangement treated as a partnership holding Cash-Out Shares, you should consult your tax advisers concerning the U.S. federal income tax consequences of the Acquisition in your particular circumstances.

A "U.S. Holder" is a person who, for U.S. federal income tax purposes, is a beneficial owner of Cash-Out Shares and who is: a citizen or individual resident of the United States; a corporation, or other entity classified as a corporation for U.S. federal income tax purposes, created or organised in or under the laws of the United States, any state thereof or the District of Columbia; an estate the income of which is includible in gross income for U.S. federal income tax purposes regardless of its source; or a trust if a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons has or have the authority to control all of the trust's substantial decisions, or the trust has validly elected to be treated as a domestic trust for U.S. federal income tax purposes.

U.S. Holders should consult their tax advisers concerning the U.S. federal, state, local and non-U.S. tax consequences of the Acquisition in their particular circumstances.

Disposition of Cash-Out Shares in Accordance with the Scheme

The following discussion assumes that ReNew will not be a passive foreign investment company, or "PFIC" for U.S. federal income tax purposes for its current taxable year, and has not been a PFIC for any of its prior taxable years. If, however, ReNew is a PFIC for the current taxable year or has been a PFIC for any prior taxable year in which you held your Cash-Out Shares, the consequences of the Acquisition would be different than as described below. You are urged to consult your tax advisers concerning the consequences of the Acquisition if ReNew is considered a PFIC for its current taxable year or has been a PFIC for any prior taxable year in which you held your Cash-Out Shares.

The Acquisition will generally be a taxable transaction for U.S. federal income tax purposes, and each U.S. Holder who receives the Consideration for its Cash-Out Shares will recognise gain or loss with respect to its Cash-Out Shares, in an amount equal to the difference, if any, between the amount of Consideration paid to such U.S. Holder (including any amount withheld from such Consideration) and such U.S. Holder's adjusted tax basis in its Cash-Out Shares. If a U.S. Holder acquired Cash-Out Shares by purchase, such U.S. Holder's adjusted tax basis in its Cash-Out Shares will generally equal the amount the U.S. Holder paid for the relevant Cash-Out Shares, less any returns of capital that the U.S. Holder might have received with regard to the relevant Cash-Out Shares, if any. In the case of a U.S. Holder who holds multiple blocks of Cash-Out Shares (blocks of Cash-Out Shares acquired separately at different times and/or prices), gain or loss and holding period must be calculated and accounted for separately for each block.

Any gain or loss recognised by a U.S. Holder will be capital gain or loss, and will be long-term capital gain or loss if the U.S. Holder held the Cash-Out Shares for more than one year. Long-term capital gain of individuals and certain other non-corporate U.S. Holders will generally be eligible for a reduced rate of taxation. The deductibility of a capital loss may be subject to limitations.

To the extent any Indian tax withheld from the Consideration constitutes an income tax (or a tax withheld in lieu of an income tax), such tax might be creditable for U.S. federal income tax purposes. However, any capital gain or loss recognised by a U.S. Holder pursuant to the Scheme will generally be treated as U.S. source gain or loss for U.S. foreign tax credit limitation purposes (except as otherwise provided in an applicable income tax treaty and if an election is properly made under the Code). As a result, the use of U.S. foreign tax credits relating to any Indian tax withheld may be limited and a U.S. Holder may not be able to utilise such credits. Any Indian tax withheld that is not creditable may reduce the amount realised on the Acquisition or alternatively may be deductible. The rules governing foreign tax credits are very complex. U.S. Holders should consult their tax advisers regarding the tax consequences if Indian tax is withheld from the Consideration, including their ability to credit or deduct any such Indian withholding tax against their U.S. federal income tax liability as well as the proper U.S. federal income tax treatment of any Indian tax withheld from the Consideration.

Backup Withholding and Information Reporting

A U.S. Holder will generally be subject to information reporting with respect to proceeds of the Acquisition that are paid within the United States or through some U.S.-related financial intermediaries to U.S. Holders, unless the U.S. Holder is a corporation or comes within certain other categories of exempt recipients. A U.S. Holder that is not an exempt recipient will generally be subject to backup withholding (currently at a rate of 24%) with respect to the proceeds from the Acquisition unless the U.S. Holder timely provides a taxpayer identification number and complies with the other applicable requirements of the backup withholding rules to certify that the U.S. Holder is not subject to backup withholding. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowed as a refund or credit against a U.S. Holder's U.S. federal income tax liability, provided that the required information is timely furnished to the IRS.

THE PRECEDING SUMMARY OF U.S. FEDERAL INCOME TAX CONSIDERATIONS IS INTENDED FOR GENERAL INFORMATION ONLY AND DOES NOT CONSTITUTE TAX ADVICE. U.S. HOLDERS SHOULD CONSULT THEIR TAX ADVISERS AS TO THE U.S. FEDERAL, STATE, LOCAL AND NON-U.S. TAX CONSIDERATIONS GENERALLY APPLICABLE TO THEM REGARDING THE DISPOSITION OF CASH-OUT SHARES IN ACCORDANCE WITH THE SCHEME IN THEIR PARTICULAR CIRCUMSTANCES.

15 Recent Developments

16 Householding Notice

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements and annual reports with respect to two or more shareholders sharing the same address by delivering a single proxy statement or annual report, as applicable, addressed to those shareholders. This process, which is commonly referred to as "householding," potentially provides extra convenience for shareholders and cost savings for companies.

ReNew has elected to implement the SEC's householding rules. Accordingly, only one copy of this document is being delivered to ReNew Shareholders residing at the same address, unless such shareholders have notified ReNew of their desire to receive multiple copies.

THE SCHEME

1 Transfer of the Cash-Out Shares

1.1 At the Scheme Effective Time, the Purchaser shall acquire all of the Cash-Out Shares fully paid, with full title guarantee, free from any mortgage, lien, pledge, charge, security interest, hypothecation, right of pre-emption, right of first refusal, contract for sale, or restriction of any nature or other encumbrance, and together with all rights attaching or accruing to such Cash-Out Shares at or after the Scheme Effective Time, including voting rights and the right to receive and retain all dividends and other distributions (if any) authorised, declared, paid or made, or any return of capital (whether by reduction of share capital or share premium account or otherwise) made, by the Company by reference to a record date falling on or after the Scheme Effective Date.

1.2 For the purposes of such acquisition, the Cash-Out Shares shall be transferred to the Purchaser and such transfer shall be effected by means of a form or forms of transfer or other instrument or instruction of transfer, and to give effect to such transfer any person may be appointed by the Purchaser as attorney and/or agent and shall be authorised as such attorney and/or agent on behalf of each Cash-Out Shareholder (including, where such Cash-Out Shares are held through the facilities of The Depository Trust Company, Cede & Co. as the nominee of The Depository Trust Company and registered legal title holder of such shares) to execute and deliver as transferor such form or forms of transfer or other instrument or instruction of transfer (whether as a deed or otherwise), of such Cash-Out Shares, or give any instructions to transfer any Cash-Out Shares, and every form, instrument or instruction of transfer so executed or transfer procured shall be as effective as if it had been executed or procured by the holder or holders of the Cash-Out Shares transferred.

2 Consideration for the transfer of the Cash-Out Shares

2.1 In consideration for the transfer of the Cash-Out Shares referred to in Clauses 1.1 and 1.2, the Purchaser shall, subject as hereinafter provided, pay, or procure the payment to or for the account of each Cash-Out Shareholder (as appearing in the register of members of the Company at the Scheme Record Time) on the following basis:

For each Cash-Out Share: USD 7.02 in cash

2.2 If any dividend, distribution and/or return of capital is announced, declared, made or paid in respect of a ReNew Share on or after 2026 and prior to the Scheme Effective Date, the Purchaser shall be entitled to reduce the Consideration payable in respect of each Cash-Out Share by the amount of all or part of any such dividend, distribution or return of capital (calculated, for the avoidance of doubt, on a per Cash-Out Share basis).

2.3 If the Purchaser exercises the right referred to in Clause 2.2 to reduce the Consideration payable for each Cash-Out Share by all or part of the amount of a dividend and/or other distribution and/or return of capital:

2.3.1 holders of Cash-Out Shares appearing on the register of members at the relevant record time as determined by the directors of the Company shall be entitled to receive and retain that dividend and/or other distribution and/or return of capital (or the relevant part of it) in respect of the Cash-Out Shares they held at such record time;

2.3.2 any reference in this Scheme to the Consideration payable under this Scheme shall be deemed to be a reference to the Consideration as so reduced; and

2.3.3 the exercise of such rights shall not be regarded as constituting any revision or modification of the terms of this Scheme.

2.4 To the extent that any such dividend, distribution and/or return of capital is announced, declared, made or has become payable and it is: (i) transferred pursuant to this Scheme on a basis which entitles the Purchaser to receive the dividend and/or distribution and/or return of capital; or (ii) cancelled, the Consideration payable under the terms of this Scheme shall not be subject to change in accordance with this Clause 2.

2.5 No amounts of cash of less than one cent shall be paid to any Cash-Out Shareholder pursuant to this Scheme and the aggregate amount of cash to which a Cash-Out Shareholder shall be entitled under Clause 2.1 shall be rounded down to the nearest cent.

2.6 For the purpose of determining the entitlement to the Consideration for the transfer of Cash-Out Shares pursuant to this Clause 2, each portion of a Scheme Shareholder's holding which is recorded in the register of members of the Company by reference to a separate designation at the Scheme Record Time, whether in certificated or uncertificated form, shall be treated as a separate holding.

3 The Rollover

3.1 Subject to the remainder of this Clause 3, to the extent that any Scheme Shareholder validly elects for the Rollover in respect of all of their Scheme Shares in accordance with this Clause 3, such Scheme Shares shall not be transferred to the Purchaser and such Scheme Shareholder shall continue to hold such Scheme Shares following the Scheme Effective Time.

3.2 For the purpose of the making of Elections and participation in the Rollover pursuant to this Clause 3, each portion of a Scheme Shareholder's holding which is recorded in the register of members of the Company by reference to a separate designation at the Scheme Record Time, whether in certificated or uncertificated form, shall be treated as a separate holding.

3.3 Each Election by a Scheme Shareholder shall be made by completion of Part I (*Rollover Election*) of the Combined Form of Election which shall be executed or, if via the online portal, submitted by the Scheme Shareholder or their duly authorised agent (or, in the case of a body corporate, executed or, if via the online portal, submitted by an authorised representative), and in the case of joint holders by or on behalf of all such holders. To be effective, a Part I (*Rollover Election*) of the Combined Form of Election must be completed and returned in accordance with the instructions printed thereon so as to arrive, by mail, at the offices of Computershare at C/O Voluntary Corporate Actions; COY: RNGP, P.O. Box 43011, Providence, RI 02940-3011, or, if by express mail, courier or other expedited service, at C/O Voluntary Corporate Actions; COY: RNGP, 150 Royall Street, Suite V, Canton, MA 02021, or in the case of a Combined Form of Election submitted electronically, received by Computershare, by no later than the Election Return Time.

3.4 Any holder of depositary receipts issued by Computershare who wishes to elect for the Rollover must deliver a written instruction to the Scheme Shareholder holding the Scheme Shares represented by such depositary receipts, instructing such Scheme Shareholder to make the Election on behalf of such holder in accordance with Clause 3.3. For the avoidance of doubt, no Election may be made directly by a holder of depositary receipts issued by Computershare.

3.5 No Election may be submitted by or on behalf of a beneficial owner of Scheme Shares held in uncertificated form within the systems of The Depository Trust Company. If any such beneficial owner of Scheme Shares wishes to submit an Election, they must first procure the withdrawal of all of the Scheme Shares beneficially owned by them from the systems of The Depository Trust Company and be entered as registered holder (other than as a holder in uncertificated form) in the register of shareholders of the Company, upon which such beneficial owner shall become a Scheme Shareholder in its own right for the purposes of this Scheme. All Scheme Shares which, as at the Scheme Record Time, are held in uncertificated form within the systems of The Depository Trust Company shall be deemed to be Cash-Out Shares for the purposes of this Scheme.

3.6 If a completed Part I (*Rollover Election*) of the Combined Form of Election is received by Computershare after the Election Return Time or if a Part I (*Rollover Election*) of the Combined Form of Election is received by Computershare before such time but is not, or is deemed not to be, valid or complete in all respects at such time, then such Election shall be void unless and to the extent that the Company and CPP Investments, in their absolute discretion, elect to treat as valid in whole or in part any such Election.

3.7 Upon execution and delivery or, if via the online portal, submission by a Scheme Shareholder of a valid Part I (*Rollover Election*) of the Combined Form of Election, such Scheme Shareholder shall be bound by the terms and provisions contained in Part I (*Rollover Election*) of the Combined Form of Election and by the terms and provisions contained in the part entitled "Notes on making an Election" of the Document.

3.8 A Part I (*Rollover Election*) of the Combined Form of Election duly completed and returned or, if via the online portal, submitted in accordance with Clause 3.3 may be withdrawn by notice to Computershare in writing to be received before the Election Return Time.

3.9 If a Scheme Shareholder delivers or submits more than one Part I (*Rollover Election*) of the Combined Form of Election in respect of their Scheme Shares, in the case of an inconsistency between such Parts I (*Rollover Election*) of the Combined Forms of Election, the last Part I (*Rollover Election*) of the Combined Form of Election which is delivered by the Election Return Time shall prevail over any earlier Part I (*Rollover Election*) of the Combined Form of Election. The delivery time for a Part I (*Rollover Election*) of the Combined Form of Election shall be determined on the basis of which of the relevant Combined Forms of Election is last sent or, if Computershare is unable to determine which is last sent, is last received. Combined Forms of Election which are sent in the same envelope shall be treated for these purposes as having been sent and received at the same time, and, in the case of an inconsistency between the Parts I (Rollover Election) of the relevant Combined Forms of Election, none of them shall be treated as valid (unless the Company and CPP Investments otherwise determine in their absolute discretion).

3.10 Elections made by Scheme Shareholders under the Rollover shall not affect the entitlements of Scheme Shareholders who do not make any such Election.

3.11 Subject to the remainder of this Clause 3, Scheme Shareholders may only elect for the Rollover in relation to their entire holding of Scheme Shares and not part only. If a Scheme Shareholder has elected for the Rollover, then the validity of the Election shall not be affected by any alteration in the number of Scheme Shares held by the Scheme Shareholder at any time prior to the Scheme Record Time and, accordingly, the Election shall, subject to the remainder of this Clause 3, apply in respect of all of the Scheme Shares which the Scheme Shareholder holds immediately prior to the Scheme Record Time.

3.12 Scheme Shareholders who are resident in India are not eligible to participate in the Rollover and any Elections from such Scheme Shareholders to participate in the Rollover shall be null and void and the Scheme Shares held by such Scheme Shareholders shall be deemed Cash-Out Shares for the purposes of this Scheme.

3.13 If, following the receipt of valid Elections for the Rollover from Scheme Shareholders, the total number of shareholders of the Company (as determined in accordance with the Indian Companies Act 2013) immediately following the Scheme becoming effective would be expected to exceed 200, then any Scheme Shareholder who (i) has validly delivered an Election for the Rollover and (ii) holds fewer ReNew Shares than the Cutback Threshold, shall be deemed not to have validly elected for the Rollover and all of such Scheme Shareholder's Scheme Shares shall be Cash-Out Shares for the purposes of this Scheme and such Scheme Shareholder shall be a Cash-Out Shareholder for the purposes of this Scheme (the "**Cutback**").

3.14 If, following the Cutback pursuant to Clause 3.13, the aggregate number of Scheme Shares held or beneficially owned (as applicable) by U.S. Rollover Shareholders would be expected to represent more than 9.0% of the total issued and outstanding Company Shares immediately following the Scheme Effective Time (the "**Maximum U.S. Rollover Percentage**"), the number of Scheme Shares held or beneficially owned (as applicable) by each U.S. Rollover Shareholder subject to the Rollover shall be reduced on a *pro rata* basis (calculated by reference to each U.S. Rollover Shareholder's total holding or beneficial ownership (as applicable) of Scheme Shares as a proportion of the aggregate total of Scheme Shares held or beneficially owned (as applicable) by all U.S. Rollover Shareholders) to the minimum extent necessary to ensure that the aggregate Rollover Shares held or beneficially owned (as applicable) by all U.S. Rollover Shareholders do not exceed the Maximum U.S. Rollover Percentage. All Scheme Shares held or beneficially owned (as applicable) by a U.S. Rollover Shareholder to the extent subject to a reduction as a result of this Clause 3.14 shall cease to be Rollover Shares and shall instead be Cash-Out Shares for the purposes of this Scheme.

3.15 Neither the Company nor the Consortium shall be liable to any Scheme Shareholder in respect of any adjustment, decision or determination made pursuant to this Clause 3.

4 Settlement of consideration

4.1 The Consideration due to Cash-Out Shareholders pursuant to Clause 2 shall be satisfied by the Purchaser as follows:

4.1.1 Cash-Out Shares which at the Scheme Record Time are in certificated form (including Cash-Out Shares represented by depositary receipts issued by Computershare): as soon as practicable after the Scheme Effective Date and in accordance with Clause 4.5, the Purchaser shall procure that payment of the sums payable to the relevant Cash-Out Shareholder in accordance with Clause 2.1 is made to that Cash-Out Shareholder by a wire transfer of immediately available funds by the Paying Agent, or by way of cheque, provided that the Purchaser and the Paying Agent's obligations under this Clause 4.1.1 are subject to holders of certificated shares having complied with the obligations set out in Clause 5.1 and holders of depositary receipts issued by Computershare having complied with the obligations set out in Clause 5.2; and

None of the Company, the Purchaser, the Consortium or their respective agents shall be responsible for any loss or delay in the transmission or delivery of any notices, declarations of title, cheques, wire transfers, certificates, or statements of entitlement sent in accordance with this Scheme which shall be sent at the risk of the persons entitled thereto.

4.4 All cheques shall be in U.S. dollars drawn on a U.S. clearing bank and shall be made payable to the relevant Cash-Out Shareholder(s) concerned, and the encashment of any such cheque, or the making of any electronic payment or the creation of any assured payment obligation in accordance with Clause 4.1, shall be a complete discharge of the Purchaser's and the Paying Agent's obligations under this Scheme to pay the relevant monies.

4.5 In respect of payments to be made to Cash-Out Shareholders in respect of Cash-Out Shares in certificated form (including Cash-Out Shares represented by depositary receipts issued by Computershare):

Each such procurement of the Paying Agent shall be a complete discharge of the Purchaser's obligation under this Scheme in respect of payments for Cash-Out Shares to the relevant Cash-Out Shareholder;

4.5.2 payments shall be made by way of cheque, provided that a Cash-Out Shareholder who has (i) completed and submitted Part II (*Letter of Transmittal*) of the Combined Form of Election electronically through the online portal and (ii) elected to receive the Consideration by way of wire transfer shall instead receive payment by wire transfer of immediately available funds; and

4.6 In respect of payments to be made through The Depository Trust Company, the Purchaser shall procure the dispatch by the Paying Agent of the sum to The Depository Trust Company in accordance with Clause 4.1.2 within 14 days of the Scheme Effective Date. Such procurement of the Paying Agent shall be a complete discharge of the Purchaser's obligation under this Scheme in respect of payments for Cash-Out Shares held in uncertificated form within the systems of The Depository Trust Company made through The Depository Trust Company.

4.7 In the case of Cash-Out Shareholders who have not encashed cheques sent to them under Clause 4.1.1 within 12 months after the date of such cheques, the Consideration due to such Cash-Out Shareholders under this Scheme shall be remitted to the Purchaser or as it may direct as soon as practicable after such 12-month period expires to be held by the Purchaser or such person as the Purchaser may nominate on behalf of such Cash-Out Shareholders (subject to the legal requirements of any jurisdiction relevant to such Cash-Out Shareholders), and the Purchaser shall procure that a notification is sent to such Cash-Out Shareholders at their addresses as appearing in the register of members at the Scheme Record Time. 4.8 The provisions of this Clause 4 shall be subject to any condition or prohibition imposed by law.

5 Share certificates

6.1.1 the Purchaser or its agents shall be entitled to direct the exercise of any votes and any or all other rights and privileges (including the right to requisition the convening of a general meeting of the Company or of any class of its shareholders) attaching to any Cash-Out Shares;

6.1.2 each Cash-Out Shareholder irrevocably authorises the Company and/or its agents to send any notice, circular, warrant, document or other communication which may be required to be sent to such Cash-Out Shareholder as a member of the Company in respect of their Cash-Out Shares (including any share certificate(s) or other document(s) of title issued as a result of conversion of their Cash-Out Shares into certificated form) to the Purchaser at its registered office;

6.2 With effect from the Scheme Effective Time, each Rollover Shareholder irrevocably appoints the Purchaser and/or any one or more of its directors or agents as its attorney and/or agent to execute and deliver as a deed on behalf of such Rollover Shareholder a counterpart of each of the Shareholders' Agreement and the Reorganisation Wrapper Deed.

7 Scheme Effective Time

9 Withholding

9.1 Notwithstanding any other provision of this Scheme, the Purchaser, the Paying Agent and each of their respective agents or nominees (for the purposes of this Clause 9.1, each a "**Payer**") shall be entitled to deduct or withhold from any Consideration payable to a Scheme Shareholder (including where such Consideration is for the account of a Beneficial Cash-Out Shareholder) any tax or amount in respect of tax as the Payer determines (in its sole discretion) is required by applicable law to be deducted or withheld, and any such deduction or withholding shall be made in the maximum amount required by applicable domestic law. If the relevant Scheme Shareholder entitled to such payment (or, in circumstances where the Consideration payable to a Scheme Shareholder is for the account of a Beneficial Cash-Out Shareholder, such Beneficial Cash-Out Shareholder) has provided to the Purchaser, no later than the date specified in the section entitled "*Notes on Completing Indian Tax Self-Declaration*" of the Document, such documentation, forms, certificates, opinions, computations and other information reasonably requested by the Purchaser evidencing (to the Purchaser's reasonable satisfaction) that such Scheme Shareholder (or, in circumstances where the Consideration payable to a Scheme Shareholder is for the account of a Beneficial Cash-Out Shareholder, such Beneficial Cash-Out Shareholder) is, in respect of such payment, entitled to an exemption from or reduced rate of withholding under applicable law (including under an applicable double taxation treaty with India), the Purchaser may make such deduction or withholding from such payment in an amount which takes into account such exemption or reduced rate.

9.2 To the extent that any amount of or in respect of tax is deducted or withheld in accordance with Clause 9.1, such deducted or withheld amount shall be:

9.2.1 remitted to the applicable taxing authority within the time limits imposed by applicable law; and

9.2.2 treated for all purposes of this Scheme as having been paid to the person in respect of which such deduction and withholding was made.

9.3 Each Scheme Shareholder that is a Non-Small Shareholder, or that receives or is expected to receive Consideration for the account of a beneficial owner of Scheme Shares or a holder of Depositary Receipts in respect of Scheme Shares, in each case who is a Non-Small Shareholder, shall return or shall cause to be returned by such beneficial owner or holder of Depositary Receipts to the Purchaser a complete and accurate Indian Tax Self-Declaration on or prior to the date specified in the section entitled "*Notes on Completing Indian Tax Self-Declaration*" of the Document.

10 Scheme Restricted Shares

10.1 Subject to this Scheme becoming effective in accordance with its terms, the rights and entitlements which would otherwise be exercisable in respect of or attach to any Scheme Restricted Shares shall not be exercisable or apply in respect of such Scheme Restricted Shares for as long as a direct or indirect interest holder in such Scheme Restricted Shares is a Sanctions Disqualified Shareholder including, without limitation:

10.1.1 the right to receive notice of, be present at or to vote (either in person or by representative or proxy) at any general meeting or at any separate meeting of the holders of any class of shares or on any poll or to exercise any other right conferred by membership in relation to any such meeting or poll, and any votes purported to be cast by or on behalf of such member in respect of the Scheme Restricted Shares at a general meeting or separate meeting of the holders of a class of shares shall be disregarded;

10.1.2 the right to receive notices or documents (including, without limitation, share certificates, annual reports, accounts and resolutions) from or in respect of the Company;

10.1.3 save for any transfer pursuant to Clause 10.2, the right to transfer such Scheme Restricted Shares or have such transfer registered, and any purported transfer of any such Scheme Restricted Shares shall be void;

10.1.4 the right to a further issuance of shares in respect of any such Scheme Restricted Shares or in pursuance of an offer made to the holders of shares in the Company; and

10.1.5 any right to receive payment of sums due from the Company on such Scheme Restricted Shares, whether in respect of dividends, distributions, returns of capital, pursuant to any share buyback or otherwise and any such payment or other money payable in respect of such Scheme Restricted Shares shall be withheld by the Company, shall not bear interest, and shall be paid into a blocked or frozen account (as applicable) in accordance with applicable Sanctions.

10.2 Subject to this Scheme becoming effective in accordance with its terms, upon each direct or indirect interest holder in any Scheme Restricted Shares ceasing to be a Sanctions Disqualified Shareholder or the Purchaser having obtained the requisite licences in accordance with all applicable Sanctions to acquire such Scheme Restricted Shares, the Purchaser may, in its sole and unfettered discretion, serve written notice on the holder of legal title to such Scheme Restricted Shares obliging it to transfer each such Scheme Restricted Share immediately to the Purchaser fully paid, with full title guarantee, and free from all liens, equitable interests, options, charges, encumbrances, rights of pre-emption and other third party rights and interests of any nature whatsoever (such Scheme Restricted Shares becoming "**Non-Restricted Shares**" upon service of such written notice by the Purchaser). Such transfer shall be in consideration of the payment by or on behalf of the Purchaser to the legal holder of each such Non-Restricted Share (subject to Clause 10.3) of an amount in cash equal to the Consideration to which such holder of Non-Restricted Shares would have been entitled to under this Scheme had such Non-Restricted Shares been Scheme Shares at the Scheme Effective Time. On any reorganisation of, or material alteration to, the share capital of the Company (including, without limitation, any subdivision and/or consolidation), the value of the Consideration per Non-Restricted Share to be paid under this Clause 10.2 shall be adjusted by the directors of the Company in such manner as the auditors of the Company or an investment bank selected by the Company may determine to be appropriate to reflect such reorganisation or alteration. Any amounts withheld by the Company pursuant to Clause 10.1.5 shall be released to the legal holder of each such Non-Restricted Share upon the later of (i) the transfer of each such Non-Restricted Share to the Purchaser or (ii) the satisfaction of any remaining Sanctions restrictions in respect of the payment of such amounts.

10.3 For the purposes of the transfer of Non-Restricted Shares pursuant to Clause 10.2, the Non-Restricted Shares shall be transferred to the Purchaser and such transfer shall be effected by means of a form or forms of transfer or other instrument or instruction of transfer and to give effect to such transfer(s) any person may be appointed by the Purchaser as attorney and/or agent and shall be authorised as such attorney and/or agent on behalf of the relevant holder of Non-Restricted Shares to execute and deliver as transferor a form or forms of transfer or other instrument or instruction of transfer (whether as a deed or otherwise) of such Non-Restricted Shares, or give any instructions to transfer such Non-Restricted Shares, and every form, instrument or instruction of transfer so executed or instruction given shall be as effective as if it had been executed or given by the holder or holders whose Non-Restricted Shares are thereby transferred. The Non-Restricted Shares which are comprised within any such form, instrument or instruction of transfer shall, with effect from the date thereof, be deemed to be Cash-Out Shares for the purposes of Clause 6.1 of this Scheme, such that the provisions of Clause 6.1 shall apply in respect of the same.

11 Modification

The Company and CPP Investments may jointly consent on behalf of all concerned to any modification of, or addition to, this Scheme or to any condition which the Court may approve or impose. For the avoidance of doubt, no modification may be made to this Scheme once it has become effective.

12 Governing law

NOTICE OF COURT MEETING

IN THE HIGH COURT OF JUSTICE **CR-2026-**

BUSINESS AND PROPERTY COURTS

OF ENGLAND AND WALES

COMPANIES COURT (ChD)

IN THE MATTER OF RENEW ENERGY GLOBAL PLC

- and -

IN THE MATTER OF THE COMPANIES ACT 2006

NOTICE IS GIVEN that by an order dated (the "**Order**") made in the above matters the Court has given permission for a meeting (the "**Court Meeting**") to be convened of the Scheme Shareholders as at the Scheme Voting Record Time (each as defined in the Scheme of Arrangement (defined below)) for the purpose of considering and, if thought fit, approving the following resolution to approve a scheme of arrangement (the "**Scheme of Arrangement**") proposed to be made pursuant to Part 26 of the Companies Act 2006 (the "**Companies Act**") between ReNew Energy Global plc (the "**Company**") and the Scheme Shareholders, and that such meeting shall be held at on at (UK time), at which place and time all Scheme Shareholders are requested to attend:

> "*That the scheme of arrangement dated (the "**Scheme of Arrangement**") between the Company and the Scheme Shareholders (as defined in the Scheme of Arrangement), a print of which has been produced to this meeting and, for the purposes of identification, signed by the chair hereof, in its original form or with or subject to any modification, addition or condition approved by the Court, be approved and the directors of the Company be authorised to take all such actions as they consider necessary or appropriate for carrying the Scheme of Arrangement into effect*."

Unless the context requires otherwise, any capitalised term used but not defined in this Notice of Court Meeting shall have the meaning given to such term in the document of which this Notice of Court Meeting forms part.

A copy of the Scheme of Arrangement and a copy of the explanatory statement required to be furnished pursuant to section 897 of the Companies Act are incorporated in the document of which this notice forms part.

Voting on the resolution to approve the Scheme of Arrangement shall be by way of poll, which shall be conducted as the Chair of the Court Meeting may determine. Voting on a poll shall mean that the vote attaching to each Scheme Share represented in person or by proxy shall be counted in the vote.

By the said Order, the Court has appointed Manoj Singh or, failing them, any other director of the Company (other than Sumant Sinha), to act as Chair of the Court Meeting and has directed the Chair to report the result of the Court Meeting to the Court.

The Scheme of Arrangement shall be subject to the subsequent sanction of the Court.

Scheme Shareholders

Scheme Shareholders entitled to attend and vote at the Court Meeting may vote in person or they may appoint another person, whether a member of the Company or not, as their proxy to attend and vote at the Court Meeting. Scheme Shareholders are strongly encouraged to appoint the Chair of the Court Meeting as their proxy, rather than a named person who may not be able to attend the Court Meeting.

Shareholders of Record and Beneficial Holders

"Shareholders of record" are those persons registered in the register of members of the Company in respect of at least one Scheme Share at the Scheme Voting Record Time. Beneficial holders of Scheme Shares whose interests in such Scheme Shares are held within the systems of The Depository Trust Company ("**DTC**") in a stock brokerage account or by a broker, bank or other nominee are considered the "**beneficial owner**" of those Scheme Shares. Only shareholders of record have the right to attend, speak and vote at the Court Meeting. Changes to the register of members after the Scheme Voting Record Time shall be disregarded in determining the rights of any person to attend and vote at the meeting.

Appointment of Proxies and Proxy Forms

A form of proxy labelled "Court Meeting Proxy Form" for use in connection with the Court Meeting, has been provided with this Notice to shareholders of record holding Scheme Shares, who can appoint a proxy using the procedures set out in these notes and the notes to the form of proxy labelled "Court Meeting Proxy Form".

Right to Appoint a Proxy; Procedure for Appointment: Scheme Shareholders entitled to attend and vote at the Court Meeting may appoint a proxy by sending a completed form of proxy labelled "Court Meeting Proxy Form", and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority) to Broadridge at 51 Mercedes Way, Edgewood, NY11717 to be received by no later than (UK time) on (or not less than 48 hours, excluding any part of a day which is not a Scheme Business Day, before the time appointed for any adjourned meeting). A completed form of proxy labelled "Court Meeting Proxy Form" not so lodged may also be handed to the Chairman of the Court Meeting before the start of the Court Meeting. Alternatively, Scheme Shareholders entitled to attend and vote at the Court Meeting may appoint a proxy electronically by logging on to www.ProxyVote.com or (from within the United States of America) by telephone on 1-800-454-8683 and entering the 16-digit control number shown on their form of proxy labelled "Court Meeting Proxy Form", in each case, with instructions to be received by no later than (UK time) on (or not less than 48 hours, excluding any part of a day which is not a Scheme Business Day, before the time appointed for any adjourned meeting). Full details of the procedure to be followed to appoint a proxy electronically are given on www.ProxyVote.com.

A Scheme Shareholder who has appointed a proxy may revoke the appointment by (i) delivering to the address for delivery of forms of proxy provided in the paragraph above, before the deadline for the receipt of forms of proxy provided in the paragraph above, either a duly signed written notice that the proxy is revoked bearing a date later than that indicated on the form of proxy labelled "Court Meeting Proxy Form" or a duly signed subsequently dated form of proxy labelled "Court Meeting Proxy Form", or (ii) delivering a duly signed subsequently dated form of proxy labelled "Court Meeting Proxy Form" to the Chairman of the Court Meeting before the start of the Court Meeting. Proxy appointments made online or by telephone may also be changed until the deadline for such appointments provided in the paragraph above.

Scheme Shareholders should note that they may not appoint more than one proxy in respect of their shareholding through the www.ProxyVote.com service or by telephone, and if they wish to appoint more than one proxy they should request forms of proxy labelled "Court Meeting Proxy Form" from Broadridge, and submit them as set out below.

Completion and return of a form of proxy labelled "Court Meeting Proxy Form", or the appointment of a proxy electronically or by telephone, shall not prevent a Scheme Shareholder from attending and voting in person at the Court Meeting or any adjournment thereof.

Scheme Shareholders are entitled to appoint a proxy in respect of some or all of their shares. Scheme Shareholders are also entitled to appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by such Scheme Shareholder. A space has been included in the form of proxy labelled "Court Meeting Proxy Form" to allow Scheme Shareholders to specify the number of shares in respect of which that proxy is appointed. Scheme Shareholders who return the form of proxy labelled "Court Meeting Proxy Form" duly executed but leave this space blank shall be deemed to have appointed the proxy in respect of all their Scheme Shares (as defined in the Scheme of Arrangement).

Scheme Shareholders who wish to appoint more than one proxy in respect of their shareholding should contact Broadridge on 1-866-232-3037 for those within the U.S., and 1-720-358-3640 for those outside the U.S. or at 51 Mercedes Way, Edgewood, NY11717 for further forms of proxy labelled "Court Meeting Proxy Form" or photocopy the form of proxy labelled "Court Meeting Proxy Form" as required. Such Scheme Shareholders should also read the information regarding the appointment of multiple proxies set out on pages 37 to 40 of the document of which this notice forms part and on the form of proxy labelled "Court Meeting Proxy Form".

As an alternative to appointing a proxy, any Scheme Shareholder which is a corporation may appoint one or more corporate representatives who may exercise on its behalf all its powers as a member. Only one corporate representative is to be counted in determining whether under Part 26 of the Companies Act a majority in number of the Scheme Shareholders approved the Scheme of Arrangement. The Chair of the Court Meeting may require a corporate representative to produce to the Company's registrars, Computershare, his/her written authority to attend and vote at the Court Meeting at any time before the start of the Court Meeting. The representative shall not be entitled to exercise the powers conferred on them by the Scheme Shareholder until any such demand has been satisfied.

In the case of joint holders of Scheme Shares, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the vote(s) of the other joint holder(s) and for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the joint holding (the first being the most senior) save that, to the extent that two joint holders seek to vote in a different manner, the Chair of the Court Meeting shall report the same to the Court.

Holders of Depositary Receipts

Holders as at the Scheme Record Time of depositary receipts issued by Computershare Trust Company, N.A. (the "**Depositary Agent**") generally have the right to direct the Depositary Agent how to vote the Scheme Shares underlying their depositary receipts and are also invited to attend the Court Meeting. However, as holders of depositary receipts are not shareholders of record of the relevant Scheme Shares underlying their depositary receipts, they may not vote such Scheme Shares at the Court Meeting unless they request and obtain a legal appointment as proxy from the Depositary Agent. The proxy form effecting this appointment must be delivered to Broadridge at 51 Mercedes Way, Edgewood, NY11717 by no later than (UK time) on (or not less than 48 hours, excluding any part of a day which is not a Scheme Business Day, before the time appointed for any adjourned meeting).

Holders of depositary receipts issued by the Depositary Agent will receive instructions from Broadridge on how to give directions about the voting of the ReNew Shares underlying their depositary receipts. Holders of such depositary receipts must follow these instructions in order for the voting rights attaching to the ReNew Shares underlying their depositary receipts to be voted. In order to be valid, the voting directions must be received no later than 11.59 p.m. (EST time) on . Following receipt of the directions, such directions will be passed on by the registered holder of the ReNew Shares underlying the depositary receipts to the Company's agent, which shall be deemed to constitute the appointment of the Chair of the Court Meeting as the nominee's proxy for the Court Meeting in respect of the relevant ReNew Shares and an instruction to the proxy to vote the relevant ReNew Shares in accordance with the directions of the holders of the depositary receipts. Since the holders of depositary receipts are not shareholders registered in the register of members, they may not vote at the Court Meeting unless they request and obtain a legal appointment as proxy from the Depositary Agent. If Broadridge does not receive valid voting directions from a holder of depositary receipts by the deadline referred to above, the ReNew Shares underlying that holder's depositary receipts will not be voted at the Court Meeting, and no proxy will be given to vote them on a discretionary basis.

Beneficial Owners

Beneficial owners of ReNew Shares whose interests in such ReNew Shares are held in the name of a broker, bank or other nominee within the systems of DTC will receive instructions from Broadridge or their broker, bank or nominee on how to give directions about the exercise of the voting rights attaching to such Scheme Shares. Such beneficial owners must follow these instructions in order for their Scheme Shares to be voted. In order to be valid, the voting directions must be received no later than (UK time) on . Any voting direction submitted to the Company or its agent by such beneficial owner (or on their behalf) in accordance with these instructions shall be deemed to constitute the appointment of the Chair of the Court Meeting as proxy on behalf of DTC's nominee (which is the registered holder of the relevant Scheme Shares) in respect of the relevant Scheme Shares and an instruction to the proxy to vote the relevant Scheme Shares in accordance with the directions of such beneficial owner. Since beneficial owners are not shareholders registered in the register of members, they may not vote at the Court Meeting unless they request and obtain a legal appointment as proxy from their broker, bank or other nominee.

Record Date

Only those Scheme Shareholders registered in the register of members of the Company as at (UK time) on the day which is five Scheme Business Days before the date of the Court Meeting or adjourned meeting (as the case may be) shall be entitled to attend or vote in respect of the number of shares registered in their name at the relevant time. In each case, changes to the register of members of the Company after such time shall be disregarded.

Proxy appointment and revocation

1. In order for the special resolution above to be passed, not less than 75 per cent. of the votes cast by those present and voting, either in person or by proxy, must be in favour in order to pass the resolution as a special resolution.

2. Shareholders are entitled to attend and vote at the General Meeting in person, or to appoint another person as a proxy to exercise all or any of their rights to attend and vote at the General Meeting. A proxy need not be a member of the Company.

3. "Shareholders of record" are those persons registered in the register of members of the Company in respect of at least one share in the Company at the Scheme Voting Record Time. Beneficial holders of ReNew Shares whose interests in such ReNew Shares are held within the systems of The Depository Trust Company ("**DTC**") in a stock brokerage account or by a broker, bank or other nominee are considered the "beneficial owner" of those shares. Only shareholders of record have the right to attend, speak and (in respect of any Class A Ordinary Share, Class B Ordinary Share or Class D Ordinary Share) vote at the General Meeting. Changes to the register of members after the Scheme Voting Record Time shall be disregarded in determining the rights of any person to attend and vote at the meeting.

4. A form of proxy labelled "General Meeting Proxy Form" for use in connection with the General Meeting has been provided with this notice to shareholders of record, who can appoint a proxy using the procedures set out in these notes and the notes to the form of proxy labelled "General Meeting Proxy Form". The appointment of a proxy will not prevent a shareholder from subsequently attending and voting at the General Meeting or any adjournment thereof in person. Shareholders are encouraged to appoint the Chair of the General Meeting as their proxy to ensure they can exercise their vote and be represented at the General Meeting in the event they are unable to attend on the day.

5. To appoint a proxy, shareholders can either: (a) send a completed form of proxy labelled "General Meeting Proxy Form", and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority), to Broadridge at 51 Mercedes Way, Edgewood, NY11717, or (b) register the proxy appointment electronically on the website at www.ProxyVote.com, or (c) (from within the United States of America) by telephone on 1-800-454-8683, by entering the 16-digit control number shown on the form of proxy labelled "General Meeting Proxy Form", in each case so as to be received no later than (UK time) on (or not less than 48 hours, excluding any part of a day which is not a Scheme Business Day, before the time appointed for any adjourned meeting). Full details of the procedure to be followed to appoint a proxy electronically are given on www.ProxyVote.com.

6. A shareholder may appoint more than one proxy in relation to the General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by such shareholder. Shareholders who wish to appoint more than one proxy in respect of their shareholding should contact Broadridge on 1-866-232-3037 for those within the U.S., and 1-720-358-3640 for those outside the U.S. or at 51 Mercedes Way, Edgewood, NY11717 for further forms of proxy labelled "General Meeting Proxy Form" or photocopy the form of proxy labelled "General Meeting Proxy Form" as required. Shareholders should note that they may not appoint more than one proxy in respect of their shareholding through the www.ProxyVote.com service or by telephone.

7. A space has been included in the form of proxy labelled "General Meeting Proxy Form" to allow shareholders to specify the number of shares in respect of which that proxy is appointed. Shareholders who return the form of proxy labelled "General Meeting Proxy Form" duly executed but leave this space blank shall be deemed to have appointed the proxy in respect of all their shares.

8. A shareholder who has appointed a proxy may revoke the appointment by delivering to the address for delivery of forms of proxy provided in note 5 above, before the deadline for the receipt of forms of proxy provided in note 5 above, either a duly signed written notice that the proxy is revoked bearing a date later than that indicated on the form of proxy labelled "General Meeting Proxy Form" or a duly signed subsequently dated form of proxy labelled "General Meeting Proxy Form". Additional information

18. Holders as at the Scheme Record Time of depositary receipts issued by Computershare Trust Company, N.A. (the "**Depositary Agent**") generally have the right to direct the Depositary Agent how to vote the ReNew Shares underlying their depositary receipts and are also invited to attend the General Meeting. However, as holders of depositary receipts are not shareholders of record of the relevant ReNew Shares underlying their depositary receipts, they may not vote such ReNew Shares at the General Meeting unless they request and obtain a legal appointment as proxy from the Depositary Agent. The proxy form effecting this appointment must be delivered to Broadridge at 51 Mercedes Way, Edgewood, NY11717 by no later than (UK time) on (or not less than 48 hours, excluding any part of a day which is not a Scheme Business Day, before the time appointed for any adjourned meeting).

19. Holders of depositary receipts issued by the Depositary Agent will receive instructions from Broadridge on how to give directions about the voting of the ReNew Shares underlying their depositary receipts. Holders of such depositary receipts must follow these instructions in order for the voting rights attaching to the ReNew Shares underlying their depositary receipts to be voted. In order to be valid, the voting directions must be received no later than 11.59 p.m. (EST time) on . Following receipt of the directions, such directions will be passed on by the registered holder of the ReNew Shares underlying the depositary receipts to the Company's agent, which shall be deemed to constitute the appointment of the Chair of the General Meeting as the nominee's proxy for the General Meeting in respect of the relevant ReNew Shares and an instruction to the proxy to vote the relevant ReNew Shares in accordance with the directions of the holders of the depositary receipts. Since the holders of depositary receipts are not shareholders registered in the register of members, they may not vote at the General Meeting unless they request and obtain a legal appointment as proxy from the Depositary Agent. If Broadridge does not receive valid voting directions from a holder of depositary receipts by the deadline referred to above, the ReNew Shares underlying that holder's depositary receipts will not be voted at the General Meeting, and no proxy will be given to vote them on a discretionary basis.

20. Beneficial owners of ReNew Shares whose interests in such ReNew Shares are held in the name of a broker, bank or other nominee within the systems of DTC will receive voting instructions from Broadridge or their broker, bank or nominee for the General Meeting on how to give directions about the exercise of the voting rights attaching to such shares. Such beneficial owners must follow these instructions in order for their shares to be voted. In order to be valid, the voting directions must be received no later than (UK time) on . Any voting direction submitted to the Company or its agent by such beneficial owner (or on their behalf) in accordance with these instructions shall be deemed to constitute the appointment of the Chair of the General Meeting as proxy on behalf of DTC's nominee (which is the registered holder of the relevant shares) in respect of the shares and an instruction to the proxy to vote the relevant shares in accordance with the directions of such beneficial owner. Since beneficial owners are not shareholders registered in the register of members, they may not vote at the General Meeting unless they request and obtain a legal appointment as proxy from their broker, bank or other nominee.

21. If you are a shareholder of record and wish to attend the General Meeting in person, please bring photo identification to enable the Company to confirm your right to attend and vote. 2. Treatment of Scheme Shares

2.1 No later than the later of (a) 80 days following the publication of the Scheme Circular and (b) ten Business Days prior to the Court Sanction Hearing (the "**Rollover Election Deadline**"), each Scheme Shareholder who wishes to treat all of its Scheme Shares as Rollover Shares shall be requested to deliver a written notice to the Consortium (or such other person appointed by the Consortium and/or the Company), in the form set out in Schedule 10 (a "**Rollover Election Notice**"), setting forth the total number of Scheme Shares held by such Scheme Shareholder and whether such Scheme Shareholder or (where such Rollover Election Notice is in relation to Scheme Shares represented by Depositary Receipt(s)) each holder of the relevant Depositary Receipt(s) is a U.S. Person or a resident in India; provided that no Scheme Shareholder who is resident in India shall be permitted to deliver a Rollover Election Notice and any Rollover Election Notice delivered by a Scheme Shareholder who is resident of India shall be null and void and the Scheme Shares held by such Scheme Shareholder shall be deemed Cash-Out Shares for all purposes of this Agreement and the Scheme. Except as provided in clause 2.2 and clause 2.3, all Scheme Shares, and no less than all Scheme Shares, held by a Scheme Shareholder who makes a Rollover Election Notice will be treated as Rollover Shares. Any Scheme Shareholder who fails to deliver a valid Rollover Election Notice in accordance with this clause 2.1 shall be deemed to have elected to treat all of its Scheme Shares as Cash-Out Shares for all purposes of this Agreement and the Scheme.

2.2 No Rollover Election Notice may be submitted by or on behalf of a beneficial owner of Scheme Shares held in uncertificated form within the systems of The Depository Trust Company. If any such beneficial owner of Scheme Shares wishes to submit a Rollover Election Notice, they must first procure the withdrawal of all of the Scheme Shares beneficially owned by it from the systems of The Depository Trust Company and be entered as registered holder (other than as a holder in uncertificated form) in the register of shareholders of the Company, upon which such beneficial owner shall become a Scheme Shareholder in its own right.

2.3 If the total number of Company Shareholders (as determined in accordance with the Indian Companies Act 2013) as of immediately following the consummation of the Scheme, after giving effect to the Rollover Election Notices validly delivered pursuant to clause 2.1, is expected to exceed 200, then any Scheme Shareholder who has validly delivered a Rollover Election Notice pursuant to clause 2.1 and who holds, as of the Rollover Election Deadline, a number of Company Ordinary Shares that is fewer than the Cutback Threshold (i) shall be deemed to have elected to treat all of its Scheme Shares as Cash-Out Shares for all purposes of this Agreement and the Scheme, and (ii) shall not, and shall not be deemed to, be a Rollover Shareholder for any purpose under this Agreement or the Scheme. For purposes of this clause 2.3, the **"Cutback Threshold**" means such number of issued and outstanding Company Ordinary Shares (as of the Rollover Election Deadline) which, when applied in accordance with this clause 2.3, will cause the total number of Company Shareholders as of immediately following the consummation of the Scheme, after giving effect to clause 2.1 and clause 2.4, to be no more than 200.

2.4 If, following the application of clause 2.3 (if applicable), the aggregate number of Rollover Shares held or beneficially owned (as applicable) by U.S. Rollover Shareholders would be expected to represent more than 9.0% of the total issued and outstanding Company Ordinary Shares (for the avoidance of doubt, the total issued and outstanding Company Ordinary Shares includes any Class A Ordinary Shares and Class C Ordinary Shares held by CPPIB or the Purchaser) immediately following the consummation of the Scheme (the "**Maximum U.S. Rollover Percentage**"), the number of Rollover Shares held or beneficially owned (as applicable) by each U.S. Rollover Shareholder shall be reduced on a *pro rata* basis (calculated by reference to each U.S. Rollover Shareholder's total holding or beneficial ownership (as applicable) of Scheme Shares as a proportion of the aggregate Scheme Shares held or beneficially owned (as applicable) by all U.S. Rollover Shareholders) to the minimum extent necessary such that the aggregate Rollover Shares held or beneficially owned (as applicable) by all U.S. Rollover Shareholders do not exceed the Maximum U.S. Rollover Percentage. All Scheme Shares held or beneficially owned (as applicable) by a U.S. Rollover Shareholder that are so reduced as a result of this clause 2.4 shall cease to be Rollover Shares and shall instead be treated as Cash-Out Shares for all purposes of this Agreement and the Scheme.

2.5 For the purposes of clauses 2.1 to 2.4 above, each portion of a Scheme Shareholder's holding which is recorded in the register of members of the Company by reference to a separate designation at the Scheme Record Time, whether in certificated or uncertificated form, shall be treated as a separate holding.

2.6 At the Effective Time, subject to and in accordance with the terms of the Scheme and any relevant instruments or forms of transfer (to the extent required), the Cash-Out Shares shall be transferred from the Cash-Out Shareholders to the Purchaser (and/or such of CPPIB's nominee(s) as may be agreed between CPPIB and the Company prior to the filing of the Scheme with the Court) fully paid, with full title guarantee, free from all Encumbrances and together with all rights at or after the Effective Time attached or relating to such Cash-Out Shares.

2.7 As soon as reasonably practicable after the Effective Time, and subject to the stamping by His Majesty's Revenue & Customs of any relevant instruments or forms of transfer (to the extent required), the register of members of the Company will be updated to reflect the transfer of the Cash-Out Shares in accordance with this Agreement and the Scheme.

2.8 Each Rollover Share shall remain outstanding as a Company Ordinary Share.

2.9 The Scheme Circular shall include a power of attorney from each Rollover Shareholder in favour of CPPIB and the Purchaser in connection with the implementation of the proposed reorganisation of the Company to be undertaken following the Effective Date pursuant to which all Company Shareholders will become shareholders of ReNew Private Limited.

3. Consideration

Settlement

3.1 CPPIB hereby undertakes that on or before the Effective Date (and in any event in sufficient time in advance of the Effective Date for the Paying Agent to transmit such amounts to the Depositary or the Cash-Out Shareholders in accordance with the timeline set out in the Scheme Circular), it shall procure the payment of the Cash Funding Requirement (other than: (i) any amounts payable to participants in the Company Equity Plans in respect of any Award that is exercised between the Court Sanction Order and the Scheme Record Time pursuant to Part 1 of Schedule 3, which shall be paid by CPPIB directly to the Company for the Company to arrange to be distributed to such participants through payroll in exchange for issuance by the Company of additional Company Ordinary Shares at a price per share equal to the Consideration; and (ii) any amount in respect of UK stamp duty or UK stamp duty reserve tax within clause 11.1(b)) to the Paying Agent for the benefit of Cash-Out Shareholders, in immediately available funds in cash, which shall constitute satisfaction of its obligations to the Cash-Out Shareholders in respect of such Cash Funding Requirement.

3.2 The Company undertakes that it shall provide to CPPIB such co-operation and assistance as may reasonably be required in connection with establishing procedures with the Paying Agent and Depositary to ensure that the Paying Agent transmits to the Depositary as promptly as practicable after the Effective Time all amounts owed to holders of Depositary Receipts.

3.3 CPPIB undertakes that it shall consult with the Company to the extent reasonably practicable in respect of the appointment of the Paying Agent (including the terms of the Paying Agent Agreement). The Paying Agent shall be appointed prior to the Effective Time and shall be a nationally recognized bank or trust company reasonably acceptable to the Company, and the Paying Agent Agreement shall be in a form and substance reasonably acceptable to the Company. CPPIB shall direct the Paying Agent to take the actions set out in the Scheme Circular, within the timeframes set out in the Scheme Circular.

General

3.4 Except with the permission of the Court, any portion of the Cash Funding Requirement which has not been transferred to the holders of Cash-Out Shares within twelve months of the Effective Date shall be delivered to the Purchaser or its designee(s) promptly upon demand by CPPIB (it being understood that no such delivery shall affect any legal right that a Cash-Out Shareholder may have to receive the Consideration provided that such Cash-Out Shareholder claims the consideration within twelve years of the Effective Date), and thereafter such Cash-Out Shareholders shall be entitled to look only to the Purchaser for, and the Purchaser shall remain liable for, payment of their claims for the Consideration pursuant to the provisions of this clause 3.

3.5 Save as required by Applicable Law, or an order of the Court, no interest shall be paid or shall accrue for the benefit of Cash-Out Shareholders on the Consideration.

3.6 Without prejudice to CPPIB's obligations under this Agreement and the Scheme with respect to the payment of the Consideration, to the fullest extent permitted by Applicable Law, none of CPPIB, the Purchaser, CPPIB's Affiliates, the Founder, the Company, the Paying Agent or any other Person acting as agent for, or otherwise at the direction of, any of the foregoing Persons, including any of their respective Affiliates, directors, officers or employees, will be liable to the Company, the Cash-Out Shareholders or any other Person in respect of any Consideration from the Cash Funding Requirement delivered to a public official pursuant to any applicable abandoned property, escheat or similar Applicable Laws.

3.7 CPPIB, the Purchaser, any of CPPIB's Affiliates, the Paying Agent and/or any other Person shall be entitled to deduct and withhold from the payment or delivery of the Consideration such amounts, if any, of, or in respect of, Tax as is required to be deducted and/or withheld with respect to the making of such payment or delivery under Applicable Law. CPPIB, the Purchaser, any of CPPIB's Affiliates, the Paying Agent and the Company will cooperate in good faith to implement payment arrangements in respect of the settlement of the Consideration (including through the use of appropriate agents) that will, to the extent legally permissible, minimise both the amount of, and the administrative burdens associated with, such deduction or withholding. To the extent that amounts of Tax are so deducted and withheld, such deducted and withheld amounts shall be accounted to the relevant Taxing Authority within applicable time limits and treated for all purposes of this Agreement and the Scheme as having been paid to the person in respect of which such deduction and withholding was made.

(y) enter into, amend, modify or supplement any term of any engagement letter between the Company and any of its financial advisers in a manner that is less favorable to the Company in connection with the Transaction in any material respect;

(z) terminate, amend, modify or intentionally release or intentionally waive any provision of any confidentiality agreement to which the Company or any of its Affiliates is a party, or fail to enforce such provisions of any such agreement, to the extent such provisions are still effective, in each case which would have a material adverse effect in the context of the Transaction or the Company;

(aa) make any material change in the nature or organisation of its business or discontinue or cease to operate all or a material part of its business;

(bb) make any material change to, or grant any material waiver or material exception under, any Health and Safety Policies and Standards, or make any material change to the monitoring, enforcement, or reporting of compliance with such policies and standards, in each case that would reasonably be expected to result in a material reduction in the scope, stringency, or effectiveness of such policies, standards, or enforcement;

(cc) make any material change to, or grant any material waiver or material exception under, any Supply Chain Sourcing Policies and Practices in each case that would reasonably be expected to result in a material reduction in the scope, stringency, or effectiveness of such policies, standards, or enforcement; or

(dd) agree or authorise, in writing or otherwise, to take any of the foregoing actions.

9.3 Without in any way limiting any party's rights or obligations under this Agreement, nothing contained in this Agreement shall give the Consortium or CPPIB, directly or indirectly, the right to control or direct the Company's or any of its Subsidiaries' businesses or operations prior to the Effective Time. Prior to the Effective Time, the Company shall continue to exercise, consistent with the terms of this Agreement, complete control and supervision over its Subsidiaries and its and their business and operations.

9.4 Notwithstanding anything contained in this clause 9, the consent of CPPIB shall not be required for:

(a) any action, decision or transaction undertaken in accordance with the Company Business Plan or Company Budget, other than for the following matters to the extent contemplated in the Company Business Plan or Company Budget:

(i) any equity investment of more than 200 million dollars (USD $200,000,000) individually;

(c) any action, decision or transaction, including without limitation, security creation undertaken pursuant to and required in connection with a Permitted Acquisition, a Permitted Disposal or a Pipeline Transaction;

(d) any action taken, decision or transaction undertaken pursuant to the Company Business Plan (including the Company's plan in relation to the 6.5 GW Wafer-Ingot facility) or New Business and which satisfies the return requirements set out in the F&O Policies; provided that (i) this clause (d) shall not apply to any acquisition relating to New Business and (ii) such action, decision or transaction shall not involve capital expenditures across all New Business in excess of 50 million dollars (USD $50,000,000);

(e) any actions pursuant to any intra-Group transactions in the ordinary course of business and consistent with past practice; and

(f) any proposal being made solely to the Company Board (including its committees), or at a meeting of the Company Board (including its committees).

9.5 The approval of any action, decision or transaction by CPPIB under this clause 9 shall be deemed to be an approval of all steps and actions as may be required to be undertaken to accomplish the purposes of such action, decision or transaction, as the case may be, including negotiating, finalizing, amending, accepting, executing and signing on behalf of the Company or the relevant Subsidiary, as the case may be, all deeds, documents and agreements, provided that (a) the Company promptly provides CPPIB with details of all material updates with respect to such transaction, including the execution and completion thereof, and (b) the Company shall be required to seek a further approval from CPPIB if there is a material and adverse change to the terms on which the Group proposes to implement that transaction.

10. Non-solicitation

Non-solicitation obligations of the Company

10.1 The Company shall, shall cause its Subsidiaries to, and shall use all reasonable endeavours to cause its and their respective Representatives to, promptly cease any and all existing discussions or negotiations with any Third Party ongoing as of the date of this Agreement with respect to any Competing Proposal and shall as promptly as practicable (and in any event within five (5) Business Days) after the date of this Agreement:

(a) terminate access of any Third Party to any data room containing confidential information of the Group, other than access granted by a Subsidiary to a Third Party which was not granted, and which is not being used, in connection with any Competing Proposal; and

(b) request the return or destruction of all confidential information provided to Third Parties prior to the date of this Agreement that have entered into a confidentiality agreement with the Company relating to any Competing Proposal.

10.2 During the Relevant Period, except as otherwise permitted by the provisions of this clause 10, the Company shall not, shall cause its Subsidiaries not to, and shall use all reasonable endeavours to cause the Company's and its Subsidiaries' respective Representatives not to, directly or indirectly:

(a) solicit, initiate, participate in, knowingly facilitate, knowingly assist or knowingly encourage any enquiries regarding, or the making or submission of, any Competing Proposal;

(b) enter into, continue or participate in any discussions or negotiations with any Third Party in respect of any Competing Proposal;

(c) enter into or adopt any letter of intent, heads of terms, memorandum of understanding or similar document, agreement, commitment, or agreement in principle (whether written or oral, binding or nonbinding) with respect to any Competing Proposal;

(d) make a Company Adverse Recommendation Change;

(e) furnish or cause to be furnished any confidential or non-public information or data of or with respect to the Company or any of its Subsidiaries, or afford or caused to be afforded access to the business, operations, properties, assets, books, records, or other non-public information or data, or to any personnel, of the Company or any of its Subsidiaries, to any Third Party in connection with any Competing Proposal or any inquiry, proposal or offer that constitutes or could reasonably be expected to lead to a Competing Proposal;

(f) amend or grant any waiver or release under any standstill, confidentiality or similar agreement entered into with respect to any Competing Proposal; or

(g) resolve or agree to do any of the foregoing.

10.3 The restrictions in this clause 10 shall not prevent or restrict:

(a) any disclosure required by Applicable Law or by order of any court or Governmental Authority; or

(b) any disclosure required to enable any director of the Company or any Subsidiary to comply with his or her fiduciary duties, provided that such director has obtained written legal advice from external counsel confirming that such disclosure is required to comply with such fiduciary duties,

provided that if any such action or disclosure or omission pursuant to clause 10.3(a) or 10.3(b) constitutes a Company Adverse Recommendation Change, CPPIB shall have the termination right as set out in clause 14.

Competing Proposals

10.4 During the Relevant Period, to the extent permitted by Applicable Law, the Company shall: (i) promptly (and in any event within forty-eight (48) hours) notify the Consortium if any Competing Proposal has been received by the Company or any of its Subsidiaries (or, to the knowledge of the Company, any of its or their Representatives), and such notice shall include: (x) the identity of the Third Party making such Competing Proposal, (y) the material terms and conditions of any such Competing Proposal; (ii) keep the Consortium reasonably informed of any material developments, discussions or negotiations regarding such Competing Proposal (including any change of terms); and (iii) respond as promptly as reasonably practicable to any reasonable requests for information made by CPPIB in connection with such Competing Proposal. During the Relevant Period, the Company or any of its Representatives may, in response to a Competing Proposal that did not result from a breach in any material respect of clauses 10.1 or 10.2:

(a) inform such Third Party or its Representative of the restrictions imposed by the provisions of this clause 10;

(b) prior to, but not after, the receipt of the Company Shareholder Approvals, seek clarification from any Third Party that has made a Competing Proposal solely to clarify and understand the terms and conditions of such proposal to provide adequate information for the Special Committee to make an informed determination as to whether the Competing Proposal constitutes a Superior Proposal;

(c) if, and only if the Special Committee determines in good faith, after consultation with its outside legal counsel, that the failure to amend or grant any waiver or release under any standstill, confidentiality or similar agreement would be inconsistent with its fiduciary or other directors duties under Applicable Law, the Company may then amend or grant a waiver or release under such standstill, confidentiality or similar agreement, solely to the extent necessary to permit a Third Party to make, on a confidential basis to the Company Board, a Competing Proposal, conditioned upon such Third Party agreeing to disclosure of information in relation to such Competing Proposal to CPPIB as contemplated by this clause 10.4; and

(d) if and only if the Special Committee determines in good faith, after consultation with its financial advisors and outside legal counsel, that (i) such Competing Proposal constitutes or would reasonably be expected to lead to a Superior Proposal and (ii) the failure to take any such action would be inconsistent with its fiduciary or other directors duties under Applicable Law, then the Company and its Representatives may (A) furnish, pursuant to (but only pursuant to) an Acceptable Confidentiality Agreement, information (including non-public information) with respect to the Company to the Person or group of Persons who has made such Competing Proposal; provided, that the Company shall substantially concurrently provide to CPPIB any non-public information concerning the Company that is provided to any such Person which was not previously provided to CPPIB or its Representatives and (B) engage in or otherwise participate in discussions or negotiations with respect to such Competing Proposal with the Person or group of Persons making such Competing Proposal.

10.5 If, at any time prior to the satisfaction of the Court Sanction Condition, (i) the Company receives a *bona fide* Competing Proposal made after the date of this Agreement that has not resulted from a breach in any material respect of clauses 10.1 or 10.2, (ii) the Company has complied with its obligations under clause 10.6 and (iii) the Special Committee determines in good faith, after consultation with its financial advisor and outside legal counsel, that such Competing Proposal constitutes a Superior Proposal and that a failure to take action in response to such Superior Proposal would likely be inconsistent with its fiduciary or other directors duties under Applicable Law then, subject to clause 10.6, the Special Committee may:

(a) make a Company Adverse Recommendation Change; and/or

(b) terminate this Agreement in accordance with clause 14.1(e)(iii).

10.6 The Company may only exercise its rights under clause 10.5 if it first satisfies the following requirements:

(a) the Company notifies the Consortium in writing at least 10 Business Days before taking such action, and such notice includes a written summary of the material terms and conditions thereof and the identity of the Person(s) making any such Superior Proposal;

(b) the Company and its Representatives negotiate in good faith with the Consortium and their Representatives during such 10 Business Day notice period, to the extent that the Consortium seek to negotiate, to enable the Consortium to propose revisions to the terms of this Agreement and the Scheme that would cause a Competing Proposal to no longer constitute a Superior Proposal; and

(c) during the 10 Business Day period set out in clause 10.6(b), the Special Committee considers in good faith any revisions to the terms of this Agreement and the Scheme proposed in a binding written proposal by the Consortium,

and, following the satisfaction of such requirements, the Special Committee determines in good faith that the Superior Proposal would nevertheless continue to constitute a Superior Proposal notwithstanding any revisions proposed by the Consortium and that the failure to make the Company Adverse Recommendation Change or terminate this Agreement would likely be inconsistent with the fiduciary or other director duties of the Special Committee under Applicable Law. Following the initial 10 Business Day period, every subsequent material revision or material modification to any such Superior Proposal (any proposed change in the form or amount of consideration offered shall be deemed a material revision or material modification) shall restart the period set out in clause 10.6(b), except that such period shall be 5 Business Days (instead of 10 Business Days).

Intervening Events

10.7 If, at any time prior to the satisfaction of the Court Sanction Condition, an Intervening Event occurs then, subject to clause 10.8, the Special Committee may make a Company Adverse Recommendation Change of the type described in limbs (b) or (c) of the definition thereof, provided that the Special Committee determines in good faith, after consultation with its financial advisor and outside legal counsel, that the failure to take such action would likely be inconsistent with its fiduciary or other directors duties under Applicable Law.

10.8 The Company may only exercise its rights under clause 10.7, if it first satisfies the following requirements:

(a) the Company notifies the Consortium in writing at least 10 Business Days before taking such action, and such notice includes a reasonably detailed description of the Intervening Event (including the facts and circumstances providing the basis for the determination by the Special Committee to effect such Company Adverse Recommendation Change);

(b) the Company and its Representatives negotiate in good faith with the Consortium and their respective Representatives during such 10 Business Day notice period, to the extent that the Consortium seeks to negotiate, to enable the Consortium to propose revisions to the terms of this Agreement and the Scheme that would cause the Company to no longer make a Company Adverse Recommendation Change;

(c) the Company and its Representatives provide to the Consortium and their respective Representatives all applicable information with respect to such Intervening Event reasonably requested by the Consortium to allow it to propose revisions to the terms of this Agreement; and

(d) following the 10 Business Day period set out in clause 10.8(b), the Special Committee considers in good faith any revisions to the terms of this Agreement in a binding written proposal by the Consortium,

and, following the satisfaction of such requirements, the Special Committee determines in good faith after consultation with its financial advisor and outside legal counsel that the failure to take such action in response to such Intervening Event would likely to continue to be inconsistent with its fiduciary or other directors duties under Applicable Law notwithstanding the revisions proposed by the Consortium.

10.9 If, at any time commencing from the day that is five Business Days prior to the date of the Court Meeting but prior to the satisfaction of the Court Sanction Condition, an Intervening Event occurs and the Special Committee makes a Company Adverse Recommendation Change of the type described in limbs (b) or (c) of the definition thereof in accordance with clause 10.8, the Special Committee shall take such actions as are required to convene a further Court Meeting as soon as reasonably practicable to enable Scheme Shareholders a further opportunity to vote on the Scheme in light of the Intervening Event (the "**Further Court Meeting**").

General

10.10 In no event shall the Company's compliance with its obligations pursuant to, or the exercise of its rights under, clauses 10.4, 10.6 and 10.8 (including, for the avoidance of doubt, any communications by the Company, the Special Committee or their Representatives to the Consortium and/or their Representatives that the Special Committee considers (i) a Competing Proposal to be a Superior Proposal or (ii) an Intervening Event to have occurred) constitute a Company Adverse Recommendation Change.

10.11 Nothing contained in this clause 10 shall prevent the Special Committee from:

(a) taking and disclosing to the Company Shareholders a position contemplated by Rule 14e-2(a), Rule 14d-9 or Item 1012(a) of Regulation M-A promulgated under the 1934 Act;

(b) making any "stop, look and listen" communication to Company Shareholders pursuant to Rule 14d-9(f) promulgated under the 1934 Act (which, for the avoidance of doubt, shall not, in and of itself, constitute a Company Adverse Recommendation Change); or

(c) making any public disclosure required to comply with its obligations under Applicable Law (including, without limitation, the 1934 Act), or the rules of the Nasdaq,

provided that any such action or disclosure or omission pursuant to clause 10.11(a) that would constitute a Company Adverse Recommendation Change shall give CPPIB a termination right as set out in clause 14.

10.12 The Parties agree that if any Representative or Subsidiary of the Company takes any action on behalf of or at the direction of the Company which, if taken by the Company, would constitute a breach of this clause 10, then the Company shall be deemed to be in breach of this clause 10.

11. Cash Funding Requirement

11.1 CPPIB represents, warrants and undertakes to each other Party that sufficient resources will be immediately available to the Purchaser as at the date that the Purchaser is required to procure the payment of the Cash Funding Requirement to the Paying Agent in accordance with clause 3.1, for use to satisfy in full, and that it will satisfy in full, the cash funding requirements under and in connection with the Transaction, including:

(a) the aggregate Consideration for all Cash-Out Shares (including any amounts payable to participants in the Company Equity Plans in respect of any Award that is exercised between the Court Sanction Order and the Scheme Record Time pursuant to Part 1 of Schedule 3); and

(b) any stamp duty or stamp duty reserve tax payable in connection with the transfer of the Cash-Out Shares pursuant to the Transaction,

(together, in aggregate, the "**Cash Funding Requirement**").

11.2 In the event that the Cash Funding Requirement is increased, references in this Agreement to the Cash Funding Requirement and to the amount required to be made available by CPPIB to satisfy the Cash Funding Requirement in full shall be to the amount so increased.

11.3 CPPIB expressly acknowledges and agrees that its obligations under this Agreement, including their obligations to consummate the Transaction, are not subject to, or conditioned on, the receipt or availability of any funds or financing.

12. Director and Officer Liability

12.1 From and after the Effective Date, CPPIB shall procure that the Company and each of its Subsidiaries, to the fullest extent permitted by Applicable Law shall indemnify, defend and hold harmless each D&O Party against any liability arising in connection with or in relation to such D&O Party's position as a director, manager or officer of the Company or any of its Subsidiaries at least to the extent such D&O Party is indemnified immediately prior to the Effective Date pursuant to the Company Articles, the constitutional documents of any Subsidiary or any deed of indemnity or other agreement between such D&O Party and the Company or any of its Subsidiaries.

12.2 CPPIB acknowledges that the Company and the Subsidiaries may obtain as of or prior to the Effective Date "tail" directors' and officers' liability insurance policies with a claims period of ten years from the Effective Date with at least the same coverage and amounts, and containing terms and conditions that are no less advantageous to the D&O Parties when compared to the insurance maintained by the Company and its Subsidiaries as of the date of this Agreement, in each case, with respect to claims arising out of or relating to events which occurred on or prior to the Effective Date, provided that (A) the annual premium for such insurance shall not exceed 300% of the annual premium payable by the Company or its Subsidiaries for such insurance as of the date of this Agreement; and (B) if the annual premium that would be payable by the Company or its Subsidiaries for such insurance would exceed 300% of the annual premium payable by the Company or its Subsidiaries for such insurance as of the date of this Agreement, the Company and the Subsidiaries shall instead obtain insurance with the best available or at least comparable coverage with respect to matters occurring on or prior to the Effective Date with an annual premium equal to up to 300% of the annual premium payable by the Company or its Subsidiaries for such insurance as of the date of this Agreement.

12.3 The obligations of CPPIB and the Company and its Subsidiaries under this clause 12 shall not be terminated, amended or modified in any manner so as to materially adversely affect any D&O Party (including such person's successors, heirs and legal representatives) to whom clause 12 applies without the written consent of such affected D&O Party (it being expressly agreed that the D&O Parties shall be third party beneficiaries of this clause 12 and it shall be enforceable by such D&O Parties and their respective successors, heirs and legal representatives and shall be binding on all successors and assigns of CPPIB and the Company and its Subsidiaries).

12.4 If, following the Effective Date, the Company or any of its Subsidiaries, or any of their respective successors or assigns:

(a) consolidates with or merges into any other corporation or entity and is not the continuing or surviving corporation or entity of such consolidation or merger; or

(b) transfers all or substantially all of its properties and assets to any person,

then, and in each such case, proper provisions shall be made so that the successors and assigns of the Company or any of its Subsidiaries or any of their respective successors or assigns, as the case may be, shall assume all of the obligations set out in this clause 12.

12.5 The rights of the D&O Parties under this clause 12 shall be in addition to any rights such D&O Parties may have under the Company Articles or constitutional documents of any Subsidiary, or under any Applicable Law, and CPPIB shall, and shall cause the Company and each of its Subsidiaries to, honour and perform under all indemnification agreements entered into by the Company or any of its Subsidiaries, as applicable, as in effect on the date of this Agreement.

13. Further Covenants of the Parties

13.1 Subject to clause 13.2, on reasonable notice during normal business hours during the Relevant Period, the Company shall, and shall cause its Subsidiaries and its Representatives to, afford to CPPIB and its Representatives reasonable access to the Company's and its Subsidiaries' properties, offices, personnel, Contracts, books, and records and all other information concerning its businesses, properties and personnel (other than any of the foregoing to the extent specifically related to the negotiation and execution of this Agreement, or, except as expressly provided in clause 10, to any Competing Proposal), in each case, as CPPIB and its Representatives reasonably requests solely to the extent such request is made in furtherance of the consummation of the Transaction and in a manner so as to not unreasonably interfere with the normal business operations of the Company or any of its Subsidiaries. 13.2 The obligations of the Company under clause 13.1 shall be subject to the following:

(a) the Company and its Subsidiaries and its Representatives shall not be required to provide such access or disclosure of information if it:

(i) would, as reasonably determined based on the advice of outside legal counsel, jeopardise any attorney-client, attorney work product or other legal privilege with respect to such information;

(ii) would contravene any Applicable Law or confidentiality agreement with a third party entered into prior to the date of this Agreement or after the date of this Agreement in the ordinary course of business;

(b) neither CPPIB nor its Representatives shall use any information obtained pursuant to clauses 13.1 or 13.2 for any purpose unrelated to the consummation of the Transaction.

Transaction Litigation

13.3 The Company shall as promptly as reasonably practicable (and in any event, within five (5) Business Days) notify the Consortium in writing of any shareholder demands or other similar Proceedings (including derivative claims) commenced against the Company, its Subsidiaries and/or its or its Subsidiaries' respective directors or officers, relating to this Agreement or the Transaction (collectively, "**Transaction Litigation**") and shall keep the Consortium informed on a reasonably current basis regarding any Transaction Litigation (including by as promptly as reasonably practicable furnishing to the Consortium and their Representatives such information relating to such Transaction Litigation as may reasonably be requested by CPPIB and that would not reasonably be expected to result in the waiver of attorney-client or other legal privilege, unless the Company is not permitted to provide such information pursuant to Applicable Law).

13.4 The Company shall give CPPIB the opportunity to consult with it regarding the defence and settlement of any Transaction Litigation, shall consider in good faith CPPIB's advice with respect to such Transaction Litigation and shall give CPPIB the opportunity to participate (at such CPPIB's expense) in, but not control, the defence or settlement of such Transaction Litigation. Neither the Company nor any of its Subsidiaries shall propose or agree to settle or offer any mooting disclosure in any Transaction Litigation without CPPIB's prior written consent (not to be unreasonably withheld, conditioned or delayed).

13.5 On or prior to the Effective Date but before the Effective Time, the Company shall procure that the Company Board passes resolutions, either at a meeting of the directors of the Company or as written resolutions in accordance with the Company Articles, conditional upon the delivery of the Court Sanction Order to the Registrar of Companies (and effective as of the Effective Time), approving:

(a) the resignation of such directors of the Company as CPPIB shall notify to the Company (which shall not include Mr. Sumant Sinha); and

(b) the appointment of such persons as CPPIB shall notify to the Company as the directors of the Company, in each case nominated by CPPIB and each other shareholder in the Company having director appointment rights pursuant to the terms of the Shareholders' Agreement.

Stock Exchange Delisting and Termination of 1934 Act Registration

13.7 Each of the Company and each member of the Consortium agrees to cooperate with the other Party and use all reasonable endeavours to take, or cause to be taken, all actions necessary or advisable to delist the Class A Ordinary Shares and Company Warrants (if not already delisted) from Nasdaq and terminate the registration of the Class A Ordinary Shares and Company Warrants (if not already terminated) under the 1934 Act, provided that such delisting and termination shall not be effective until the Effective Time or as soon as reasonably practicable thereafter.

13.8 As soon as reasonably practicable after the Effective Date, the Company shall provide notice to the Depositary to terminate the Deposit Agreement.

Switching

13.9 CPPIB may, acting reasonably, elect to implement the acquisition of the entire issued and to be issued share capital of the Company (excluding any Excluded Shares) as contemplated by this Agreement (the "**Acquisition**") by means of a takeover offer within the meaning of section 974 of the Companies Act (an "**Offer**"), with the prior written consent of the Special Committee.

13.10 If CPPIB reasonably wishes to implement the Acquisition by way of an Offer, the Special Committee agrees to enter into good faith discussions with CPPIB regarding the preferred structure of the Acquisition, taking into account, amongst other things, the prospect of the Acquisition succeeding.

13.11 The Company undertakes to each member of the Consortium, and each member of the Consortium undertakes to the Company, to use all reasonable endeavours to implement any Offer, if any, and take all actions necessary or desirable to give effect to the Offer.

13.12 In the event that CPPIB elects to implement the Acquisition by way of an Offer:

(a) the provisions of this Agreement shall be deemed to be modified or amended insofar as is necessary as a result of the switch from a Scheme to an Offer;

(b) the Offer will be conducted in compliance with US tender offer rules, including the requirement that such Offer be open for a period of at least 20 Business Days;

(c) the acceptance condition to the Offer shall be set at 90% (or such lesser percentage as the Company and the Consortium may agree) of the Class A Ordinary Shares to which the Offer relates;

(d) neither CPPIB nor its Affiliates shall take any action which would cause the Offer not to proceed, to lapse or to be withdrawn in each case for non-fulfilment of the acceptance condition to the Offer for as long as the Offer is open for acceptance;

(e) the Consortium shall ensure that, unless the Parties agree otherwise in writing, the only conditions of the Offer shall be those set out in Schedule 1 and Schedule 2 (with (i) the conditions set forth in paragraphs 1(a) and (d) of Schedule 1 replaced with the acceptance condition specified in clause 13.12(a) above; and (ii) any other additions, deletions, modifications or amendments to such conditions as the Parties agree are reasonably necessary or desirable as a result of a switch from the Scheme to the Offer); and

(f) the Consortium shall keep the Company reasonably informed, on a regular basis and in any event as promptly as reasonably practicable following a request by the Company or its Representatives, of the number of Scheme Shareholders that have validly returned their acceptance or withdrawal forms or incorrectly completed their acceptance or withdrawal forms and the identity of such shareholders.

Tax

13.13 The Company and CPPIB shall (and shall, in the case of the Company, procure that each of its Subsidiaries and its and their Representatives shall and, in the case of CPPIB, procure that any Affiliates and its and their respective Representatives shall) use reasonable endeavours to provide such assistance and information as such other Party may reasonably request in connection with any matters relating to Tax in respect of, or arising from, the Transaction, including in respect of any Tax rulings, clearances or consents that any such Party may consider necessary or desirable in connection with the Transaction (including, in the case of the Purchaser, in connection with any UK stamp duty or stamp duty reserve tax).

13.14 Nothing in clause 13.13 shall require any Party to disclose to another party any information:

(a) which is commercially sensitive to or concerns or pertains to the tax affairs of CPPIB or its Affiliates;

(b) which is or may be subject to legal professional privilege; or

(c) which cannot be shared with the recipient parties in compliance with Applicable Law.

Takeover Statutes

13.15 CPPIB confirms that it has received written confirmation from the UK Panel on Takeovers and Mergers (the "**Panel**") that the UK City Code on Takeovers and Mergers (the "**Takeover Code**") does not apply to the Company or the Transaction. The Company shall not take (or omit to take), and shall cause its directors, officers and employees, and shall direct its other Representatives, not to take (or omit to take), any action that would reasonably be expected to result in:

(a) the Takeover Code applying to the Company, or the Transaction; or

(b) the Transaction becoming subject to the jurisdiction of the Panel.

14. Termination

Termination

14.1 This Agreement may be terminated at any time prior to the Effective Time (notwithstanding receipt of the Company Shareholder Approvals):

(a) by mutual written agreement of the Company and CPPIB;

(b) by either the Company or CPPIB if:

(i) the Effective Date has not occurred by the Long Stop Date;

(ii) an injunction, restraining order or other Order or any other legal or regulatory restraint or prohibition has been issued or made by any Governmental Authority of competent jurisdiction which permanently prevents the consummation of the Transaction, and such permanent prohibition shall have become final and non-appealable;

(iii) the Court Meeting or the Company General Meeting (including, in each case, any postponements or adjournments thereof) have been held and any Company Shareholder Approval has not been obtained; or

(iv) the Court declines or refuses to sanction the Scheme,

provided that the right to terminate this Agreement pursuant to clause 14.1(b)(i) shall not be available to: (i) the Company, in the event that the Company's breach of any representation, warranty, covenant or obligation set out in this Agreement has caused the relevant event or circumstance giving rise to the right of termination under clause 14.1(b)(i); or (ii) CPPIB, in the event that CPPIB's breach of any representation, warranty, covenant or obligation set out in this Agreement has caused the relevant event or circumstance giving rise to the right of termination under clause 14.1(b)(i);

(c) by CPPIB:

(i) if, prior to the satisfaction of the Court Sanction Condition, (A) a Company Adverse Recommendation Change has occurred, or (B) the Special Committee has failed to publicly reaffirm the Special Committee Recommendation within five Business Days after CPPIB's written request following the public announcement of a Competing Proposal;

(ii) if a breach of any representation or warranty (which, for this purpose, shall not be deemed to be qualified by any facts, matters or circumstances Disclosed in the Company Supplemental Disclosure Letter) or failure to perform any covenant or obligation on the part of the Company set out in this Agreement has occurred that would cause either Condition set out in paragraph 2(a)(i) or 2(a)(ii) of Schedule 1 not to be satisfied, and such breach or failure to perform:

(A) is incapable of being cured by the Long Stop Date; or

(B) has not been cured by the Company within the earlier of (x) 60 Business Days following written notice to the Company from the Consortium of such breach or failure to perform and (y) the Long Stop Date,

provided that this Agreement may not be terminated pursuant to this clause 14.1(c)(ii) by CPPIB if CPPIB is then in breach of any of its representations, warranties, covenants or obligation set out in this Agreement and such breach by CPPIB would cause any Conditions set out in paragraph 3 of Schedule 1 not to be satisfied;

(d) by CPPIB if the Scheme Circular is not distributed to the Company Shareholders in accordance with clause 5.2, provided (A) such breach or failure to perform has not been cured by the Company within fifteen (15) Business Days following written notice to the Company from CPPIB of such breach or failure to perform, and (B) the right to terminate this Agreement pursuant to this clause 14.1(d) shall not be available to CPPIB if CPPIB's breach of any provision of this Agreement shall have been the primary cause of such failure to distribute the Scheme Circular in accordance therewith; or

(e) by the Company:

(i) if a breach of any representation or warranty or failure to perform any covenant or obligation on the part of any member of the Consortium set out in this Agreement has occurred that would cause any Condition set out in paragraph 3(a) of Schedule 1 not to be satisfied, and such breach or failure to perform:

(A) is incapable of being cured by the Long Stop Date; or

(B) has not been cured by such member of the Consortium or the Consortium (as applicable) within the earlier of (x) 60 Business Days following written notice to the Consortium from the Company of such breach or failure to perform and (y) the Long Stop Date,

provided that this Agreement may not be terminated pursuant to this clause 14.1(e)(i) if the Company is then in breach of any of its representations, warranties, covenants or obligation set out in this Agreement and such breach by the Company would cause any Condition set out in paragraph 2(a) or 2(b) of Schedule 1 not to be satisfied; or

(ii) if a Further Court Meeting (including any postponements or adjournments thereof) has been held and the Scheme has not been approved by the Requisite Majority of Scheme Shareholders at the Further Court Meeting, provided that the Company has complied with its obligations, covenants and agreements in clauses 10.7 and 10.8; or

(iii) in order to accept a Superior Proposal and concurrently enter into a binding written definitive acquisition agreement or another form of binding documentation providing for the consummation of, or otherwise publicly announce full and binding terms of, a transaction constituting the Superior Proposal, provided that:

(A) the Company has complied with its obligations, covenants and agreements under clause 10.1, clause 10.2 and clause 10.6 with respect to such Superior Proposal; and

(B) the Company pays the Expense Reimbursement to CPPIB in accordance with clause 15.1.

Notice and Effect of Termination

14.2 A Party desiring to terminate this Agreement pursuant to clause 14.1 (other than pursuant to clause 14.1(a)) shall give written notice of such termination to the other Parties, and such notice shall specify the relevant provision of clause 14.1 pursuant to which such termination is made.

14.3 Subject to the provisions of this Agreement which are expressly provided to survive termination in clause 14.4, if this Agreement is validly terminated pursuant to clause 14.1, this Agreement shall become void and of no effect without liability of any Party (or any of its Affiliates or its or their respective shareholders, as applicable, or Representatives) to the other Parties, except in respect of any liability of any Party in respect of any fraud or wilful breach of this Agreement or to any accrued rights of any Party.

14.4 The provisions of clauses 1, 14, 15, 19.1, 20, 21, 25, 29 and 30 shall survive any termination of this Agreement. In addition, the termination of this Agreement shall not affect the respective obligations of the Company and the Consortium under the Confidentiality Agreement.

15. Expense Reimbursement

15.1 If this Agreement is terminated:

(a) by the Company pursuant to clause 14.1(e)(iii); or

(b) by CPPIB or the Company pursuant to clause 14.1(b)(i) and/or clause 14.1(b)(iii) (provided that a Company Adverse Recommendation Change has been made in accordance with clause 10), or by CPPIB pursuant to clause 14.1(c)(i), and in each case:

(i) a Competing Proposal shall have been made to the Company or made directly to the Company's Shareholders or shall otherwise have become publicly known;

(ii) such Competing Proposal shall not have been withdrawn without qualification, in each case:

(A) prior to the date of such termination with respect to any termination pursuant to clause 14.1(b)(i), clause 14.1(c)(i); or

(B) prior to the date of the Court Meeting or the Company General Meeting (including, in each case, any postponements or adjournments thereof) (whichever is later), with respect to termination pursuant to clause 14.1(b)(iii); and

(C) at any time within 9 months after such termination (provided, that for the purposes of this sub-clause (C), each reference to "20%" in the definition of Competing Proposal shall be deemed to be a reference to "50.1%"):

(1) the Company or any of its Subsidiaries shall have entered into a binding and definitive written agreement for a Competing Proposal; or

(2) a transaction contemplated by any Competing Proposal shall have been consummated,

then the Company shall reimburse, or cause to be reimbursed, CPPIB for CPPIB's reasonable and documented out of pocket expenses incurred in connection with the preparation, negotiation and implementation of this Agreement and the Transaction including, without limitation, all reasonable and documented costs and expenses incurred in connection with any claim, action, suit, investigation or proceeding arising out of, relating to, or in connection with this Agreement or the Transaction, and any other agreement or document or transactions that reasonably relate to and directly facilitate the implementation of the Transaction during the period from 1 January 2025 to the effective date of any termination of this Agreement (other than any expenses of any investment bank or other similar financial advisor), not to exceed 10 million dollars (USD $10,000,000) (inclusive of any VAT element of such costs and expenses and any VAT on any such reimbursement which is not recoverable by the Company) (the "**Expense Reimbursement**").

15.2 Any payment of the Expense Reimbursement shall be made:

(a) in the case of clause 15.1(a), concurrently with any termination pursuant to clause 14.1(e)(iii) (provided that any purported termination pursuant to clause 14.1(e)(iii) without the concurrent payment of the Expense Reimbursement shall be null and void); or

(b) in the case of clause 15.1(b), concurrently with the occurrence of any of the applicable events in paragraphs (1) or (2) in the proviso to clause 15.1(b)(ii)(C),

in each case, by wire transfer of immediately available funds in US dollars (US$) to an account designated in writing by CPPIB.

15.3 The Company acknowledges and agrees that:

(a) CPPIB has incurred, and will further incur, significant costs in connection with the Transaction, which will include significant loss of business opportunity costs if the Transaction is not implemented;

(b) any Expense Reimbursement is reasonable and appropriate, is the product of an arm's length negotiation and is justified to serve and protect the legitimate business interests of the members of the Consortium and, further, that each represent a fair and reasonable provision which is proportionate to the protection of those interests; and

(c) it has received independent legal advice.

15.4 The Parties intend that any payment of any Expense Reimbursement, being compensatory in nature, shall not be treated (in whole or in part) as consideration for a supply for the purposes of VAT. Prior to any payment of any Expense Reimbursement, the Company shall obtain a written opinion from a reputable and appropriately qualified tax advisor (such advisor as mutually agreed between the Company and CPPIB acting reasonably), as to whether or not, at a "more likely than not" level of opinion, the Expense Reimbursement should be treated (in whole or in part) as consideration for a taxable supply for VAT purposes in respect of which the Company is liable to account for VAT under a reverse charge mechanism and whether or not any such VAT should be recoverable by the Company (the "**VAT Advice**") and promptly (and in any event no later than fifteen (15) Business Days prior to the due date for payment of the Expense Reimbursement in accordance with clause 15.2(b)) provide a copy of such VAT Advice to each member of the Consortium.

15.5 If the VAT Advice is that, at a "more likely than not" level of opinion, the Expense Reimbursement should not be treated (in whole or in part) as consideration for a taxable supply for VAT purposes then:

(a) the Company shall make the Expense Reimbursement in full; and

(b) the Parties shall, and shall procure that the representative member of any VAT group of which it is a member shall, use reasonable endeavours to secure that the Expense Reimbursement will not be subject to any VAT.

15.6 If the VAT Advice is not that, at a "more likely than not" level of opinion, the Expense Reimbursement should not be treated (in whole or in part) as consideration for a taxable supply for VAT purposes in respect of which the Company is liable to account for VAT under a reverse charge mechanism, then:

(a) the Company shall account for, under the reverse charge mechanism, such VAT within any applicable time limits and use all reasonable endeavours to recover by repayment or credit or otherwise obtain Relief in respect of such VAT; and

(b) to the extent that the VAT Advice is that, at a "more likely than not" level of opinion, any VAT chargeable on the supply will not be recoverable by the Company by repayment, credit, other Relief or otherwise, then the Company shall bear the cost of that VAT and the amount payable by the Company to CPPIB shall not be adjusted to take account of such VAT.

15.7 If clause 15.5 applies and, subsequent to any payment by the Company in accordance with clauses 15.2 and 15.5, the Expense Reimbursement is finally determined by any Taxing Authority to be consideration (in whole or part) for a taxable supply for VAT purposes in respect of which the Company is liable to account for VAT under a reverse charge mechanism (a "**VAT Determination**") then:

(i) the Company shall promptly provide CPPIB with a copy of such VAT Determination;

(ii) the Company shall account for, under the reverse charge mechanism, such VAT with any applicable time limits and it will use all reasonable endeavours to recover by repayment or credit or otherwise obtain Relief in respect of such VAT; and

(iii) the amount payable by the Company to CPPIB shall not be adjusted to take account of such VAT, and the Company shall bear any cost of such VAT.

15.8 Any reference to "finally determined" in clause 15.7 shall mean determined by a Taxing Authority or, if such determination is appealed, a court of tribunal in a decision or judgment in respect of which no right of appeal exists (or in relation to which any periods for appeal have expired) or, whether or not such determination is appealed, as provided in a binding agreement made with the Taxing Authority.

15.9 Notwithstanding anything to the contrary set forth in this Agreement (and, for the avoidance of doubt, without prejudice to clauses 15.1 and 15.2), if and to the extent that this Agreement is terminated pursuant in the circumstances described in clause 15.1 above then (other than any claim for breach of clauses 15.1 and/or 15.2, or for fraud or wilful breach by the Company) each member of the Consortium agrees that:

(a) the payment of the Expense Reimbursement by the Company in accordance with this clause 15 shall constitute the sole and exclusive remedy available to the Consortium (and each of the members of the Consortium) against the Company, its Affiliates and any of their respective Representatives in connection with:

(i) any breach of this Agreement by the Company;

(ii) the Scheme lapsing, being withdrawn, or otherwise not having taken effect by the Long Stop Date; or

(iii) any loss or damage suffered or incurred by any member of the Consortium arising out of or in connection with this Agreement or the Scheme; and

(b) no member of the Consortium shall have any entitlement to make, and each member of the Consortium hereby irrevocably releases and discharges the Company, its Affiliates and any of their respective Representatives from, any and all claims that such member of the Consortium may have against any of them for any loss or damage suffered or incurred by such member of the Consortium or any of its Affiliates or Representatives in connection with this Agreement and the Transaction or other transactions contemplated by this Agreement.

16. No Survival of Representations and Warranties

None of the representations and warranties contained in this Agreement, the Company Disclosure Letter or in any certificate or schedule or other document delivered by any person pursuant to this Agreement shall survive the Effective Time or the termination of this Agreement, except that this clause 16 shall not limit any covenant or agreement of the Parties which by its terms contemplates performance after the Effective Time, which shall survive to the extent expressly provided for herein.

17. Announcements and Confidentiality

17.1 Following the release of the Joint Announcement in accordance with clause 5.1(a), and to the extent permitted by Applicable Law in respect of any announcement, communication or circular required by Applicable Law or any governmental or regulatory body or the rules of any stock exchange, the members of the Consortium and the Company shall consult with each other before issuing any additional public announcement, press release, making any other public statement or scheduling any press conference, conference call or meeting with investors or analysts with respect to this Agreement, the Transaction or other transactions contemplated by this Agreement.

17.2 Each member of the Consortium and/or any of their Affiliates (on one hand) and the Company and/or any of its Affiliates (on the other hand), shall not issue any public announcement or press release, make any other public statement or schedule any press conference, conference call or meeting with respect to this Agreement, the Transaction or other transactions contemplated by this Agreement, without the prior written approval of the other Party, provided that the restrictions in this clause 17 shall not apply to any public announcement, release or public statement:

(a) as may be required by Applicable Law or any listing agreement with or rule of any national securities exchange or association, provided that, insofar as is permitted by Applicable Law, (i) prior written notice of any announcement required to be made is given to the other Parties and (ii) the Party required to make the announcement shall use all reasonable endeavours to consult with the other Parties, and allow the other Parties reasonable time (taking into account the circumstances) to comment on such announcement in advance of such issuance; or

(b) in connection with a Competing Proposal or a Company Adverse Recommendation Change and matters related thereto; or

(c) to the extent the information contained therein substantially reiterates (or is consistent with) previous public announcements, releases, public disclosures or public statements made by the Company and/or the Consortium in compliance with this clause 17.

17.3 Notwithstanding anything to the contrary in the Confidentiality Agreement or this Agreement, the Confidentiality Agreement shall continue in full force and effect until the Effective Time and all information provided to the Consortium or any of their Representatives pursuant to or in connection with this Agreement shall be subject to the terms of the Confidentiality Agreement.

18. Further Assurances

Subject to the terms and conditions of this Agreement and the Scheme, at any time before or after the Effective Time, the Company and each member of the Consortium shall each execute any further instruments, deeds, documents, conveyances, assignments or assurances and do all other acts and things required to give full effect to this Agreement and the Parties' rights, powers and remedies under this Agreement.

19. Fees, Costs and Taxes

19.1 Except as otherwise provided in this Agreement, and except in relation to a breach by any Party of the terms of this Agreement, each Party shall bear its own costs and expenses arising out of or in connection with the preparation, negotiation and implementation of this Agreement and the Transaction and any other agreement or document or transactions that reasonably relate to and directly facilitate the implementation of the Transaction.

19.2 The Purchaser shall bear and promptly pay all stamp duty and stamp duty reserve tax (including in each case any associated interest or penalties) arising directly or indirectly in the United Kingdom in connection with the transfer of the Cash-Out Shares pursuant to the Transaction. The Purchaser shall, at its own cost, be responsible for arranging the payment of all such stamp duty and stamp duty reserve tax (and any associated interest, fees, fines or penalties), including fulfilling any administrative or reporting obligation imposed by the United Kingdom in connection with such payment.

19.3 Where under the terms of this Agreement one party is liable to reimburse another party in respect of any costs, charges or expenses, the paying party shall also reimburse the payee party for any VAT incurred by the payee party (or any of its Affiliates) in respect of such cost, charge or expense that is not otherwise recoverable by the payee party or the representative member of any VAT group of which it forms part.

19.4 Save in relation to any payment of the Expense Reimbursement pursuant to clause 15 (Expense Reimbursement), if any payment under this Agreement constitutes the consideration for a taxable supply for VAT purposes, then (i) the recipient of the supply shall provide to the payer a valid VAT invoice, and (ii) except where the reverse charge procedure applies, and subject to the provision of a valid VAT invoice in accordance with (i), in addition to that payment the payer shall pay to the recipient an amount equal to any VAT payable in respect of such supply.

20. Entire Agreement

20.1 This Agreement and the Confidentiality Agreement set out the entire agreement between the Parties relating to the subject matter hereof and thereof and, save to the extent expressly set out in this Agreement or the Confidentiality Agreement, supersede and extinguish any prior drafts, agreements, undertakings, representations, warranties, promises, assurances and arrangements of any nature whatsoever, whether or not in writing, between the Parties in relation to the subject matter hereof and thereof.

20.2 Each Party acknowledges and agrees that in entering into this Agreement it has not relied and is not relying on and has not otherwise been induced by, and shall have no claim or remedy in respect of, any express or implied representation, warranty, undertaking, or other statement made which is not expressly set out in this Agreement or the Confidentiality Agreement.

20.3 If there is any conflict between the terms of this Agreement and any other agreement between the Parties (other than the Confidentiality Agreement), this Agreement shall prevail unless:

(a) such other agreement expressly states that it overrides this Agreement in the relevant respect; and

(b) each member of the Consortium and the Company are either also parties to that other agreement or otherwise expressly agree in writing that such other agreement shall override this Agreement in that respect.

20.4 Nothing in this Agreement shall limit or exclude any liability for or remedy in respect of fraud.

21. Remedies

21.1 Except where expressly provided otherwise, the rights, powers, privileges and remedies provided in this Agreement are cumulative and not exclusive of any rights, powers, privileges or remedies provided hereby, or by law or equity, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy.

21.2 Save as expressly set out in this Agreement (including in clause 21.3), the only right or remedy of any Party in relation to any representation, warranty, undertaking, or other statement set out in this Agreement shall be for breach of this Agreement to the exclusion of all other rights and remedies (including those in tort or arising under statute) and, in respect of any breach of this Agreement, the only remedy shall be a claim for contractual damages in respect of such breach. Save as expressly set out in this Agreement, no Party shall be entitled to rescind or terminate this Agreement in any circumstances whatsoever at any time and each Party waives any rights of rescission or termination it may have in relation to any such representation, warranty, undertaking or other statement.

21.3 Each of the Company and the Consortium acknowledges and agrees that irreparable harm would occur in the event that any of the provision of this Agreement were not performed in accordance with their specific terms or were otherwise breached, and that monetary damages would not be an adequate remedy for any such harm and that accordingly:

(a) the Company shall be entitled, without proof of special damages, to the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach of this Agreement by any member of the Consortium and no proof of special damages shall be necessary for the enforcement by the Company of the rights under this Agreement; and

(b) each member of the Consortium shall be entitled, without proof of special damages, to the remedies of injunction, specific performance or other equitable relief for any threatened or actual breach of this Agreement by the Company and no proof of special damages shall be necessary for the enforcement by the members of the Consortium of the rights under this Agreement.

22. Waiver and Variation

22.1 A failure or delay by a Party to exercise any right or remedy provided under this Agreement or by Applicable Law, whether by conduct or otherwise, shall not constitute a waiver of that or any other right or remedy, nor shall any single or partial exercise thereof preclude or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided under this Agreement or by Applicable Law, whether by conduct or otherwise, shall preclude or restrict the further exercise of that or any other right or remedy.

22.2 A waiver of any right or remedy under this Agreement shall only be effective if given in writing and is signed and shall not be deemed a waiver of any subsequent breach or default.

22.3 A Party that waives a right or remedy provided under this Agreement or by Applicable Law in relation to another Party does not affect its rights in relation to any other Party.

22.4 No variation or amendment of this Agreement shall be valid unless it is in writing and duly executed by or on behalf of each Party to this Agreement. Unless expressly agreed, no variation or amendment shall constitute a general waiver of any provision of this Agreement, nor shall it affect any rights or obligations under or pursuant to this Agreement which have already accrued up to the date of variation or amendment and the rights and obligations under or pursuant to this Agreement shall remain in full force and effect except and only to the extent that they are varied or amended.

23. Invalidity

Where any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under the laws of any jurisdiction then such provision shall be deemed to be severed from this Agreement and, if possible, replaced with a lawful provision which, as closely as possible, gives effect to the intention of the Parties under this Agreement and, where permissible, that shall not affect or impair the legality, validity or enforceability in that, or any other, jurisdiction of any other provision of this Agreement.

24. Assignment

24.1 Except as provided in this clause 24 or as the Parties specifically agree in writing, no person shall assign, transfer, charge, declare a trust or otherwise deal with all or any of its rights under this Agreement nor grant, declare, create or dispose of any right or interest in it, in whole or in part (whether by operation of Applicable Law or otherwise). Any purported assignment not permitted under this clause 24 shall be null and void.

24.2 Subject to clause 24.3, CPPIB may, upon written notice to the Company, assign the benefit of this Agreement, in whole or in part, to, and it may be enforced by:

(a) any Affiliate (provided if any assignee under this clause 24 ceases to be an Affiliate of CPPIB, any rights under this Agreement which have been assigned to it shall be promptly assigned to another Affiliate of CPPIB); or

(b) any bank or financial institution lending money or making other banking facilities available to the Consortium in connection with the Transaction, by way of security, or any refinancing thereof,

provided that no such assignment shall (i) relieve CPPIB of its obligations under this Agreement; (ii) adversely impact in any respect the Company or its rights under this Agreement or materially delay or impede in any way the Transaction; (iii) be permitted under this clause 24.2 if the assignment is to a sanctioned Person or a Person resident or based in a country which shares a land border with India, or would contravene any Applicable Law.

24.3 Any assignment made pursuant to clause 24.2 shall be on the basis that:

(a) the Company may discharge its obligations under this Agreement to the assignor until it receives notice of the assignment;

(b) the liability of the Company to any assignee shall not be greater than its liability would have been to CPPIB; and

(c) the assignment shall not result in the application (or an increase in the amount) of withholding Tax in connection with the Transaction or any other Taxes, costs or expenses for which the Company, the Scheme Shareholders or the holders of Class A Ordinary Shares would be liable.

24.4 This Agreement shall be binding on and continue for the benefit of the respective successors and permitted assignees of each Party.

25. Several Liability

All obligations, covenants, warranties, representations and undertakings of the Consortium or the members of the Consortium shall be several and not joint or joint and several. No member of the Consortium shall be liable for any acts, omissions or breaches of this Agreement by any other member of the Consortium.

26. Notices

26.1 Any notice or other communication given under this Agreement or in connection with the Transaction shall, except where otherwise specifically provided, be in writing in the English language, addressed as provided in clause 26.2 and served:

29.3 Each of the Parties agrees that a judgment against it in the courts of England and Wales may be enforced against it in any other jurisdiction in accordance with the laws of that jurisdiction.

29.4 For the purposes of this clause 29, "**Dispute**" means any dispute, controversy, claim or difference of whatever nature arising out of, relating to, or having any connection with this Agreement, including a dispute regarding the existence, formation, validity, interpretation, performance, breach or termination of this Agreement and also including any dispute relating to any non-contractual rights or obligations arising out of, relating to, or having any connection with this Agreement.

Special Committee of the Board of Directors
ReNew Energy Global Plc
C/O Vistra (UK) Ltd
Suite 3, 7th Floor
50 Broadway, London, England
SW1H 0DB, United Kingdom

Members of the Special Committee:

We understand that Canada Pension Plan Investment Board ("CPPIB"), Sumant Sinha (Sumant Sinha, together with CPPIB, the "Consortium") and ReNew Energy Global Plc (the "Company") propose to enter into a Transaction Agreement (the "Agreement"), which provides, among other things, for the acquisition by CPPIB, directly or indirectly through a wholly owned subsidiary (CPPIB or such subsidiary, as applicable, the "Purchaser"), of all the class A ordinary shares of $0.0001 each in the capital of the Company (the "Class A Ordinary Shares") issued at or before the Scheme Record Time (as defined in the Agreement), other than the Excluded Shares (as defined in the Agreement) and the Rollover Shares (as defined in the Agreement) (collectively, the "Cash-Out Shares") for $7.02 in cash per Cash-Out Share (the "Consideration") by way of a scheme of arrangement (the "Transaction"). The terms and conditions of the Transaction are more fully set forth in the Agreement.

The Special Committee ("Special Committee") of the board of directors (the "Board") of the Company has requested our opinion as to whether the Consideration payable to the holders of the Cash-Out Shares in the Transaction pursuant to the Agreement is fair, from a financial point of view, to such holders.

In arriving at our opinion set forth below, we have, among other things: (i) reviewed a draft of the Agreement dated August 9, 2026; (ii) reviewed certain publicly available business and financial information that we deemed to be generally relevant concerning the Company and the industry in which it operates, including certain publicly available research analyst reports and the reported price and historical trading activity for the Class A Ordinary Shares; (iii) compared the proposed financial terms of the Transaction with the publicly available financial terms of certain transactions involving companies we deemed generally relevant and the consideration received in such transactions; (iv) compared the financial and operating performance of the Company with publicly available information concerning certain other public companies we deemed generally relevant, including data related to public market trading levels and implied trading multiples; (v) reviewed certain internal financial and operating information with respect to the business, operations and prospects of the Company, including certain financial forecasts relating to the Company prepared by the management of the Company (the "Forecasts"); and (vi) performed such other financial studies and analyses and considered such other information as we deemed appropriate for the purposes of this opinion. In addition, we have held discussions with certain members of the management of the Company regarding the Transaction, the past and current business operations and financial condition and prospects of the Company, the Forecasts and certain other matters we believed necessary or appropriate to our inquiry.

In arriving at our opinion, we have, with your consent, relied upon and assumed, without independent verification, the accuracy and completeness of all information that was publicly available or was furnished or made available to us by the Company and its associates, affiliates and advisers, or otherwise reviewed by or for us, and we have not assumed any responsibility or liability therefor. We have not conducted any valuation or appraisal of any assets or liabilities of the Company (including, without limitation, real property owned by the Company or to which the Company holds a leasehold interest), nor have any such valuations or appraisals been provided to us, and we do not express any opinion as to the value of such assets or liabilities. We have not evaluated the solvency or fair value of the Company under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. In addition, we have not assumed any obligation to conduct any physical inspection of the properties or the facilities of the Company. At the direction of the management of the Company, we have used and relied upon the Forecasts for purposes of our opinion. In relying on the Forecasts, we have assumed, at the direction of the Company, that they have been reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by the Company's management as to the expected future results of operations and financial condition of the Company and that the financial results reflected in such Forecasts will be achieved at the times and in the amounts projected. We express no view as to the reasonableness of the Forecasts and the assumptions on which they are based.

We have assumed that the transactions contemplated by the Agreement will be consummated as contemplated in the Agreement without any waiver or amendment of any terms or conditions, including, among other things, that the parties will comply with all material terms of the Agreement and that in connection with the receipt of all necessary governmental, regulatory or other approvals and consents required for the Transaction, no material delays, limitations, conditions or restrictions will be imposed. For purposes of rendering this opinion, we have assumed that there has not occurred any material change in the assets, financial condition, results of operations, business or prospects of the Company since the date of the most recent financial statements and other information, financial or otherwise, relating to the Company made available to us, and that there is no information or any facts that would make any of the information reviewed by us incomplete or misleading. We do not express any opinion as to any tax or other consequences that may result from the Transaction, nor does our opinion address any legal, tax, regulatory or accounting matters. We have relied as to all legal, tax and regulatory matters relevant to rendering our opinion upon the assessments made by the Company and its other advisers with respect to such issues. In arriving at our opinion, we have not taken into account any litigation, regulatory or other proceeding that is pending or may be brought against the Company or any of its affiliates. In addition, we have relied upon and assumed, without independent verification, that the final form of the Agreement will not differ in any material respect from the draft of the Agreement reviewed by us.

Our opinion is necessarily based on securities markets, economic, monetary, financial and other general business and financial conditions as they exist and can be evaluated on, and the information made available to us as of, the date hereof and the conditions and prospects, financial and otherwise, of the Company as they were reflected in the information provided to us and as they were represented to us in discussions with the management of the Company. We are expressing no opinion herein as to the price at which the Class A Ordinary Shares will trade at any future time. Our opinion is limited to the fairness, from a financial point of view, to the holders of the Cash-Out Shares of the Consideration payable to such holders in the Transaction pursuant to the Agreement. We do not express any opinion as to the Company's underlying business decision to engage in the Transaction or the relative merits of the Transaction as compared to any alternative transaction, including any alternative transaction that the Special Committee or the Board has considered and elected not to pursue. We were not requested to solicit, and did not solicit, interest from other parties with respect to a Transaction. We have not been asked to, nor do we, offer any opinion as to the terms, other than the Consideration to the extent expressly set forth herein, of the Transaction, the Agreement or any other agreement entered into in connection with the Transaction.

We and our affiliates are engaged in a wide range of financial advisory and investment banking activities. 1. UK PLC

1.1 All Clauses and Schedules of this Agreement shall take effect immediately upon Closing.

1.2 Until such time as Collapse Closing occurs:

(b) each of the Continuing Investors shall, so far as they are legally able, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in UK PLC as are reasonably necessary in order to give effect to Collapse Closing in a manner consistent with the Reorganisation Deed, including but not limited to the adoption of the Articles by the Company conditional upon, and with effect from Collapse Closing.

1.3 As soon as reasonably practicable following Collapse Closing, each party other than the Continuing Investors and their respective Affiliates shall cooperate (acting reasonably and in good faith) to take, or cause to be taken, all such actions as are reasonably necessary to notify as promptly as practicable, all third-party counterparties required under any material agreement, instrument or arrangement to which the Group is a party that Collapse Closing has taken place.

3. New Issues of Shareholder Instruments

3.1 So far as they are legally able, each Investor shall exercise all voting rights and powers (direct or indirect) available to it as a shareholder in Topco to ensure that no Shareholder Instruments are issued or granted by Topco:

(a) unless such issue or grant is expressly provided for in the Business Plan and/or the Reorganisation Deed;

(b) if and to the extent that such issue or grant constitutes a deviation of more than 10 per cent from what is expressly provided for in the Business Plan (prior to taking into account any automatic amendments as a result of the operation of this Clause 3.1), unless prior written consent to such issue or grant has been given by each Investor Group which, as at Closing, holds an aggregate Equity Proportion of 12.5 per cent or more (for the avoidance of doubt, such consent right is not exercisable by any such Investor to the extent it undergoes a Change of Control, nor is it transferable to any transferee of such Investor (other than a Permitted Affiliate Transferee)), in which case the Business Plan or Annual Budget shall be automatically amended to reflect such issue or grant to the extent that the Investors exercise their rights to subscribe for the relevant Shareholder Instruments in accordance with Schedule 1 (*Pre-emption on Issue*);

(d) to any person (other than in relation to any issue or grant of Shareholder Instruments by a Group Member to a Wholly Owned Group Member) that is not an existing Investor until:

(i) such person has become a party to this Agreement by executing and delivering to Topco and each other Investor a Deed of Adherence as an Investor; and

(ii) where such person is a Controlled Person that is not a Permitted Affiliate Transferee, such person's Approved Parent executes and delivers to Topco a Deed of Adherence as an Approved Parent, provided that, if one or more Shareholder Instruments are subsequently Transferred to such person, such person shall immediately become an Investor for the purposes of this Agreement (in addition to being an Approved Parent, if relevant).

3.2 No Shareholder Instruments shall be issued or granted:

(a) to any person that is:

(i) a Restricted Person; or

(ii) a Sanctioned Person or a person where, in the reasonable opinion of the Board, there is, or would be, a risk of Topco or any of the Investors being in breach of Sanctions Law were such a person to hold Shareholder Instruments or become a party to this Agreement; or

(b) if such issuance would constitute or result in a breach or violation of, or non-compliance with, any applicable foreign direct investment Laws, regulations, rules, or governmental orders.

3.3 Clause 3.1(c) and the obligation to offer New Shareholder Instruments to Investors and any Award Holders in accordance with the procedure set out in Schedule 1 (*Pre-emption on Issue*) shall not apply in relation to any of the following:

(a) In respect of any issue or grant of New Shareholder Instruments by way of a rights issue or preferential allotment by Topco or any Group Member incorporated in India (including, following Collapse Closing, the Company), Topco shall, so far as it is legally able, exercise its rights with respect to each relevant Group Member to procure that (and each of the Investors shall, so far as it is legally able, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in Topco or under this Agreement to ensure that), at the relevant Group Member's cost and prior to such issue or grant, an Issuance Tax Benchmark Valuation Report is procured, prepared on a reliance basis by a SEBI registered merchant banker, chartered accountant or a Big Four Accounting Firm (as required by applicable Law), and a copy of such Issuance Tax Benchmark Valuation Report is provided to each Investor entitled to subscribe for such New Shareholder Instruments, provided that an Issuance Tax Benchmark Valuation Report shall not be required in respect of a rights issue in which all shareholders participate in the ratio of their existing shareholding, and provided further that Topco or the relevant Group Member may procure such report in any event.

(b) The Subscription Price for any New Shareholder Instruments issued or granted pursuant to a rights issue or preferential allotment referred to in Clause 3.4(a) above shall not be less than the net asset value determined in the applicable Issuance Tax Benchmark Valuation Report.

(c) Each of the Company and, until Collapse Closing, UK PLC shall procure that each relevant Group Member (or its duly authorised agents) shall, at that Group Member's cost and within any applicable time limit, prepare, submit and deal with (or procure the preparation, submission and dealing with) all reports, returns and filings required to be made under the Indian transfer pricing provisions of the IT Act in respect of any issue or grant of New Shareholder Instruments, on the following basis:

(i) in respect of any issue or grant of New Shareholder Instruments by UK PLC prior to Collapse Closing the relevant transaction shall be reported in Form 48 within the time period prescribed under applicable Law;

(ii) in respect of any issue or grant of New Shareholder Instruments by the Company following Collapse Closing to an Investor that is not resident in India for Tax purposes, the relevant transaction shall be reported in Form 48 within the time period prescribed under applicable Law.

(d) Each of the Company and, until Collapse Closing, UK PLC shall provide and afford to each relevant Investor, within a reasonable time period following the filing of any Form 48 pursuant to Clause 3.4(c) above, a copy of such Form 48, and each Investor undertakes and agrees to provide such information as Topco may reasonably require in connection with the preparation and filing of any Form 48, provided that such information is in the possession of, or is reasonably available to, the relevant Investor.

4. General governance

4.1 Topco shall have a Board which shall be constituted in accordance with Clause 5 (*Directors and management*) and Schedule 4 (*Board and management appointments*) from time to time.

4.2 The Board shall be responsible for the overall direction, supervision and management of the Group in accordance with the Business Plan, the Annual Budget, the provisions of this Agreement and the Reorganisation Deed, and shall be responsible for all decisions in respect of the Group and in the absence of the Management Delegation of Authority Matrix shall retain all decision-making, save that:

(a) the Board may delegate certain powers to Management from time to time pursuant to the Management Delegation of Authority Matrix, which the Company shall adopt after the Closing Date on such date as is determined by the Board; and

(b) the Board shall not pass or implement any resolution in respect of any Investor Reserved Matter unless the Requisite Approval has first been obtained in accordance with Clause 8 (*Investor Reserved Matters*) or such resolution or implementation (as the case may be) is wholly conditional on such Requisite Approval being so obtained.

4.3 The Board shall consult with the CEO from time to time in respect of any proposed changes to the Management Delegation of Authority Matrix.

4.4 If this Agreement, the Articles or Law is silent as to whether a particular matter falls within the competence of a General Meeting or the Board, each Investor agrees that such matter shall fall within the competence of the Board.

4.5 Proceedings and papers, minutes and notices of the Board and committees of the Board shall be in English. Topco shall, so far as it is legally able, procure that (and each of the Investors shall, so far as it is legally able, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in Topco or under this Agreement to ensure that) proceedings and papers, minutes and notices of the boards and committees of each other Group Member shall be in English.

4.6 Each of:

(a) UK PLC and the Company shall, so far as they are legally able, do, execute and deliver (and each member of the Controlling Investor Group shall procure that UK PLC and the Company do, execute and deliver) all such acts, documents and things; and

(b) each of the Investors shall, so far as it is legally able, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in the Company and/or UK PLC or under this Agreement to ensure that such acts, documents and things are done, executed and delivered,

as may be necessary or desirable to give full effect to, and implement the provisions of, this Agreement.

5. Directors and management

Composition of the Board: nomination and removal of Directors

5.1 From the date of this Agreement until the date on which a Listing occurs, subject to any requirement under applicable Law, the composition of the Board shall be determined in accordance with paragraphs 1 to 5 of Schedule 4 (*Board and management appointments*).

5.2 If the Equity Proportion of an Investor Group at any time falls below the level required to entitle that Investor Group or its Relevant Appointer (as applicable) to nominate for appointment or appoint (as applicable) the number of Directors then appointed further to nominations or appointments (as applicable) made by it pursuant to Schedule 4 (*Board and management appointments*), the Directors not nominated by that Investor Group or appointed by its Relevant Appointer (as applicable) (the ***Non-Affected Directors***) shall resolve to remove:

(a) such Director(s) as the relevant Investor or its Relevant Appointer (as applicable) promptly notifies the Board in writing; or

(b) failing that, such Director(s) as the Non-Affected Directors shall determine by simple majority,

so that the number of Directors that have been appointed at its nomination or appointed by it (as applicable) (if any) does not exceed such number as it is then entitled to nominate or appoint pursuant to Schedule 4 (*Board and management appointments*).

5.3 Save in respect of the circumstances set out in Clause 40.13, each Investor Group that has a right to nominate one or more Directors for appointment pursuant to paragraph 2 of Schedule 4 (*Board and management appointments*), or its Relevant Appointer (as applicable), may nominate a Director for appointment or appoint a Director (as applicable), or request that a Director nominated by it or appointed by its Relevant Appointer (as applicable) be removed, by notice in writing to Topco. The appointment or removal shall, unless the notice indicates otherwise:

(a) prior to Collapse Closing, take effect from the date the notice is received by UK PLC without the need for any further shareholder approval; and

(b) from Collapse Closing, take effect from the date of approval by the shareholders of the Company by ordinary resolution, provided that in the case of a removal under Clauses 5.2 or 40.13, the removal shall take effect immediately.

5.4 Upon receipt, or in the case of Clauses 5.2 or 40.13 upon the deemed giving and receipt, of any such notice from an Investor Group or its Relevant Appointer (as applicable):

(i) Topco shall immediately notify the Investors in each other Investor Group in writing of such nomination for appointment or request, or deemed request, for removal; and

(ii) provided the relevant nomination for appointment or request for removal has been duly made by one or more Investors or its Relevant Appointer (as applicable) entitled to do so under Schedule 4 (*Board and management appointments*), or in the case of a deemed request for removal under Clauses 5.2 or 40.13, the Investors shall, so far as they are legally able, exercise their rights in relation to Topco to vote at all meetings, sign such written resolutions, and take all other actions, including by voting or signing written resolutions in respect of its holding of Shareholder Instruments, so as to ensure that the nominees nominated for appointment by each Investor in accordance with Schedule 4 (*Board and management appointments*) are elected, removed and/or appointed and maintained in office as Directors.

5.5 If a Director other than an independent director:

(a) is or becomes prohibited from acting as a Director by Law, this Agreement or the Articles; or

(b) consents to, carries out or is involved in an activity which in the reasonable opinion of the Directors, acting by a resolution of the Board, brings the Group into material disrepute (including, for the avoidance of doubt, fraud or any breach of Anti-Bribery Law),

the Investor Group or its Relevant Appointer (as applicable) which nominated that Director for appointment or appointed that Director (as applicable) shall, within five Business Days of the occurrence of any such event, give notice in writing to Topco requesting the removal of such Director (unless such person has already ceased to be a Director).

5.6 If a Director other than an independent director dies, resigns, retires, is incapacitated and/or is removed as a Director, or is removed as a Director pursuant to Clauses 5.5, 40.12 or 40.13, the Investor Group or its Relevant Appointer (as applicable) which nominated that Director for appointment or appointed that Director (as applicable) may nominate another Director for appointment or appoint another Director (as applicable) in accordance with Schedule 4 (*Board and management appointments*) and Clause 5.3.

5.7 An Investor Group with a right to nominate one or more Directors for appointment or appoint one or more Directors (as applicable) pursuant to paragraph 2 of Schedule 4 (*Board and management appointments*) requesting (or whose Relevant Appointer is requesting), or which is (or whose Relevant Appointer is) deemed to have requested, the removal of a Director, or whose Director resigns from office as a Director under the Articles, shall indemnify and hold harmless (on an after-Tax basis) the other Investors, the remaining Directors, Topco from and against any liability for compensation for loss of office, any claim for unfair or wrongful dismissal or otherwise arising in connection with that Director ceasing to hold office as a Director.

Information sharing with appointing Investor

5.8 Subject to Clause 7 (*Conflicts*) and applicable Law, each of the Directors is hereby authorised to disclose all information available to him/her as a Director as he/she reasonably considers appropriate to any member of the Investor Group that nominated him/her (or whose Relevant Appointer appointed him/her) for appointment as a Director, provided that:

(a) such information may not be disclosed (directly or indirectly) to any portfolio company within such Investor Group that is a Competing Business; and

(b) the relevant Investor Group must ensure that it has in place, and maintains at all relevant times, effective and enforceable information barriers that:

(i) prevent disclosure of such information to any person who is a Representative of a Competing Business, provided that this Clause 5.8(b)(i) shall not prevent disclosure to a third party adviser firm acting for the relevant Investor Group so long as such third party adviser firm maintains industry-standard conflicts management and information barriers between the engagement team of the third party adviser firm acting for the relevant Investor Group and any other team in the same firm that is otherwise a Representative of a Competing Business; and

(ii) are documented and materially consistent with industry standards for the protection of competitively sensitive information,

in each case, provided that information shall not be deemed to have been disclosed to any such portfolio company solely as a result of it having been disclosed to a member of the relevant Investor Group which is entitled to appoint a director to the board of directors of such portfolio company, provided that they comply with the provisions of Clause 33 (*Confidentiality*).

Chair

5.9 Subject to Clause 5.17 and any requirement under Law, the Chair shall be appointed from amongst the Directors (and may be removed) as follows:

(a) from the Closing Date until the earlier to occur of:

(i) the date that is four months prior to the expected date of submission of the first Draft Red Herring Prospectus by the Company to SEBI following Collapse Closing (such expected date to be determined by the Board following recommendation by the Strategic Options Committee);

(ii) the Founder Investor Group ceasing to hold an aggregate Equity Proportion (for the purpose of this Clause 5.9, as calculated after taking account of the number of Shares underlying any vested Equity Awards on a gross basis) of more than 2.5 per cent; and

(iii) the date which is two years after the Closing Date,

or in any case until such date as may be agreed between the Founder and the Approved Parent of any Controlling Investor Group (the ***Initial Chair Period***), the Founder shall be the Chair; and

(b) following the Initial Chair Period, paragraphs 7 to 10 of Schedule 4 (*Board and management appointments*) shall apply.

Vice Chair

5.10 Subject to Clause 5.17 and provided that the Founder Investor Group continues to hold an aggregate Equity Proportion (for the purpose of this Clause 5.10, as calculated after taking account of the number of Shares underlying any vested Equity Awards on a gross basis) of more than 2.5 per cent, upon being replaced as Chair in accordance with the terms of this Agreement, the Founder shall continue to be a Director and, unless his designation or appointment as the Vice Chair would result in the Company having to appoint a greater number of independent directors than would be required pursuant to any applicable regulatory requirement but for such appointment or designation, shall be appointed or designated as vice chair of the Board (***Vice Chair***) for an initial period of three years following such replacement.

5.11 Subject to Clause 5.17, following expiry of the initial three-year term described in Clause 5.10 above or any subsequent three-year term approved in accordance with this Clause 5.11, and in each case provided that the Founder Investor Group continues to hold an aggregate Equity Proportion (for the purpose of this Clause 5.11, as calculated after taking account of the number of Shares underlying any vested Equity Awards on a gross basis) of more than 2.5 per cent, the Founder may be re-appointed as Vice Chair for one or more additional terms of three years at a time by the Board.

5.12 Upon the Founder Investor Group ceasing to hold an aggregate Equity Proportion (for the purpose of this Clause 5.12, as calculated after taking account of the number of Shares underlying any vested Equity Awards on a gross basis) of more than 2.5 per cent, the Founder shall no longer have a right to be a Director on the Board pursuant to paragraph 4 of Schedule 4 and shall cease to be Vice Chair.

CEO

5.13 The Founder shall be the initial CEO.

5.14 At any time following Closing, the Board may remove the CEO from their position with or without a "Bad Act" (as defined in the CEO's relevant employment contract), provided that in the case of termination without a "Bad Act", the CEO shall be eligible for certain "Good Leaver" treatment in respect of any outstanding Equity Awards they may hold at the date of such termination as provided in the relevant award agreements.

5.15 At any time following Closing, the Board may appoint a replacement CEO (who need not be a Director of Topco) in accordance with the following procedures:

(a) prior to the second anniversary of the Closing Date, the NomRem Committee shall initiate a CEO successor identification process (the ***Successor Identification Process***) and determine the minimum qualification criteria for an individual to be appointed as the CEO (the ***CEO Criteria***);

(b) in connection with the Successor Identification Process:

(i) the NomRem Committee shall, in consultation with the Founder, engage a reputable independent executive search agency (with suitable credentials) to compile a list of potential internal and external candidates, in each case meeting (in the reasonable opinion of the NomRem Committee) the requirements of the CEO Criteria; and

(ii) the Founder shall, upon the request of the Board and prior to the second anniversary of the Closing Date, use reasonable efforts to recommend to the NomRem Committee one or more candidates from the list of potential candidates compiled in accordance with Clause 5.15(b)(i),

(the potential candidates identified by the independent executive search agency and the Founder, together, the ***Potential Successor CEO Candidates***);

(c) the NomRem Committee shall, acting reasonably and in good faith and in the interests of the Investors as a whole, select and recommend to the Board for appointment as the CEO a shortlist of candidates from those Potential Successor CEO Candidates identified under Clause 5.15(b) above (the ***Recommended Successor CEO Candidates***);

(d) subject to Clause 5.17, the Board shall consult on a reasonable basis with the Founder and each Investor Group which, as at Closing, holds an aggregate Equity Proportion of 12.5 per cent or more (for the avoidance of doubt, such consultation right is not exercisable by any such Investor to the extent it undergoes a Change of Control, nor is it transferable to, any transferee of such Investor (other than a Permitted Affiliate Transferee), prior to the identification and appointment of a suitable candidate to succeed the Founder as CEO (the ***Successor CEO***);

(e) following such consultation (which for the avoidance of doubt shall not constitute and shall not be construed as constituting a consent right, approval right or veto right in favour of the Founder or any Investor Group which, as at Closing, holds an aggregate Equity Proportion of 12.5 per cent or more), the Board:

(i) shall be entitled to proceed with the appointment of the Successor CEO, notwithstanding any objection by the Founder or any Investor Group which holds an aggregate Equity Proportion of 12.5 per cent or more or any failure by the Founder or any Investor Group which holds an aggregate Equity Proportion of 12.5 per cent or more to provide their consent or approval for identification and appointment of the Successor CEO; and

(ii) shall select for appointment as Successor CEO an individual from the shortlist of Recommended Successor CEO Candidates; and

(f) upon the identification of the Successor CEO in accordance with this Clause 5.15, the Board, in consultation with the Founder, shall establish, periodically review and, in the case of the Founder, use all reasonable efforts to implement a comprehensive succession transition plan incorporating clear and objective milestones and related timelines to ensure an orderly, efficient, and effective transfer of leadership and responsibilities in respect of the CEO role from the Founder to the Successor CEO.

5.16 Following the appointment of the Successor CEO in accordance with Clause 5.15 above, subject to any requirement under Law, the CEO shall be appointed (and may be removed) in accordance with paragraphs 11 to 13 of Schedule 4 (*Board and management appointments*).

the Board shall, within five Business Days of the occurrence of any such event, give notice in writing to Topco requesting the removal of such Director (unless such person has already ceased to be a Director); and

5.41 Each of the Investors shall, so far as it is legally able, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in the Company and/or UK PLC or under this Agreement to ensure that the Company or UK PLC (as applicable) shall reimburse each Investor Group for reasonable travelling, accommodation and other expenses reasonably incurred by any Director nominated for appointment or appointed, or any observer appointed, by that Investor Group or its Relevant Appointer (as applicable) in attending Board Meetings (or meetings of a committee of the Board) or otherwise in connection with that Director's functions as a Director or observer's role as an observer. (b) any references to the CEO or Management in any of those Clauses shall be taken as references to the chief executive officer or senior management of the relevant Group Member;

(c) any notifications made pursuant to those Clauses shall be given to and by Topco (as referred to in those Clauses), rather than to and by any other Group Members;

(e) Clause 5.18 shall not apply.

(c) to the extent permitted by applicable Law and any legal privilege considerations, Topco shall notify each Litigation Protected Investor Group in writing upon becoming aware that such Litigation Protected Investor Group is a named party to any Relevant Proceedings;

(d) the consent of the relevant Litigation Protected Investor Group shall not be required if such Litigation Protected Investor Group has an Investor Conflict (other than a Litigation Conflict arising solely by reason of the Relevant Proceedings) in relation to such Relevant Proceedings;

(e) each Litigation Protected Investor Group shall exercise its rights under this Clause 5.44 reasonably and in good faith and shall not unreasonably withhold or delay its consent;

(f) any consent right held by a Litigation Protected Investor Group under this Clause 5.44 shall not in itself constitute an Investor Conflict or a Litigation Conflict; and

(g) nothing in this Clause 5.44 shall:

(i) require Topco or any Group Member to disclose any information that is subject to legal professional privilege or litigation privilege;

(ii) restrict the ability of any Group Member to take any urgent or interim step in any proceedings where, in the reasonable opinion of the Board, delay would be materially prejudicial to the interests of the Group, provided that such step shall not be materially prejudicial to the relevant Litigation Protected Investor Group and Topco shall notify the relevant Litigation Protected Investor Group in writing as soon as reasonably practicable thereafter; or

(iii) apply to any proceedings between a Group Member and the relevant Litigation Protected Investor Group or any member of its Investor Group, in which case Clause 7 (*Conflicts*) shall apply.

10.3 No later than:

(a) 60 Business Days before the end of the final Financial Year covered by the then applicable Business Plan, a draft Subsequent Business Plan relating to the next Business Plan Period shall be prepared by the Company, with such process being overseen by the CEO, and circulated to the Board and those Investors eligible to receive it under Clause 11.6; and

10.4 The Business Plan:

(a) subject to Clause 10.5, may be amended at any time by approval of the Board; and

Any such amended Business Plan shall be circulated to those Investors eligible to receive it under Clause 11.6 within 10 Business Days of the amendment having become effective.

10.5 If and to the extent that an amendment to the Business Plan under Clause 10.4 (which shall include the adoption of any Subsequent Business Plan) constitutes a deviation of more than 10 per cent from Key Line Items of the then current Business Plan (after an adjustment for inflation by reference to the Inflation Index as published from time to time that is applicable to the Business Plan Period to which such Business Plan relates), it shall require the prior written consent of each Investor Group which, as at Closing, holds an aggregate Equity Proportion of 12.5 per cent or more. Such consent right is not exercisable by any such Investor to the extent it undergoes a Change of Control, nor is it transferable to any transferee of such Investor (other than a Permitted Affiliate Transferee) until the third anniversary of Closing.

10.8 The Board shall consult with the CEO in respect of any proposed changes to the Business Plan, provided that the Board will not be under any obligation to accept the CEO's input on the Business Plan.

10.12 The Annual Budget may be amended at any time if the requisite Investor consent or Board approval (as the case may be) has been obtained in respect of such amendment in accordance with Clauses 10.13 or 10.14. Any such amended Annual Budget shall be circulated to those Investors eligible to receive it under Clause 11.6 within 10 Business Days of the amendment having become effective.

(a) subject to Clauses 10.11(a), 10.11(b) and 10.13(b), the prior approval of the Board in accordance with Clause 5 (*Directors and management*); and

(b) if and to the extent that any Key Line Item in the Subsequent Annual Budget constitutes a deviation of more than 20 per cent from a Key Line Item in the then prevailing Business Plan, the prior written consent of each Investor Group which, as at Closing, holds an aggregate Equity Proportion of 12.5 per cent or more (for the avoidance of doubt, such consent right is not exercisable by any such Investor to the extent it undergoes a Change of Control, nor is it transferable to any transferee of such Investor (other than a Permitted Affiliate Transferee)).

10.14 Any amendment to the Annual Budget under Clause 10.12 shall require:

10.15 The Board shall review the Annual Budget at least once every three months against the actual incurred costs and expenses for the previous quarter as shown in the management accounts of the Group.

10.16 Unless otherwise approved by the Board (or, in the case of any action which would constitute a deviation of the kind referred to in Clause 10.13(b), with the prior written consent of each Investor Group which, as at Closing, holds an aggregate Equity Proportion of 12.5 per cent or more), the Company shall, so far as it is legally able, exercise its rights with respect to each Group Member to procure that (and each of the Investors shall, so far as it is legally able, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in the Company or under this Agreement to ensure that) no action inconsistent with the Annual Budget shall be taken by any Group Member (or the directors, officers or employees of any Group Member).

10.17 If, at any time, the Board fails to approve and adopt an Annual Budget for the following Financial Year in accordance with this Clause 10, the Company shall, so far as it is legally able, exercise its rights with respect to each Group Member to procure that (and each of the Investors shall, so far as it is legally able, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in the Company or under this Agreement to ensure that) the Group continues to adopt and comply with the Annual Budget for the preceding Financial Year (excluding non-recurring items) (with each number in the Annual Budget being adjusted (in each case with effect from the expiry of the period to which such Annual Budget relates) for:

14.3 In the case of a Post-Closing Liquidity Event:

(c) the bank account to which payment of the amount payable in respect of the relevant Founder Post-Closing Liquidity Transaction in accordance with this Clause 14 should be paid.

14.6 To the extent that the Founder is tendering Founder Post-Closing Liquidity Securities which are vested Equity Awards pursuant to any Founder Post-Closing Liquidity Notice, the applicable provisions of Clause 13.6 shall apply *mutatis mutandis*.

14.7 To the extent that any members of the Founder Investor Group are tendering Founder Post-Closing Liquidity Securities which are Shares pursuant to any Founder Post-Closing Liquidity Notice, the applicable provisions of Clause 13.7 shall apply *mutatis mutandis* and references in Clause 13.7 to the Company shall, where the context requires, be read as references to the relevant third party transferee.

14.8 The Shares sold and purchased pursuant to any Founder Post-Closing Liquidity Transaction shall be sold by the relevant members of the Founder Investor Group free from Encumbrances and together with all rights attaching to them at the Founder Post-Closing Liquidity Completion, including the right to receive and retain all dividends and other distributions declared, paid or made after the relevant Founder Post-Closing Liquidity Completion.

14.9 Each Investor shall, so far as legally possible, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in the Company to procure that the Company complies with its obligations set out in Clauses 14.6 and 14.7.

16. Founder Liquidity Tax Matters

16.1 Prior to the completion of any Transfer of Founder Liquidity Securities or any other Shareholder Instruments to the Company pursuant to Clauses 13 or 14 above, the Company shall procure that any such valuation or other reports as may be required as a matter of applicable Law (including but not limited to, any Tax Benchmark Valuation Report, any Transfer Pricing Report, and/or any report required under the Foreign Exchange Management Act, 1999, with any such reports being ***Tax Reports***) are prepared by a SEBI registered merchant banker or chartered accountant to the reasonable satisfaction of the Company and the transferor.

16.2 The transferor shall cooperate with and assist the Company in connection with the preparation of any reports as described in this Clause 16, including providing the Company (or, at the Company's request, any third party appointed to prepare such Tax Reports) with such documents and information as the Company (or such appointed third party) requires in connection with the preparation thereof.

17. Founder Restrictive Covenant

17.1 The Founder acknowledges and agrees that the covenants, undertakings, and restrictions contained in this Clause 17 are entered into in connection with the transactions contemplated by this Agreement and are essential to protect and preserve the goodwill of the Business of the Group. The Founder further acknowledges and agrees that:

(a) he has obtained, and will continue to obtain Confidential Information and personal knowledge of and influence over suppliers, customers, clients and employees of the Company; and

(b) the restrictions set out below are reasonable and necessary in all the circumstances for the protection of the legitimate interests of the Company and its goodwill.

17.2 The Founder hereby agrees with the Company that in addition to the other terms of this Agreement and without prejudice to the other restrictions imposed upon the Founder by law, the Founder will be bound by the covenants and undertakings contained in this Clause 17. In this Clause 17, unless the context otherwise requires:

Customer means any person to which the Company distributed, sold or supplied Restricted Products or Restricted Services during the Relevant Period and with which, during that period, either the Founder, or any employee under the Founder's direct supervision (or indirect supervision through the Founder's immediate reports), had material dealings, or about which the Founder had Confidential Information, but always excluding therefrom, any division, branch or office of such person with which the Founder and/or any such employee had no dealings and about which the Founder had no Confidential Information;

Founder Restricted Period means any period during which the Founder is a Director and a period of six months after the Founder ceases to be a Director;

Prospective Customer means any person with which the Company was actively negotiating during the Relevant Period regarding a material contract for distribution, sale or supply of Restricted Products or Restricted Services and with which, during such period, the Founder, or any employee who was under the Founder's direct supervision (or indirect supervision through the Founder's immediate reports), had material dealings during the Relevant Period, or about which the Founder had Confidential Information, but always excluding therefrom any division, branch or office of that person with which the Founder and/or any such employee had no dealings during that period and about which the Founder had no Confidential Information;

Relevant Period means (i) the period of 12 months immediately prior to Closing and any period during which the Founder is a Director;

Restricted Products means any products, equipment or machinery or artificial intelligence technology in each case that is or is being researched, developed, manufactured, supplied, marketed, distributed or sold by the Company and with which the Founder's duties were materially concerned or for which either the Founder, or any employee who was under the Founder's direct supervision (or indirect supervision through the Founder's immediate reports), were responsible during the Relevant Period or about which the Founder had Confidential Information;

Restricted Services means any services (including but not limited to technical and product support, technical advice and customer services) that are or are being researched, developed or supplied by the Company and with which the Founder's duties were materially concerned or for which either the Founder, or any employee who was under the Founder's direct supervision (or indirect supervision through the Founder's immediate reports), were responsible during the Relevant Period or about which the Founder had Confidential Information;

17.3 During the Founder Restricted Period, the Founder will not, without the prior written consent of the Company, whether by himself, through his employees or agents and whether on the Founder's own behalf or on behalf of any person, directly or indirectly:

17.4 Clause 17 shall also apply as though references to the "Company" include references to each Group Member. The obligations undertaken by the Founder pursuant to this Clause 17.4 shall, with respect to each Group Member, constitute a separate and distinct covenant in favour of and for the benefit of each Group Member and which shall be enforceable either by the particular Group Member or by the Company on behalf of the Group Member and the invalidity or unenforceability of any such covenant shall not affect the validity or enforceability of the covenants in favour of any other Group Member.

17.5 The Founder hereby undertakes to the Company that the Founder will not at any time:

(a) engage in any trade or business or be associated with any person (except the Company or any Group Member or any person to which the Company or the Group Member has authorised the usage of the trading names of the Company or any Group Member) engaged in any trade or business using any trading names used by the Company or any Group Member including the name(s) or incorporating the word(s) "ReNew";

17.7 The restrictions in this Clause 17 (on which the Founder has had the opportunity to take independent advice, as the Founder hereby acknowledges) are separate and severable restrictions and are considered by the parties to be reasonable in all the circumstances. It is agreed that if any such restrictions, by themselves, or taken together, shall be adjudged to go beyond what is reasonable in all the circumstances for the protection of the legitimate interests of the Company or a Group Member but would be adjudged reasonable if some part of it were deleted, the relevant restriction or restrictions shall apply with such deletion(s) as may be necessary to make it or them valid and enforceable.

18. Restrictions on Transfer

18.1 Subject to Clause 18.8, prior to the date which is the earlier of (i) three years after the Closing Date, and (ii) the date on which the Controlling Investor Group has Transferred all of the Relevant Priority Shares, no Investor (other than the Controlling Investor Group) may Transfer any Shareholder Instruments other than to a Permitted Affiliate Transferee, as part of a public takeover offer for 100 per cent of the Shareholder Instruments in issue (however structured), or a Transfer pursuant to Clause 13 (in the case of the Founder), a Full Tag Transfer triggered under Clause 21 (*Tag Along*) and Clause 22 (*Drag Along*) (the ***Controlling Investor Priority Liquidity***).

18.2 In the event of a Transfer by the Controlling Investor Group of some or all of the Relevant Priority Shares (a ***Controlling Investor Priority Liquidity Transfer***):

(a) Topco shall, so far as it is legally able and acting reasonably and in good faith, take, or cause to be taken, all such actions as are reasonably necessary to effect, as promptly as practicable, a Controlling Investor Priority Liquidity Transfer; and

(b) each of the other Investors shall, so far as it is legally able and acting reasonably and in good faith, exercise all of their rights and powers (direct or indirect) in their capacity as a shareholder of Topco (including exercising all voting rights and all rights under this Agreement and executing all relevant documents required of it in such capacity), to procure that Topco shall take, or cause to be taken all such actions by Topco as are reasonably necessary to effect, as promptly as practicable, a Controlling Investor Priority Liquidity Transfer.

18.3 Upon the date which is the earlier of (i) three years after the Closing Date, and (ii) the date on which the Controlling Investor Group has Transferred all of the Relevant Priority Shares, Clauses 18.1 and 18.2 shall cease to apply and any subsequent Transfer by an Investor (including for the avoidance of doubt the Controlling Investor Group) shall be subject to, and in accordance with, Clauses 13 (in the case of the Founder), 18.4 to 18.7 (inclusive), 19 (*Provisions applying to all Transfers*), 20 (*Right of First Offer*), 21 (*Tag Along*), 22 (*Drag Along*) and 23 (*Block Trades*) (as applicable), and any of the Schedules referred to therein.

18.4 Subject to Clauses 18.1 to 18.3 (inclusive), any Investor may freely Transfer its Shareholder Instruments from time to time, provided that, other than a Transfer in connection with the implementation of the PLC Collapse in accordance with the Reorganisation Deed:

(i) such Transfer is made in accordance with Clause 20 (*Right of First Offer*) and Schedule 6 (*Right of First Offer*);

(ii) the Transfer is not to a Competitor;

(iii) the Transfer is made pursuant to a bona fide arm's length public takeover (however structured), provided that if such offer is for less than 100 per cent of the Shareholder Instruments in issue, each Investor's participation shall be limited to its pro rata share of the Shareholder Instruments being sought, calculated by reference to its Equity Proportion relative to the aggregate Equity Proportion of all participating Investors; or

(iv) if such Transfer is made following completion of an Indian IPO during the Restricted Period, such Transfer is in accordance with Clause 23 (*Block Trades*) (to the extent applicable to such Investor at the relevant time),

provided that this Clause 18.4(c) shall not apply to any Transfer to a Permitted Affiliate Transferee of the applicable Investor.

18.5 No Investor (a ***Transferor***) may Transfer any Shareholder Instruments to any person (the ***Transferee***) except as expressly permitted by and in accordance with the restrictions provided in Clauses 13 (*Founder Liquidity*) to 25 (*Registration and monitoring of Transfers and issues*) (inclusive), including, for the avoidance of doubt, in accordance with Clauses 18.1 to 18.3 (inclusive).

(h) a Transfer of any Shareholder Instrument or UK PLC Share to a purchaser made pursuant to a public takeover (however structured); and

(i) a Transfer pursuant to and in accordance with Schedule 2 (*Emergency funding procedure*).

18.7 No Investor may Transfer any Shareholder Instruments to:

(a) any Restricted Person; or

(b) any Sanctioned Person or any person where, in the reasonable opinion of Topco, there is, or would be, a risk of Topco or any of the Investors being in breach of Sanctions Law were such a person to hold Shareholder Instruments or become a party to this Agreement.

18.8 Where any member of the Controlling Investor Group holds UK PLC Shares (prior to Collapse Closing) or Shares (following Collapse Closing) which are (in either case) Relevant Priority Shares, any UK PLC Shares (prior to Collapse Closing) or Shares (following Collapse Closing) which are Transferred by a member of the Controlling Investor Group shall be deemed for the purposes of Clause 18.1 to have been Relevant Priority Shares and, following such Transfer, the balance of the Relevant Priority Shares which are held by such member of the Controlling Investor Group shall be deemed reduced accordingly, provided that if the number of UK PLC Shares or Shares (as applicable) Transferred by a member of the Controlling Investor Group in a single Transfer exceeds the balance of the Relevant Priority Shares held by such member immediately prior to that Transfer, only such number of UK PLC Shares or Shares as is equal to the balance of Relevant Priority Shares then held by such member shall be deemed to be Relevant Priority Shares for the purposes of Clause 18.1, and the remainder of the UK PLC Shares or Shares (as applicable) Transferred shall be deemed, for all purposes of this Agreement (including Clause 21 (*Tag Along*)), to constitute a separate and subsequent Transfer to which Clauses 18.3 to 18.7 (inclusive) shall apply.

19. Provisions applying to all Transfers

19.1 All Transfers of Shareholder Instruments (other than in connection with the PLC Collapse) by any Investor shall:

(a) comply with Schedule 8 (*Transfer terms*); and

(b) require an equivalent Transfer of such proportion of the UK PLC Shares held by the transferring Investor as is equal to the proportion that the number of Shareholder Instruments proposed to be Transferred bears to the total number of Shareholder Instruments held by such Investor immediately prior to the relevant Transfer.

19.2 Save in respect of a Transfer of Shareholder Instruments immediately following which this Agreement will automatically terminate in accordance with Clause 28.3, no Shareholder Instruments shall be Transferred to any person who is not already a party to this Agreement unless and until such person has become a party to this Agreement by executing and delivering to Topco a Deed of Adherence as an Investor.

20. Right of First Offer

20.1 Subject to Clauses 13 and 20.2, the parties agree to comply with the terms of Schedule 6 (*Right of First Offer*) in relation to any relevant Transfer of Shareholder Instruments by any Investor that is not a member of a Controlling Investor Group.

20.2 This Clause 20 and Schedule 6 (*Right of First Offer*) shall automatically terminate and cease to have any force or effect upon, and with effect from, the completion of an Indian IPO.

21. Tag Along

21.1 Subject to Clause 18.1, and, in the case of the Founder Investor Group, in addition to Clause 14, if the Controlling Investor Group or the Investor Group with the single largest holding of Shareholder Instruments proposes to make a bona fide Transfer of any Shareholder Instruments (other than a Transfer referred to in Clauses 18.6(a), (b), (c), (d), (g), (h), or (i), 23 or 40.9(e)(i) or (ii)) in one or a series of related transactions that would (or, in the case of a series of related transactions, the transaction, the completion of which would):

(a) as a result, cause the Transferee, together with any of its Affiliates and any persons acting in concert with it or any of them, to hold:

(i) an aggregate Equity Proportion of more than 50 per cent (a ***Full Tag Transfer***); or

(ii) an aggregate Equity Proportion of 50 per cent or less (a ***Pro Rata Tag Transfer***),

(a Full Tag Transfer and Pro Rata Tag Transfer, each a ***Tag Transfer***), the relevant Transferor and the other members of its Investor Group shall not complete such Tag Transfer unless, subject to Clause 21.11 below, it first ensures that the Transferee makes a separate offer to each other Investor Group and each Award Holder, other than (i) the Sanctioned Investors and/or (ii) Investors in the same Investor Group as the Transferor (any such accepting Investor or Award Holder being a ***Tagging Investor***) to buy from it, on the Tag Terms:

(iii) in the case of a Full Tag Transfer, all of the Shareholder Instruments (of each class) held by the Tagging Investor; or

(iv) in the case of a Pro Rata Tag Transfer, such proportion of Shareholder Instruments (of each class) held by such Tagging Investor as equals the aggregate proportion of the holding of Shareholder Instruments (of the relevant class) which is proposed to be Transferred pursuant to the Pro Rata Tag Transfer (which in respect of any Award Holder, shall be calculated after taking account of the Shares and vested Equity Awards on a gross settlement basis,

provided that in respect of any Pro Rata Tag Transfer that occurs and as a result of such transfer the Controlling Investor Group or the Investor Group with the single largest holding of Shareholder Instruments ceases to hold the single largest holding of Shareholder Instruments, the Tagging Investor shall be entitled to tag in respect of all (rather than a pro rata proportion) of the Shareholder Instruments held by it which shall therefore be deemed to be a Full Tag Transfer,

(a ***Tag Along Offer***).

21.2 Any agreement to effect a Tag Transfer must be conditional upon Tag Along Offers being made in accordance with, and the Transferor and the Transferee otherwise complying with the provisions of, this Clause 21.

21.3 Each Tag Along Offer shall be:

(a) an irrevocable and unconditional offer consisting of consideration comprising (at the sole election of the Controlling Investor Group or the Investor Group with the single largest holding of Shareholder Instruments (as applicable)), cash and/or Marketable Securities only; and

(b) in writing addressed to the relevant Investor to whom the Tag Along Offer is made (a ***Tag Along Notice***).

21.4 Each Tag Along Notice shall specify in respect of the Tag Along Offer:

(a) whether the proposed Tag Transfer would constitute a Full Tag Transfer or a Pro Rata Tag Transfer;

(b) subject to Clause 21.11 below, the number and type of Shareholder Instruments which the Tagging Investor is entitled to Transfer (the ***Tag Shares***);

(c) the identity and notice details of the proposed Transferee;

(d) subject to Clause 21.11 below, the price per Shareholder Instrument payable;

(e) the material terms and conditions of the Transfer; and

(f) the proposed date and location of completion of the Transfer, being a date not later than completion of the Tag Transfer.

21.5 Each Tagging Investor may accept the Tag Along Offer by notifying the proposed Transferee in writing (a ***Tag Acceptance Notice***) within 15 Business Days following the date of the Tag Along Notice, which notice shall include:

(a) details of the bank account to which the purchase price for the Tagging Investor's Tag Shares should be transferred; and

(b) any Tag Shareholder Specific Conditions in relation to the Tagging Investor's Transfer of Tag Shares.

21.6 Subject to Clause 21.11, within five Business Days after the expiry of the 15 Business Day period described in Clause 21.5 above, the Transferor shall deliver to each Tagging Investor all documents necessary to be executed by the relevant Tagging Investor to give effect to the Transfer of its relevant Shareholder Instruments to the Transferee pursuant to the Tag Along Offer, provided that such documents:

(a) shall include only the following conditions to completion of the Transfer:

(i) a condition that the Tag Transfer is completed in accordance with its terms and this Clause 21 or, in the case of a series of related transactions, a condition that those transactions of the series of related transactions that have not completed by the date of the Tag Along Notice are completed in accordance with their terms and this Clause 21; and

(ii) any Tag Shareholder Specific Condition specified by the Tagging Investor in its Tag Acceptance Notice;

(b) shall be in compliance with Schedule 8 (*Transfer terms*);

(c) shall incorporate terms giving effect to Clause 21.7 and, where any Tag Shareholder Specific Condition is notified by the relevant Tagging Investor in accordance with Clauses 21.6(a)(ii) and 21.9;

(d) shall include the number of Shareholder Instruments proposed to be acquired from the relevant Tagging Investor, including, in the case of Equity Awards, the number of Shares to be acquired pursuant to Clause 21.11;

(e) shall include the price per Shareholder Instrument at which the Shareholder Instruments are proposed to be acquired from the relevant Investor, which shall be the same price (which must comprise only cash and/or Marketable Securities) per Shareholder Instrument as the Tag Transfer or, in the case of a series of related transactions, the weighted average price (which must comprise only cash and/or Marketable Securities) per Shareholder Instrument of the series of related transactions;

(f) save for any Tag Shareholder Specific Condition applicable to the relevant Tagging Investor and without prejudice to Clause 21.6(g) below, shall not include any terms (including any warranties, covenants, undertakings or indemnities) that are more onerous in any respect for such Tagging Investor than:

(i) the terms of the Tag Transfer or, in the case of a series of related transactions, the terms of any of the series of related transactions; or

(ii) the terms of the Transfer of Shareholder Instruments by any other Tagging Investor,

and shall include a warranty from the Transferee (for itself and as agent for the Transferor) to this effect;

(g) shall not include any representation, undertaking, warranty, indemnity or covenant from the relevant Tagging Investor other than: (i) customary warranties or covenants as to its solvency and its title, authority and capacity to sell the Shareholder Instruments held by it; and (ii) a customary leakage undertaking, subject to customary permitted leakage provisions and with each Tagging Investor having several liability for their own leakage only; and

(h) shall specify that the maximum aggregate liability of each Tagging Investor in respect of the Transfer of its Shareholder Instruments to the Transferee pursuant to this Clause 21 shall, to the maximum extent permitted by Law, not exceed, in aggregate, the lower of: (i) the sale consideration payable to that Tagging Investor; and (ii) the pro rata equivalent of any equivalent limitation on liability applicable to any relevant member of the Controlling Investor Group in relation to its transfer of Shareholder Instruments,

such terms being the ***Tag Terms*** for the purposes of this Clause 21.

21.7 Each Tagging Investor shall execute and send or make available (and shall procure that other members of its Investor Group execute and send or make available) to the Transferor all documents necessary to be executed to give effect to the Transfer of its Shareholder Instruments in accordance with this Clause 21 to the Transferee within 15 Business Days from receipt of all documents necessary to be executed by the relevant Tagging Investor to give effect to the Transfer of its relevant Shareholder Instruments in accordance with Clause 21.6.

21.8 Subject to Clause 21.9, the Transfer of Shareholder Instruments by each Tagging Investor to the Transferee shall be completed at the same time as the Tag Transfer and the Tagging Investors shall be bound to sell the relevant Shareholder Instruments, on the Tag Terms, pursuant to the Tag Along Offer and their acceptance of it, and this Clause 21.

21.9 If any Tag Shareholder Specific Condition is not satisfied on or prior to the Tag Completion Longstop Date:

(a) any obligation on, or agreement by, the Transferee to acquire that Tagging Investor's Shareholder Instruments; and

(b) the Tag Along Offer made to such Tagging Investor (and such Tagging Investor's acceptance of it),

shall lapse and cease to be effective, unless the Transferee and the Tagging Investor that is subject to such Tag Shareholder Specific Condition agree otherwise.

21.10 No Tag Along Offers shall be required to be made pursuant to Clause 21.1 if a Drag Along Notice has been served pursuant to Clause 22.1.

21.11 In the case of Tagging Investors which are Award Holders, in respect of any Tag Shares which are vested Equity Awards, the Tag Transfer shall be effected in one of the following mechanisms:

(a) Mechanism A:

(i) immediately prior to completion of the Tag Transfer, the Transferee shall subscribe to such number of Shares as have an aggregate price, based on the price included in the Tag Along Notice in accordance with Clause 21.4(d), equal to the Intrinsic Value of the relevant vested Equity Awards (the amounts invested by the Transferee as consideration to the subscription of such Shares, the ***Aggregate Tag Consideration***); and

(ii) at completion of the Tag Transfer, the Company shall pay the Award Holder an amount equal to the Aggregate Tag Consideration in consideration for the cancellation of the relevant Equity Awards.

(b) Mechanism B:

(ii) the Company shall issue to such member of the Founder Investor Group such number of Shares as have an aggregate price, based on the price included in the Tag Along Notice in accordance with Clause 21.4(d), equal to the Intrinsic Value of the relevant vested Equity Awards; and

(iii) at completion of the Tag Transfer the relevant Award Holder shall Transfer the Shares issued pursuant to Clause 21.11(b)(ii) above to the Transferee and the Transferee shall pay to the relevant Award Holder the price per Share included in the Tag Along Notice in accordance with Clause 21.4(d).

22. Drag Along

22.1 If a bona fide Transfer (save where it is a Transfer referred to in Clauses 18.6(a), (b), (d), (h) or (i) or 40.9(e)(i) or (ii)) is proposed to be made in one or a series of related transactions by any member of the Controlling Investor Group that would (or, in the case of a series of related transactions, the transaction, the completion of which would), as a result, cause the Transferee (other than a Transferee that is a Permitted Affiliate Transferee), together with any of its Affiliates and any persons acting in concert with it or any of them, to hold an aggregate Equity Proportion of more than 50 per cent (such relevant transaction, a ***Drag Transfer***), the Controlling Investor Group (the ***Dragging Shareholder***) shall have the right, subject to Clause 40.9(e), to require all (but not some only) of the other Investors and each Award Holder, in each case that are not Sanctioned Investors (together, the ***Dragged Investors***), to Transfer all (but not some only) of the Shareholder Instruments held by each of them (or that will become held by them in accordance with Clause 22.7) to the Transferee, on the Drag Terms, by giving written notice to that effect to each Dragged Investor (the ***Drag Along Notice***) accompanied by copies of all documents necessary to be executed by the relevant Dragged Investor to give effect to the Transfer of its Shareholder Instruments to the Transferee.

22.2 The Drag Along Notice (including any accompanying documents) shall fully describe all the terms and conditions of the proposed Transfer of Shareholder Instruments by the relevant Dragged Investor to the Transferee pursuant to this Clause 22, and such terms and conditions shall:

(a) include only the following conditions:

(i) a condition that the Drag Transfer is completed in accordance with its terms and this Clause 22 or, in the case of a series of related transactions, a condition that the series of related transactions are completed in accordance with their terms and this Clause 22; and

(ii) any Drag Shareholder Specific Condition notified in writing by the relevant Dragged Investor to the Dragging Shareholder(s) within 10 Business Days of receipt of the Drag Along Notice;

(b) be in compliance with Schedule 8 (*Transfer terms*);

(c) incorporate terms required to give effect to Clauses 22.4 and 22.6 and, where the Transfer by any Dragged Investor is subject to a Drag Shareholder Specific Condition, Clause 22.5;

(d) include the number of Shareholder Instruments proposed to be acquired from the relevant Dragged Investor;

(e) include the price per Shareholder Instrument at which the Shareholder Instruments are proposed to be acquired from the relevant Dragged Investor, which shall be the same price (which must be paid in cash (unless elected otherwise) to the relevant Dragged Investor) per Shareholder Instrument as the Drag Transfer or, in the case of a series of related transactions, the weighted average price (which must be paid in cash to the relevant Dragged Investor) per Shareholder Instrument as the series of related transactions (which, if expressed in a currency other than INR, shall be converted into INR at the Bloomberg spot rate as at close of business the trading day prior to the date of the Drag Along Notice) (the ***Drag Price***), provided that, for the avoidance of doubt, nothing in this Clause 22.2(e) shall prevent the Dragged Investor(s) from electing to receive consideration for their Shareholder Instruments in cash and/or Marketable Securities (with the value of any such Marketable Securities calculated by reference to the volume-weighted average price of such Marketable Securities over the twenty (20) consecutive trading days ending on the third trading day prior to the date of the Drag Transfer);

(f) not include any representation, undertaking, warranty, indemnity or covenant from the Dragged Investor other than: (i) customary warranties or covenants as to its solvency and its title, authority and capacity to sell the Shareholder Instruments held by it; and (ii) a customary leakage undertaking, subject to customary permitted leakage provisions and with each Dragged Investor having several liability for their own leakage only; and

(g) specify that the maximum aggregate liability of each Dragged Investor in respect of the Transfer of its Shareholder Instruments to the Transferee pursuant to this Clause 22 shall, to the maximum extent permitted by Law, not exceed, in aggregate, the lower of: (i) the sale consideration payable to that Dragged Investor; and (ii) the pro rata equivalent of any equivalent limitation on liability applicable to any relevant member of the Controlling Investor Group in relation to its transfer of Shareholder Instruments,

such terms being the ***Drag Terms*** for the purposes of this Clause 22. The Drag Along Notice shall also specify the date on which the Transfer of the Shareholder Instruments to the intended Transferee is expected (subject to the time required to satisfy any Drag Shareholder Specific Condition(s)) to occur.

22.3 Each Dragged Investor shall execute and send or make available (and shall procure that other members of its Investor Group execute and send or make available) to the Dragging Shareholder(s) all documents necessary to be executed to give effect to the Transfer of its Shareholder Instruments to the Transferee pursuant to this Clause 22 within 15 Business Days after receipt of the Drag Along Notice (or any longer period to which the Dragging Shareholder(s) may agree).

22.4 Subject to Clause 22.5 and Clause 22.6, the Transfer of Shareholder Instruments by each Dragged Investor to the Transferee shall be completed, subject to Clause 22.5, at the same time as the Drag Transfer (or, in the case of a series of related transactions, the last transaction in time of the series) and the Dragged Investors shall be bound to sell the relevant Shareholder Instruments, on the Drag Terms, pursuant to this Clause 22.

22.5 Any Transfer of Shareholder Instruments by a Dragged Investor to the Transferee that is subject to a Drag Shareholder Specific Condition which is not satisfied prior to the date that is five Business Days prior to the Drag Completion Longstop Date (unless the Drag Completion Longstop Date has been extended in accordance with Clause 22.6(b)) shall not be completed in accordance with Clause 22.4 and the Drag Along Notice in respect of that Dragged Investor only shall lapse and cease to be effective.

22.6 Save where as a result of any Dragged Investor not complying with its obligations under this Clause 22, if the Drag Transfer has (or, in the case of a series of related transactions, the series of transactions have) not completed:

(a) within six months (or such longer period as may be required pursuant to Clause 24.1(b)) after the date of the Drag Along Notice (the ***Drag Completion Longstop Date***); or

(b) by such later date as the Controlling Investor Group notifies the Dragged Investors in writing shall be the Drag Completion Longstop Date,

the Dragged Investors shall no longer be obliged to proceed with the Transfer of their Shareholder Instruments to the Transferee required pursuant to this Clause 22. In such case, the Dragging Shareholder(s) shall return to the relevant Dragged Investors all of the documents referred to in Clause 22.3.

22.7 Notwithstanding anything to the contrary in this Clause 22, in the case of Dragged Investors which are Award Holders, in respect of Equity Awards, the Drag Transfer shall be effected in one of the following mechanisms:

(a) Mechanism A:

(i) the delivery of a Drag Along Notice to any Award Holder shall be deemed to constitute an irrevocable exercise of all Equity Awards held by such Award Holder on a net settlement basis at the completion of the Drag Transfer;

(ii) immediately prior to completion of the Drag Transfer, the Company shall issue to each such Award Holder such number of Shares as have an aggregate price, based on the price included in the Drag Along Notice in accordance with Clause 22.2(e), equal to the Intrinsic Value of each vested Equity Award held by that Award Holder; and

(iii) at completion of the Drag Transfer:

(A) the relevant Award Holder shall Transfer the Shares issued pursuant to Clause 22.7(a)(ii) above to the Transferee and the Transferee shall pay to the relevant Award Holder the price per Share included in the Drag Along Notice in accordance with Clause 22.2(e); and

(B) the relevant Award Holder shall cease to hold any further Equity Awards.

(b) Mechanism B:

(i) immediately prior to completion of the Drag Transfer, the Transferee shall subscribe to such number of Shares as have an aggregate price, based on the price included in the Drag Along Notice in accordance with Clause 22.2(e), equal to the Intrinsic Value of all the Equity Awards (the amounts invested by the Transferee as consideration to such subscription of Shares, the ***Aggregate Drag Consideration***); and

(ii) at completion of the Drag Transfer, the Company shall pay the Award Holder an amount equal to the Aggregate Drag Consideration in consideration for the cancellation of all Equity Awards.

22.8 To secure performance by each Dragged Investor of its obligations under this Clause 22:

(a) each Dragged Investor irrevocably and unconditionally appoints any one Director (by way of security for the performance of its obligations under this Agreement) as its attorney to execute any Transfer or transfer of Shareholder Instruments or UK PLC Shares which the appointing Dragged Investor may fail to execute when obliged to do so under this Agreement, and to execute all such other documents, and to do all such other acts, as it may in its absolute discretion consider necessary or desirable to transfer title to the Shareholder Instruments or UK PLC Shares which are the subject of the Transfer, on behalf of such appointing Dragged Investor (including, in the case of any Award Holder, any acts to effect the exercise and/or settlement of all vested Equity Awards in accordance with Clause 22.7);

(b) each Dragged Investor undertakes to approve, ratify and confirm the execution of any Transfer or transfer of Shareholder Instruments or UK PLC Shares and other relevant documents, and the performance of all such other acts, by the attorney appointed under Clause 22.8(a) and to indemnify and keep such attorney indemnified and held harmless from and against all losses which the attorney may suffer or incur as a result of the lawful exercise by it of the powers conferred on it under this Clause 22;

(c) each Dragged Investor authorises the Directors to approve the registration of all Transfers and related documents; and

(d) this power of attorney shall remain in force in relation to each Dragged Investor until this Agreement is terminated in respect of the rights and obligations of that Dragged Investor under Clause 28 (*Termination*).

22.9 For the purposes of Clauses 22.9 to 22.19 (inclusive) each Investor (together with the other members of its Investor Group) that holds an aggregate Equity Proportion of 12.5 per cent or more, as at Closing, shall be a ***Qualifying Investor***. For the avoidance of doubt, the status of each Investor (together with other members of its Investor Group) as a Qualifying Investor shall be determined solely by reference to the aggregate Equity Proportion held by such Qualifying Investor (together with the other members of its Investor Group) as at the Closing Date and shall not be affected by any subsequent dilution, Transfer (other than a transfer of 100 per cent of its Shareholder Instruments) or other change to the aggregate Equity Proportion held by such Investor (together with the other members of its Investor Group), provided that the rights of any Qualifying Investor pursuant to Clauses 22.9 to 22.19 (inclusive), shall not be exercisable by any Qualifying Investor to the extent it undergoes a Change of Control, nor are they transferable to any transferee of such Qualifying Investor (other than to a Permitted Affiliate Transferee).

22.10 Notwithstanding anything contained in this Clause 22, the Dragging Shareholder(s) shall not be entitled to exercise any rights conferred on it under this Clause 22 in respect of any Qualifying Investor at any time prior to the sixth anniversary of the date of this Agreement, unless the consideration to be received by such Qualifying Investor pursuant to the relevant Drag Transfer would yield to such Qualifying Investor (gross of any withholding or deduction for or on account of Taxes) in cash (and not, for the avoidance of doubt, Marketable Securities unless the relevant Qualifying Investor at its sole discretion consents otherwise) per Relevant Instrument equal to:

(a) in respect of each Relevant Instrument, the Drag Price; and

(b) to the extent required, an additional amount per Relevant Instrument which, taking into account the Drag Price, would provide the Qualifying Investor with an IRR of 11 per cent, such IRR to be calculated in accordance with Clause 22.11 by reference to:

(i) the aggregate number of Relevant Instruments held by such Qualifying Investor as at Closing multiplied by the HTP Price (the ***Rolled-Over Amount***); and

(ii) to the extent applicable, the aggregate number of Relevant Instruments subscribed for by such Qualifying Investor following the date of Closing multiplied by the subscription price actually paid in respect of that Relevant Instrument subscribed for,

in each case, consistent with the outflows recorded under Clause 22.11(b)(ii), the ***Additional Drag Price***, provided that the Additional Drag Price shall only apply in respect of a Drag Transfer of Relevant Instruments.

22.11 For the purpose of Clause 22.10, ***IRR*** will be calculated:

(a) in respect of Shares, including Shares held by a Qualifying Investor at Closing or subsequently (and including any Shareholder Instruments issued against those Shares including bonus shares or other instruments issued for no or nominal subscription price) but excluding any other Shareholder Instruments and excluding any Shareholder Instruments Transferred by a Qualifying Investor (other than to a Permitted Affiliate Transferee) or to a Qualifying Investor prior to the date of the relevant Drag Along Notice, provided that any Shareholder Instruments Transferred by a Qualifying Investor following Closing but prior to the date of a Drag Along Notice shall be deemed to comprise, first, Shareholder Instruments held by that Qualifying Investor as at Closing, and thereafter, Shareholder Instruments subsequently subscribed for by such Qualifying Investor following the Closing Date (in the order subscribed for) (***Relevant Instruments***); and

(b) in INR by applying the "xIRR" function in Microsoft Excel with:

(i) inflows recorded (on a per Relevant Instrument basis, adjusted for any consolidation, subdivision or reclassification, and in each case gross of any Tax or amount in respect of Tax payable or otherwise borne by the recipient in respect of such inflows (including, for the avoidance of doubt, any such Tax or amount in respect of Tax required to be withheld by the payor of such inflow)) for:

(A) on the date of actual receipt, any cash distribution, return of capital, or consideration for a repurchase or redemption of Relevant Instruments in respect of each Relevant Instrument held by Qualifying Investor;

(B) on the date of completion of the Drag Transfer, the Drag Price payable in respect of each Relevant Instrument; and

(C) if applicable, the Additional Drag Price on the date of completion of the Drag Transfer payable in respect of each Relevant Instrument; and

(ii) outflows recorded (on a per Relevant Instrument basis, adjusted for any consolidation, subdivision or reclassification, and in each case gross of any Tax or amount in respect of Tax actually borne by the payer in respect of such outflows) for:

(A) on the date of Closing, in respect of each Relevant Instrument held by a Qualifying Investor at such date, the INR equivalent of the price paid by the Controlling Investor Group for each UK PLC Share as part of the scheme of arrangement as at the Closing Date, as converted at the spot rate of exchange for the conversion of United States Dollars (USD) into Indian Rupees (INR) published by Bloomberg under the heading "FX" (or any successor heading) on page FXC (or such other page as may replace it), as at 11:00 London time on the date of Closing, provided that if such rate is not available on such date, the rate published on the immediately preceding Business Day shall be used (the ***HTP Price***) (such amount, in aggregate, being the Rolled-Over Amount referred to in Clause 22.10(b)(i)); and

(B) on the date of subscription, the subscription price actually paid in respect of that Relevant Instrument subscribed for (in respect of any Relevant Instrument subscribed by a Qualifying Investor (or any other member of its Investor Group)),

with any amount not funded or received in INR converted into INR at the spot exchange rate shown on Bloomberg as at the close of trading the day prior to the date of the relevant inflow or outflow (as applicable), other than in the case of the Drag Price or Additional Drag Price, which shall be converted based on such rate as at the close of the trading day prior to the date of the Drag Along Notice.

22.12 Example calculations in respect of the application of Clause 22.10, for illustrative purposes only, are set out in the excel spreadsheet entitled "ADIA Drag calcs_Jul 2026" as agreed between the Controlling Investor Group and any Qualifying Investors as at Closing.

22.13 With effect from, and including, the sixth anniversary of the Closing Date, the Additional Drag Price shall cease to apply and the Dragging Shareholder(s) shall be entitled to exercise their rights conferred under Clause 22.1 in respect of any Qualifying Investor without being subject to the Additional Drag Price, provided that the Fair Market Value Protection (as defined in Clause 22.19) shall continue to apply at all times in accordance with Clause 22.19.

22.14 Where a Drag Transfer requiring Investor Majority Consent pursuant to paragraph 6 of Part A of Schedule 3 is proposed by the Dragging Shareholder(s) and such Investor Majority Consent to commence the Sale Process during the Material Market Disruption Period has not been received pursuant to Clause 8, the Dragging Shareholder(s) shall not be entitled to serve a Drag Along Notice in connection with the relevant Sale Process unless and until:

(a) a Market Recovery has occurred within a period of 12 months of the date of the Material Market Disruption; or

(b) a period of 12 months has elapsed since the date of the Material Market Disruption, whether or not a Market Recovery has occurred (provided that, where one or more prior Material Market Disruptions have delayed or suspended the relevant Sale Process, the aggregate of all such prior Material Market Disruption Periods shall be credited against and shall reduce the relevant 12 month period applicable to any subsequent Material Market Disruption, such that the Dragging Shareholder(s) shall not be required to recommence a further 12 month period upon each subsequent occurrence or recurrence of a Material Market Disruption).

22.15 For the avoidance of doubt, the relevant 12 month period referred to in Clause 22.14 above shall apply to the date of commencement of the Sale Process and may be reduced by the aggregate duration of any prior Material Market Disruption Periods affecting the relevant Sale Process.

22.16 From and after the date on which the Dragging Shareholder(s) validly commence a Sale Process in accordance with this Clause 22, each Qualifying Investor shall (acting reasonably and in good faith) cooperate in, and shall use commercially reasonable efforts to, support the achievement of the best reasonably available outcome for all Investors in connection with such Sale Process, including by:

(a) providing such information and assistance as may be reasonably requested by the Dragging Shareholder(s), Topco or their respective advisers in connection with the conduct of the Sale Process, subject to applicable Law and any confidentiality obligations binding on such Qualifying Investor; and

(b) taking such other steps as are reasonably necessary to support the timely and orderly completion of the Sale Process.

22.17 The obligations set out in Clause 22.16 shall not restrict or prevent any Qualifying Investor from implementing tax structuring, reorganisation measures or other arrangements in connection with a relevant Sale Process and/or Drag Transfer (as applicable), provided that such measures:

(a) do not result in a material adverse or prejudicial outcome for the Dragging Shareholder(s) or any other Investor; and

(b) do not materially delay or impede the conduct or completion of the Sale Process.

22.18 If a Material Market Disruption occurs after the valid commencement of a Sale Process, each Qualifying Investor shall continue to cooperate in good faith and shall continue to use commercially reasonable efforts to support the Sale Process in accordance with Clauses 22.16 and 22.17, it being acknowledged and agreed that:

(a) the Dragging Shareholder(s) and each Qualifying Investor are aligned in seeking the best reasonably available outcome for all Investor Groups; and

(b) the occurrence of a Material Market Disruption after the valid commencement of a Sale Process shall not operate to reset or recommence the 12 month period referred to in Clause 22.14 in respect of such Sale Process.

22.19 The Dragging Shareholder(s) shall, in all circumstances, use best efforts to achieve the best reasonably available price for all Investor Groups in connection with any Sale Process (the ***Fair Market Value Protection***). For the avoidance of doubt, Fair Market Value Protection shall apply at all times, including on or after the sixth anniversary of the Closing Date, irrespective of whether a Material Market Disruption has occurred or is subsisting and irrespective of whether the Additional Drag Price applies.

22.20 Fair Market Value Protection shall be deemed to be satisfied where the Dragging Shareholder(s) conduct(s) a Sale Process that is managed by one or more internationally recognised investment banks acting as financial advisers to Topco or the Dragging Shareholder(s) (as applicable) in connection with such Sale Process (an ***Investment Bank-Led Sale Process***), conducted in accordance with customary market practice for transactions of the relevant type, size and jurisdiction. If the Dragging Shareholder(s) propose(s) to accept or enter into negotiations with respect to any bilateral approach or any offer received otherwise than pursuant to an Investment Bank-Led Sale Process, Topco shall obtain an independent valuation with respect to such Sale Process.

23. Block Trades

23.1 Following an Indian IPO until the end of the Restricted Period and subject to Clauses 18.1 to 18.3 and 22, no Investor Group that holds an aggregate Equity Proportion of the Minority Threshold or more as at the Closing Date and/or at the date of the completion of an Indian IPO may Transfer any of its Shareholder Instruments except by way of a coordinated sale of Shareholder Instruments (whether by way of accelerated bookbuild, placing or equivalent process) (a ***Block Trade***) conducted in accordance with this Clause 23 (*Block Trades*) and any applicable Law. Any purported Transfer in breach of this Clause 23 (*Block Trades*) shall be void.

23.2 Subject to the Controlling Investor Priority Liquidity rights set out in Clauses 18.1 to 18.3, the Founder Investor Group and each Investor Group that holds an aggregate Equity Proportion of the Minority Threshold or more as at the Closing Date and/or at the date of the completion of an Indian IPO (each an ***Eligible Investor Group***) shall have the right, but not the obligation, to participate in each Block Trade on a pro rata basis by reference to its proportionate Equity Proportion as at the date of such Block Trade, relative to all participating Eligible Investor Groups prior to such Block Trade (each a ***Block Trade Allocation***). In the case of the Founder Investor Group, for the purposes of this Clause 23.2 the number of Equity Awards shall be taken into account on a net settlement basis (after accounting for applicable exercise prices and any deductions or withholdings in respect of Tax) of such Equity Awards.

23.3 The Controlling Investor Group shall use commercially reasonable efforts to conduct one or more Block Trades in accordance with this Clause 23 (*Block Trades*) every six months commencing from the date that is six months following completion of an Indian IPO, subject to the prevailing market conditions being favourable for a Block Trade (as determined by the Controlling Investor Group, acting reasonably) and shall use commercially reasonable efforts to ensure that during any six-month period (a ***Block Trade Period***) any transfer of Shareholder Instruments by Block Trade shall constitute six per cent. (or such other amount agreed by the Controlling Investor Group and each other Eligible Investor Group at the beginning of the relevant Block Trade Period) of the total Shareholder Instruments then in issue.

23.4 To the extent the Controlling Investor Group has not initiated a Block Trade in accordance with this Clause 23 within any relevant Block Trade Period, prior to the expiry of such Block Trade Period, an Eligible Investor Group shall have the right to request the Controlling Investor Group to initiate a Block Trade and the Controlling Investor Group shall use its best efforts to conduct a Block Trade in accordance with this Clause 23, provided that such Eligible Investor Group shall only be entitled to exercise this right once in each Block Trade Period. For the avoidance of doubt, if no Block Trade is able to be undertaken in any relevant Block Trade Period, the Controlling Investor Group shall have no obligation under this Clause 23.4 to conduct such a Block Trade in that relevant Block Trade Period.

23.5 Not less than seven Business Days prior to the anticipated launch of a Block Trade, the Controlling Investor Group shall notify each Eligible Investor Group in writing of the proposed timing, structure and aggregate number of Shareholder Instruments to be Transferred, including an indicative price range for the Shareholder Instruments to be Transferred (***Block Trade Notification***). No later than seven Business Days from the date of the Block Trade Notification, each Eligible Investor Group shall notify the Controlling Investor Group in writing whether it elects to participate in the Block Trade by delivering a written notice to the Controlling Investor Group (a ***Block Trade Participation Notice***). Each Investor Group that holds an aggregate Equity Proportion of 12.5 per cent or more shall also have the right to propose an indicative price range for the Shareholder Instruments to be Transferred (the ***12.5 per cent Investor Group Price Range***) in the Block Trade Participation Notice. Failure to deliver a Block Trade Participation Notice by such date shall be deemed an election not to participate in the relevant Block Trade. A Block Trade Participation Notice shall be irrevocable once delivered, provided that the price for such Shareholder Instruments to be Transferred as part of the Block Trade is within the range provided in the Block Trade Notification or, where provided in the Block Trade Participation Notice, the 12.5 per cent Investor Group Price Range.

23.6 If the number of Shareholder Instruments that are proposed to comprise a Block Trade exceeds demand for those Shareholder Instruments, Block Trade Allocations shall be scaled back on a pro rata basis among the participating Eligible Investor Groups.

23.7 Subject to Clauses 23.11 and 23.12, to the extent that any Eligible Investor Group elects not to, or is unable to, participate in a Block Trade (including by reason of Clause 23.11 or it being a Restricted Trading Investor Group), the participating Eligible Investor Groups (including, if applicable, the Controlling Investor Group) may elect to apportion the non-participating Eligible Investor Groups' Block Trade Allocation(s) (or any unused portions thereof) among themselves on a pro rata basis.

23.8 The Controlling Investor Group shall determine the price (which shall not be lower than the lowest price indicated in any Block Trade Notification or, where provided in the Block Trade Participation Notice, the 12.5 per cent Investor Group Price Range, other than with the prior written consent of the Eligible Investor Group who delivered such Block Trade Participation Notice(s)), timing, volume and process of each Block Trade, including the appointment of investment bank(s) to conduct the Block Trade, provided that in the case of a Block Trade where the price is not lower than the 12.5 per cent Investor Group Price Range, subject to Clause 23.9, any BRLM Lock-up and provided that at least six months have passed since the completion of an Indian IPO, the Eligible Investor Group shall have the right to require the launch of a Block Trade by the Controlling Investor Group at the same price or better. Each participating Eligible Investor Group shall execute such documents and provide such information as the Controlling Investor Group or the appointed investment bank(s) reasonably require in connection with the Block Trade. Costs shall be borne by participating Eligible Investor Groups pro rata to their respective allocations of Shareholder Instruments Transferred in the Block Trade.

23.9 Subject to the Controlling Investor Priority Liquidity and only to the extent that each Block Trade pursuant to this Clause 23.9 shall be in accordance with Clause 23.2, nothing in this Clause 23.9 shall limit the ability of any Eligible Investor Group to Transfer its Shareholder Instruments during any 'black out period' (as the term is commonly understood, a ***Black Out Period***) applicable to another Eligible Investor Group or its Affiliates (including any period during which that Eligible Investor Group, its Affiliates or any director appointed by the foregoing holds material non-public information or unpublished price sensitive information relating to the Group as a result of which the relevant Eligible Investor Group or its Affiliates are unable to Transfer Shareholder Instruments (such Eligible Investor Group, a ***Restricted Trading Investor Group***). If the Controlling Investor Group is a Restricted Trading Investor Group then the Controlling Investor Group shall have no obligation to conduct Block Trades until such restriction has fallen away.

23.10 Where the Controlling Investor Group is a Restricted Trading Investor Group (a ***CIG Restriction***), any other Eligible Investor Group (the ***Initiating Eligible Investor Group***) may, on or after the date that is six months after the completion of an Indian IPO, launch and conduct a Block Trade in accordance with this Clause 23 (a ***Permitted Alternative Block Trade***). For this purpose:

(a) prior to launching a Permitted Alternative Block Trade, the Initiating Eligible Investor Group shall deliver written notice to the Controlling Investor Group (a ***Proposed Launch Notice***) stating its intention to exercise its rights under this Clause 23.10. The Controlling Investor Group shall, within seven Business Days of receipt of a Proposed Launch Notice, confirm in writing whether it is a Restricted Trading Investor Group and whether a Block Trade process is already underway. If the Controlling Investor Group confirms that it is a Restricted Trading Investor Group and that no Block Trade process is already underway, the Initiating Eligible Investor Group may proceed to launch a Permitted Alternative Block Trade in accordance with this Clause 23.10. If the Controlling Investor Group does not respond within such period, it shall be deemed to have confirmed that it is a Restricted Trading Investor Group and that no Block Trade process is already underway;

(b) a Permitted Alternative Block Trade must be launched and completed while the CIG Restriction remains in force. If the CIG Restriction falls away prior to completion of a Permitted Alternative Block Trade that has already been launched, the Initiating Eligible Investor Group shall promptly notify the Controlling Investor Group in writing and the Permitted Alternative Block Trade shall lapse, whereupon the Controlling Investor Group shall resume its obligations under Clause 23.1 and the Initiating Eligible Investor Group's rights under this Clause 23.10 shall cease in respect of that trade. For the avoidance of doubt, any Block Trade Notifications or Block Trade Participation Notices already delivered shall be of no effect upon such lapse;

(c) references in Clauses 23.3, 23.5 and 23.8 to the Controlling Investor Group shall be read as references to the Initiating Eligible Investor Group, including for the purpose of determining whether market conditions are favourable; and

(d) the Initiating Eligible Investor Group shall offer each other Eligible Investor Group the right to participate in the Block Trade on a pro rata basis in accordance with Clause 23.2.

23.11 The aggregate number of Shareholder Instruments that any Eligible Investor Group may Transfer pursuant to a Block Trade under this Clause 23 shall not exceed that Eligible Investor Group's pro rata share of six per cent (or such other amount agreed by the Controlling Investor Group and each other Eligible Investor Group at the beginning of the relevant Block Trade Period) of the total Shareholder Instruments then in issue during any Block Trade Period, calculated by reference to its aggregate Equity Proportion relative to all Eligible Investor Groups prior to such Transfer, and Clause 23.7 shall not apply to increase such limit.

23.12 If a Restricted Trading Investor Group is unable to participate in a Block Trade as a result of a Black Out Period, once it is no longer in a Black Out Period and is able to Transfer Shareholder Instruments in accordance with Law, it shall be permitted during the relevant Block Trade Period to Transfer some or all of the Shareholder Instruments that comprise its relevant Block Trade Allocation. For the avoidance of doubt, no Restricted Trading Investor Group shall be permitted to roll over its Block Trade Allocation in accordance with this Clause 23 into the subsequent rolling Block Trade Period and its right to Transfer its Block Trade Allocation relating to the Block Trade Period during which such Restricted Trading Investor Group was subject to the Black Out Period shall lapse upon the expiry of the relevant Block Trade Period.

23.13 The restrictions in this Clause 23 (*Block Trades*) shall cease to apply and Investors may Transfer Shareholder Instruments subject to Law and in accordance with the other provisions of this Agreement in the following scenarios:

(a) on expiry of the Restricted Period; or

(b) in respect of an Investor, on the date on which such Investor's aggregate Equity Proportion falls to 50 per cent or less of such Investor's aggregate Equity Proportion as at the date of the completion of the Indian IPO.

For the avoidance of doubt, any Relevant Priority Shares that have been sold or are subject to a binding agreement for sale shall be treated as no longer held by the Controlling Investor Group for the purposes of calculating its aggregate Equity Proportion under this Clause 23.13(b).

23.14 No Eligible Investor Group (other than the Controlling Investor Group) shall (i) directly or indirectly, solicit any third-party indication of interest in respect of a potential Block Trade process or (ii) initiate a Block Trade process in any Block Trade Period, if a Block Trade process has already been initiated under this Clause 23 and has concluded or has been initiated but has not yet concluded or lapsed. For the avoidance of doubt, nothing in this Clause 23 shall prevent any Eligible Investor Group from receiving an unsolicited indication of interest from a third party in respect of the acquisition of Shareholder Instruments.

24. Mandatory Consents for Transfers and new issues

24.1 If a Transfer, grant or issue of Shareholder Instruments to any person (the ***Acquiror***) is permitted by, or required to be effected under, this Agreement but requires or is likely to require a Mandatory Consent in connection with such Transfer, grant or issue, the Investors and Topco:

(a) agree that the completion of such Transfer, grant or issue shall be conditional upon such Mandatory Consent(s) being obtained;

(b) agree that any procedure or time period to be followed under this Agreement to effect the Transfer, grant or issue shall be extended until such time as the relevant Mandatory Consents have been obtained (subject always to such Transfer, grant or issue completing prior to the longstop dates set out in Clause 21.9, Clauses 22.5 and 22.6, paragraph 3 of Schedule 1 (*Pre-emption on Issue*), paragraph 4(c) of Schedule 2 (*Emergency funding procedure*) and paragraph 12 of Schedule 6 (*Right of First Offer*) (as applicable)); and

(c) shall, at the Acquiror's expense, use all reasonable endeavours to assist the Acquiror in obtaining such Mandatory Consents including, but not limited to:

(i) providing and/or procuring that the Group Members provide, on a confidential basis, to the Acquiror (or, where appropriate, to the Acquiror's external counsel on a counsel-to-counsel basis) all information reasonably required (being consistent with the form and substance of such information which has previously been provided by such Investor in similar circumstances, or as otherwise required by Law or a Governmental Authority) and reasonably within their control which the Acquiror may reasonably request, to enable the Acquiror to determine which Mandatory Consents are required in connection with the Transfer, grant or issue; and

(b) a Material Default or an Unapproved Change of Control is likely to substantially affect and damage the commercial objectives and interests of the Non-Affected Investors;

(c) Clause 27.4 is a common provision in agreements of this nature and is reasonable and proportionate in order to secure performance of this Agreement by the Investors, deter any breach of this Agreement by the Investors and facilitate the removal of the Affected Investor from its position of control and influence over the operation and management of the Company, the Group and the Business, and thereby to protect the Non-Affected Investors' legitimate interests described in Clause 27.6(a) above; and

(d) each of the Investors is a sophisticated commercial enterprise, or other sophisticated investor (not necessarily an enterprise), which has engaged its own legal and, where required, financial advisers to advise it in relation to this Agreement.

29.6 Each of the Company and, until Collapse Closing, UK PLC shall, and shall procure that each Group Member shall, provide and afford to each Investor and its duly authorised agents within a reasonable time period (and at the expense of the person requesting it) all information, documents and assistance reasonably requested by that Investor to enable it, or any of its Affiliates:

(a) to comply with its or their own Tax obligations or facilitate the management or settlement of its or their Tax affairs (including providing any document or other information (including any document or information relating to a Group Member's compliance with its statutory Tax obligations, including relating to income tax returns, services taxes, goods and services taxes, excise payments, and any foreign investment related tax compliance) that is available and reasonably required in order to complete any Tax returns, to comply with any Tax reporting requirements or Tax audits, enquiries or investigations, and to comply with any disclosure requirements of any Governmental Authority having jurisdiction over it); and

(c) the Company and, until Collapse Closing, UK PLC, procuring at the request of a Transferor that, prior to the completion of any Transfer by a Transferor, any such valuation or other reports as may be required as a matter of applicable Law (including any Tax Reports) are prepared by a SEBI registered merchant banker or chartered accountant to the reasonable satisfaction of the Company and, until Collapse Closing, UK PLC, and the Transferor, and where applicable, that any such Tax Reports are provided to the Transferor on a reliance basis, *provided that* the Transferor shall provide such co-operation and assistance in connection with the preparation of such reports as may reasonably be requested by the Company and, until Collapse Closing, UK PLC, to be provided to it or any third party appointed to prepare such reports, and

(d) in connection with a Transfer referred to in Clause 29.6(c) above in respect of which a Transferor has requested the assistance of the Company and, until Collapse Closing, UK PLC, the Company and, until Collapse Closing, UK PLC, making any filings, submitting any returns, completing any procedural formalities and/or otherwise complying with all applicable tax compliance requirements, in each case required by applicable Law to be made, submitted, completed or complied with by it or in connection with the Transfer, in each case within the time period prescribed by applicable Law.

29.7 The Company and, until Collapse Closing, UK PLC acknowledges and agrees that it shall notify each Investor in writing in the event it becomes aware of the commencement of any Tax audit, enquiry, investigation or proceeding with respect to any Group Member which is, or which the Company or UK PLC (as applicable) considers is reasonably likely to be, material (taking into account both economic and/or reputational aspects) in the context of the Group's business (a ***Tax Proceeding***) and shall keep, and shall procure that each Group Member shall keep, each Investor informed on a timely basis of any material developments, and where requested by an Investor shall provide, and shall procure that each Group Member provides, to such Investor copies of all material written correspondence and documentation provided to or by a Tax Authority in relation to any Tax Proceeding (save to the extent that such documentation is subject to confidentiality obligations owed by a Group Member to a third party (other than another Group Member or Investor) prohibiting such disclosure to an Investor, and provided that such documentation may be redacted to remove any personal data to the extent that its disclosure would, absent such redaction, not be permitted by applicable Law).

(a) it is not aware of any requirement to include its Interest within any consolidation for accounting purposes or of any other matter relating to the holding of its Interest that would be likely to impact the application of the GloBE Rules to the Group in such a way as would increase the Group or any other Investor's liability to Pillar 2 Tax;

(b) save to the extent required by applicable Law or generally accepted accounting practice, it shall not include its Interest in any consolidation for accounting purposes or take or omit to take any other action that would be likely to impact the application of the GloBE Rules to the Group in such a way as would increase the Group or any other Investor's liability to Pillar 2 Tax; and

30.5 If any Investor or any of its Affiliates becomes aware of any facts or circumstances the result of which is that the GloBE Rules shall or are reasonably likely to apply to the Group in such a way as may increase the Group or any other Investor's liability to Pillar 2 Tax for any reason:

(a) that Investor shall promptly notify the Company and, until Collapse Closing, UK PLC and the other Investors in writing; and

(b) the Investors shall each use reasonable endeavours, and shall cooperate in good faith with the other Investors and the Company and, until Collapse Closing, UK PLC, to mitigate any adverse Pillar 2 Tax effects imposed or which may be imposed on the Company, the Group, until Collapse Closing, UK PLC and the other Investors as a result of the application of such rules (as applicable).

30.6 In Clauses 30.4 to 30.5 (inclusive), "Group" shall have the meaning given to that term in Schedule 15 (*Definitions and Interpretation*) to this Agreement.

31. Payments

31.1 All sums payable under this Agreement (including, for the avoidance of doubt in connection with a Transfer of Shareholder Instruments pursuant to Clause 18) shall be paid free and clear of all deductions and withholdings whatsoever, save only as may be required by applicable Law or expressly permitted by another provision of this Agreement. Where any deduction or withholding in respect of Tax is required by applicable Law, for the avoidance of doubt, Clauses 29.4 and 29.6 shall apply in respect of any associated tax compliance and filing requirements.

32. 30% Rule

30% Rule cooperation

32.1 Each Investor shall cooperate (including exercising its governance rights under this Agreement to cause each Group Member, their nominated directors, or directors nominated by their affiliated Appointer to cooperate) with the relevant CPPIB Entities, to the extent commercially reasonable and provided that one or more CPPIB Entities agree to reimburse the Investors in full for all reasonable out-of-pocket costs or expenses incurred by them, if any, in respect of any such cooperation, excluding, for the avoidance of doubt, the cost of acquiring any securities, to assist the CPPIB Entities to comply with the 30% Rule in relation to their investment in any Group Member and the exercise of any CPPIB Entity's rights under this Agreement. In furtherance of the foregoing, each Investor agrees to take (or omit to take) any commercially reasonable action or step reasonably requested by any CPPIB Entity (provided that one or more CPPIB Entities agree to reimburse the Investors in full for all reasonable out-of-pocket costs or expenses incurred by them, if any, in respect of any such action or step), excluding, for the avoidance of doubt, the cost of acquiring any securities including, without limitation, a change in the authorised capital of a Group Member (including the adoption of the "irrevocable waiver" structure in respect of the Company, on terms substantially similar to those appended hereto in Schedule 14 (*30% Rule Irrevocable Waiver*)) that is necessary to avoid any breach or potential breach of the 30% Rule, including in connection with any Listing, arising under this Agreement or otherwise in relation to any Group Member.

32.2 Notwithstanding anything contained in this Clause 32, no Investor shall be required to take any action or step to assist the CPPIB Entities to comply with the 30% Rule in relation to their investment in any Group Member that has, or would reasonably be likely to have, an adverse effect (other than an insignificant adverse effect) on the Group and/or on such Investor's economic, governance, or other rights under this Agreement or as a shareholder in Topco.

UK PLC Appointers

32.3 It is acknowledged and agreed that ***Appointer A*** has been designated in the UK PLC Articles as of the date of this Agreement as "Appointer A" thereunder; and

32.4 ***Appointer B*** has been designated in the UK PLC Articles as of the date of this Agreement as "Appointer B" thereunder.

32.5 Each Appointer and each Investor for so long as it is entitled to appoint a Director pursuant to paragraph 2 of Schedule 4 may, by notice in writing to UK PLC at any time, designate a replacement Appointer for itself or its Relevant Appointer (as applicable) to assume all of its Director appointment, removal and replacement rights under the UK PLC Articles and be designated as such under the UK PLC Articles, provided that:

(a) designation of any replacement Appointer shall require the prior written consent of the Investor which initially designated the Relevant Appointer or its predecessor (such Appointer's ***Relevant Appointing Investor*** and, such Investor's Investor Group, the Appointer's ***Relevant Appointing Investor Group***), which, for the avoidance of doubt, shall be: (i) CPPIB in respect of Appointer A; and (ii) Platinum in respect of Appointer B;

(b) the replacement Appointer satisfies the Appointer Criteria;

(c) the replacement Appointer must sign and deliver an Appointer Deed of Accession and execute and deliver a joinder to the Appointer Deed Relating to Shares in accordance with the terms thereof; and

(d) if a replacement Appointer, at any point in time, ceases to satisfy the Appointer Criteria, then such replacement Appointer shall immediately and automatically cease to be an Appointer, and another replacement Appointer may be designated by the Relevant Appointing Investor which satisfies the Appointer Criteria and complies with Clause 32.5(c) above.

32.6 Each Investor acknowledges and agrees that:

(a) if it and its Investor Group ceases to hold an Equity Proportion of 10 per cent or more, its Relevant Appointer shall immediately and automatically cease to be an Appointer, provided that, if at any time such Investor subsequently holds an Equity Proportion of 10 per cent or more, it may, by notice in writing to UK PLC, designate a replacement Appointer in accordance with Clause 32.5 above; and

(b) if it ceases to be entitled to designate an Appointer, its Appointer shall be deemed to have immediately notified UK PLC to request the removal of all Directors appointed by such Appointer.

32.7 Upon any Investor other than CPPIB and Platinum coming to hold an Equity Proportion of 10 per cent or more, such Investor may, by notice in writing to UK PLC, designate an Appointer, provided that the terms of Clause 32.5 shall apply *mutatis mutandis* in respect of such designation.

32.8 In the event an Appointer or an Investor gives written notice to UK PLC under Clauses 32.5 or 32.7 for designating an Appointer or replacement Appointer, or in the event that any Appointer ceases to be an Appointer, then the Investors agree to exercise all of their voting rights and powers to make such amendments as are necessary to the UK PLC Articles to reflect such change in the Relevant Appointer(s).

32.9 Each of the Investors shall vote at all shareholder meetings, sign such written resolutions, and take all other actions as a shareholder in UK PLC, including by voting or signing written resolutions in respect of its holding of Shareholder Instruments, so as to ensure that the nominees nominated for appointment by each Investor in accordance with Schedule 4 (*Board and management appointments*) are elected, removed and/or appointed and maintained in office as Directors.

32.10 The parties agree and acknowledge that the UK PLC Articles to be adopted with effect as of the date hereof in accordance with the Reorganisation Deed shall be in the form appended hereto at Schedule 13 and that the Articles of the Company to be adopted with effect as of Collapse Closing shall include the irrevocable waiver language appended hereto in Schedule 14.

32.11 In relation to UK PLC only, each of the Investors undertakes and agrees that it shall not:

(a) introduce, or exercise its voting or other rights in favour of, any resolution to appoint or remove one or more of the Directors pursuant to any provision of the UK Companies Act 2006 (the "***Act***"), including under section 168 of the Act, or pursuant to common law;

(b) introduce, or exercise its voting or other rights in favour of, any resolution to amend or modify the UK PLC Articles to the extent such amendment or modification relates to the appointment or removal of the Directors, gives any shareholder any right to appoint or remove Directors which is inconsistent with the Appointers' exclusive right to appoint or remove Directors, or to make any other change to the UK PLC Articles as a whole which would have the same or a substantially similar effect; and/or

(c) exercise any right arising as a result of the so-called "duomatic principle" under common law or any equivalent principle under any rule of law for the purpose of appointing or removing one or more Directors or to amend or modify the UK PLC Articles in the manner described in Clause 32.11(b) above.

32.12 The undertakings set out in Clause 32.11 above shall cease:

(a) automatically (if and to the extent, with respect to each Investor), if: (i) CPPIB is given written advice by its Canadian counsel that such undertaking is no longer required (or can be relaxed) in order for CPPIB to comply with the 30% Rule; (ii) CPPIB notifies the Investors and the Appointers of such advice in writing (providing a copy of the advice with such notice); and (iii) such revocation or relaxation applies in an identical manner to CPPIB and Platinum;

(b) automatically with respect to an Investor, subject to compliance by that Investor with its undertakings in this Clause 32, if that Investor ceases to hold any Shares; or

(c) automatically, if CPPIB ceases to hold directly or indirectly an economic interest in UK PLC.

33.3 The obligations under Clauses 33.1 and 33.2 do not apply to:

(b) disclosure in confidence by an Investor to any of its Representatives on a "need to know" basis where the recipient, in the reasonable opinion of the disclosing Investor, requires access to the information for a purpose reasonably incidental to that Investor's investment in Topco, provided that the Investor shall procure that its Representatives keep such information confidential on terms no less onerous than the provisions of this Clause 33 except for Clause 33.3(j);

(c) disclosure of information to the extent required by any Tax Authority, or otherwise to the extent reasonably required for the purpose of managing the Tax affairs of the relevant Investor (or any of its Affiliates);

(d) disclosure of information to the extent required by Law or by any stock exchange or Governmental Authority (other than a Tax Authority). If this Clause 33.3(d) applies, the party making the disclosure shall to the extent reasonably practicable and lawful to do so:

(i) first consult with the other parties (or, if the information only relates to one or more Investors or Investor Groups, with such Investors or Investor Groups) to give the party an opportunity to contest the disclosure;

(ii) take into account the other parties' (or, if the information only relates to one or more Investors or Investor Groups, the relevant Investors' or Investor Groups') reasonable requirements about the proposed form, timing, nature and extent of the disclosure; and

(iii) disclose only the minimum amount of Confidential Information that is required to be disclosed and use reasonable endeavours to assist the other parties (or, if applicable, the relevant Investor or members of the relevant Investor Group) in respect of any reasonable action that they may take to resist or limit such disclosure;

(e) disclosure of information related to the Group to a lender or other fund provider whose primary business is the provision of funding services (or any of their respective external consultants, agents or advisers) of an Investor, provided that before any such disclosure, the relevant Investor obtains from such bank a confidentiality undertaking in favour of Topco and each Group Member on terms no less onerous than the provisions of this Clause 33, except for Clause 33.3(k);

(f) disclosure of information which was or becomes lawfully in the possession of that Investor or any of its Representatives (in either case as evidenced by written records) without any obligation of confidentiality prior to it being received or held;

(h) disclosure required for the purposes of any arbitral or judicial proceedings arising out of this Agreement;

(i) disclosure required pursuant to the terms of this Agreement;

(j) disclosure of information to the extent reasonably required for the purposes of any internal audit conducted by or on behalf of the relevant Investor or any of its Affiliates, or any external audit of, or relating to, the relevant Investor or any of its Affiliates conducted by the relevant Investor's or any of its Affiliates' auditors, in each case, provided that before any such disclosure, the Investor shall procure that any person to whom Confidential Information is disclosed pursuant to this Clause 33.3(j) is subject to market standard confidentiality obligations for internal or external auditors;

(l) disclosure of information made in connection with an Indian IPO or any other Listing in respect of which Board approval has been obtained; or

(m) any announcement made in accordance with Clause 35 (*Announcements*).

33.4 The disclosing Investor shall be responsible for any breach of this Clause 33 by a Representative to whom it provides Confidential Information or of any breach of any confidentiality undertaking entered into pursuant to Clause 33.3 or Clause 34 (*Marketing*) by any person to whom it (or any of the Directors nominated for appointment by it or its Relevant Appointer (as applicable)) provides any Confidential Information, in either case as if the disclosing Investor were the party that had breached this Clause 33 or such confidentiality undertaking.

33.5 If required to destroy or return Confidential Information pursuant to Clause 28.5(b), the relevant Investor shall (and shall ensure that its Representatives shall) promptly:

(a) destroy, or return to the Disclosing Party (as applicable), all copies of any document that contains any Confidential Information;

33.7 Topco shall, so far as it is legally able (and shall exercise its rights with respect to each Group Member to procure so far as it is legally able that each other Group Member and its and their directors, officers, employees, consultants, agents and advisers (including auditors, investment advisers and investment managers and independent valuers) shall) observe obligations in favour of the Investors in respect of Confidential Information relating to each Investor or any member of the Investor's Investor Group equivalent to those set out in Clauses 33.1 to 33.6 except for Clause 33.3(j) and save that the reference in Clause 28.5(b) to this Agreement ceasing to apply to an Investor shall, for the purposes of this Clause 33, be read as a reference to this Agreement terminating.

33.8 Topco agrees that it shall, so far as it is legally able (and shall exercise its rights with respect to each Group Member to procure so far as it is legally able) procure that no submission, filing, notification or communication is made by or on behalf of any Group Member that:

33.10 Topco agrees that it shall, so far as it is legally able (and shall exercise its rights with respect to each Group Member to procure so far as it is legally able) first consult with any Investor Group which is named, identified or otherwise referenced in any submission, filing, notification or communication prior to such submission, filing, notification or communication.

33.11 For the purposes of this Clause 33, a person shall not be deemed to have disclosed Confidential Information to any of its Affiliates or Representatives by virtue of the fact that a director, officer or employee of any such Affiliate or Representative also serves as a director, officer or employee of a Group Member.

40.2 The parties acknowledge and agree that nothing in this Agreement (or any other Transaction Document) shall:

(b) prevent any party from complying with any Sanctions Law to which it is or becomes subject.

Warranties

40.3 Each Investor warrants to the other Investors as at the date of this Agreement that it is not, and it is not owned or controlled, directly or indirectly, by, or acting on behalf of or at the direction of, a Sanctioned Person. This warranty shall be deemed to be repeated immediately before Closing by reference to the facts and circumstances then existing as if the reference to the date of this Agreement was a reference to the Closing Date.

40.4 The Company, UK PLC and each Investor warrant as at the date of this Agreement that, in the last five years, it has not, and, so far as it is aware, none of its directors or officers or any Approved Parent, or other third parties acting on its behalf (in respect of activities done on its behalf), has done any of the following:

40.5 The Company, UK PLC and each Investor (solely with respect to their respective activities and actions related to the Business) undertake that for as long as they are a party to this Agreement, they will not, and will seek to procure that none of their directors or officers or persons that own or control them or other third parties acting on their behalf will engage in any of the conduct described in Clauses 40.4(a) to 40.4(d).

40.6 The Company, UK PLC and each Investor (solely with respect to their respective activities and actions related to the Business) warrant as at the date of this Agreement that they have in place, and undertake that they will have in place and will maintain for as long as they are parties to this Agreement, policies and procedures:

(a) designed to prevent them from violating any applicable Sanctions Law; and

(b) for internally reporting a violation or suspected violation of any applicable Sanctions Law and/or generally accepted standards of business ethics and conduct, and for ensuring that all such reports are investigated and acted upon appropriately.

Notification obligations

40.7 If Topco or an Investor becomes aware that it:

(a) has breached Sanctions Law;

(b) has received any reports or complaints alleging the same;

(c) becomes aware of any investigation or inquiry relating to the same, whether by a regulator, auditor, supplier, customer or other person; or

(d) has otherwise breached this Clause 40,

the Company, UK PLC or the Investor (as applicable) will, to the extent permitted by applicable Law, promptly notify the Company, UK PLC and the Investors in writing (save any Investor to whom the breach, allegations, investigation or inquiry relates) and will take reasonable steps to investigate, address and remedy such breach or issue. The Investors agree to take reasonable steps to cooperate with each other to conduct any related investigation or remediation.

40.8 Each Investor shall promptly notify Topco and the other Investors in writing if it, or any Director nominated for appointment by it, its Investor Group or appointed by its Relevant Appointer (as applicable), becomes a Sanctioned Person.

Sanctioned Investors

40.9 If an Investor becomes a Sanctioned Person or in the reasonable opinion of Topco there is, or would be a risk of Topco or any of the Investors being in breach of Sanctions Law were an Investor to exercise or benefit from its rights under this Agreement (in either case in relation to the relevant Investor, a ***Sanctions Event***, and the relevant Investor being the ***Sanctioned Investor***), it agrees that, for so long as the Sanctions Event persists:

(a) all of its rights pursuant to this Agreement shall be suspended and the Sanctioned Investor shall not be entitled to exercise any rights under it, including but not limited to:

(i) rights pursuant to Clauses 3 (*New Issues of Shareholder Instruments*), 5 (*Directors and management*), 8 (*Investor Reserved Matters*), 9 (*Deadlock*), 12 (*Distributions*), 20 (*Right of First Offer*), 21 (*Tag Along*), 22 (*Drag Along*), 23 (*Block Trades*), 26 (*Indian IPO and Exit*) and 27 (*Default and Trigger Events*);

(ii) the right to vote or give its consent in respect of: (A) any decision, approval or resolution relating to Topco; or (B) any other matter that would otherwise require the consent of the Sanctioned Investor, (whether or not such decision, approval, resolution or matter would constitute an Investor Reserved Matter) and, where relevant, the Sanctioned Investor and the Shareholder Instruments held by the Sanctioned Investor shall be disregarded in calculating the level of approval or the votes required in order to pass or obtain the relevant decision, approval or resolution (and the definitions in this Agreement including, but not limited to, Investor Majority Consent, Investor Super Majority Consent and Equity Proportion shall be read accordingly as excluding any Sanctioned Investor and disregarding their holding of Shareholder Instruments); and

(iii) the right to be counted in the quorum for any General Meeting (and the quorum requirements in Clauses 6.5 and 6.6 shall be adjusted as necessary so as not to require the presence of any Sanctioned Investor);

(b) it shall not exercise any voting or other rights (whether directly or through, or as, a proxy) attached to any Shareholder Instruments as a matter of Law or pursuant to the Articles;

(c) all actions and decisions taken by Topco and/or the other Investors pursuant to the terms of this Agreement and in reliance upon this Clause 40.9 which may otherwise have required the participation of any Sanctioned Investor shall be valid, and the Sanctioned Investor irrevocably waives any right to challenge the validity of any such actions or decisions;

(d) it shall irrevocably waive any right to challenge the validity of any resolution of Topco passed by the shareholders (or any action taken by Topco or the other Investors in reliance upon, or in connection with, such resolution) on grounds that the resolution disregards, or does not include, any votes of any Sanctioned Investor (whether purported to be cast or not); and

(e) it shall not Transfer any Shareholder Instruments save:

(i) where prior Investor Super Majority Consent has been obtained and Topco has obtained a Sanctions Opinion in relation to such Transfer; or

(ii) where it is a Dragged Investor Transferring Shareholder Instruments in accordance with Clause 22 (*Drag Along*) and the Dragging Shareholder(s) has obtained a Sanctions Opinion in relation to such Transfer.

40.10 Immediately upon:

(a) an Appointing Person becoming a Sanctioned Investor, any appointment and power of attorney granted by that Appointing Person to the relevant Appointed Person pursuant to Clause 38 (*Holdings by members of an Investor Group*) shall terminate (provided that, for the avoidance of doubt, any appointment and power of attorney granted to the Appointed Person by other members of the Appointing Person's Investor Group which is not itself a Sanctioned Person shall remain unaffected and continue in force); and

(b) an Appointed Person becoming a Sanctioned Investor, any appointment and power of attorney granted by any relevant Appointing Person(s) to the relevant Appointed Person pursuant to Clause 38 (*Holdings by members of an Investor Group*) shall terminate.

40.11 For the avoidance of doubt, the parties acknowledge and agree that, as a result of the operation of this Clause 40, any provision of this Agreement:

(a) that refers to any right of the Investors shall be read as referring only to Investors that are not Sanctioned Investors (and accordingly, the performance of any obligation, or the exercise of any right, in this Agreement by Topco and/or any Investor that is not a Sanctioned Investor which recognises only the rights held by Investors that are not Sanctioned Investors will be treated as the full performance of the relevant obligation, or the valid exercise of the relevant right, by those persons);

(b) that refers to the relative holdings of Shareholder Instruments or other rights as between the Investors (including but not limited to where the term Equity Proportion is used) shall be read as referring only to the relative holdings of Shareholder Instruments or other rights as between the Investors that are not Sanctioned Investors; and

(c) that obliges an Investor to exercise its rights in relation to Topco or as a holder of Shareholder Instruments so as to procure a particular action or outcome shall not apply to any Sanctioned Investor, save where it is an obligation related to the Transfer of Shareholder Instruments by a Sanctioned Investor in the circumstances described in Clause 40.10(b).

Removal of Directors

40.12 If a Director is or becomes a Sanctioned Person, the Investor Group or Relevant Appointer thereof (as applicable) that nominated that Director for appointment shall be deemed to have immediately notified:

(a) prior to Collapse Closing, UK PLC; and

(b) from Collapse Closing, the Company,

to request the removal of such Director.

40.13 If an Investor is or becomes a Sanctioned Person, that Investor (or that Investor's Investor Group or Relevant Appointer, as applicable) shall be deemed to have immediately notified:

(a) prior to Collapse Closing, UK PLC; and

(b) from Collapse Closing, the Company,

to request the removal of all Directors nominated for appointment by it pursuant to Clause 5 (*Directors and management*).

Overcoming the Sanctions Event

40.14 Following the date on which a Sanctions Event first occurs (the ***Sanctions Event Date***), the Sanctioned Investor shall, in good faith and to the extent permitted by Sanctions Law, liaise with the other Investors and Topco to find a mutually acceptable means (in their respective absolute discretions) of overcoming the Sanctions Event and enabling the Group to continue to be operated, and the Business to be conducted, in accordance with this Agreement.

40.15 If the Investors (including the Sanctioned Investor) and the Company or UK PLC (as applicable) fail to reach a mutually acceptable means (in their respective absolute discretions) of overcoming the Sanctions Event within 30 Business Days of the Sanctions Event Date, the other Investors may require the Sanctioned Investor to Transfer all of their Shareholder Instruments (the ***Suspended Shareholder Instruments***), subject to the terms of Clause 20 (*Right of First Offer*) and in accordance with Clause 40.9(e)(i):

(a) to such party or parties as they determine;

(b) by such date as they may reasonably direct; and

(c) subject to Clause 40.17, for consideration equal to their Fair Market Value as at the time of transfer.

40.16 If the payment of consideration in accordance with Clause 40.15(c) would be prohibited by any Sanctions Law, the Company or UK PLC (as applicable) shall in good faith liaise with the Sanctioned Investor to find a mutually acceptable means (in their respective absolute discretions) of paying the consideration. For the avoidance of doubt, in complying with this obligation no Investor (other than any Sanctioned Investor) shall be required to:

(a) incur any material costs;

(b) undertake any activities which would, or would be likely to, have a material adverse effect (including as to reputation) on itself, Topco or the Business; or

(c) breach any applicable Sanctions Law or contractual obligation.

40.17 If, on the tenth anniversary of the transfer of the Suspended Shareholder Instruments, a mutually acceptable means of paying the consideration has not been found, the relevant transferee(s) shall cease to have any obligation to pay any consideration (or any accrued and unpaid distributions or similarly accrued monies) to the relevant Sanctioned Investor or any other party for, or in relation to, the Suspended Shareholder Instruments.

41. Costs and interest

41.1 Except as set out in Clause 41.2 and as otherwise provided in this Agreement, each of the Investors shall be responsible for its own costs, charges and expenses (including Tax) incurred in connection with negotiating, preparing and implementing this Agreement and the transactions contemplated by it.

41.2 The costs of and incidental to:

(a) the reorganisation of the Group to implement the PLC Collapse, including the issuance to Investors of any Shareholder Instruments prior to the date that is 12 months after the Closing Date;

(b) any eventual Winding-Up; and

(c) the preparation, negotiation and implementation of this Agreement and the take-private of UK PLC (the ***Transaction***) and any other agreement, document or transactions that reasonably relates to and directly facilitates the implementation of the Transaction (including in relation to the proposed aborted transaction relating to the Company in 2025 to the extent that such preparation and negotiation reasonably relates to and facilitates the implementation of this Agreement and Transaction);

(together, the ***Transaction Costs***); and

(d) defending and settling any litigation brought or threatened by any third party against any Investor in relation to the Transaction other than any Excluded Claim Costs (the ***Litigation Costs*** and together with the Transaction Costs, the ***Reimbursable Costs***), provided that:

(i) any Litigation Costs (excluding, for the avoidance of doubt any Excluded Claim Costs) incurred by or on behalf of any member of the Founder Investor Group in relation to the Transaction (the ***Founder Litigation Costs***) shall not count towards, or be subject to, the Reimbursable Costs Cap, the Transaction Costs Cap or any pro rata allocation under this Clause 41.2, and shall be reimbursed in full in accordance with Clause 41.2(e); and

(ii) if UK PLC or the Company (as applicable) has paid, borne or reimbursed any costs, fees or expenses in respect of any litigation that is subsequently determined, admitted or agreed (whether by judgment, settlement or otherwise) to constitute, in whole or in part, an Excluded Claim Cost, the relevant Bad Act Investor Group shall, on demand, repay to UK PLC or the Company (as applicable) an amount equal to such costs, fees or expenses (or, where only part of the relevant litigation constitutes an Excluded Claim Cost, the proportion of such costs, fees or expenses reasonably attributable to that part),

shall each be borne and paid by UK PLC or the Company (as applicable), provided that:

(e) upon completion of the re-registration of UK PLC as a private company, UK PLC or the Company (as applicable) shall reimburse each member of the Consortium and each Continuing Investor that holds an aggregate Equity Proportion of 5 per cent or more as at Closing in respect of any Reimbursable Costs properly and reasonably incurred by or on behalf of such person, provided that:

(i) the aggregate amount payable by UK PLC or the Company (as applicable) in respect of:

(A) Reimbursable Costs (excluding any Founder Litigation Costs) pursuant to this Clause 41.2(e) shall not exceed USD 60,000,000 (the ***Reimbursable Costs Cap***); and

(B) Transaction Costs (for the avoidance of doubt excluding any Litigation Costs referred to in Clause 41.2(d)) pursuant to this Clause 41.2(e) shall not exceed USD 40,000,000 (the ***Transaction Costs Cap***);

(ii) the amount reimbursed to any Investor (including, for the avoidance of doubt, the Founder Investor Group but excluding any Founder Litigation Costs) pursuant to this Clause 41.2(e) shall not exceed the lower of: (A) the amount of Reimbursable Costs (excluding any Founder Litigation Costs) properly and reasonably incurred by or on behalf of such Investor; and (B) such Investor's pro rata share of the Reimbursable Costs Cap, calculated by reference to its Equity Proportion as at the Closing Date, provided that (x) the amount reimbursed to any Investor in respect of Transaction Costs (for the avoidance of doubt, excluding any Litigation Costs referred to in Clause 41.2(d)) shall not in any event exceed such Investor's pro rata share of the Transaction Costs Cap, calculated by reference to its Equity Proportion as at the Closing Date; and (y) the Founder Investor Group shall be reimbursed in full for all Founder Litigation Costs properly and reasonably incurred by or on behalf of it, without regard to the Reimbursable Costs Cap, the Transaction Costs Cap or any pro rata allocation under this Clause 41.2(e); and

(iii) to the extent that the Reimbursable Costs properly and reasonably incurred by or on behalf of any Investor are less than such Investor's pro rata share of the Reimbursable Costs Cap (or, as the context requires, the Transaction Costs Cap) as determined pursuant to Clause 41.2(e)(ii), the resulting unused portion of such Investor's pro rata share of the Reimbursable Costs Cap or the Transaction Costs Cap (as applicable) shall not be reallocated, applied or otherwise made available to increase the amount reimbursable to any other Investor, save that nothing in this Clause 41.2(e)(iii) shall restrict or limit the reimbursement in full of Founder Litigation Costs pursuant to Clause 41.2(e)(ii).

41.3 Notwithstanding anything to the contrary in this Agreement, if:

(a) any deduction or withholding in respect of Tax is required by Law from any reimbursement payment required to be made by UK PLC or the Company (as applicable) pursuant to Clause 41.2, UK PLC or the Company (as applicable) shall pay the payee such additional amount as will, after such deduction or withholding has been made, leave the payee with the same amount as it would have been entitled to receive in the absence of any such requirement to make a deduction or withholding; and

(b) UK PLC or the Company (as applicable) is required to account to a Tax Authority for VAT under a reverse charge mechanism in respect of any reimbursement payment required to be made by UK PLC or the Company (as applicable) pursuant to Clause 41.2, the amount of the reimbursement payment shall not be reduced to take account of such VAT, and UK PLC or the Company (as applicable) shall bear any cost of such VAT.

41.4 All payments between the parties under this Agreement shall be in US dollars, unless otherwise provided for in this Agreement. Payments under this Clause 41 shall be in immediately available funds by electronic transfer on the due date for payment. Receipt of the amount due shall be an effective discharge of the relevant payment obligation.

41.5 If any party fails to pay any amount due and payable by it under this Agreement or under any arbitral award in connection with this Agreement, such party shall pay the party to whom the sum was due interest on any overdue amount at the higher of:

(a) the Default Rate on the due date for payment; and

(b) the rate (if any) fixed or payable under any arbitral award in connection with this Agreement,

with such amount accruing daily from (and including) the due date for payment up to (and including) the actual date of payment and compounding at quarterly intervals.

41.6 For the purposes of calculating the amount of any payment under this Agreement, any amounts which are to be included in any such calculation which are expressed in a currency other than US dollars shall be converted into US dollars at the Exchange Rate as at the Closing Date or the date on which the relevant payment is due.

42. Whole agreement

42.1 This Agreement and the Transaction Documents together set out the whole agreement between the parties in respect of Topco and the Business and supersede any previous draft, agreement, arrangement or understanding between them, whether in writing or not, relating to it. In particular it is agreed that:

(a) no party has relied on or shall have any claim or remedy arising under or in connection with any statement, representation, warranty or undertaking, made by or on behalf of any other party (or any of its Representatives) in relation to Topco and the Business that is not expressly set out in this Agreement or any other Transaction Document;

(b) any terms or conditions implied by Law in any jurisdiction in relation to Topco and the Business are excluded to the fullest extent permitted by Law or, if incapable of exclusion, any rights or remedies in relation to them are irrevocably waived;

(c) the only right or remedy of a party in relation to any provision of this Agreement or any other Transaction Document shall be for breach of this Agreement or the relevant Transaction Document; and

(d) except for any liability in respect of a breach of this Agreement or any other Transaction Document, no party (nor any of its Representatives) shall owe any duty of care or have any liability in tort or otherwise to any other party (or its respective Representatives) in relation to Topco and the Business.

42.2 Nothing in Clause 42.1 shall limit any liability for (or remedy in respect of) fraud or fraudulent misrepresentation.

42.3 Each party agrees to the terms of this Clause 42 on its own behalf and as agent for each of its Representatives.

43. Legal Relationship

43.1 Nothing in this Agreement (or any of the arrangements contemplated by it) is or shall be deemed to constitute a partnership (or association of persons or joint ventures) between the Investors nor, except as may be expressly set out in it, shall any party be constituted as the agent of the other for any purpose.

43.2 Except as expressly set out in this Agreement, no party is the agent, employee or representative of any other party, and no party has the power to incur any obligations on behalf of, or pledge the credit of, any other party.

44. Assignment

No party may assign, transfer, charge or otherwise deal with any of its rights or obligations under this Agreement nor grant, declare, create or dispose of any right or interest in it, in whole or in part, unless otherwise stated in this Agreement. Any purported assignment in contravention of this Clause 44 shall be void.

45. Variations

45.1 No variation of this Agreement shall be valid unless it is in writing and duly executed by or on behalf of:

(a) Topco and the Controlling Investor Group, subject to first having obtained Investor Super Majority Consent and the consent of any Investor Group which, as at Closing, holds an aggregate Equity Proportion of 5 per cent or more; or

(b) to the extent such variations are immaterial and purely administrative or technical in nature, Topco and the Controlling Investor Group, subject to first having obtained Investor Majority Consent,

except that (i) a variation of any provision of this Agreement which only affects the respective rights and obligations of the Investors as between themselves does not need Topco's agreement; and (ii) if any variation adversely impacts the Founder Group, then the prior written consent of the Founder to such amendment shall be required (if not already provided pursuant to Clause 45.1(a) or (b) above).

45.2 If this Agreement is varied:

(a) the variation shall not constitute a general waiver of any provisions of this Agreement;

(b) the variation shall not affect any rights, obligations or liabilities under this Agreement that have already accrued up to the date of variation; and

(c) the rights and obligations of the parties under this Agreement shall remain in full force and effect, except as, and only to the extent that, they are so varied.

46. Invalid terms

46.1 Each of the provisions of this Agreement is severable.

46.2 If and to the extent that any provision of this Agreement:

(a) is held to be, or becomes, invalid or unenforceable under the Law of any jurisdiction; but

(b) would be valid, binding and enforceable if some part of the provision were deleted or amended,

then the provision shall apply with the minimum modifications necessary to make it valid, binding and enforceable. All other provisions of this Agreement shall remain in force.

46.3 The parties shall negotiate in good faith to amend or replace any invalid, void or unenforceable provision with a valid, binding and enforceable substitute provision or provisions, so that, after the amendment or replacement, the commercial effect of the Agreement is as close as possible to the effect it would have had if the relevant provision had not been invalid, void or unenforceable.

47. Enforceability, rights and remedies

47.1 Any waiver of, or election whether or not to enforce, any right or remedy provided under or pursuant to this Agreement or by Law must be in writing, and no waiver or election shall be inferred from a party's conduct. Any such waiver shall not be, or be deemed to be, a waiver of any subsequent breach or default.

47.2 Except as expressly provided in this Agreement, no failure or delay by any party in exercising any right or remedy relating to this Agreement or by Law shall impair such right or remedy or operate or be construed as a waiver or variation of it or be treated as an election not to exercise such right or remedy or preclude its exercise at any subsequent time. No single or partial exercise of any such right or remedy shall preclude any other or further exercise of it or the exercise of any other right or remedy.

47.3 A party that waives a right or remedy provided under this Agreement or by Law in relation to one party, or takes or fails to take any action against that party, does not affect its rights in relation to any other party.

47.4 The rights and remedies of each of the parties under or pursuant to this Agreement are cumulative, may be exercised as often as such party considers appropriate and are in addition to its rights and remedies under Law.

47.5 The Representatives specified in Clause 42 (*Whole agreement*) shall have the right to enforce the relevant terms of that Clause by reason of the Contracts (Rights of Third Parties) Act 1999. This right is subject to:

(a) the rights of the parties to amend or vary this Agreement without the consent of any Representative; and

(b) the other terms and conditions of this Agreement.

47.6 Save as set out in Clause 47.5, a person who is not a party to this Agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 or any other statutory provision to enforce any of its terms.

47.7 Unless expressly provided otherwise in this Agreement, the liability of each of the parties under this Agreement shall be several and not joint and several, save where there is more than one party in an Investor Group, in which case the liability of the parties from that Investor Group shall be joint and several.

48. Further assurances

General

48.1 So far as it is legally able, each Investor, acknowledging its commitment to the success of the joint venture and the Business as a whole, shall procure that:

(a) its rights as a holder of Shareholder Instruments; and

(b) the rights of the Directors nominated by it or its Relevant Appointer (subject to Law and the Directors' duties and obligations thereunder),

are exercised in a manner, and that it and they shall act, so as to ensure that: (i) the provisions of this Agreement (and any other Transaction Documents) are completely and punctually fulfilled, observed and performed by it or its Investor Group; and (ii) the Directors nominated by it or its Relevant Appointer do not act inconsistently with this Agreement (and any other Transaction Documents).

Support undertakings

48.2 Subject to any written consent(s) required under this Agreement having been obtained and any Requisite Approval having been granted in accordance with Clause 8 (*Investor Reserved Matters*), so far as they are legally able, Topco shall (and each Investor shall, so far as it is legally able, exercise its voting rights and powers (direct or indirect) as a shareholder of Topco and its rights under this Agreement to ensure that Topco shall) exercise its rights with respect to each Group Member, to procure the passing of all necessary resolutions or approvals required to give effect to the provisions of this Agreement, including, for the avoidance of doubt: (i) the issue or grant of Shareholder Instruments in accordance with Clause 3 (*New Issues of Shareholder Instruments*); (ii) facilitating the procedure set out in Schedule 2 (*Emergency funding procedure*); (iii) the carrying out of any action or decision in respect of which Requisite Approval has been granted; (iv) the election of Directors nominated pursuant to Clause 5 (*Directors and management*); and (v) any distribution by Topco made in accordance with Clause 12 (*Distributions*).

Anti-circumvention

48.3 Each Investor shall not, and shall procure that the other members of its Investor Group shall not, employ any device or technique or participate in any transaction designed to directly or indirectly circumvent, avoid, evade or otherwise frustrate the intent, purpose or application of any provision of this Agreement, including, for the avoidance of doubt, Clauses 18 (*Restrictions on Transfer*), 19 (*Provisions applying to all Transfers*), 20 (*Right of First Offer*), 21 (*Tag Along*), 22 (*Drag Along*) or 23 (*Block Trades*), or any of the Schedules referred to therein, and each of the Investors shall, so far as it is legally able, exercise their rights in relation to their Investor Group to procure that all members of their Investor Group comply with the terms of this Agreement that are applicable to them.

Controller obligations

48.4 Each Approved Parent that is a party to this Agreement shall ensure that the members of its Investor Group perform its respective obligations under this Agreement. The liability of an Approved Parent under this Clause 48.4 shall not be discharged, or impaired by any amendment to or variation of this Agreement, any release of or granting of time or other indulgence to any member of its Investor Group or any third party or any other act, event or omission which but for this Clause 48.4 would operate to impair or discharge the liability of such Approved Parent under this Clause 48.4.

48.5 Where any obligation in this Agreement is expressed to be undertaken or assumed by any party, that obligation is to be construed as requiring the party concerned to exercise all rights and powers of control over the affairs of any other person which it is able to exercise (whether directly or indirectly) in order to secure performance of the obligation.

Compliance with Articles and UK PLC Articles

48.6 Subject to Clause 48.7, each of the parties agrees that it shall comply with, and fully and punctually perform any obligations to which it is subject under, the Articles and the UK PLC Articles. Topco shall, so far as it is legally able, procure that (and each of the Investors shall, so far as it is legally able, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in Topco or under this Agreement to ensure that) each other Group Member shall comply with, and fully and punctually perform any obligations to which it is subject under such Group Member's constitutional documents.

48.7 If this Agreement conflicts with the Articles, the UK PLC Articles or the constitutional documents of any other Group Member, this Agreement shall, to the extent permitted by Law, prevail as between the parties to the extent of the inconsistency, other than in respect of any right to appoint or remove a Director, in which case the UK PLC Articles (until Collapse Closing) or the Articles (following Collapse Closing) shall prevail to the extent of the inconsistency. Topco shall, so far as it is legally able, procure that (and each of the Investors shall, so far as it is legally able, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in Topco or under this Agreement to ensure that) the Articles, the UK PLC Articles and the constitutional documents of any other Group Member are, where necessary, amended to give effect to the provisions of this Agreement (including by adopting an amended form of Articles and/or UK PLC Articles to reflect any amendments to this Agreement).

Topco obligations

48.8 Topco shall, so far as it is legally able, exercise its rights with respect to each Group Member to procure that (and, unless the Investors agree otherwise in writing, each of the Investors shall, so far as it is legally able, exercise all voting rights and powers (direct or indirect) available to it as a shareholder in Topco or under this Agreement to ensure that) each Group Member conducts its businesses:

(a) subject to the restrictions and approval rights with respect to Investor Reserved Matters, as if the provisions of Clause 8 (*Investor Reserved Matters*) apply directly to it; and

(b) subject to Clause 48.7, otherwise in accordance with the constitutional documents of that entity as adopted or amended from time to time in accordance with this Agreement.

48.9 Neither the Company nor UK PLC is bound by any provision of this Agreement to the extent that it constitutes an unlawful fetter on any of its statutory powers. This shall not affect the validity of the relevant provision as between the other parties to this Agreement.

Successors

48.10 The parties agree that if the Company undergoes any process of reconstruction or amalgamation other than in respect of an Indian IPO (whether or not involving the liquidation of the Company), to the extent such party continues to be a shareholder in relation to such reconstructed or amalgamated entity, each of the parties' rights and obligations pursuant to this Agreement in relation to the Company shall constitute rights and obligations in relation to such reconstructed or amalgamated entity.

49. Counterparts[1]

This Agreement may be executed in any number of counterparts, and by each party on separate counterparts. Each counterpart is an original, but all counterparts shall together constitute one and the same instrument. Delivery of a counterpart by email attachment shall be an effective mode of delivery.

50. Governing law

This Agreement and any non-contractual obligations arising out of, or in connection with, it shall be governed by, and interpreted in accordance with, English Law.

51. Dispute Resolution

LCIA Arbitration

51.1 Subject to Clause 26.21 any Disputes arising out of or in connection with this Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration administered under the LCIA Rules, which Rules are deemed to be incorporated by reference to this Clause 51.

51.2 The seat of arbitration shall be London.

51.3 The arbitral proceedings shall be conducted in English.

51.4 The tribunal shall consist of three arbitrators (the ***Tribunal***). The parties to the Dispute shall each be entitled to nominate one arbitrator, provided that where there are multiple claimants or multiple respondents, the multiple claimants jointly and the multiple respondents jointly shall nominate a single arbitrator. The third arbitrator, who shall be the presiding arbitrator on the Tribunal, shall be nominated by agreement of the two party-nominated arbitrators or, if they fail to agree on a nomination within 30 calendar days of the nomination date of the second arbitrator, the third arbitrator shall be selected and appointed by the LCIA Court.

51.5 Subject to Clause 51.6 below, the parties to the Dispute shall equally share the costs of the arbitration (including the Tribunal's fees and expenses, the LCIA Court's administrative fees and expenses, the costs of expert advice and of other assistance required by the Tribunal, and the cost of any hearing venue), but shall bear the costs and expenses of their own legal counsel and any respective party-appointed expert(s) engaged for the purposes of the arbitration.

51.6 The parties agree that the Tribunal shall have the power to allocate the costs of the arbitration between the parties to the Dispute. The Tribunal shall also have the power to order that all or part of a party's reasonable legal or other costs (including reasonable fees and expenses of legal counsel engaged by the parties for the purposes of the arbitration) be paid by another party to the Dispute.

51.7 The Tribunal shall have the power to award interest up to the date of the payment of the award.

51.8 Nothing in this Clause 51 shall prevent any party from seeking interim relief from any competent court in support of the arbitration proceedings at any time, whether before or after the constitution of the Tribunal.

1 **Note:** If a large number of shareholders choose to roll, we would suggest including a manager's representation construct where the Company (acting through its board or management) makes a set of representations to the Investors in respect of the business, financial condition and affairs of the Group.

Schedule 1

Pre-emption on Issue

Pre-emption procedure

1. Subject to Clause 27.4(b), if a Group Member proposes to issue or grant New Shareholder Instruments in accordance with Clause 3 (*New Issues of Shareholder Instruments*), save where Clause 3.3 applies, the Investors shall, so far as they are legally able, exercise their rights as holders of Shareholder Instruments, and Topco shall, so far as it is legally able, exercise its rights with respect to each Group Member, so as to procure that:

   (a) the New Shareholder Instruments shall be offered for subscription in cash and on the same terms to each Investor and each Award Holder (each a ***Pre-emption Participant***), with each Pre-emption Participant being offered its Pre-emption Proportion (or as nearly as may be) in each case (as at the close of business on the day which is two Business Days prior to such offer) on the basis that each Pre-emption Participant may take up (or nominate any Permitted Affiliate Transferee to take up) all, or part or none of the New Shareholder Instruments offered to it (and if a Pre-emption Participant so nominates a Permitted Affiliate Transferee, references in this Schedule 1 (*Pre-emption on Issue*) to Shareholder Instruments being issued or granted to that Pre-emption Participant shall be construed accordingly);

   (b) subject to the aggregate subscription price per New Shareholder Instrument (the ***Subscription Price***) having been determined in accordance with paragraph 4 of this Schedule 1 (*Pre-emption on Issue*) below, each offer shall be made by written notice from the relevant Group Member (the ***Issue Notice***) specifying:

      (i) the number of New Shareholder Instruments to which the relevant Pre-emption Participant is entitled (such Pre-emption Participant's ***Issue Entitlement***);

      (ii) the Subscription Price (established in accordance with paragraph 4 of this Schedule 1 (*Pre-emption on Issue*) below);

      (iii) any other material terms of issue; and

      (iv) the time (being not less than 20 Business Days from the date of the Issue Notice) within which the offer (if not irrevocably accepted in writing) will be deemed to have been declined (the ***Pre-emption Period***);

   (c) each Pre-emption Participant who irrevocably accepts the offer (in respect of all or some of the New Shareholder Instruments offered to it) in accordance with paragraph 1(b) of this Schedule 1 (*Pre-emption on Issue*) shall, in addition to such acceptance, confirm either:

      (i) that it would irrevocably accept, on the same terms, New Shareholder Instruments (specifying a maximum number) that are not accepted by other Pre-emption Participants (***Excess New Shareholder Instruments***); or

      (ii) that it would not accept any Excess New Shareholder Instruments,

      (and, if a Pre-emption Participant who accepts the offer fails to give a confirmation in the terms of paragraph 1(c)(i) or (ii) of this Schedule 1 (*Pre-emption on Issue*), it shall be deemed to have made a confirmation in the terms of (ii) of this Schedule 1 (*Pre-emption on Issue*));

(d) any Pre-emption Participant who does not accept the offer within the Pre-emption Period shall be deemed to have irrevocably declined the offer in full;

(e) Excess New Shareholder Instruments (if any) shall be allocated to each Pre-emption Participant who has indicated that it shall accept Excess New Shareholder Instruments, pro rata to the Pre-emption Proportions of all those Pre-emption Participants who have indicated that they would accept Excess New Shareholder Instruments (provided that no Pre-emption Participant shall be allocated more than the maximum number of Excess New Shareholder Instruments that it has indicated it is willing to accept);

(f) if, after the first allocation of Excess New Shareholder Instruments, there remain Excess New Shareholder Instruments which have not been allocated and one or more Pre-emption Participants have indicated in their response to the Issue Notice that they would accept more Excess New Shareholder Instruments than they have been allocated (the ***Remaining Pre-emption Participants***), the remaining Excess New Shareholder Instruments shall be allocated to the Remaining Pre-emption Participants pro rata to the Pre-emption Proportions (or as nearly as may be) of the Remaining Pre-emption Participants, and Excess New Shareholder Instruments shall continue to be allocated on this basis until either: (A) all Excess New Shareholder Instruments are allocated; or (B) all requests for Excess New Shareholder Instruments have been satisfied (provided, in each case, that no Pre-emption Participant shall be allocated more than the maximum number of Excess New Shareholder Instruments that it has indicated it is willing to accept); and

(g) where any allocation of New Shareholder Instruments pursuant to this Schedule 1 (*Pre-emption on Issue*) would result in a fractional allotment of New Shareholder Instruments, the board of the relevant Group Member may, in its absolute discretion, round up or down such fractional allotments so that the offers or allotments of New Shareholder Instruments by the relevant Group Member are of whole numbers of New Shareholder Instruments (totalling the number of New Shareholder Instruments for which the Requisite Approval for the issue or grant thereof has been obtained).

Issue of New Shareholder Instruments

2. Subject to paragraph 3 of this Schedule 1 (*Pre-emption on Issue*) below, promptly after completion of the allocation process pursuant to this Schedule 1 (*Pre-emption on Issue*), the relevant Group Member shall, upon receipt of the aggregate Subscription Price for the New Shareholder Instruments, allot and issue (credited as fully paid) or grant (as applicable) the New Shareholder Instruments, enter the relevant allottees in the relevant register and complete and despatch to the relevant allottee(s) certificates for the New Shareholder Instruments.

Mandatory Consents

3. If any Mandatory Consents are required for the issue or grant of New Shareholder Instruments to any person in accordance with this Schedule 1 (*Pre-emption on Issue*) (***Restricted Shareholder Instruments***), such issue or grant shall complete within 10 Business Days of the Mandatory Consents being obtained, but if the issue or grant has not completed on or prior to the date which is six months from the end of the Pre-emption Period (or such extended period as may be agreed in writing between that Pre-emption Participant and Topco) (such date being, in each case, the ***Issue Longstop Date***), then:

   (a) the Issue Notice served in respect of the New Shareholder Instruments shall lapse and cease to be effective to the extent it relates to the Restricted Shareholder Instruments and, as soon as reasonably practicable after the Issue Longstop Date, the Restricted Shareholder Instruments shall be offered for subscription to each Pre-emption Participant who had originally accepted the offer to subscribe for the New Shareholder Instruments and paragraphs 1 to 3 of this Schedule 1 (*Pre-emption on Issue*) shall apply mutatis mutandis to such offer of Restricted Shareholder Instruments (save that the Pre-emption Participant who failed to obtain the requisite Mandatory Consent for the issue or grant of New Shareholder Instruments prior to the Issue Longstop Date shall be excluded from such offer); and

   (b) if the issue or grant of the Restricted Shareholder Instruments is then not completed by the date one month from the end of the Pre-emption Period applicable to such issue or grant, the Issue Notice served in respect of the Restricted Shareholder Instruments pursuant to paragraph 3(a) of this Schedule 1 (*Pre-emption on Issue*) shall lapse and cease to be effective.

Subscription Price

4. The Subscription Price in respect of any allocation of New Shareholder Instruments pursuant to this Schedule 1 (*Pre-emption on Issue*) shall be their Fair Market Value as at the date of the Issue Notice, provided that the Subscription Price shall never be less than is required by applicable Law and shall be adjusted upwards if required in order to ensure compliance with applicable Law.

Schedule 2
Emergency funding procedure

Emergency funding requirements

1. For the purposes of this Schedule 2 (*Emergency Funding procedure*), an Emergency Funding Situation means:

1.1 in the reasonable opinion of the Board, any of the following occurs or is reasonably likely to occur in respect of any Group Member:

(a) it is, or is deemed for the purposes of any Law to be, unable to pay its debts or insolvent;

(b) it admits its inability to pay its debts as they fall due;

(c) the value of its assets is less than its liabilities (taking into account contingent and prospective liabilities);

(d) it suspends making payments on any of its debts or announces an intention to do so; or

(e) a moratorium is declared in respect of any of its indebtedness; or

1.2 any corporate action, legal proceeding or other procedure or step is taken or proposed to be taken in relation to or with a view to the suspension of payments, a moratorium of any indebtedness, winding-up, dissolution, administration or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise) of any Group Member or any analogous procedure or step is threatened or taken in any jurisdiction, provided that the foregoing shall not apply to any such procedure that, in the reasonable opinion of the Board, is frivolous or vexatious or likely to be discharged, stayed or dismissed,

provided that a refinancing or proposed refinancing of indebtedness incurred under any Finance Agreement shall not constitute an Emergency Funding Situation.

2. If the Board, acting in good faith, considers that there is a material risk of an Emergency Funding Situation arising, the Board shall promptly notify the Investors in writing of the circumstances giving rise to, or which threaten to give rise to, the Emergency Funding Situation (such notice being an ***Emergency Funding Notice***), and together with such notice or as soon as practicable thereafter, details of any proposed fundraising from Investors in the form of an issue or grant of Shareholder Instruments.

3. If the Board serves an Emergency Funding Notice on the Investors in accordance with paragraph 2 of this Schedule 2 (*Emergency Funding procedure*), the Board may (acting in good faith and in the best interests of Topco) resolve to issue or grant New Shareholder Instruments otherwise than in accordance with the procedure set out in Schedule 1 (*Pre-emption on Issue*) provided that in the reasonable opinion of the Board, acting in good faith and in the best interests of Topco, further financing is required to avoid, mitigate or remedy an Emergency Funding Situation.

Procedure

4. If the Board resolves that an event is an Emergency Funding Situation pursuant to paragraph 1 of this Schedule 2 (*Emergency Funding procedure*) above:

   (a) the Board may resolve to issue or grant only such number of New Shareholder Instruments as would, in the Board's reasonable opinion, cure or avoid the relevant Emergency Funding Situation (***Emergency Funding Issue***);

   (b) the New Shareholder Instruments issued or granted shall be Shares, unless otherwise approved by the Board, in which case the parties shall (prior to the issue or grant taking effect) negotiate in good faith any amendments to this Agreement that are reasonably necessary to reflect the Shareholder Instruments to be issued or granted and use their respective reasonable endeavours to enter into an amended form of this Agreement reflecting such amendments;

   (c) the Investors shall first be offered an opportunity to subscribe (or to nominate a Permitted Affiliate Transferee to subscribe in its place), on the same terms, *pro rata* to their respective Pre-emption Proportions, for all or some of such New Shareholder Instruments in accordance with the procedure set out in Schedule 1 (*Pre-emption on Issue*), save that, for the purposes of this paragraph 4 of this Schedule 2 (*Emergency Funding procedure*) the Pre-emption Period may be reduced to such shorter period as the Board may resolve, in which case the other provisions in Schedule 1 (*Pre-emption on Issue*) shall apply *mutatis mutandis*; and

   (d) the pricing of an Emergency Funding Issue shall be agreed by the Board, based on advice received by an appropriately qualified independent financial adviser and shall be in compliance with applicable Law.

Catch-up Option

5. Subject to paragraph 6 of this Schedule 2, if any Investor:

   (a) elects not to participate in an Emergency Funding Issue; or

   (b) elects to participate in an Emergency Funding Issue but does not elect to subscribe for its entire Issue Entitlement,

   (each, a ***Catch-up Investor***) then, within 20 Business Days of completion of such Emergency Funding Issue, each Catch-up Investor may elect, by notice to Topco and each other Investor, to purchase (without regard to any pre-emption rights or rights of first offer, including as set out in Schedule 6 (*Right of First Offer*), or nominate a Permitted Affiliate Transferee to purchase in its place, from Investors who participated in the Emergency Funding Issue (***Participating Investors***) such number of New Shareholder Instruments, up to a maximum amount of its Issue Entitlement, that would, if exercised in full by each Catch-up Investor (together with its nominated Permitted Affiliate Transferee, if applicable), result in each Participating Investor and each Catch-up Investor holding the same Pre-emption Proportion it held immediately prior to the Emergency Funding Issue (the ***Catch-up Option***).

6. If a Catch-up Investor elects to exercise a Catch-up Option pursuant to paragraph 5 above, the relevant Participating Investor(s) and Catch-up Investor (together with its nominated Permitted Affiliate Transferee, if applicable) and (if applicable) Topco shall complete the purchase (or, where determined by the majority of the Directors, additional issuance) of the New Shareholder Instruments which are subject to the Catch-up Option (in the same form as those New Shareholder Instruments issued to Participating Investors pursuant to the relevant Emergency Funding Issue), in consideration for the payment of the Catch-up Option Price by such electing Catch-up Investor, as soon as reasonably practicable following such election and, in any event, by no later than 90 days after the relevant Emergency Funding Issue, provided that such 90-day deadline shall only apply where the Catch-Up Investor is solely responsible for any delay in completing the purchase of the New Shareholder Instruments, failing which the Catch-up Option shall lapse.

7. For the purposes of this Schedule 2, and subject to compliance with applicable Law, the ***Catch-up Option Price*** shall be the aggregate of:

   (a) the price per New Shareholder Instrument paid in respect of the Emergency Funding Issue by each Participating Investor (as determined in accordance with paragraph 4(d) above) multiplied by the number of New Shareholder Instruments to be purchased by (or issued or granted to) the Catch-up Investors pursuant to paragraph 6; and

   (b) a catch-up payment equal to 15 per cent per annum calculated on the basis of a daily rate of the aggregate price of the New Shareholder Instruments to be purchased by (or issued or granted to) the Catch-up Investors calculated in accordance with paragraph 7(a)) above.

8. The Investors agree that from the date of the Emergency Funding Issue until the later of:

   (a) the date falling 20 Business Days after the Emergency Funding Issue; and

   (b) where any Investor elects to exercise a Catch-up Option pursuant to paragraph 5 above in relation to such Emergency Funding Issue, the date that all purchases of New Shareholder Instruments which are subject to such Catch-up Option(s) have completed or lapsed in accordance with paragraph 6,

   (the ***Emergency Funding Period***), the Investors shall be considered to hold such number of Shareholder Instruments that they held immediately prior to the Emergency Funding Issue for the purposes of this Agreement.

9. Other than as provided in this Schedule 2, the Investors agree that no new Shareholder Instruments may be issued or granted pursuant to this Schedule 2 during an Emergency Funding Period.

10. Clause 29 (*Tax matters*) shall apply in respect of the exercise of the Catch-up Option.

Schedule 3

5. Schedule 6
Right of First Offer

ROFO Offer Notice

1. The other provisions of this Schedule 6 (*Right of First Offer*) will not apply in respect of Transfers in accordance with Clauses 18.6(a), (b), (d), (h) or (i) and 23 (*Block Trades*).

2. Save as referred to in paragraph 1 of this Schedule 6 (*Right of First Offer*) and subject to Clause 28.4(b), if any Investor or any member of its Investor Group that holds Shareholder Instruments from time to time other than an Investor that is a member of a Controlling Investor Group at the relevant time (the relevant party being the ***ROFO Seller***) wishes to sell any Shareholder Instruments, the ROFO Seller must, at any time prior to entering into binding documentation to effect the sale, first give notice in writing (a ***ROFO Offer Notice***) to the Appointed Person of any Controlling Investor Group (the ***ROFO Beneficiary***).

3. If more than one Investor from the same Investor Group wishes to sell Shareholder Instruments they may between them give a single ROFO Offer Notice in respect of all such Shareholder Instruments, in which case ROFO Seller, ROFO Shareholder Instruments and other terms and expressions used in this Schedule 6 (*Right of First Offer*), and this Schedule 6 (*Right of First Offer*) generally, shall be construed accordingly.

4. Nothing in this Schedule 6 will prevent any ROFO Seller before giving a ROFO Offer Notice, from engaging advisers, seeking potential purchasers, entering into discussions or negotiations, or taking any other steps (other than entering into binding documentation to effect the sale), with a view to selling (whether by way of private sale(s) or through any form of marketed offering) any of its Shareholder Instruments to a third party or parties. However, after giving a ROFO Offer Notice, the ROFO Seller must comply with the relevant remaining provisions of this Schedule 6 (*Right of First Offer*) before entering into binding documentation to effect the relevant sale.

5. A ROFO Offer Notice shall specify:

   (a) the number of Shareholder Instruments the ROFO Seller wishes to sell (the ***ROFO Shareholder Instruments***); and

   (b) that the ROFO Beneficiary will have 60 days from the date of the ROFO Offer Notice (the ***ROFO Offer Period***) in which to make an offer to purchase the ROFO Shareholder Instruments;

   but may also (at the ROFO Seller's option) include or append:

   (c) any asking price for each ROFO Shareholder Instrument that the ROFO Seller wishes to specify;

   (d) any other material terms of sale that the ROFO Seller wishes to specify (the ***ROFO Terms***) or alternatively a near final draft copy of the form of a sale and purchase agreement in relation to the proposed sale and transfer of the ROFO Shareholder Instruments (the ***ROFO SPA***), provided that in either case the consideration structure for each ROFO Shareholder Instrument is, at the sole election of the ROFO Seller, either in cash consideration and/or Marketable Securities deliverable at closing; and

   (e) the identity of any third party or parties to which the ROFO Seller wishes to sell the ROFO Shareholder Instruments.

ROFO Beneficiary ROFO Notice

6. The ROFO Beneficiary will be entitled by notice in writing to the ROFO Seller given within 45 days after the date of the ROFO Offer Notice (a ***ROFO Beneficiary ROFO Notice***) to make an offer to acquire all (but not some only) of the ROFO Shareholder Instruments. A ROFO Beneficiary ROFO Notice shall:

   (a) state that the ROFO Beneficiary is offering to purchase and acquire all of the ROFO Shareholder Instruments;

   (b) state the price offered by it for each ROFO Shareholder Instrument, which must be in cash payable and/or Marketable Securities deliverable at closing (the ***ROFO Beneficiary ROFO Offer Price***);

   (c) append a near final draft copy of the form of a sale and purchase agreement in relation to the proposed purchase and acquisition by the ROFO Beneficiary of the ROFO Shareholder Instruments (the ***ROFO Beneficiary ROFO SPA***) which must:

      (i) if the ROFO Offer Notice specified any ROFO Terms but did not append a ROFO SPA:

         (A) include and reflect such ROFO Terms; and

         (B) otherwise be of a customary nature for a share transfer between shareholders and shall include warranties given by the ROFO Seller only in respect of authority, capacity, good title and ownership to the ROFO Shareholder Instruments; or

      (ii) if the ROFO Offer Notice appended a ROFO SPA, be substantially in the same form as such ROFO SPA except for:

         (A) any minor or legally required changes that it proposes;

         (B) any changes reasonably necessary to take account of the ROFO Beneficiary being the proposed purchaser of the ROFO Shareholder Instruments; and

         (C) any changes in the conditions to closing of the transaction to incorporate any Mandatory Consents given the identity of the ROFO Beneficiary as the proposed purchaser.

7. The giving of a ROFO Beneficiary ROFO Notice by the ROFO Beneficiary to the ROFO Seller shall constitute an irrevocable offer by the ROFO Beneficiary to purchase and acquire all of the ROFO Shareholder Instruments from the ROFO Seller for cash and/or Marketable Securities at the ROFO Beneficiary ROFO Offer Price and on the other terms set forth in the ROFO Beneficiary ROFO SPA (the ***ROFO Beneficiary ROFO Offer***). A ROFO Beneficiary ROFO Notice, once given, may not be revoked.

8. If a ROFO Beneficiary ROFO Notice is not given in accordance with paragraph 6 of this Schedule 6 (*Right of First Offer*) within the ROFO Offer Period, then the ROFO Seller will be entitled to sell and transfer the ROFO Shareholder Instruments to a third party or parties (whether by way of private sale(s) or through any form of marketed offering) on such terms as it chooses, unless either:

   (a) binding documentation to effect such sale and transfer is not entered into within nine months after the expiry of the ROFO Offer Period; or

   (b) if binding documentation is entered into within such period, the relevant sale and transfer is subsequently terminated,

   in which case the provisions of this Schedule 6 (*Right of First Offer*) shall apply again in respect of any future proposed sale of any of the relevant ROFO Shareholder Instruments.

Acceptance of the ROFO Beneficiary ROFO Offer

9. The ROFO Seller will be entitled by notice in writing to the ROFO Beneficiary given within 60 days after the date of the ROFO Beneficiary ROFO Notice (a ***ROFO Acceptance Notice***) to accept the ROFO Beneficiary ROFO Offer in respect of all (but not some only) of the ROFO Shareholder Instruments. The ROFO Acceptance Notice may append to it an amended version of the ROFO Beneficiary ROFO SPA indicating any minor or legally required changes that the ROFO Seller proposes be made. A ROFO Acceptance Notice, once given, may not be revoked.

10. If a ROFO Acceptance Notice is given in accordance with paragraph 9 of this Schedule 6 (*Right of First Offer*), then:

   (a) the ROFO Seller will sell and transfer to the ROFO Beneficiary, and the ROFO Beneficiary will purchase and acquire from the ROFO Seller, the ROFO Shareholder Instruments at the ROFO Beneficiary ROFO Offer Price and on the terms of the ROFO Beneficiary ROFO SPA as amended to take account of the changes referred to in paragraph 9 of this Schedule 6 (*Right of First Offer*) and any further changes negotiated and agreed between the relevant parties;

   (b) the ROFO Seller and ROFO Beneficiary agree to negotiate in good faith in order to agree the final form of the ROFO Beneficiary ROFO SPA to effect the sale and transfer of the ROFO Shareholder Instruments (the ***Final ROFO SPA***); and

   (c) the ROFO Seller and the ROFO Beneficiary agree to use their best endeavours to ensure that the Final ROFO SPA is executed by them not later than 10 Business Days after the date of the ROFO Acceptance Notice.

11. If, after the Final ROFO SPA is entered into, the relevant sale and transfer of the ROFO Shareholder Instruments is subsequently terminated, the provisions of this Schedule 6 (*Right of First Offer*) shall apply again in respect of any future proposed sale of any of the relevant ROFO Shareholder Instruments.

Non-acceptance of the ROFO Beneficiary ROFO Offer

12. If the ROFO Seller:

    (a) gives notice to ROFO Beneficiary within 60 days after the date of the ROFO Beneficiary ROFO Notice rejecting the ROFO Beneficiary ROFO Offer; or

    (b) does not give a ROFO Acceptance Notice in accordance with paragraph 9 of this Schedule 6 (*Right of First Offer*) within that period,

    the ROFO Beneficiary ROFO Offer will lapse and will not be capable of acceptance thereafter.

13. In such circumstances, the ROFO Seller will be entitled to sell and transfer all (but not some only) of the ROFO Shareholder Instruments to a third party or parties (whether by way of private sale(s) or through any form of marketed offering) (the ***Third Party Sale***), provided that:

    (a) binding documentation to effect such sale and transfer is entered into within six months after:

        (i) the date on which a rejection notice is given by the ROFO Seller in the case of paragraph 12(a) of this Schedule 6 (*Right of First Offer*); or

        (ii) expiry of the period of 60 days after the date of the ROFO Beneficiary ROFO Notice in the case of paragraph 12(b) of this Schedule 6 (*Right of First Offer*);

    (b) such binding documentation provides for closing of the sale and transfer of the ROFO Shareholder Instruments to occur:

        (i) if no Mandatory Consents are required, by the later of: (A) expiry of the period described in paragraph 13(a) of this Schedule 6 (*Right of First Offer*) above; and (B) 20 Business Days after the date of such binding documentation being entered into; or

        (ii) if any Mandatory Consents are required, by the later of: (A) expiry of the period described in paragraph 13(a) of this Schedule 6 (*Right of First Offer*) above; and (B) 20 Business Days after the date on which the Mandatory Consents are obtained;

(c) both:

(i) the price paid for each ROFO Shareholder Instrument (the ***Third Party Offer Price***), which must be in cash payable and/or Marketable Securities deliverable at closing, is not less than 101 per cent of the ROFO Beneficiary ROFO Offer Price (and the sale and transfer is otherwise on terms to be agreed by the ROFO Seller at its discretion); and

(ii) in the reasonable opinion of the ROFO Seller, the non-pricing terms of such binding documentation, taken as a whole (excluding pricing terms), are no less favourable to the ROFO Seller than the terms of the ROFO Beneficiary ROFO Offer, taken as a whole, and the ROFO Seller has complied with paragraph 14 of this Schedule 6 (*Right of First Offer*) below; and

(d) if, after binding documentation to effect a Third Party Sale is entered into, the relevant sale and transfer of the ROFO Shareholder Instruments is subsequently terminated:

(i) the ROFO Seller will be entitled to conduct a Third Party Sale to a different third party or parties (whether by way of private sale(s) or through any form of marketed offering), provided that such Third Party Sale to a different third party or parties otherwise complies with the terms of paragraphs 13(a) to 13(c) of this Schedule 6 (*Right of First Offer*) above; and

(ii) if:

(A) no binding documentation in connection with a Third Party Sale is in force as at the expiry of the period described in paragraph 13(a) of this Schedule 6 (*Right of First Offer*) above; or

(B) binding documentation in connection with any Third Party Sale is terminated following the expiry of the period described in paragraph 13(a) of this Schedule 6 (*Right of First Offer*) above,

the provisions of this Schedule 6 (*Right of First Offer*) shall apply again in respect of any future proposed sale of any of the relevant ROFO Shareholder Instruments.

14. For the purposes of comparing the value of consideration comprising Marketable Securities to the value of cash consideration for the purposes of paragraph 13(c)(i) of this Schedule 6 (*Right of First Offer*) above, the value of any Marketable Securities shall be the volume-weighted average price of such Marketable Securities over the twenty (20) consecutive trading days ending on the third trading day prior to the date of execution of the binding documentation to effect the Third Party Sale.

15. Prior to entering into the relevant binding documentation to effect any Third Party Sale, the ROFO Seller shall be under no obligation to provide to the ROFO Beneficiary with any further opportunity to submit a revised offer to purchase and acquire the ROFO Shareholder Instruments.

The Subscription Price Expert's fees and expenses reasonably incurred in connection with its determination of the Subscription Price of the Valuation Shareholder Instruments (including the costs of any advisers to the Subscription Price Expert) shall, in the absence of any determination on cost allocation by the Subscription Price Expert, be borne by the relevant Group Member.

5. The Subscription Price Expert shall be requested to determine the Fair Market Value of the Valuation Shareholder Instruments (which must be expressed as a single figure value per Valuation Shareholder Instrument expressed in: (i) INR for the Company; and (ii) USD for UK PLC, and not a range of values) within 20 Business Days of its appointment, and to state in writing in a certificate (the ***Subscription Price Certificate***) what, in its opinion, is the Fair Market Value of the Valuation Shareholder Instruments. The Subscription Price Expert shall provide a copy of the Subscription Price Certificate to each of the Investors and Topco.

6. The Subscription Price Expert shall act as an expert and not as an arbitrator and, save in the case of fraud or manifest error, its decision as to the Fair Market Value of the Valuation Shareholder Instruments shall be final and binding on the Investors, Topco and any third party to whom Shareholder Instruments are issued, granted or Transferred. The Subscription Price Expert's decision shall not be subject to appeal to any court or tribunal on any basis whatsoever and the Investors and Topco must comply with the Subscription Price Expert's decision.

7. The Subscription Price Expert shall exercise its independent professional judgment in arriving at a determination of the Fair Market Value of any Valuation Shareholder Instruments by:

   (a) assessing the historical and projected financial performance of the Group;

   (b) applying generally accepted methodologies for valuing the Group, including discounted cash flow analyses, comparisons with any similar companies whose shares are traded on any stock exchange and comparisons with any publicly disclosed sales of similar companies or significant pools of similar assets; and/or

   (c) such other valuation methods as the Subscription Price Expert shall consider to be appropriate in the circumstances.

8. The Subscription Price Expert shall determine the Fair Market Value of the Valuation Shareholder Instruments on the following basis:

   (a) by valuing the Group on a going concern basis for an arm's length sale between a willing buyer and a willing seller and on the assumption that the Valuation Shareholder Instruments are being sold in the open market;

   (b) by valuing the Valuation Shareholder Instruments by reference to the value of the Group as a whole (and therefore without regard to the size of any relevant holding such that no premium shall apply to any majority or controlling stake and no discount shall apply to any minority stake);

   (c) without regard to the size of the issue or grant of the New Shareholder Instruments;

   (d) if the New Shareholder Instruments are Shares or shares in any Group Member, on the assumption that the share capital of the relevant Group Member has been increased by the issue of the New Shareholder Instruments and that the proceeds of the issue of such Shareholder Instruments have been received; and

   (e) without any discount which would normally be taken into account in the case of a rights issue by a listed company.

9. The Fair Market Value of the Valuation Shareholder Instruments may also reflect any other factors suggested by an Investor or the Group which the Subscription Price Expert reasonably believes should be taken into account.

10. The parties shall procure that the Subscription Price Expert shall have access to all financial and accounting records or other relevant documents of the Group (together with such information as any Investor may wish to provide to it) which it reasonably requests for the purposes of its determination (such information to be provided on a confidential basis and to include at a minimum the prevailing Business Plan, the cap table in respect of the Company and the prevailing Long Term Financial Model) provided that if any party provides any information to the Subscription Price Expert pursuant to this paragraph 10 of this Schedule 9 (*Determination of Subscription Price*), it shall, at the same time:

    (a) notify each Investor and Topco in writing that it has provided such information to the Subscription Price Expert; and

    (b) provide each Investor and Topco with copies of such information, as provided to the Subscription Price Expert.

Schedule 13

[*To be appended in agreed form*]

FORM OF ARTICLE PROVIDING FOR PERPETUAL IRREVOCABLE WAIVER

[*To be Included in Articles of Association*]

ARTICLE [X]

Introduction

A. Canada Pension Plan Investment Board, a Crown corporation organized and existing under the Canada Pension Plan Investment Board Act ("**CPPIB**", which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to mean and include its successors and permitted assigns) owns all of the issued and outstanding shares of [*CPPIB investment entity*], a [•] ("**CPPIB Shareholder**", which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to mean and include its successors and permitted assigns);

B. The CPPIB Shareholder owns certain Voting Securities (as defined below) of the Company;

C. The CPPIB Shareholders (as defined below) presently do or may in the future come to directly and/or indirectly own more than 30% of the issued and outstanding Voting Securities; and

D. This Article [X] provides for CPPIB Shareholders to comply with its obligations under the CPPIB Regulations (as defined below) in relation to the restriction on its ability to invest, directly or indirectly, in securities which carry votes on the election and removal of Directors (as defined below).

Interpretation

1.1 Definitions

In this Article, unless the context otherwise requires:

"**Companies Act**" means the Indian Companies Act, 2013;

"**CPPIB Act**" means the Canada Pension Plan Investment Board Act of 1997, as amended or replaced from time to time;

"**CPPIB Regulations**" means the Canada Pension Plan Investment Board Regulations, as amended or replaced from time to time;

"**CPPIB Shareholders**" means CPPIB and any subsidiary thereof, including the CPPIB Shareholder, who acquires any securities of the Company;

"**Director**" means a director of the Company;

"**Director Election Resolution**" means a resolution of the shareholders of the Company to appoint, elect, remove, reappoint or replace a Director; and

"**Voting Security**" means a security issued by the Company which confers a right to vote on a Director Election Resolution.

1.2 **General References**

In this Article, unless the context otherwise requires:

(a) a reference to a clause is a reference to a clause of this Article;

(b) a reference to this Article or another instrument includes any variation, novation or replacement of either of them;

(c) the singular includes the plural and vice versa;

(d) the term "subsidiary" has the meaning set out in the CPPIB Regulations; and

(e) the word "person" includes an individual, a body corporate, an association of persons (whether corporate or not), a trust, an entity, a state or an agency of state, government departments and local and municipal authorities, in each case whether or not having a separate legal personality.

2. Restrictions on Voting Securities held by CPPIB Shareholders

2.1 No CPPIB Shareholder, either individually or collectively with any other CPPIB Shareholders, shall cast any votes on any Director Election Resolution in excess of the Applicable Number (as defined below). For purposes of this Article, "**Applicable Number**" means the total number of Voting Securities owned by all CPPIB Shareholders at the applicable time to the extent in excess of 30% of the total number of issued and outstanding Voting Securities that may be voted on any Director Election Resolution (for greater certainty, taking into account the resulting reduction in the total number of votes that may be cast by the CPPIB Shareholders on any Director Election Resolution pursuant to this clause 2.1), and rounded down to the nearest whole number.

Illustration: if the total number of Voting Securities issued and outstanding were 10,000 of which the CPPIB Shareholders hold 4,900 and the other Shareholders hold 5,100, then the Applicable Number would be 2,185, calculated as "x" where "x" = (5,100 / .7) – 5,100 and rounded down. The total number of votes entitled to be cast would be the Applicable Number, plus the number of Voting Securities held by the other Shareholders, or 7,285 (calculated as 2,185 plus 5,100). As a result, the number of votes that the CPPIB Shareholders would vote on any Director Election Resolution would be 2,185 out of 7,285 total votes, or 29.999%.

2.2 The restriction in this clause 2 applies only in relation to CPPIB Shareholders holding any Voting Securities. For greater certainty and without limitation, the restrictions in this clause 2 do not apply to any other person (that is not a CPPIB Shareholder) acquiring any of the Voting Securities or to any Voting Securities transferred by any CPPIB Shareholder to any other person that is not a CPPIB Shareholder. For the avoidance of doubt, it is hereby clarified that the obligation to comply with the provisions of this Article [x] shall vest solely on the CPPIB Shareholder.

2.3 Any resolution placed before the Shareholders for Director Election Resolution shall be put to vote by poll as per Section 109 of the Companies Act (and rules in relation thereto) and not by show of hands.

3. Term of Restrictions

3.1 Notwithstanding anything contained in this Article to the contrary, except as provided in this clause 3, this Article shall be perpetual and irrevocable and shall not be determinable in nature under any circumstances whatsoever.

3.2 Each of the restrictions on the CPPIB Shareholders in clause 2 may be revoked or terminated only as follows:

(a) By the Shareholders (at the cost of the CPPIB Shareholder), if (i) the CPPIB Shareholders determine, in consultation with their legal advisors, that the restrictions under this Article [X] are no longer required in order for them to comply with the provisions (if any) of the CPPIB Act or the CPPIB Regulations then in effect specifically relating to investments in Voting Securities and (ii) the CPPIB Shareholders notify the Company and the Shareholders of such determination.

(b) by an amendment to this Article [X] pursuant to clause 4.

3.3 Notwithstanding anything contained in this Article, each of the restrictions on the CPPIB Shareholders in clause 2 shall cease to be applicable automatically, if the CPPIB Shareholders cease to hold any securities, whether Voting Securities or otherwise, in the Company.

3.4 In furtherance of the foregoing provisions of clause 3.2 and 3.3, all Shareholders shall take necessary steps, and the Shareholders shall vote in a manner, to amend the articles of association of the Company to give effect to any revocation or termination of the restrictions under clause 2 within a reasonable period of occurrence of such revocation or termination.

4. Amendment

This Article [X] may only be amended with the affirmative consent of (i) a simple majority of the holders of Voting Securities (other than any CPPIB Shareholders that own Voting Securities) and (ii) the CPPIB Shareholder.

5. Ability to seek Injunction

If there is a breach or potential breach of any provision set forth in this Article by any party, each Shareholder is entitled to seek an injunction against the breaching or potentially breaching Shareholder to prevent that breach or potential breach.

6. Specific performance

The Shareholders shall, notwithstanding the other rights, reliefs and remedies available to them under Law, be entitled to enforce specific performance of the terms of this Article against the other Shareholders.

It is hereby clarified that compensation in money would not be an adequate relief for the non-performance, breach or potential breach of the terms of the Article by any Shareholder.

5.	**Submission of 13E-3 to SEC**	Submission to be made and SEC approval to be received before posting of Scheme Document to UK Co shareholders	UK Co CPPIB Founder	13E-3 is a US securities shareholder disclosure document designed to provide additional disclosure in take-private transactions involving an existing shareholder. It will reference contents of the scheme document and will not functionally be a different document. An undated version of the Scheme Document will be an exhibit to the initial 13E-3 filing. The SEC may choose to review and comment on the filing, and if they do, the commenting process can take anywhere between 5 to 10 weeks, depending on the extent of comments and speed of response. Once all SEC comments are resolved, the 13E-3 and Scheme Document can be finalised and the Scheme Document can be posted to UK Co shareholders.

To ensure compliance with the 30% Rule at RPL level after the Collapse, the RPL articles will include an irrevocable waiver from CPPIB of its right to exercise the director voting rights attaching to the shares it holds in RPL such that CPPIB's percentage equity stake in RPL does not exceed 30% of the total votes that may be cast for the election, appointment and/or removal of directors of RPL (thus limiting CPPIB's director voting power to 30% at all times).

5 CPPIB is a Canadian Crown Corporation created by statute. Under Section 13 of the Canada Pension Plan Investment Board Regulations, SOR/99-190, CPPIB may not, directly or indirectly, invest in the securities of a corporation to which are attached more than 30% of the votes that may be cast to elect the directors of that corporation (the ***30% Rule***).

6 The "Appointer Structure" works as follows:

a) the right to vote for the election / appointment and removal of directors shall be removed from all shares of UK Co by expressly stating in the articles of association of UK Co that none of the securities issued by UK Co carry any right to appoint, elect, remove or replace (or to vote for the appointment, election, removal or replacement of) the directors of UK Co; rather, the sole and exclusive rights to do so vests in one or more named entities (the ***Appointer(s)***);

b) CPPIB and each other shareholder in UK plc having director appointment rights will appoint an Appointer. These Appointers can be any affiliated entity of the applicable shareholders that does not directly own (legally or beneficially) any securities in UK Co (e.g., CPPIB's Appointer will be a subsidiary of CPPIB). For completeness, a shareholder cannot act as its own Appointer;

c) the articles of association of UK Co will provide for the maximum number of directors that each Appointer may appoint. The SHA will clarify the actual number of directors that each Appointer can appoint based on the shareholder ownership and how the appointment numbers may change based on ownership changes. The SHA will also include a covenant that the shareholders will amend the articles of association of UK Co to the extent needed to reflect the governance arrangements agreed to in the SHA; and

d) A short deed will additionally be entered into pursuant to which the shareholders agree in favour of the Appointers not to exercise any such rights under the local corporate law statute and/or common law that would be inconsistent or conflict with the Appointers' sole and exclusive right(s) to appoint and remove the directors as reflected in the articles,

(the structure described above being the ***Appointer Structure***).

All tranches of shares in RPL held by UK Co with different costs of acquisition shall be transferred to the existing shareholders on a proportionate basis. Reorganisation Documents To be effected via a single agreement between UK Co, CPPIB and Continuing Investors (via Power of Attorney) with simultaneous closings.	Following previous steps (and pre-steps)	UK Co CPPIB ADIA and JERA RPL	RPL will need to provide a letter to UK Co confirming that the proposed transfer of shares by UK Co to CPPIB and the Continuing Investors is in accordance with the provisions of the (Indian) Companies Act. Such letter will need to be provided by UK Co to the depository along with the delivery instructions to enable the depository to initiate the transfer. All shareholders proposed to hold shares in RPL will need to have a demat account in place prior to the Collapse Closing. The SHA will include customary cooperation undertakings with regard to obtaining required consents. Anti-trust and FDI approvals It is anticipated that any anti-trust or FDI approvals required in connection with the Collapse (including all intermediate steps and transactions) will be sought at the same time as the approvals are sought in connection with the Take-private by way of a single consolidated notification/filing to the Competition Commission of India, on account of the steps in the transaction being highly dependent and inter-linked. In other words, the intention is that the Collapse is "pre-approved" by all relevant regulators. If any public shareholders of UK Co are Indian resident entities, the transfer of RPL shares to such resident must be undertaken at a price which is no more than the fair market value of equity instruments of RPL (as calculated in accordance with an internationally accepted pricing methodology for valuation). Under the Indian exchange control laws, the valuation certificate must be completed no more than 90 days before the date of the transfer of RPL shares. If any Continuing Investors are Indian residents, payment must be conducted through an inward remittance through banking channels / funds held in repatriable foreign currency or rupee account (and not a settlement of funds). A transaction through a payables / receivables structure for Indian resident Continuing Investors would require RBI approval.

[8] To be determined whether the Founder will still have shares in UK Co at this stage.

Step 5(b): Buyback of Class B Share and Class D Share				
38.	**UK Co to conduct off-market buyback for Class B Share and Class D Share** Process Buyback must be approved by an ordinary resolution of the shareholders and documented in a written contract (in this case, the Reorganisation Deed) approved before Take-private Completion. Pricing We expect the buyback to take place at fair market value.
Step 5(c): Distribution of Collapse Receivables by UK Co to Consortium members and Continuing Investors				
39.	**UK Co to distribute receivables created by Collapse to Consortium and Continuing Investors** Process Following the Collapse, the consideration left outstanding under the transfer agreements entered into by UK Co, the Consortium and the Continuing Investors will be reflected as receivables in the books of UK Co (the ***Collapse Receivables***). The Collapse Receivables will be distributed to the Consortium and Continuing Investors thereby eliminating the Collapse Receivables. Reorganisation Documents • Reorganisation Deed • UK Co board resolutions • Relevant Accounts • Assignment documents	Following Step 5(b) and on an ongoing basis to the extent required	UK Co CPPIB	
Step 6: Winding up of UK Co				

[11] The "shares being transferred for less than £1000" box will need to be ticked on the SH03 given that the B and D shares being repurchases will have nominal value.

40.	**Liquidation of UK Co**	In due course following Take-private Completion and the Collapse	UK Co	Ultimate intention is to wind-up UK Co. It is expected that this will be done at some point following the Take-private Completion and the Collapse by way of a members' voluntary liquidation (***MVL***). Process for a MVL involves the appointment of a third party liquidator and typically takes between 6-12 months. However, that timeline could be significantly reduced if: (i) by the time of the liquidation UK Co has very limited assets and liabilities; and (ii) discussions with the liquidator are commenced early. It is expected that the power of attorney to be provided by shareholders in connection with the reorganisation and collapse will capture consenting to any future MVL process.

Part B – The Reorganisation	
2.	Re-registration of UK Co as a private limited company
3.	Primary investment in UK Co to facilitate the Reorganisation
4.	Collapse of UK Co
5.	Reduction of Capital, buyback and Distribution of Collapse Receivables by UK Co
6.	Winding up of UK Co

Working assumptions for the proposed transaction

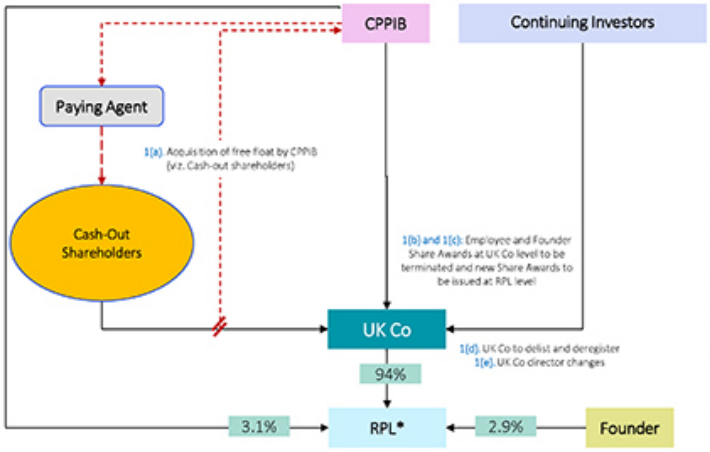

- CPPIB^ shall undertake the Take-Private transaction at UK Co level
- **Primary Capital Infusion**: It has been assumed that all shareholders* of UK Co at the time of subscription will participate in the primary capital infusion (Step 3(a)), to be used by UK Co primarily for extinguishment of its external liabilities, including repayment of the unsecured loan payable to Diamond II**. The quantum of primary infusion may further increase, if required, to fund transaction related expenses, including transaction costs, ESOP settlement costs and any other transaction expenses (e.g., stamp duty). The final funding requirement will depend on UK Co's balance sheet position at the time of implementation, including the availability of realizable cash and receivables.
- For the purposes of this illustrative structure paper, the investors who are expected to retain their existing stake in UK Co post Take-Private transaction are collectively referred to as 'Continuing Investors'. Further, the remaining public shareholders, that will be cashing out, are collectively referred to as 'Cash-out Shareholders'.
- No shareholders other than CPPIB shall be acquiring shares from the public shareholders in the Take-Private transaction.
- Founder and CPPIB will retain their Class B and Class D Share respectively up to Step 4 (i.e., Collapse of UK Co) post which they will be bought back by UK Co at fair market value.
- This summary is not intended to constitute, and should not be construed as, legal or tax advice to any shareholder and is intended to provide general information only. Holders should consult their own tax advisers regarding any tax consequences applicable to them in connection with the disposition of Scheme Shares. It cannot be assured that new laws, interpretations of law, or court decisions, any of which may take effect retroactively, will not cause any statement in this section to be inaccurate.

^ Take-Private and certain other steps contemplated by this document to be implemented by Canada Pension Plan Investment Board (CPPIB) which shall include any of its wholly-owned subsidiaries or affiliates.
**Currently, we have assumed that the primary investment in UK Co shall be made proportionately by CPPIB and all the Continuing Investors in the ratio of their shareholding in UK Co.*
***Diamond II is a wholly-owned subsidiary of UK Co incorporated and registered in Mauritius, which has extended a loan to UK Co .*

Part A – The Take-Private

Step 1 - Implementation of Take-Private transaction [1/2]

  (Note - The Founder Service Agreement may be entered into before, or at the time of, the completion of the Take-Private transaction)

^ The Founder and CPPIB will retain their Class B and Class D Share, which will be bought back by UK Co as a part of Step 5(b)

Part B – The Reorganisation

Step 2: Cash settlement of awards, re-registration of UK Co & redemption of Share

Step 2(a): Cash settlement of awards:

Cash-settlement of awards at UK Co level to be undertaken as soon as practicable following Take-Private Completion. The Awards being cashed out includes:

- Non-Resident Awards exercised prior to Scheme Record Time
- Non-Resident Awards, ID Awards and Exercisable ITM Awards that remain unexercised at the Scheme Record Time
- Accelerated ITM Awards and Vested ITM Awards, to the extent validly (i.e., subject to the cap) exercised

Step 2(b)(1): UK Co to be registered as a private limited company:

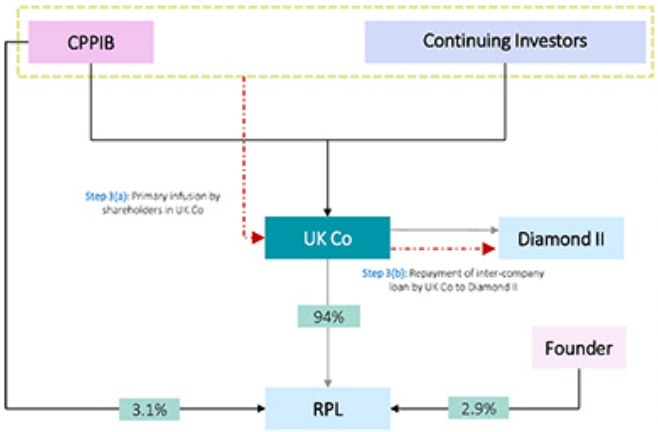

- UK Co will be registered as a private limited company in the UK

Step 2(b)(2): Redemption of 50,000 RPS held by Neerg Energy Limited in UK Co:

- **RPS –** These preference shares have been issued to Neerg Energy Limited by UK Co. The redeemable preference shares do not carry any rights to dividends. These shares will remain outstanding until UK Co is converted into a private company and thereafter, shall be redeemed at a nominal valuation as per the agreed terms.

Step 3 – Shareholders to make primary investment in UK Co

Step 3(a)/ (b): Shareholders to make primary investment in UK Co to facilitate the Reorganisation, including to raise funds to settle Diamond II Unsecured Loan

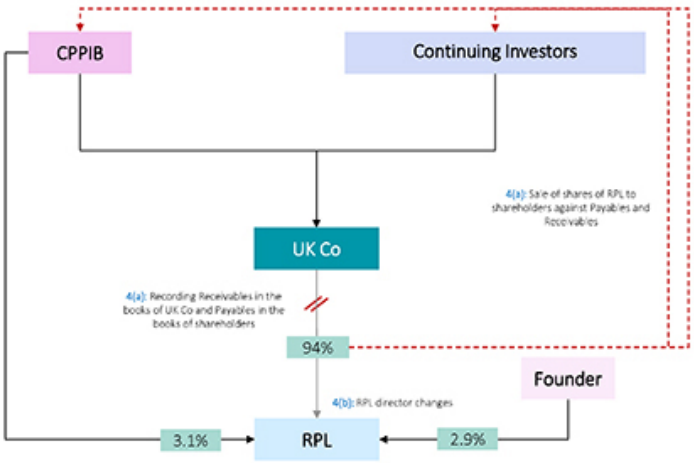

Please note that where the fund infusion happens soon after the Take-Private transaction, it shall happen at the same valuation provided there is no significant event and/ or time gap taking place between Take-Private and such primary infusion.

Step 3(a): Shareholders to infuse funds into UK Co in exchange for the issuance of Class A shares for their applicable pro rata shareholding proportion.

Step 3(b): UK Co uses some of the proceeds of Primary Infusion to repay outstanding balance (including accrued unpaid interest) owing to Diamond II under the Unsecured Loan Agreement to IFSC Gift City entity followed by infusion of debt by IFSC Gift City entity into RPL/ subsidiaries.

Further, only if and to the extent that UK Co lacks sufficient realizable cash and receivables at the time of implementation to meet transaction-related costs, the primary infusion amount may be increased to cover such shortfall, including transaction costs, ESOP settlement costs, and any other transaction expenses (e.g., stamp duty).

Step 4 – Collapse of UK Co [Sale of shares of RPL against Payables/ Receivables] [1/2]

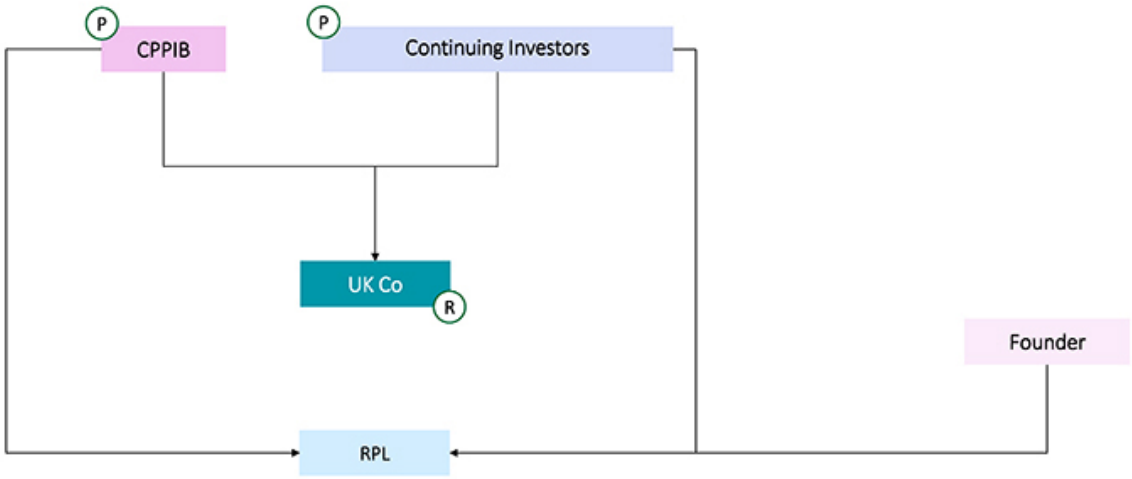

Proposed steps

Step 4(a) – Immediately following primary infusion at UK Co level, UK Co to transfer its shares in RPL to CPPIB and the Continuing Investors in proportion to their shareholdings in UK Co (based on economic rights, not voting rights), with the consideration for the transfer left outstanding. With effect from closing, UK Co will record a Receivable (non-interest bearing) owing from each of CPPIB and the Continuing Investors equal to the value of the RPL shares transferred to it, and CPPIB and the Continuing Investors will each record a corresponding Payable to UK Co in their own books.

Step 4(b) - RPL director changes - Directors to step down and new directors to be appointed in accordance with the SHA and applicable Indian law

Step 4 – Post Collapse structure [2/2]

R – Receivables

Step 5(a) – UK Co to undertake a reduction of capital

Step 5(b) – Buyback of Class B Share and Class D Share

Process:

- Buyback must be approved by an ordinary resolution of the shareholders and documented in a written contract approved before Take-Private Completion (in this case, the Reorganisation Deed). The buyback is expected to take place at fair market value.

^ We have assumed that the A Shares subscribed for by shareholders under Step 3(a) will be issued at nominal par value together with a substantial share premium, a significant portion of which will subsequently be converted into distributable reserves pursuant to the capital reduction process described in this Step 5(a).

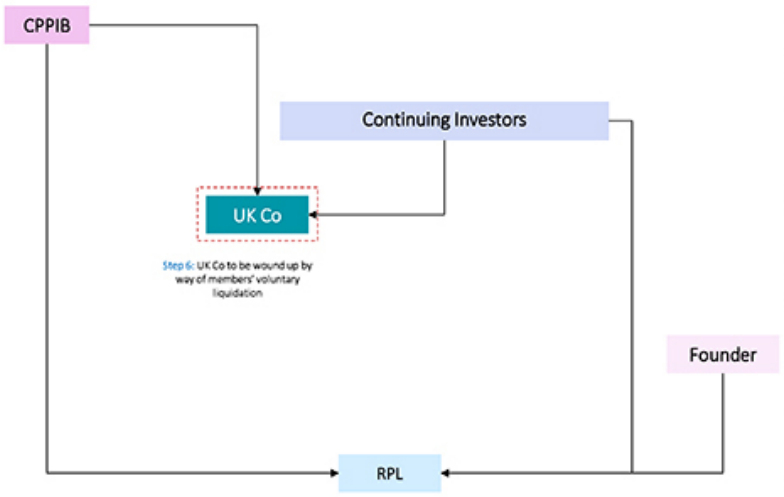

Step 5(c) – Distribution of Receivables – illustrative mechanism

R – Receivables
P – Payables

Step 5(c)(i): UK Co to distribute the Receivables in specie to CPPIB and the Continuing Investors, in proportion to their respective shareholdings in UK Co, out of UK Co's available distributable reserves, pursuant to an assignment agreement (or equivalent transfer documentation) assigning the benefit of the Receivables to CPPIB and each Continuing Investor.
Step 5(c)(ii): The Continuing Investors to recognise the receivables in their books and settle the amounts payable to UK Co against such receivables due from UK Co.
